GREATER THAN THE SPHINX

Statue of Buddha, in Western China, is Truly One of the Marvels of the World.

For many years it has been known that about fifty miles from Jah-ding, in western China, there is a very large and remarkable statue of Buddha, but it was not until a very few years ago that it was ever described by an occidental.

Dr. Sprague, an authority on things Chinese, visited it. At the end of two days' travel he reached the image and found it to be a colossus in size, although not so large as rumor had made it out. The upper half of the hillside consists of a sandstone cliff and in this a niche fifty feet broad has been cut leaving a central core of stone that is carved in the shape of a figure seated in European style, not cross-legged, as Buddha is so often represented. The traveler found the height of the image to be not less than one hundred feet.

A series of five tiled roofs, descending like a flight of steps, built in front of the image, protects it from the weather, so that only the face can be seen from without.

When the doctor came within sight of the great Buddha he paused and rested from his journey at a point near one of the gates to the walled city that lies in the valley below. As his eyes turned to the great face, which has been gilded until it shines like metal, as the immense size and perfect preservation of the idol made their impression, the thought came to him that "this is more marvelous than many of the world's boasted wonders."

He thought of the colossi at Thebes and the Sphinx. Scarred and ruined and defaced by the hand of man and the effects of time, they are little better than lumps of battered rock. But far in the west of China sits this old Buddha, unnoticed and almost unknown, yet greater in size than the Egyptian colossi, with his proportions preserved intact, with temples about and below him, and with the priests in attendance to keep the incense burning at his feet. There he sits, grimly gazing out over the tiled roofs of the city that lies before him.

Consul.

The word consul is of Latin origin, being derived from the verb consulo, I consider. As the name of an office it also had its origin in Rome in the early days of the republic.

The constitution of that republic was democratic beyond anything we know today. The source of all power was the people. They elected the executive magistrates and the judges, and they enacted the laws, not through chosen representatives, but by direct action in an assembly of the whole people called the comitih. They had two chief executive officers of equal rank, elected each year, who were at the head of the work of governing. These were called consuls. In the end corruption and recurring periods of anarchy broke down the government, and an autocracy grew up, but which for years preserved many of the forms of the dead democracy. For five centuries under the empire there were consuls, but they were without any real power. As a title of an office the word consul is still in use. Today a consul is a representative, of his country's commercial interests in a foreign country. The political representative is the ambassador.

Getting at the Facts.

"I wish to marry your daughter," said the young man to the girl's father, according to the Detroit Free Press.

"Does she love you?" asked the father.

"Yes, sir. And I love her."

"Well, that, of course, is the first necessary condition, but there are a few more questions I must ask. Have you made any shopping tours with her lately?"

"No, sir."

"Ever been in a department store and asked the present price of women's suits and hats?"

"No, sir."

"Know anything at all about the cost of provisions?"

"Only that which I have learned from the talk of others."

"Well, young man, my advice to you is to make a trip of investigation. I don't know what your present income is, but after you've learned for yourself just what those clothes she wears are costing me, if you come back and say that you can support her in the style to which she has been accustomed lately, I'll give my consent."

The Eggo.

The Times of London announces the discovery by Captain Phillips in British Ruanda of a species of chicken. The natives know it as an eppo or empuyi and regard it with a good deal of respect as the totem-beast of Mulinga, the now reigning chief of that country of Ruanda, the greater part of which the peace conference has placed under the tutelage of Belgium. The bamboo forest of Mount Sabino and other mountain forests provide the habitat of the eppo. In appearance the creature resembles a large goat and is a rufous black with a bright yellow stripe along about half its backbone. It has a stumpy tail, orbi horna, and marsh hoofs.

The Humble Check Book.

"I suppose," remarked the plaintive person, "that there are men in the world who can forget about themselves and rejoice in the success of others."

"I should hope so," replied Senator Sorghum. "That is what many a campaign contributor is expected to do after the election is over."

MADE RECORD JUMP.

Negro Tells Interesting, If True, Story of a Porpoise.

A negro fisherman once told me a tale for which I will not vouch, but which I will be prepared to defend since I think it may be true. With another negro he was taking a scow through one of the smaller tideways that wind through the marshes of this coast—a narrow, sallow creek which went almost dry at low tide. A fair wind was blowing, and the men had rigged a square sail to help them as they poled their clumsy craft along against the ebbing tide. Suddenly, when they had reached a point where the creek was very narrow, they saw a porpoise in the water ahead of them. Tempted, no doubt, by the shrimp and mullet which swarm in incalculable myriads in the marsh waterways, this porpoise had remained far up the creek longer than was prudent, and now he was hurrying downstream with the ebb in order to reach the deeper waters below before the creek channel became too shoal. The scow blocked his way. On neither side was there enough water for him to pass by, and it was doubtful whether there was sufficient depth for the porpoise to dive and pass underneath. He increased his speed as he drew near the scow, until he was fairly flying through the water; and then, when he was still a few feet from the square bow of the craft, he launched himself up into the air. In a long, beautiful curve he passed clear over the forward deck of the scow, struck the sail head on, broke through it like a greyhound leaping through a paper hoop at a circus, and, with no apparent slackening of his momentum, cleared the scow's stern and plunged into the water behind it.

The scow was some twenty feet in length, according to the negro's story. This would imply a leap of at least twenty-four feet by the porpoise, and probably more, because these scows are generally high-sided craft, and the animal must have left the water several feet in front of the square bow in order to reach the elevation necessary to clear it. Perhaps the part of the story which seems most difficult to believe is the porpoise's plunge through the sail; yet this may not be a very serious obstacle, after all. The sails on most of the marsh negroes' boats are weird and ancient makeshifts, composed of many patches of different sorts of cloth sewed together; and a plunging porpoise might well go through one of these crazy quilts as easily as a six-inch shell penetrates a brick wall. I would not swear that the story just as the man told it is inaccurate; and, be that as it may, there are many other illustrations, less spectacular but no less impressive, of the porpoise's ability to travel as fast as, and probably faster, than any shark.—Herbert R. Sass in Harper's Magazine.

Compressed Air in Quarries.

Compressed air is being used, near Atlanta, Ga., in quarrying granite, and it has been found to have advantages over the more usual method when the granite rock is devoid of "joints," says Popular Mechanics Magazine. Two three-inch holes are drilled, a short distance apart and perpendicularly to the rock, to a depth of eight feet. After removing the drills, a spoonful of black blasting powder is dropped to the bottom of each hole, tamped with clay, and the holes wired so that they can be electrically fired. The effect of the explosion is to start cracks in the rocks at right angles to the holes. This operation is repeated a number of times, until it is certain that the cracks radiate from the bottom of the holes to a distance of about seventy-five feet. Into each hole, to slightly over half its depth, there is then inserted a one-inch pipe, and the space surrounding the pipes in the holes is filled with sand, tamped so as to seal it against air pressure. Connections are then made between the upper ends of the pipes and the quarry air compressor, which continues to pump air, at 100-pound pressure, into the holes until the block of rock above the cleavage is ready formed to turn from the surrounding rock.

Gossip of the Skies.

A blind boy of Worcester College, by eavesdropping on the gossip of the skies, is able to keep the rest of the college in touch with the news of the world.

He went blind two years ago at the age of fifteen, and at that time was keenly interested in wireless. A special wireless installation was erected on the top of the building to keep the boy interested in his hobby.

Wireless telephony gives him the news of the London-Paris flights daily, and many of the remarks exchanged between the pilots of the trans-Channel service cause considerable amusement among the boys.

Poldhu's new way of arriving ships, Berlin's comments on the Silesian question, rapid-fire messages from the Eiffel Tower, and even New York's criticisms of Admiral Sims have been overheard by this boy, and retailed to his friends.

Lawns of Concrete.

Most people know the bother and expense attached to a grass lawn. It demands continual work, for it has to be watered regularly—not an easy task these days. In addition it must be rolled and cut, and bad patches must be made good.

All this trouble and expense can be avoided by a permanent laborsaving imitation of nature—a lawn made of concrete. Such lawns were tried last summer with more than ordinary success.

The concrete has to be laid down smoothly and then painted a natural-looking green. One coat every spring is sufficient, and if the work is well done the lawn appears, from across the road, like the genuine article.

Swatting Flies for a Living.

In the swampy district of Mexico the chief industry of the greater part of the native population is hunting flies.

The swamps are the favorite breeding-place of a species of large black fly resembling the English bluebottle. The black mud harbors hordes of these insects.

The weapons of the hunter are a large, fine-meshed net and a bag to carry the "catch."

As soon as they are disturbed, the flies rise in dense masses. The hunter strikes right and left, and as quickly as he swings the net the flies are caught and transferred to the bag.

Hundreds of small boxes are arranged in a convenient spot, and as fast as the fly bags are brought in they are emptied into the boxes and the hunt is resumed. Each box is fitted with a wooden plunger. As the boxes are filled, the plunger is squeezed down and then subjected to heavy pressure.

Next day a solid, concealed cake of pressed flies is removed from the box, exposed for a time to the fierce sunshine, and the fly-cakes are then ready for packing and exportation to every part in the world as bird food.

Dodge That Jelly Fish.

It is difficult to imagine that the jelly fish—a mere mass of jelly, which turns to water under the sun's rays—is capable of doing harm to anyone. But those who have experienced his sting know how formidable he can be.

When he is in the water the jelly fish looks like an inverted saucer. He contracts and expands his whole body alternately. Each movement brings a quantity of water through his mouth, from which he extracts the minute plants and animals that form his food.

The jelly fish cannot deal with living animals if they are of any size; to be of use to him they must be dead. For this reason he is provided with an amazing network of fine stinging threads, which hang down from the main saucer.

Each of these threads—they are often several feet in length — is armed with millions of tiny, stiff, sharp-pointed hairs. If they touch any living thing they penetrate its skin at once, and each discharges a minute drop of poisonous, irritating fluid. Small animals are killed at once, and the jelly fish's pump conveys them to the gaping mouth that awaits them.

On human beings a painful red spot appears wherever a hair has penetrated, and frequently the person stung suffers from cramp and sickness.

A QUESTION OF SCHOOLS

By ARCHBISHOP McNEIL.

(In the TORONTO GLOBE)

To the Editor of The Globe: Mr. Benjamin Kirk thinks that Catholics enjoy an undue privilege in their possession of separate public schools in Ontario. He looks at Ontario apart from the rest of the Dominion, and to him it seems strange that there should be this apparent inequality. "I cannot consent," he says, "to the Catholics' enjoyment of privileges denied to other churches." This is not in question. The Fathers of Confederation were not thinking of Ontario alone. Their terms of compact son were the minorities in Ontario and Quebec, and they decided to protect the Protestant minority in Quebec and the Catholic minority in Ontario. They did not consider it necessary to provide special protection for the majority in either case. Majorities can look out for themselves. It is not true to say that Catholics have special privileges in the matter of school rights. They have, in fact, fewer rights than the Protestant denominations in Quebec.

Sir A. T. Galt was responsible for section 93 of the British North America Act. It was framed primarily in the interest of the Protestants of Quebec, but necessarily it extended also to the minority of Ontario.

The Hon. George Brown had contended strenuously against separate public schools in Ontario. His articles on this subject in his newspaper, The Globe, had moulded public opinion in Toronto. But in the Confederation scheme he found himself forced by the necessity of accepting separate schools in Ontario as a condition of union. The Protestants of Quebec made such a necessary condition in their own case, and the minority in Ontario could not be differently treated. In his speech of February 8, 1865, he declared:

"Assuredly I, for one, have not the slightest hesitation in accepting it (the Ontario Separate School Act of 1863) as a necessary condition of the scheme of union."

As he understood it, as far as Ontario was concerned, the purpose in making the Act of 1863 constitutional was "to bind that compact of 1863 and declare it a final settlement."

The Protestants of Quebec were strong at that time, through able and energetic leaders. In the Confederation debates, Sir John Rose indicated a just basis for the division of school assessments in the case of incorporated companies. Speaking for the minority in Quebec, he said:

"Another point has reference to taxes on the properties of incorporated companies. As things are now, the minority of Lower Canada is dissatisfied with the division of such taxes (for school purposes). I wish to know whether an equitable and satisfactory method of dividing such taxes will be adopted. For instance, it would be acceptable if these taxes were divided on the same basis as Government grants."

This kind of division was accepted by the Quebec majority, and has been part of the Quebec Assessment Act ever since. If the Catholics of Ontario had been effectively represented at that point of time and place, we should afterward have had the means of developing our colleges instead of spending millions in contributions to supplement the school taxes for the support of elementary schools. Voluntary help had to be sought in cities and towns where industries attracted Catholic workmen. A public service under the control of a Department of the Government should not be thus obliged to pass around the hat.

Sir John Rose sensed the fact that school taxes assessed upon company properties are for the benefit of school children. The sense of justice is often hurt by the effects of legal efforts to divide school taxes on the basis of the faith of shareholders. In December, 1915, when a school assessment case was heard in Toronto by the Railway and Municipal Board, Mr. Gibson, Secretary and a director of the Spanish River Pulp & Paper Mills, said:

"In our own mills at Sturgeon Falls there are 87 per cent. of Roman Catholic workmen, and only 13 per cent. of Protestant workmen. When this matter was brought to the attention of the board by Mr. Jones, although, so far as I know, they were all Protestants, it struck the board that it was manifestly unfair that the taxes leviable against our property for school purposes should all be paid over to the public school supporters."

It is not good for any country that the sense of justice should be thus in conflict with statute law. In the Sturgeon Falls case the directors of the company found that the law forbids them to direct one-third of the school taxes to the education of the children of 87 per cent. of their workmen in a legalized school, unless they could also show that one-third of the company shares was owned by Catholics in the United States and other countries! This law was enacted in 1886, when companies were relatively few and small. It may have been possible then to know or ascertain to what churches shareholders went on Sundays. This knowledge is now impossible. Our lawmakers have overlooked the vast economic changes which have taken place in the past thirty-five years, so far as separate school support is concerned. The law seemingly enables such companies as the C. P. R. to divide its school taxes in Ontario. As a matter of fact, the law obliges the C. P. R. to support only the schools of the majority.

What, then, has become of the provisions in the Constitution "to bind that compact of 1863 and make it a final settlement?" The answer is that it is not now fairly observed in Ontario. Part of the compact of 1863 is to the effect that separate school supporters are to be exempted from all school taxes levied for the support of other schools. This is a very long way from being carried into effect. The National Railways are, in part, owned by separate school supporters, though the law, as it now stands directs all the school taxes assessed upon those properties to the support of the schools of the majority in Ontario. The same is true of the Hydro Commission as to its taxable property. The Catholic Diocese of Toronto and other Catholic institutions, as well as many individual Catholics, are paying taxes to the public schools through bank shares. Most of the banks are in much the same position as the Spanish River Pulp & Paper Mills. A list of the companies and public utilities in which the law, as it stands, does not enable or allow observance of the compact of 1863, would take up too much space.

The Assessment Act needs to be amended in the interest of the pledges given and accepted at the time of Confederation, and in the interest of national unity, as well as of fair play.

Harvest Home Celebration.

Fine Decorations, impressive Sermons by the Vicar, Good Music, at St. Mary Magdalene Church.

The annual Harvest Home services were held in the Church of St. Mary Magdalene on Sunday last, Rev. J. H. H. Coleman, M.A., Vicar, being the preacher at both morning and evening services. His sermons were most eloquent, impressive and appropriate, the special music selected for the day being all that could be desired and was rendered in such a manner as to be highly creditable to the organist and choir.

The church was beautifully decorated with fruit, flowers and vegetables, giving the sacred edifice a bright and cheerful appearance thoroughly in keeping with the joyous service held within its walls that day.

At the evening service one was impressed that better light within the building would have shown the decorations to greater advantage. The nave of the church is lighted by six powerful electric lamps, and in a general way they give excellent illumination, but if a worshipper is situated say half way between two of these lamps, it is almost impossible to read a prayer or hymn book of ordinary type.

Along the walls on both sides of the church are some handsome brass memorial gas-fixtures, but with the passing of the gas from this town, their usefulness for the present is gone. The writer takes the liberty of suggesting that these fixtures be fitted with electric lamps and used for an improvement of the lighting of the church; and by doing so the intentions of the donors of the memorials would be carried out. A more powerful light on the golden cross above the chancel arch would be another improvement.

Owing to sickness in many families and other causes the attendance at the evening service was not as large as it should have been. Those of the congregation who failed to be present missed a rare treat, both as regards the services and the masterly sermons preached by the Vicar from the text, Galatians VI. 7-8, "Be not deceived; God is not mocked; for whatsoever a man soweth that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting."

UNIQUE GREENLAND.

Arctic Wonderland Where Crime Is Almost Unknown.

The visit of the King and Queen of Denmark to Greenland calls attention to this exclusive wonderland of the Arctic. This is the first time Greenland has seen its king and queen.

There is no country in the world of which so little is known as Greenland, and the notions many people have concerning it are wrong. No one can land there without permission of the Danish Government, and there is only one Englishman living to-day who has visited it, namely, Mr. Roger Pocock. Since 1722 only two Englishmen have set foot in Denmark's northern possession.

A small gunboat patrols the coast in summer, but it is not the gunboat or the international treaty which keeps steamers away from its settlements. The law is backed by the menace of an unbounded, unlighted coast, uncharted tides and currents, the ice-pack, the berg-stream, and fog.

It was two hundred years ago that Dr. Hans Egede, a Danish Lutheran clergyman, settled in Greenland, and to-day the Danish Eskimos, who number 22,000, are all Christians.

There is not a single policeman in the country, and when Mr. Pocock was there he discovered that there had been no crime in the colony for at least one hundred years. There are pure-blooded Eskimo priests and physicians, as well as a native newspaper and an illustrated journal produced entirely by Eskimo labor.

In the towns and settlements one finds churches with steeples, organs and oil-paintings. The Greenland Eskimo does not lead a nomadic life, but dwells in model settlements, and in the southern portion of the colony they have their own gardens, where, in the brief summer months, all kinds of vegetables are grown, including strawberries and cucumbers.

Willow and birch trees attain a height of ten feet, and grass and heather are abundant. Three hundred different kinds of plants grow wild, and in summer the coastal areas are one blaze of glorious color owing to the many wild flowers. True, the interior of the country is a vast ice-cap which pours, it is estimated, a thousand million tons of ice into the ocean every year.

TAMWORTH.

(For last week).

The ladies and friends of Mr. and Mrs. Chas. Richardson met at their home one night last week and presented Mrs. Richardson with an address and a beautiful clock before their leaving for their new home in the west. Mrs. Richardson has been connected with the Methodist Church choir for the past twenty-five years, and has always attended to her duties as organist and also as choir leader. Her place will be hard to fill, and she will be greatly missed in the church and by her many friends who she has left behind. All wish her and her husband all prosperity and happiness in their new home.—Mr. and Mrs. William Haggarty motored from Chatham to visit at the home of Mr. and Mrs. George Milligan.—Mrs. Elias McKim has gone to New York State to visit friends.—The Joint Stock Company has bought land on the east side of the town and are busy putting up a new cheese factory. —Mr. and Mrs. Jas. Aylesworth visited friends at Bon Echo one day this week.—Miss Fenwick has opened up her millinery parlors in the Richardson block.

Miller's Worm Powders not only exterminate intestinal and other worms, but they are a tonic for many other ailments of children. They strengthen the young stomach against biliousness and are tonical in their effects where the child suffers from loss of appetite. In feverish conditions they will be found useful and they will serve to allay pain and griping in the stomach, from which children so often suffer.

ADOLPHUSTOWN.

Services of special helpfulness and devotion characterized the Harvest Festival in this Parish last Sunday. Reverend Thomas Leech, Rector of Sydenham, was the preacher of the day, and delivered inspiring sermons to large congregations.—Miss Nellie Chalmers, who has spent the summer in this locality, left this week for Napanee, en route for her home in California.—Mrs. Duffett, Sr., is visiting friends in Kingston. — Miss Jeannette Smith is the guest of Miss Maude Dickinson, at the Rectory, Camden East.—Mrs. Compton and daughter, Helen, of Cataraqui, spent the past week with Mr. and Mrs. D. Smith.—Mrs. Dorland entertained a large number of her friends at "The Balsams", on Thursday evening. — Mrs. Anions' guest, Miss Finnigan, returned to Toronto last Saturday.—Miss Mary Pollard, who has been spending a few days with relatives here, has gone to Kingston.—A good-ly number from this vicinity attended the Picton fair this week.

DUNLOP—JOYCE.

A quiet but pretty wedding took place in the Methodist Church, Desoronto, on Wednesday, September 14th, at 2 p.m., when Grace May, eldest daughter of Mr. and Mrs. George C. Joyce, was married to Mr. Charles Ernest Richardson Dunlop, son of Mrs. E. Dunlop, Toronto. The ceremony was performed by Rev. Mr. Bamforth, and Miss Nellie Close, of Tamworth, presided at the organ. The bride, who was given away by her father, looked very pretty in her travelling suit of navy tailored broadcloth with taupe and silver lace hat and blue fox fur, the gift of the groom. She carried a bouquet of sweetheart roses. Miss Beatrice Joyce, sister of the bride, acted as bridesmaid. She was becomingly attired in a suit of navy embroidered tricotine, with black velvet hat, and carried a bouquet of Ophelia roses. Mr. John Dunlop, of Toronto, brother of the groom, was best man. The groom's favors were to the bridesmaid a gold wrist watch, the organist a silver purse, and the best man a gold eversharp pencil. After the ceremony a reception was held at the home of the bride's parents, and later in the afternoon Mr. and Mrs. Dunlop motored to Napanee en route to Rochester, N.Y. Upon their return, they will reside in Toronto.

The Oil for the Athlete.—In rubbing down, the athlete will find Dr. Thomas' Eclectric Oil an excellent article. It renders the muscles and nerves pliable, takes the soreness out of them and strengthens them for strains that may be put upon them. It stands pre-eminent for this purpose, and athletes who for years, have been using it can testify to its value as a lubricant.

Humidity.

Humidity is the moisture or aqueous vapor in the atmosphere. The vapor is really an invisible gas, and this vapor becomes visible it is called dew, fog, mist, haze, clouds, rain, snow, hail, etc., according to the size of the drops of water or the method by which the vapor condenses. A given space at a given temperature can contain only a definite amount of moisture. When a given space contains all of the moisture it is capable of containing it is said to be saturated. The percentage of moisture in the air to what it would hold if saturated is known as the relative humidity. When the air is saturated with moisture the humidity would be 100 per cent, and if half saturated 50 per cent, three-quarter saturated 75 per cent. The increased humidity has much to do with the effect of the temperature on the individual, which is the reason the subject is so commonly discussed during hot periods.

What Do You See In A Hat Window?

Just Hats? Or can you vision jack rabbits on a far away Australian plain?

Just a bit of ribbon? Or patient Japanese carefully tending their silk worms?

If it is just Hats you see, we are in a position to show you the difference between hats, and all fur felt hats—for there is a difference.

Most hats look good when they are new—some of them look good after long service.

'Twill pay you to get the better kind.

We are showing an extra good line of Hats at a very low price, in various new shapes and colors that are popular.

For fall and winter we have an extra good Hat of Beaver, in colors black, brown, pearl and fawn.

Woodmen Predict Long, Hard Winter.

The forest inhabitants are preparing for a long hard winter, according to Cyranis Bastien, a veteran trapper, Quebec, laying in supplies. Most of the animals are busy manufacturing their winter coats, and the squirrels are laying in an unusual supply of nuts, he said. Only the brown bear, being fat and lazy, were still wearing tattered furs. The trapper admitted that it was possible that the animals might have been deceived by the early Spring, and that we might have a protracted Indian Summer instead of jumping headlong into an early Winter. "But, like the animals, I am not taking any chances," he added.

MATRIMONIAL

GARRETT—HORRIGAN

A quiet wedding was solemnized at the Church of The Assumption, Erinsville, by Rev. Father Meagher, when Miss Nellie, youngest daughter of Mr. and Mrs. John Garrett, was united in marriage to Jas. Horrigan, of Marlbank. The bride was very becomingly attired in a gown of blue satin, with hat to match, and was assisted by Miss Irene Farney, nurse-in-training, Hotel Dieu, Kingston, who wore a black charmeuse satin with touches of green crepe-de-chene and gold braid and wore hat to match. The groom was ably assisted by his brother, Mike, of Marysville. The wedding march was rendered very appropriately by Miss E. M. Flynn. After the ceremony the bridal party, together with a number of guests, returned to the home of the bride's parents, where a dainty wedding breakfast was served. The bride received many useful and costly gifts, showing the esteem in which she was held. Mr. and Mrs. Horrigan will reside near Marlbank, where the said Mr. Horrigan is a prosperous farmer. All join in wishing them bon voyage through life.

SCOTT—JAYNES.

An interesting event took place at the Methodist Parsonage, Newburgh, on Wednesday, Sept. 21st, 1921, when the marriage of Ethel Mae, daughter of Mrs. Adam Jaynes, of Napanee, and Fred L. Scott, son of Mr. and Mrs. Adam Scott, Forest Mills, was solemnized by the Rev. E. B. Cooke. The bride, in her dainty gown of embroidered net over ivory silk, looked very charming, and was assisted by her sister, Mrs. Keeley, dressed in copen silk with gold trimmings, while Mr. Keeley supported the groom. The happy young couple left on the evening train from Napanee for points West, the bride travelling in navy trieoline suit with blouse of henna Georgette with ostrich hat to match. Upon their return they will reside on the Ballance farm near Forest Mills. The young couple will have the good will and best wishes of their many friends.

PARKS—SILLS.

A quiet wedding took place at the Methodist Parsonage, Warkworth, on Thursday, Sept. 8th, 1921, when Georgina Wickett, youngest daughter of Mr. and Mrs. J. G. Sills, of Foxboro', was united in the holy bonds of matrimony to Franklin James Parks, son of Mr. and Mrs. Newton Parks, of Napanee, by the Rev. S. A. Kemp. The young couple were attended by Miss Minnie Parks, sister of the groom, and Mr. Ralph Sills, cousin of the bride. After refreshments served by Mrs. Kemp, the happy couple left by motor for Ottawa and other eastern points, the bride travelling in a suit of navy blue velour and henna feather hat. All join in wishing Mr. and Mrs. Parks bon voyage through life.

OLDSMOBILE AND GRAY DORT Exhibited by Hartman & Card.

The Oldsmobile and Gray Dort cars exhibited at the fair by Hartman & Card, surely made a great display.

The Gray Dort with its straight lines and new model was very attractive, and is one of the cars that has stood the test and is giving perfect satisfaction as a light car.

The very attractive appearance of the Oldsmobile appealed to a great many intending buyers.

Why Oldsmobile values to-day are supreme. During the twenty-four years of Oldsmobile history, its makers have built their success solely on the policy of full value always. Often this unswerving policy has benefited thousands, but never has its advantages been so well exemplified as in the Oldsmobile models of to-day.

The Model 43-A four cylinder Oldsmobile has added new fame to a name that for twenty-three years has been widely accepted as a guage whereby motor car values might be safely measured.

Many of its enthusiastic admirers assert emphatically that Oldsmobile "Four" upsets all previously established standards of value for cars of similar type. So sweeping a statement demands conclusive proof. This proof is at hand—at your disposal. It exists not so much in special features as in the measure of excellence ingrained into every detail of the car's design and manufactury.

NOTICE.

The Municipal Council of Adolphustown will meet on Wednesday evening, October 5th, at 7 o'clock. A short service was held and interment took place, a large gathering of friends being present to pay their last respect to a worthy resident of that community. Two children survive, an only son, Cyrus Garrison, Colebrook, and her youngest daughter, Mrs. F. S. Wartman, Napanee; her other daughter, Mrs. A. C. Warner, predeceased her nearly two years ago.

Mr. Andrew McGregor.

On Friday, Sept. 23rd, 1921, the death occurred of Mr. Andrew McGregor, at his home, near Croydon. Much sympathy is extended to the sorrowing family in the loss of so dear a parent.

Mr. McGregor, who was in his eighty-first year, was born of Scotch Irish parents, on the farm where he lived and died, and where all who knew him loved and respected him for his true worth to the community, to his immediate neighbours and to his family. To all who needed help he proved to be the good Samaritan. In religion he was a Presbyterian, a faithful worker in the Camden Vill church, where his funeral service was held on Sunday, Sept. 25th. A strong advocate of the Protestant faith, he was buried under the Order of the Loyal Orange Lodge, at which ceremony a large number of Orangemen took part. The funeral service was conducted by the Rev. Mr. Clarke, of Tamworth, who spoke with appreciation of the service rendered to mankind by the sterling qualities of such men as Mr. McGregor. Early in life he married Miss Mary Johnson, of Campbellford, who predeceased him some two years ago. He is survived by four children, Messrs. Robert and Ross, of Croydon; Mrs. W. Close, of Moscow, and Mrs. Robt. Milsap, of Centreville.

YARKER.

The C. N. R. has an extra gang of men on changing the timber on the main line bridge, also making some repairs to the station. We understand Yarker is to have a new station next summer.—Several cars of feed are being unloaded here this week.—A. Card and W. Murphy are threshing with a gasoline tractor.—A quiet wedding took place in our village this week when Miss Myrtle Connolly was married to Mr. L. Milsap, by Rev. Mr. Down, at the parsonage.—Mr. Russell, of Detroit, is visiting at James Garrison's.—A large number from this vicinity attended Kingston Fair last week.—Mr. Purcell, of Ottawa, is spending a few days with his sister, Mrs. A. Holland. — W. B. Dunn spent Sunday at home, returning to his work on Monday morning.—Mr. and Mrs. Hyland intend living in Toronto for the winter.—Mrs. Harold Freeman, is visiting at Jas. Freeman's.—Mrs. J. Main is on the sick list, also Miss Gladys Down.

OBITUARY.

Mrs. George Garrison.

The death occurred at Napanee, on September 2nd, 1921, of Mary Asselstine, wife of the late George Garrison, whose parents were Jacob Asselstine and Hannah Benn, married October 11th, 1827. Mary Garrison was the eldest of eleven children, four of whom are living, George Asselstine Moscow, born April 8th, 1835; John Asselstine, Collins Bay, born November 25th, 1838; Huldah Vanluven, Kingston, born April 30th, 1830, and Melissa Miller, Kentwood, Louisanna, born May 20th, 1846. The deceased was born November 20th, 1828, and was married to the late George Garrison February 22nd, 1848, both being descendants of the U. E. L., and were two of the first to clear the forest and settle on their farm at Varty Lake, near Moscow, living in a small log house for eleven years; afterwards building, all by hand work, one of the best farm homes in that district, where they toiled and prosperously lived till the death of her husband, September 8th, 1909. She remained there one year after his death, then went to live with her eldest daughter, Mrs. A. C. Warner, in Colebrook, remaining there until the breaking up of that home two years ago, and since then living with her other daughter, Mrs. F. S. Wartman, Napanee.

Mrs. Garrison was one of the oldest inhabitants of Huffman Street, a few miles east of Moscow village and was well known in that section. She was a Methodist in religion, to which of late years she has been a generous member; also contributing largely to the Red Cross and other worthy societies and devoted all her time during the war to knitting socks for the soldiers at the front, and even the day before she was stricken down with the summer gripe she knit a foot in a sock and was apparently as well as usual. She was always of a cheerful disposition and of wonderful vitality, never using glasses to read with or known to lie down during the day time, was the last one to bed and the first up in the morning, never missing a meal and retaining all her facilities to the last, praising her children and those in attendance at her bedside. She was confined to her bed ten days, when she passed away at the age of 92 years, 9 months and 7 days.

The funeral was held at the home of her daughter, Mrs. Wartman, Napanee, on Sunday, Sept. 4th, 1921, service to Moscow cemetery, where a short service was held and interment took place, a large gathering of friends being present to pay their last respect to a worthy resident of that community. Two children surviving, an only son, Cyrus Garrison, Colebrook, and her youngest daughter, Mrs. F. S. Wartman, Napanee; her other daughter, Mrs. A. C. Warner, predeceased her nearly two years ago.

Nothing to Bargain With Under Free Trade.

By Onlooker.

A point that the people of Canada should clearly grasp is, that under Free Trade there is no room for an honest bargaining. England, after having been exploited to the limit by the Protectionist nations of the world—particularly Germany, has at last had her eyes opened and has recently put a tariff of 33 1-3 per cent. on a large range of competitive articles, and authority has been given to the Board of Trade to extend the list. Our tariff averages around 20 per cent. and values, but what we would go up if we raised it to 33 1-3 per cent.!

The Prime Minister, in his convincing speech at London, pointed out that our position is in a peculiar sense perilous. Neither South Africa, Australasia nor New Zealand has tangible

THE NEW DOMINION CABINET

S. S. CONVENTION

The thirty-ninth annual Sunday School Convention of the Counties of Lennox and Addington, was held at Selby, on Friday, Sept. 23rd, 1921, commencing at 10.30 a.m., when a large representation of the best citizens of the County were present. The programme, which was very comprehensive, the ideal weather, and the location of the Convention all united to make this one of the most instructive and inspiring gatherings ever held in this County. The credit of this is very largely due to the enthusiasm, faith and business principles of the President, Mr. A. MacGregor, which he has kept constantly before his staff of assistants all the year.

The Pastor, Rev. T. H. P. Anderson, opened the Convention with the Devotional Exercises into which the whole congregation entered heartily, making all feel "There is a place where kindred spirits blend". His Scripture lesson was "The Human Touch of Jesus", St. Mark 10:13-16.

After this a hearty welcome was extended to all present by J. C. Hudgins, of Selby. A few of the reasons why he said he was proud to welcome his friends were: That the Sunday School workers comprised the best and noblest of the community. They having drunk of the water-of-life wish all to partake thereof; having found a friend in Jesus years that all might be acquainted with Him. Also for the fact that in S. S. work there are no denominational barriers keeping us from the clearest thought and noblest impulses of all the servants of our common Saviour. For these and many other reasons, Selby was a debtor to the County Convention.

A very hearty response was given to the welcome by Rev. R. C. Tate, of Morven, showing that at S. S. workers were as one man standing upon another's shoulders, making a human ladder to rescue a child from a burning building. These children make the Church leaders of the future.

Then A. C. Baldwin, of Napanee, gave the Secretary's Report, in which he showed a marked advance in our Sunday School work. We have 227 Teachers and Officers in the County, with a grand total of 1988. From the Sunday School 56 had been added to the Church, and $464.00 had been raised for Missions. The Secretary found it very hard to get reports from all the Sunday Schools. Rev. T. A. Halpenny, B.A., B.D., showed the importance of every School allowing the whole Organization to know what they were doing, not to spend their energy on machinery, but to give a true perspective of the work in every district. Ontario has one-half of the Sunday Schools of the Dominion of Canada, and yet at the World's Sunday School Convention, only 41 per cent. of Ontario Schools had reported, giving a false impression of our real standing to the world. The ideal Sunday School could not live to itself.

Then the question of Organized Classes was introduced. The Secretary emphasized the need of organizing the teen age boys and girls and developing their abilities by placing responsibility of selecting their own teacher, motto and plan of operation. To do our best we must have co-operation of the denominational leaders of each community. We need individual Sunday School conferences at least once a quarter to plan for local application of Christian principles helping every class to do definite work for Christ and the Church and the Teachers to be expert in applying the principles of our S. S. lessons to our local needs and all working together to discover what would be the ideal Sunday School for its community. Are we putting first things first?

At 2 p.m. a large and enthusiastic number of delegates almost filled the auditorium of Selby Church, when Rev. W. H. Truscott led the Devotional Exercises. His thoughtful, earnest enthusiasm helped to set the pace for the business of the afternoon, when the Superintendents of the different departments were called on for their reports. Most of these reported as to what had been done during the year.

Miss Parks, the Superintendent of the Child's Division, gave an excellent report concerning her work. She showed that Sunday School workers were coming to realize that subjects suitable for the wee tots should be selected, and that it was more important matter is to have comfortable seats for the little children. Then a discussion followed on the methods of teaching children, led by Mr. Halpenny. He showed that the Superintendents were not mere figure heads to keep records, but were expected to be alive to gather all new material and conservative enough to retain all the best of the old. There are two methods of teaching young children, 1st by telling a story, and 2nd by the use of the blackboard. Then he gave some Cradle Roll suggestions. Every baby should be on the Cradle Roll of the Sunday School because of its importance to the home, the community, the world and the church. We must have the children or fail in our work. Sunday School workers should call at the homes, reach the parents, advertise well; let the pupils help enlist all and be sure that every baby be enrolled in the Cradle Roll.

The Boys' Division was represented by Rev. Mr. Tait, who emphasized the fact that the boys are the element of the community who must be doing things and that live, keen men are needed who can meet them face to face and help them form places worthy, men who will help the boys to see what they need and organize them for study and action. He suggested that at least five or six boys were needed to form an Organized Class so as to develop their best. And of any boy should say I cannot teach because I am not a Christian, that is all the more reason that the teacher or friend urge that boy to decide for Christ right then.

Mrs. Lake, of Morven, next reported of the aim of the Home Department was to develop systematic Bible study in all homes deprived of the privilege of attending the Sunday School, and from these to enlist all who possibly could attend the school. And Mr. Halpenny showed that religion in the home was the vital issue, and that the homes needed literature in touch with this problem, "How to teach the children to live the Christian life".

Then Rev. A. J. Wilson, of Napanee gave a strong plea for more efficiency in the teaching of our Sunday School lessons. We need the best equipped staff of teachers possible for this work.

Mrs. G. Wartman showed that she had put her very best thought and energy into the subject of Missions on this District with splendid results.

In the Round-table Conference it was shown that there were three kinds of lessons taught in our Sunday Schools, 1st the Uniform, 2nd Graded and 3rd Closely Graded; the latter class not being suitable for the more sparsely settled districts. Emphasis was laid upon the fact that "The Need of the Child is the Law of the School".

Next came the President's address, which was so full of good things that your Press Reporter found it impossible to summarize, so a motion was passed that said address be printed in full. Please be sure to read this address carefully.

Precisely at 7.30 the evening Song Service opened, with the President in the chair. The local choir, assisted by some of the best musical talent of the district, rendered very praiseworthy service. Then Rev. E. B. Cooke conducted the Devotional Exercises. In the few remarks he made he tried to show what should be the true outlook for all Christian workers by telling the story of the different attitudes of three workmen on Ottawa Parliament Buildings. One said, "I am getting $3.00 a day out of this job". Another said, "I am following the "Blue Print". Another said, "I am helping to build the Parliament Buildings where the laws of the country shall be formulated.

The Resolution Committee then reported. In this report appreciation of Selby Church and of the W. M. S. for providing so bountifully for the needs of the Convention and then liberally giving all the proceeds to the Mission-ary Society, over $60.00. And also appreciation of T. A. Halpenny's services. Then came a word of warning about the responsibility of selecting the right kind of officers.

Then came the report of the Nominating Committee, when the following officers were elected:—

President—A. MacGregor, Napanee.

Supt. Missionary—Mrs. Geo. Wartman, Newburgh.
Supt. Temperance—Rev. A. J. Wilson, Napanee.

After the election of officers, an invitation from Tamworth to hold the next annual convention as their guests was unanimously accepted.

Then the President elect was called to the platform to receive the honor bestowed upon him and to undertake again the task of leading the Sunday Schools to greater efficiency in the Master's service.

The next item on the program was music, when Mrs. E. B. Cooke and Mrs. Martin each rendered a very appropriate solo.

The highest honor for this year in local Sunday School work was awarded to Mr. A. C. Baldwin, when for his Sunday School, the Anderson Appointment, he received the Roll of Honor for 100 per cent. efficiency.

The Question Drawer showed that a great interest was taken in the application of methods to local conditions. A few gleanings from the Question Drawer are:—We must make the Bible Class interesting. The Organized Class should have a say in who teaches them. The teacher must have the confidence of his or her class. Example at Selbury. Superintendent of Sunday School saw a number of "teen" aged boys not attending the School. He invited them and suggested a certain man as teacher. But unfortunately this man had been mixed up with some questionable real estate deal that made the boys dessise him. Mr. Halpenny emphasized the need of teaching the child four or five years old that Jesus is the child's friend. And those six, seven and eight years old that Jesus obeyed His father's laws. To the Juniors Jesus should be presented as the one who did hard things. The teen-aged boy and girl the outlook is changed. They are reaching out after great things. To them the Christ who had all power and yet sacrificed Himself for them, to such the Cross is vital calling upon each one to decide for themselves to be like Christ and take Him as their Saviour and Leader. To help each pupil make the personal decision is the great work of the Sunday School teacher.

Yours sincerely,

A. H. HOARE,
Press Reporter.

President's Address.

Selby, Sept. 23rd, 1921.

Dear Fellow Workers of the County of Lennox and Addington.

We are again permitted, in the Providence of the God of our fathers and our own, to meet in our thirty-ninth Annual Convention in the hospitable Village of Selby. We are indebted to this good people for their kindness.

If I were to take a text for this afternoon, it would read as follows—"The Value of Children to the Church". We usually lay the emphasis upon the value of the Church to the children, but the other side of the shield is to be considered, and is probably even more important than the first. It is a fact that the bulk of our Church members come from our children and young people. If that is the case, for the welfare of our Churches, our Counsels and the Glory of God, we must turn our attention to the Sunday School, as it is our greatest asset.

Do we as a Church rightly value our children? Sometimes, it has seemed as though the Church viewed them as a liability rather than an asset, and was rather afraid of getting too many of them, and we have known Churches which seemed to have the idea that the Church belonged to the grown-ups who paid for it, and the children must toe the mark.

We surely need a clearer vision of our children and young people are our most valuable asset, and should be guarded more carefully than our guard our gold or jewels. Upon them the future of our Church and our Country depends, and in rightly serving them, we are insuring also the welfare of our Country and the prosperity of the Kingdom of God.

It is God's will that all of the children shall be taught of Him, of His love, His goodness, His redemption through Jesus Christ; and as a consequence the children shall find peace. In the Providence of God the Sunday School

Studebaker
Light Six

Economical

because of its Exclusive Internal Hot Spot and Light Weight—

The Studebaker LIGHT-SIX might well be called the "Economy Six", for every day in the hands of hundreds of owners it is averaging between 21 and 26 miles to the gallon of gasoline.

Such low fuel consumption is due chiefly to its Internal Hot-Spot, an exclusive feature of the LIGHT-SIX motor, designed by Studebaker engineers.

The light, evenly-balanced weight of the LIGHT-SIX chassis further contributes to its low operating expense—not only with respect to fuel, but tires as well.

See the LIGHT-SIX, analyze its fine quality of construction and you will agree that it represents the maximum of automobile values.

S. S. CONVENTION

(Continued from Page 2.)

has in these latter days undertaken this work of fulfilling God's command and bringing God's blessing. And we who are interested in Sunday School work, have gathered here to praise God, and to learn how we may in the best way do this work for our Master and for His children.

Our theme, "The Sunday School and the Great Commission", declares the object of our meeting. Christ has issued the call, as fresh to-day and as compelling as when first it fell from His sacred lips: "Go ye into all the world and preach the gospel to every creature." We believe with all our hearts that the Sunday School, from its infant department to its Bible classes, has a responsibility in fulfilling this commission. And therefore we are gathered together from all parts of our County, associated with various churches, but all one in our love for Jesus Christ and in consecration to His service, that we may renew our vows of faith and devotion, and learn how to make more thorough and more speedy the power of the gospel in the lives and hearts of the young people.

We must believe with all our hearts in the importance of the work. If the world is to become Christian we must begin with the young people. Maturity fixes men and women in a rut from which they are not easily moved; and while adults are converted, thank God for it, their conversion does not assure the rising of a generation of believers.

The children must be taught of the Lord. He who took little children in his arms and blessed them and said, "of such is the Kingdom of God", set thus his seal upon the great words of Isaiah; and See, his followers, must tread in His steps and do as He did. The Church is built up by the Sunday School. Thousands of missionaries can testify to the truth of this, and we must hold to it with all our hearts and make it the practice of our lives.

We must have intense love for children, else we cannot draw them. Not to drive but to attract is the rule of the gospel. Christ's word is "come"; and as He spoke of Himself as the Good Shepherd going before the sheep, so must we go before the youth of our land and attract them to Him when we ourselves are following. Without love it is impossible to please God, and this love is not only for Him but His children. Love for God grows speedily hard and narrow if it does not reach out warm hands and speak warm words to God's children.

We must hold to the simplicity of the gospel. The blood of Jesus Christ alone can cleanse from sin. By grace are we saved, through faith, and that not of ourselves—it is the gift of God. The blessed proof we must hold in fulfilling our commission. The children must be taught how Jesus loves them, and so love will call love, and they will love Him because He first loved them.

Friends, I loosen of you, hold fast to the old and eternal evangelical truth. Children can learn it. Young men and women quickly grasp it. Let it be the centre of all our teaching.

The Bible is the inspired revelation of God, and to it we must hold. All the children shall be taught of the Lord, and this teaching is first through the Holy Spirit in their hearts and second, through they can hardly be separated, through the Bible, which is inspired by the Holy Spirit. This Book of books has stood for nearly a century and a half, and is being more cultured in many languages to-day than ever in the world, and never before has so much been learned from darkness to light. Brethren, we must teach the Bible in our Sunday Schools and declare it to be what it is, The Word of God.

One of the world's greatest Sunday School workers—John Wanamaker, of Philadelphia—he is now an old man of over eighty years of age, yet still interested in things worth while. Superintendent of a Sunday School numbering over six thousand members. He has been known every Sunday afternoon, after coming home from Sunday School, to remain closeted with a class of scholar and determined then and there to look her up. The child had been absent, and when Mr. Wanamaker called her for not letting him know of her illness, she replied that she thought he was too busy to be troubled with her case. Before he left her, however, he knelt down on the bare floor, and in simple manner asked God's blessing on the sick girl and on her home and Sunday School class.

We can understand this story the better if we consider certain facts connected with Mr. Wanamaker's life. For considerably over forty years he has been Superintendent of Bethany Sunday School and President of the Brotherhood of Andrew and Philip. He carries with him a little book which contains an alphabetical list of all the names of the members of the Church, the Sunday School and the Brotherhood. Although a very busy man, yet he finds time to read these names over nearly every day, recalling each face and memorizing each name. When returning from a trip abroad, he said to his Brotherhood, "While away I prayed for each and all of you in turn".

The secret of Mr. Wanamaker's wonderful influence is found in the fact that he became rich in character before he became rich in business. He is the possessor of a wonderful personality which has been consecrated to the uplift of his fellowmen.

It is a great thing to be interested in human beings. The world abounds in people who are interested in things. Large corporations have been formed for the making of airships, automobiles, and steamships. Men of great genius are employing all their time in building up giant business enterprises and giving scarcely a thought to the care of young life about them. George Cohan, the popular American actor, has this to say about the way men make investments: "There are people who will never take a chance on helping another man, and yet they will risk money on almost anything else. They will bet on a ball game, a horse race, a hand at cards, or an election. They will risk money on the weather, and they will gamble on any fool thing, from which way a chicken will run across a road to how many beans there are in a bean pot. They will not, however, take a chance on helping a human being to get on his feet."

It is a great thing to be interested in men and women, in boys and girls. They are poor investments which do not yield us something more than financial dividends. There is no joy like that of receiving the appreciation of someone we have helped. Much of the so-called friendship of life is mechanical. It can't be said to be skin deep, for there is no life about it. If we are going to be successful in helping men and women we must make them feel that we love them. This is what made the life of Jesus so effective.

And now for the spirit of our work.

1. It must be full of hope. Hope is the power by which we see a vision of the future and then seek to make it real. We must not be afraid or despair. God is doing great things in our time; happy is he who sees and believes.

2. We must be joyful. We bring no gloomy message. Angels sang on earth when Christ was born, and they sing in heaven now when a soul is reborn through Christ. Away with gloom. Our message is the "good news" and the "glad tidings".

3. We must declare the truth with certainty. Like Paul we know we have believed. We preach no fables. The children can tell whether we are sure or not in the commission we bear, and our certainty will make them certain.

4. And finally, we must have a personal experience of salvation before we can declare salvation. It must be for you and me "My Christ"; for the truth lies in the heart's devotion and gratitude to a Saviour who is our "all in all".

To our work, then, God is with us as he was with our fathers, and he will be with us to the end. Ours is a blessed privilege in this day and generation, for the world lies before us, hungry, with hands stretched and pleading. Children are crying for the Bread of Life. Shall we feed them in the Master's name with the food which alone can satisfy, and give them to drink of the blessed water which alone can quench their thirst?

Toronto Nurse Cured of Muscular Rheumatism

Miss Pearl Rennicks, Camden St., Toronto, says: "It is the greatest pleasure of my life to be able to give a testimonial in favor of DR. HERSON'S HERB TABLETS, for they have done wonders for me. I was nursing in one of the hospitals when I was taken sick with muscular rheumatism and had to go home. For three months I was unable to move one of my arms or even a finger and the pain that I suffered was something dreadful. I tried different kinds of treatments and remedies, without any results whatever. I was advised to try Dr. Henderson's Herb Tablets and after using one box and part of another I was completely recovered from the trouble.

If you are suffering with Rheumatism, Constipation, Eczema, Kidney Liver and Nervous Complaints, get a box at once and see the results.

Introducing the Casserick.

Ever meet a housewife?

No, not a landlady; that is something different. A housewife is a reasonable facsimile of the female species of the "velvet cat"—though why so called nobody knows, inasmuch as it is not a velvet and not a cat.

It is a strange little creature, related to the raccoon with a very bushy tail ringed in black and white. Sometimes it is called a "ring-tailed cat" and sometimes a "coon squirrel". The latter designation bestowed on account of its squirrel-like habit of climbing trees and nesting in hollow branches.

Like a cat, it catches rats, mice and small birds. It is about 16 inches long, not counting the tail, which measures another 16 inches. In color it is brownish gray. It is a night prowler, like a cat, and often makes its home in outbuildings and deserted houses.

The river rat ranges from Mexico and Texas to California and as far north as southern Oregon. Obviously it is kept in captivity as a pet.

False Acute Indigestion.

What is commonly called acute indigestion is, according to Dr. Beverley Robinson of New York, primarily an over-strained, weakened heart, already diseased, or a cerebral hemorrhage. In such cases he trusts with aromatic spirits of ammonia, having first placed a one-minim hypodermic tablet of strophanthus under the tongue to dissolve.

Aloof.

"Who is your choice for the nomination?" Farmer Cornstead was asked.

"Haven't made any," replied Farmer Cornstead. "Nobody asked me to any convention; an' I don't see any sense to my neglectin' work an' botherin' around like it was a guessin' contest with no prize attached."

America's Toy Output.

In 1921 the United States possessed 71 factories, producing toys to the value of more than $7,650,000. In 1916 the number of factories had increased to 165, and the total amount of manufactures reached nearly $20,000,000.

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school-girl with pain in my left

side and weakness, growing worse each year until I was all run down. I was so bad at times that I was not fit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women as I am glad to recommend the medicine."—Mrs. H. A. Goodman, 14 Rockvale Ave., Toronto.

Those who are troubled as Mrs. Goodman was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

PARCEL POST INSURANCE.

In order to relieve congestion in the registration system and to facilitate the handling of registered letter mail, the registration of parcels will be discontinued on the 1st October, 1921, and an insurance of parcels will be introduced, whereby parcels posted in Canada, for delivery within Canada, which conform to parcel post regulations, may be accepted for insurance up to $100.00 against loss, rifling or damage while in the custody of the Canadian Postal Service.

The scale of insurance fees will be as follows:—

5 cents for insurance not exceeding $5.00.

6 cents for insurance exceeding $5.00 and not exceeding $25.00.

12 cents for insurance exceeding $25.00 and not exceeding $50.00.

20 cents for insurance exceeding $50.00 and not exceeding $100.00.

The insurance fee is to be paid by means of postage stamps affixed to the parcel.

After the 1st October next, parcel post packets will not be registered.

Parcels for insurance must be handed in at the Post Office or to a rural mail courier. A receipt will be given the sender which must be produced in case of a claim being made.

When the parcel is handed to the rural mail courier for insurance, the courier is to give the receipt to the sender on Form 36 R.M.D. He will then hand the parcel to the Postmaster when he arrives at the distribution office and the Postmaster will issue a regular receipt on the form, to be signed by the sender which must be first mail to the sender, who will hold it in addition to the receipt from the courier, for purposes of evidence.

Letters—The rate on letters to places outside of Canada, with exceptions of places in the Empire, the United States and Mexico, will be 10c. for each letter weighing one ounce or less. The rate for Great Britain and places in the Empire will be 4c. for each letter weighing one ounce or less.

Styles that Mirror the Trend of Fashion Values that Bespeak of Excellent Savings

Our Second Floor Departments are alive with Specially Priced Merchandise that every shrewd buyer must consider this Fall. Link up with the Store that Quality, Service and Value built. Now is a good time to buy.

THE ROBINSON CO., LIMITED, Napanee.

The Fall Coat Styles Are Most Enveloping Priced From $11.95 to $85.00.

Fashion has indeed been generous with the quantity of material that she has used for the making of her Fall and Winter Coats. This is best expressed in the loose, full, graceful back Coats that are seen in large numbers. Usually on this particular type of Coat a Belt is used across the front. Our Coat Department features this style in all the best materials of the season. Fur Collars and Fur Cuffs, together with Embroidery, Stitching and Buttons, are used for ornamentation. Silk Poplin and Satin linings are likewise a desirable feature. All sizes now in stock.

Here Are Cleverly Styled Autumn Suits For Those Who Wish To Be Well Groomed.

One of the most important parts of any Suit is the "style". If cleverly cut and skilfully made it acquires that atmosphere which radiates beauty and charm.

With a Suit it is not so much a question of price (yet we have some magnificent values) as it really is the effect that you wish to obtain and present.

With our Suits, which come from the very best creators in Canada, you will find that "Air" of excellence that can only be procured in the very best.

The long, graceful lines are most pleasing, the Fur Collars are snug and warm, the narrow Belts are effective, the trimmings on our Suits are in good taste. Priced from $30.00 to $75.00.

Dresses for Every Need, School, Business, Social

Seekers of exclusiveness and individuality will find satisfaction in buying from our Dresses this season. While the general Silhouette is straight, yet there are Panels, Draperies, Overskirts and Tunics, which bespeak smartness at a glance. The sleeves this Autumn are long, short or medium. The necklines oval or square, frequently the bottom of the skirts are irregular.

In Wool Dresses are decidedly attractive garments made up in Serge and Tricotine.

Flannel Jumpers are being largely bought for school and office wear. Especially Priced at $7.50 each.

In Afternoon Gowns are many styles composed of Silk, Satin, Crepe-de-chene, Canton Crepe and Tricolette. In these, colors as Black, Navy and Brown prevail. Priced from $14.95 up.

Flannelette Gowns, Greatly Reduced

October, with its bright sun-shiny days and cold nights, demands warm nightwear. Clad in a warm, comfortable Flannelette Gown your rest will be greatly enjoyed. This season our stock offers some attractive styles at about one-half of last year's prices. Regular sizes are priced $1.39 and $1.50. O. S. sizes are priced $1.69 and $1.98.

Woolens for Autumn Days

Indispensable as ever, Sweaters really repay in comfort and service. This season at greatly reduced prices, we can outfit every member of your family from baby to grandmother, with a splendid range of Sweaters and Jumpers for anyone who must go to school. Every one a Robinson Sweater made to answer our own and your own requirements.

Have You Chosen Your Fall Hat As Yet? Scores of Hats Awaits Your Choosing

Never in our history have we been better able to serve you than this season. Never have we had such a wide variety of Hats which are ready right now for your choosing. Our assemblage includes every type of Hat that you may require from New York patterns, Canadian patterns, to those Hats made by our own staff of milliners.

Our Children's Section offers no less variety or no less smartness of style. It features Hats galore for girls from 2 to 9 years.

If you must curtail your expenditure on Millinery, you will find our prices most reasonable.

On your first trip "down" or "in" town let us show them to you.

Floor Oilcloth Sale Continues

Our great Floor Oilcloth Sale will continue until 10 o'clock Saturday night, October 1st. At 50 cents per square yard this offers you an excellent chance to buy your Fall requirements and save money. The range of patterns and colors is most generous. Bring your measurements.

Scotch Madras

We are making a special display of Scotch Madras Curtain Material for the first week of October next. This display will include White and Cream for inside curtains and the darker colors for over-curtains, such as Green, Blue, Gold, Grey, Rose, and combination of Rose and Black and Gold and Black.

The White and Cream come in four widths, 30, 36, 45 and 50 inches, and are priced at 50c., 60c., 70c., 75c., 95c., $1.00 and $1.25 yard.

The darker colors come in 36, 45 and 50 inches, and the prices are 90c., $1.50, $1.75, $2.00, $2.50, up to $4.50 yard.

We are featuring John Brown & Co. make, positively the very best, made from Egyptian Cotton, much better than American Cotton, guaranteed to give satisfaction. The designs are exclusive, not to be had in other makes.

Keep The Dirt On The Outside. Start To-Day

This ideal situation, which every good housekeeper wants, can be easily attained by placing a "Cocoa Mat" on the outside of each door of your home. With muddy Fall weather fast approaching you will need to make your selections at once. Sizes are 14x24 inches at $1.50 each; 16x28 inches at $1.85 each, and 18x30 inches at $2.75 each. These Mats are all made from East India Cocoa.

ABOVE WISDOM OF SOLOMON

Great Secrets of Nature Hidden From the Eyes of Even the Keenest of Mankind.

The queen of Sheba came to ask Solomon questions to test his wisdom. One question, tradition says, was as follows: "Here is a large diamond which I wish to put on a necklace. On one side a straight hole is drilled to the center of the stone—on another side a straight hole is drilled to the center at right angles to the first—how shall I string the diamond?"

Solomon took the gem, sent a servant to bring him a little slender worm from a bush near by, attached a silk thread to the worm and let it crawl through the crooked hole, handed back the diamond with a salaam and said: "Shucks, how easy!"

Mrs. Sheba then said, "I have here a vial which I wish filled with water, but the liquid must not be taken from the waters that are upon the earth, nor under the earth, nor in the firmament above the earth."

Solomon turned to a servant and whispered a command. The servant mounted a horse standing near, rode him two miles at full run, brought him back reeking with sweat. Solomon took the vial, caught the sweat in it, handed it to the queen with a bow and said, "Come again."

She then said, "I have a goose at home, and when it eats grass, the grass turns to feathers on its back. I have a sheep and the grass it eats turns to wool on its back. I have a cow and when she eats grass, it turns to hair on her back—how do you explain that, Mr. Solomon?" And Mr. Solomon could only strike the table with his fist and shout, "This meeting is adjourned."—Charles D. Merrill.

Important Discovery.

For many years Mr. William W. Ellsworth was connected with the Century Magazine, and that brought him into contact with many interesting people. In his book of reminiscences, "A Golden Age of Authors," he tells an amusing anecdote of Timothy Cole, the engraver.

Cole is a simple man, says Mr. Ellsworth, of great kindliness, who has had at various times some interesting notions about food. Years ago, when Horace Fletcher was just beginning to publish his theories, I made some good-natured fun of them, and described the visit of guests to my house while my family were endeavoring to Fletcherize and the impatience of the guests when they did not have enough to eat. Some friend sent my screed to Cole, then in Belgium, who took it very seriously. He wrote me of his great interest in food and gravely informed me of a discovery that he had made—that the color of the skin was affected by food. He was accustomed to eat for a long time only one kind of food, and once he went swimming with his son, who suddenly cried out, "Why, father, you're turning green!"

"Sure enough," wrote Mr. Cole, "I looked at my body and observed a green tinge. 'The spinach,' I said, for I had been making my sole diet of spinach for six months. 'I must change my food!'"

Whereupon he ate beets, and at the end of another six months found his body in a healthy, ruddy state, which he felt was owing to the beets.

Sheep on the Hillside.

Sometimes as you ride along through the mountains, you will see a steep side of the hill covered with what looks like gray rocks. But after you watch it awhile you see that it is moving, and everyone knows that rocks would be pretty funny things if they started to move around all by themselves. These "rocks" are really sheep and they are having a fine time eating little grass blades in among the sagebrush. Over at one side of the flock is usually a splendid shepherd dog, who is always smiling. At least he seems to be smiling, because he has his mouth open just as though he were. He is watching to see that the little lambs and larger sheep do not wander too far away from the flock.—Christian Science Monitor.

Valuable Motion Pictures.

Motion pictures of construction work in which a large public building appears to arise from the ground like magic, being completed in the ten minutes' duration of the film, are being shown before various engineering societies by government representatives. The structure is the Industrial building of the United States bureau of standards, and the pictures were made by exposing a short length of film every day during the ten months of work on the building. The effect of running these short exposures together in a single picture is at once a telling condensation of time, making incidentally a highly instructive and interesting study of modern building methods.—Popular Mechanics Magazine.

Reasonable Conclusion.

"What made you think this man was going to marry you?"

"Your honor," replied the stage beauty, who was suing a millionaire for breach of promise, "I accepted a tootorcar from him, furs, diamonds, pearls and trifles of that sort as a matter of course. Such gifts didn't necessarily mean that he was in earnest, but when he told me the combination to his wine cellar I considered that equivalent to a proposal of marriage."—Birmingham Age-Herald.

BIG TREE YIELDED TO AGE

Chestnut in Which Washington Is Said to Have Hidden Collapses at Yonkers, New York.

Maybe there's no truth in the tradition that George Washington once hid in the hollow trunk of the great chestnut tree that until recently stood in the front yard of Charles F. Coe, Yonkers, New York. But folk there about believe he did. Just as they believe that the tree was 700 or 800 years old when it died a few years ago, and was the oldest and biggest tree of any variety not only in Westchester county but in New York state.

The trunk, which was about 35 feet tall and about 35 feet in circumference, according to Mr. Coe, was cut down by the department of public works of Yonkers, and its stupendous remains carted away. Said Mr. Coe:

"Before it died that tree produced the biggest and sweetest-tasting chestnuts I ever saw. After its death a vine that had covered it made it still an object of beauty, just as its vast size and age made it an object of admiration.

"The top was broken off about the time it died. I never knew its exact height. But I do know that a deal of tradition had grown up around it and that it commonly was rated the largest tree in this part of the country. I am sure it was the biggest in this county."

TO DESTROY INSECT PESTS

Two Forms of Insecticides Necessary for Successful Protection of Plants and Foliage.

Do not waste your time spraying paris green on insects that suck the juices from plants and foliage, such as lice, green, black and white aphis or fly, mealy bug, red spider and scale, by thrusting their proboscis into the leaf or stem, for they are not affected by stomach poisons. They must be destroyed by contact insecticides, such as powder form kill by closing the breathing pores in the insect's skin, or in fluid form by being absorbed through these pores, the American Forestry Magazine points out. The best contact insecticides in powder form are hellebore, slug shot and tobacco dust. The best in fluid form are aphine, black leaf 40, fish (whale) oil soap, nicotine (tobacco extract), kerosene, miscible oil and lemon oil.

Insects that eat plants, foliage, vegetables, fruits, flowers, etc., whether bugs, beetles, worms, caterpillars or slugs are more quickly and effectually destroyed with a poisonous stomachic insecticide such as arsenate of lead, paris green or hellebore. These, if applied according to directions, are so diluted as to be harmless to vegetation and to animal life. Less poisonous stomachic and contact insecticides are kerosene emulsion, slug shot, etc.

TYPICAL OF EAST

City of Adana Redolent of Filth and Smells.

Conditions and Sights Such as Would Make an Occidental Samaritan Faint, Though Inhabitants Placidly Endure Them.

We stopped for two days at Adana, the scene of the great massacres of 1909, when more than twenty thousand Armenians were murdered, and where again in 1915 many thousands were deported and many slain. Adana is 100 feet above the sea and we had been at 7,000 feet a few hours earlier, so that the heat appeared to be torrid, writes Mark Gee, James G. Harbord in the World's Work.

Adana is the principal city of Cilicia, a vast alluvial plain, one of the most fertile regions in the world. Its heat in the dry season is terrific. The soil is as fine and impalpable as flour and a dog trotting down the street raises enough dust to hide a motorcar. What a motorcar does to a pedestrian can be guessed.

Near the station a group of peasants were making roof tiles in the same manner in which they were made thousands of years ago. The houses have flat roofs, and people sleep on them at night as they did in Biblical times. The market and bazar street of Adana is typical of life in the East. Every sight, sound and smell seems represented there. The streets are crooked and very from fifteen to thirty feet in width. The shops on either side open broadly to the street, and the wares are displayed under conditions that would make an occidental sanitarian faint.

Down the street comes a dilapidated victoria of the early '90s with a small team whipped up by a wild-looking Turk. Pedestrians scurry out of the way and dodge in front of a "tin lizzie" driven by a missionary. British sikhs stalk down street stiffly saluting the foreign officers. An Armenian of the French colonial legion strolls along with a superior air.

A small boy peddling lemonade made of limes and carried on his back in a very dirty jar with a long spout curving over his shoulder tries to sell the Americans a drink. His glasses are carried in a small rack worn around his waist, and are not cleaned between drinks, not much at any time. His transactions are not usually for cash. At an open shop he delivers a drink, takes a piece of chalk from behind his ear, steps inside and on the wall beside eight other tallies makes a mark indicating a sale, and passes on. When he is out of sight the Armenian to whom he sold the drink, with a melancholy smile at the observing Americans, steps to the wall, moistens thumb at his lips, and carefully erases the last tally mark.

Veiled women pick over fruit and vegetables and haggle over prices with the venders. Here and there a small child lies on the stone sidewalk asleep, face downward in the sun and flies and filth.

The bazar street ends on the river bank, and one sees the source of the city water supply. The donkeys stand in the stream while the water peddler fills his jars by dipping among the water buffalo—the carabao of Philippine days—swimmers ducks and geese. The river, a stream 300 yards wide, has a stone bridge, of which tradition says that it was repaired by Emperor Justinian more than a thousand years ago.

Truth and Conscience.

An unsigned letter, with 40 cents inclosed, came to the R. W. Furnas Ice Cream company on Friday. It read:

"A little contribution to the 'conscience fund.'

"During the Slippery Gulch celebration in Indianapolis some months ago I had occasion to purchase—and consume—some refreshments to the extent of 40 cents from the man in charge of your concession.

"Neither of us being the proper change we 'let it go' for the moment. I forgot it.

"Truth' being the slogan in this fair city this week, I am glad I'm here to reimburse you.

"Please place the inclosed in the proper place."—Indianapolis News.

To Call the Roll Over Again.

Two negro soldiers had a slight disagreement the other night, and as they waxed weary of each other's company I heard:

"Aw, why don't y' all stop peckerin' me, man? I bet y'all's gonna have somebody pattin' yuh in de face wit' a spade fo' mohin' if yuh don't git 'way from me, dat's what!"

His indignant companion replied:

"Yeah. Reckon I' me; It's 'bleen o'clock now. An' if yo'll don't make tracks 'way from dis nigger, de debbil's gonna have ter call roll call all over Cain tonight. Just 'count ob one low-down no-count!"—Baltimore Sun.

Rare Chance for Bold Bandits.

As quietly as possible a dozen men in two small motor cars moved about $30,000,000 in cash and securities in a recent Sunday in New York from the Citizens National bank, 229 Broadway, to the Chemical National bank, 270 Broadway. In addition, they transferred almost $10,000,000 worth of gold and silver plate and jewelry which was tucked into safe deposit boxes. Six and three-quarter millions of the moved treasure was in actual cash. Only eight policemen—three in uniform and five in mufti—kept watch over the transfer.

School Opening

In a few days the Schools will be opened and the young folks will require the new Book for the classes with which they have advanced. Until the last few days it looked as though the opening would find us without many of the Books on the lists of both the Public and High Schools; but we are pleased to state that, with the exception of three or four, we have every Book needed, and expect these by or before the first of September.

We will have the largest supply and greatest variety of Exercise and Scribbling Books, Note Books, Pencils, Crayons, Paints, Book Bags, Pencil Boxes, in fact every article that the Scholar will need that was ever assembled in one place in the town. We have bought these goods wherever we could get the best value and are confident no one can offer better values.

A great advantage to a Pupil is a smooth Writing Pen. There are none better than the Waterman. We sell them at as low a price as any other house.

Why Orchids Were Caged.

Visitors to the flower show held recently in the Royal Horticultural hall at Westminster, England, were surprised to find a number of rare orchids confined, like so many wild animals in the zoo, within a heavy wire cage. It was explained that as the flowers represented a new addition to the orchid family, the grower was naturally anxious that his fellow dealers should not share his triumph. Had it not been for the cage, an unscrupulous competitor might have stolen some of the precious pollen from the blooms, and used it to fertilize plants of his own. Normally adhering to the bodies of visiting insects, the pollen might easily have adhered to the tip of the thief's finger.—Popular Mechanics Magazine.

United in Bonds of Peace

In the presence of the chief executives of Ecuador and Colombia, the corner stone of a monument commemorative of the happy termination of the boundary dispute between the two countries was recently laid at the bridge of Rumichaca on the frontier. President Alfredo Maquerizo Moreno of Ecuador and President Fidel Suarez met half way on the bridge and greeted each other amid a salute of artillery and cheers of spectators of both nationalities. The presidents delivered addresses referring to the monument as a symbol of peace and friendship between their respective countries.

A new story is going around the financial district about an old Southern negro who was asked by the proprietor of a store how he happened to need credit when he'd such a good cotton crop.

"De ducks got 'bout all dat cotton, sah," was the mournful reply.

"What do you mean the ducks got it?"

"Well, you see," explained the old man, "I sent dat cotton up to Memphis an' dey deducts the freight, an' dey deducts the storage charges, an' dey deducts the commissions, an' dey deducts the taxes—yes, sah, de ducks got 'bout all dat cotton an' dat's why I'm here."

CHANGES IN SPAIN

Nation Has Formed Liking for Outdoor Sports.

War Started the Movement, and Its Popularity Does Not Seem to Have Greatly Abated With Advent of Peace.

While the war was absorbing the attentions of the English, sport in general and polo and horse racing in particular took refuge in Spain under the protection of King Alfonso. It seems that the coming of pence and the return of the sport to England and France has not found the Spaniards willing to let go of their new outdoor accomplishments. Rather, they have gone in for more of them. A writer in the London Daily Mail, acting as correspondent in Madrid, says:

"The duenna is doomed. Also the semi-oriental system she represented.

"The death warrant was signed when the senoritas of Madrid took to playing tennis and golf, to skiing in the Sierra and to traveling in a side-car.

"Hence also the collapse of the carnival as it used to be. It is an antiquated survival of the days when lad could meet lass without the duenna at only one short session in the year, and the mask was fondly supposed to conceal identity.

"In addition to taking up more and more all the sports familiar elsewhere, the Madrilene ladies have one of their own; a sort of racquets played in a jeu-de-paume (pelota) court, but without the basketwork cestus. They use tennis rackets and the courts are always full.

"Lately they have begun to steer their own cars, too, though that sport is not encouraged for them by the reckless speeds permitted in big Spanish cities.

"A glance at any leading Madrid paper will show whither young male Spain is tending. Not only are golf courses arising outside all of the residential cities, but other exotics like polo are increasingly popular with the gilt-edged youth. Madrid, Barcelona and other centers hum with motor traffic, and big sidecar outfits are all over the place.

"In one thing young Spain appears not to be changing—the modesty of her daughters and the abstemiousness of her sons. A few days ago I made a round of all the amusement places in Seville, beginning with a sort of musical costume-play (the very tuneful 'Song of Forgetfulness') at a theater at 5:30 p. m. and ending at 1 a. m. in a workman's dance hall. The play was described as 'Vermouth,' but the refreshments sold were chocolate and—cold water!

"After dinner I went to a popular music hall where Spanish dances are exhibited, then to a cheaper hall (entrance fee about 3 cents), and finally to the dance hall. The only alcoholic refreshment I saw consumed was a glass which I ordered myself in order to see if one could get it at all. I have wandered about the workingmen's quarters of Madrid, Barcelona and Seville, and at night about the Alhambra of Granada, but I have yet to see a drunken man, still less an intoxicated woman.

"I know that a great deal of wine is consumed on occasions, such as bull-fights, but the hotel crawl is as little an amusement of young Spain as is the beer-soaking which characterized prewar Germany."

Why We Yawn.

There are two unfailing signs of fatigue, says Dr. Halford Ross, the home office factory inspector for London, England. When the mind is tired people gape, and when the body is tired they fidget. There is an idea that gaping is "catching," but this is only true if many people are tired together. Doctor Ross has watched children in London schools, and he finds that during the morning if one gapes the others do not follow suit, but towards the end of the afternoon, when one gapes the others do the same. When in India Doctor Ross stood one morning on the staircase of the viceregal palace at Calcutta and watched men and women going up and down past a statue of a yawning nun. Nobody gaped. That night there was a ball at the palace, and at five o'clock in the morning Doctor Ross again stood by the statue and watched the people going home. Everyone gaped, and this was simply because they were fatigued; and when they were fresh, they could pass the yawning figure with immunity.

This From a School Teacher.

They were strolling along the banks of White river toward Ravenswood, two girls from southern Indiana, who are attending a local preparatory school for teachers. They were admiring the row of odd little cottages and the summer inhabitants, when one of the girls remarked: "I would just love to live out here, but would like a more exclusive spot." The other girl agreed she would just love to live there, but said: "I would want a cottage where the other's ain't at."—Indianapolis News.

Sweden Given Prized Relic.

The general's collar worn by Gustavus Adolphus, king of Sweden, when he was killed at the battle of Lutzen in 1632, has been presented to the Scandinavian government by the Austrian government, in recognition of charity in Austria. The insignia was taken from his body by soldiers of the Austrian guard and has been in a military museum ever since.

PRINCE OF WALES AS PIG-STICKER

LIKELY TO TAKE PART IN SPORT DURING VISIT TO INDIA.

Manchester, England, Aug. 20th.—Referring to the published lists of the places in India to be visited by the Prince of Wales, a correspondent remarks in the Manchester Guardian, that it is misleading to mention the Kadir Cup as a place. The Kadir Cup is an annual event. It is the Blue Riband event of the pig-sticking world. The sport of pig-sticking ranks as one of the chief sports that connect the horse with field pastimes. It is evident that the Prince of Wales intends to enter for this "Blue Riband," which it is the ambition of every horseman in India to win, if he has the leisure and "purse" to do so.

Pig-sticking is an unpleasant name for a sport, which, if it is not equal in merit to elephant, tiger and bison shooting on foot, runs them very close. The Indian wild boar is no mean opponent, and his pursuit is fraught with considerable danger unless the pursuer's heart is in the right place and his hand and eye quick and true. The Indian boar stands anything from 26 to 44 inches at his shoulder, and has a charging weight of approximately 200 pounds. He is adorned with a pair of razor-like tusks, with which he can disembowel a man or horse in the twinkling of an eye. He can gallop clear away from a horse for about half a mile. After that distance he begins to tire. He then will show fight and will charge headlong at the nearest horseman.

It is the receiving of this savage charge accurately on the spear-point that is the acme of the hog-hunter's skill. If he miss, the boar will certainly damage his horse, and probably knock both horse and rider over. A good boar is the bravest animal afoot, and likewise the most relentless.

The Kadir Cup is run in heats, when four "spears" follow each animal as it breaks cover from before the lines of beaters. The first "spear" to draw blood is counted the winner. The country over which the cup is run is rough and seamed with dry watercourses, and it is necessary to have a very fast, handy, and safe horse to follow the line of a pig at top pace. So other pace is of any use. The length of a run is not long, but the events of a lifetime often seem to be crammed into a good one. It is hard to say which is the more exhilarating—a ten minutes' burst after a dour boar that fights to a finish at the end or forty minutes without a check on a good horse across a grass country after a stiff-necked fox.

WHAT SHOULD BE PLANTED IN THE FALL.

There is such a rush in the spring to get seed sowing and planting done in good time that anything that can be accomplished in the fall to lessen the work in the spring should be done and particularly where fall planting is preferable.

At the Experimental Farm, Ottawa it has not been found satisfactory, taking one year with another, to plant trees of any kind in the fall. Exposure to the long, cold winter beginning shortly after transplanting is not favourable to the trees. Any which will be below the snowline, however, have a much better chance, although in soils where there is danger of heaving, late fall planting is unsafe.

When low-growing shrubs and herbaceous plants are planted in the fall, which is a good time, the sooner it is done the better after the soil becomes moist enough to ensure their not drying from lack of moisture as when set out early, the plants have a chance to take root again before winter and in the case of herbaceous perennials to make some growth.

Raspberries, gooseberries, and currants may be planted successfully in September, and the advantage over spring planting is that if any die they may be replaced in the spring, whereas if planted in the spring it is too late to replace them if they die and a season's growth is lost. If strawberries are planted in the fall they should be planted in September or before to ensure their rooting well and lessoning danger from heaving.

As soon as bulbs can be purchased in the stores they should, if desired, be procured and planted at once as the longer they have in the ground before winter the better the bloom is likely to be in the spring. The bulbs referred to include tulips, narcissus, hyacinths, crocus, squills, and other hardy kinds.

The fall is a good time to plant both rhubarb and asparagus. They may be planted with success any time between now and winter.

Usually there are good results from planting seeds of herbaceous perennials, trees, and shrubs in the fall. The action of the frost, especially on tree and shrub seeds, makes germination easier. When seeds of perennials are planted in the fall it is best to wait until just before winter sets in to make sure that the seed will not germinate before winter as if seed germinates a short time before winter the seedlings are liable to be killed. Seeds of trees and shrubs, however, and especially of fruits, should be planted as soon as ripe so as to prevent their becoming dry. Usually fall planted seeds germinate very early in the spring.

Bigham, 101 7th Ave. E., Vancouver, B.C., aged 86 years and 5 months. The body is resting at the Mount pleasant Undertaking Co.'s parlors, 236 Kingsway. The funeral will be held on Tuesday, Sept. 20th, at 3.30 p.m. from St. Michael's Church, corner of Broadway and Prince Edward St. Interment in Mountain View Cemetery. —Toronto Mail and Empire and Hamilton Spectator please copy.

CENTREVILLE

The much looked for rain has at last arrived and will do much good as the wells in this vicinity were nearly all dry.—Owing to the heavy rain and bad weather, the attendance at the fair fell off to some extent. The races both days were first class. The baseball match between Tamworth and Napanee the first day resulted in a victory for Tamworth, and Enterprise won from Yarker later in the afternoon. The game the second day between Enterprise and Tamworth, was won by Tamworth by a score of 10 to 7. The concert given by the Newburgh Dramatic Club, was the best ever given in Eastern Ontario by any amateur club, and was so well attended that a great number were unable to secure admittance the last evening.—Miss Johnston, of Saskatoon, was the guest of Miss Jennie Brown for a few days last week.—Bad weather seemed to be the order of the day for our fairs this year, for the school fair was also practically dampened by the heavy down pour of rain in the fore part of the day.—Mr. Percy Lochhead, Toronto, is spending his holidays here at his home.—The different ones who have been ill, are improving at time of writing.—Mr. and Mrs. Vincent Kennedy, who have spent the last few days in Chicago and Buffalo, have returned home.—Mr. and Mrs. Wm. Rourke, of Owen Sound, are visiting in this vicinity.—Mr. Geo. Fitzgerald at David Minty's on Sunday last.—A number from here took in the Kingston Fair.—Visitors: Norman McKeown at R. Brown's; F. Lochhead on the Lake Road; Edward Weese at home.

McLEAN.

All are looking forward to Arden fair, October 4th.—Parham fair was a grand success, and everyone certainly enjoyed the music. Smith Falls should be proud of their Scotch Highlander Band.—Mr. Archie Smith and Miss May Fox were quietly married on Wednesday, at Parham, and their friends intend giving them a variety shower on Friday night next. All are welcome.—Mr. Levi Grant received the sad news of the death of his aged father, at Strathcona.—Mr. and Mrs. Willie Croswell and son, Charles, of Annie Harbour, spent Tuesday and Wednesday at Alf. Cousins'. — Mrs. Levi Grant spent Wednesday afternoon at Mrs. A. Cousins'.—Mrs. A. Cousins and son, Ross, Mrs. Orinda Kellar and Mrs. Will Cousins spent Thursday in Kingston.—D. Hecht at Milford Wagar's, on Sunday.—Well McLean is on the move again. Harvey Kellar has moved in the D. Kirk house; Alex. Emberley in the E. Wood house, and Richard Beverley intends moving to Mountain Grove, and Edward Brown is moving on his farm here, lately purchased from Geo. Smith.—Miss Zelda Cousins has returned home, after spending three weeks at Echo Lake and Parham.—Orpha Wagar has returned home again.—Levi Snider and Alf. Cousins are out plowing on their farms lately purchased at Enterprise and Yarker.

ROD AND GUN IN CANADA.

The October issue of Rod and Gun In Canada will be perused with great pleasure by all those to whom the great outdoors is calling. "Nova Scotia Fishing As It Is" appears in this splendid number written in a fascinating, original way by Percy E. Nobbs. H. Mortimer Batten's story entitled "Baraka, The Terrible" is of an appealing nature and will prove of intense interest to both young and old "The Industrious One" by F. V. Williams will doubtless attract the interest of every reader. This together with stories and articles by the usual clever nature writers, Robert Page Lincoln, A. Bryan Williams, J. W. Winson, also the instructive columns of the various departments, add greatly to the value of the magazine, and in their own mysterious way impart to it the spirit of autumn.

ODESSA EAST.

Threshing is about completed, and ploughing is the order of the day. Potatoes are reported a poor crop, but one would judge by the way they are going into Kingston, that they were a good price.—Miss Myrtle Wells, of Toronto, has been visiting her aunt, Mrs. Thos. Storey, and will return to Toronto the last of the week, where she is employed with the Wrigley Co. —Mr. and Mrs. D. Rattan and Miss Beatrice, of Bath, spent a day last week at T. Woodcock's.—Mr. and Mrs T. Woodcock at S. Harten's.—Miss Olive Peters is in Kingston Hospital, where she was operated on for appendicitis, and is doing as well as can be expected.—A baby boy has applied for board at E. Clark's. — Mr. and Mrs. Leslie Storey and family spent Sunday at his father's, Thos. Storey.—Owing to the dry weather nearly every one is compelled to draw water for their stock, some for miles. —The County fair was a decided success, and we hope that our school fair on the 28th will be a big day too. — Mr. and Mrs. Frank Davey, of Verona were over night visitors at his cousin's, Thos. Storey, Odessa.

WISE AND OTHERWISE.

"You've got t' git rid o' that new hired man out'n th' field, Hennery."

"Huh! Ain't he workin' right, Marry?"

"Workin'! He ain't done nothin' all this livin' mornin' but stan' out there arguin' with 'that scarecrow 'bout politics!"

Paring a corn is both risky and ineffective. It is much better to use Holloway's Corn Remover and eradicate them entirely.

"You really are wonderfully patient," said the common lawyer. "Fancy putting up with a steak like that." The Chancery leader looked up in pained surprise. "My dear fellow," he replied, "surely even you should be aware that equity regards that as done which ought to be done."

Complete in itself, Mother Graves' Worm Exterminator does not require the assistance of any other medicine to make it effective. It does not fail to do its work.

Dugald McTavish, the all-round athlete and sportsman in the village, entered local Highland games.

The first event on the program was the half-mile, and, of eight runners, Dugald finished eighth.

"Dugald, Dugald," said a fellow Scot, "why do you not run faster?"

"Run faster!" he said, scornfully, "an' me rearvin' masel for the bagpipe competition."

For Sprains and Bruises.—There is nothing better for sprains and contusions than Dr. Thomas' Eclectric Oil. It will reduce the swelling that follows a sprain, will coll the inflamed flesh and draw the pain. It will take the ache out of a bruise and prevent the flesh from discoloring.

"Wives are most inconsiderate persons," complains the "Listening Post" columnist in The Edmonton Times. "After hubby has filled his stomach with good food, has lighted a fragrant cheroot, is neck deep in the plush of an easy chair and about halfway through a corking good detective story, Friend Wife is sure to say, 'Well, say something, can't you?'"

Sores Heal Quickly.—Have you a persistent sore that refuses to heal? Then, try Dr. Thomas' Eclectric Oil in the dressing. It will stop sloughing, carry away the proud flesh, drag out the pus and prepare a clean way for the new skin. It is a recognized healer among oils and numbers of people can certify that it healed where properly applied.

A "Jack Johnson" had exploded with a deafening roar, and Murphy, wiping his eyes clear of mud with his respirator, looked around to see Clancy, his chum, lying very still.

"Speak to me, Terrence!" he whispered. "Are ye alive or dead?"

"Dead!" faintly murmured Clancy. "What a liar the man is!" soliloquized Murphy, much relieved.

Then Clancy sat up.

"Ye know I must be dead, Murphy" he said, "or it isn't the lokes of you would be cullin' me a liar!"

The burglar had just begun his term and was assigned to work in the broom factory. Near him was an oldish man who studied him intently and seemed to be awaiting an opportunity to say something. It was while the overseer was at the ice tank. "How long are you in for?" he whispered.

"Twelve years," replied the newcomer.

The veteran looked around nervously and thrust a letter in the burglar's hand.

"I'm in for life," he said. "Mail this would be cullin' me a liar!"

"George," said his wife, sitting up suddenly in bed, "there's a burglar in the house. Listen!"

"A burglar!" George sat up, too.

"Yes, I can hear him distinctly crossing the floor of the room below. Now (excitedly) what's the lightest of those cigars I gave you for Christmas. I heard him pick up the box and put it down again."

"By jove, Mary, you're right," George answered. "He is. He's actually smoking one of those—er—cigars."

Then he snuggled once more comfortably between the blankets.

"Go to sleep, Mary," he said complacently. "We'll find the poor wretch in the morning."

Puzzle: Find the Man Who Is All Set for Winter

WILL WINTER BE AS COLD AS SUMMER WAS HOT?

NO use waiting until the Boreas-Jack Frost-mercury combine starts in to find out.

Likely to find yourself left out in the cold, as far as getting the kind of Overcoat you really like is concerned, if you do.

We are in the fortunate position of being able to show all new Overcoats this fall, as we only carried over an odd dozen coats from last winter. The new Winter Coats are here in an endless variety of styles, materials and prices. Wise buyers are coming in every day, and we have already sold a considerable number of Winter Overcoats.

Wonderful values at $20.00, $22.50, $28.00 and $30.00. Styles are Chesterfields, Ulsters, Ulsterettes, Belters and Form-Fitters.

We will be glad to show you the best values in Overcoats on the market to-day.

Nearly Buried Once But Living at 103.

Fernand Larmourst, better known as Joseph Dafoe, an inmate of the Kingston House of Providence, is 103 years old. His health is excellent, his mind clear and his hearing good, but his eyesight is failing. He was taken to the house last April from Flinton, Hastings County, where he lived alone. He recalls that many years ago when seriously ill he became unconscious and his friends thought he was dead. A coffin was ordered, but when he was being lifted into it he became conscious to the great surprise of his friends, some of whom fainted. He is a French-Canadian and was born 20 miles east of Montreal, at a place then called Grande St. Spree.

"A Couple of Million"

"A Couple of Million", a comedy in four acts, will be presented by the Newburgh Dramatic Club, at the Standard Bank Hall, Newburgh, on Thursday and Friday evenings, October 6th and 7th, 1921, in aid of the Public Library. This play is one of the best that has ever been given, and the first presented in Eastern Ontario on which a royalty has to be paid for presenting. The Committee is sparing no trouble or expense in making this the best entertainment of the season. Grace Church Orchestra will render selections especially arranged for the performance. Curtain rises at 8 p.m. Reserved seats to any part of the hall, 50c., plus war tax. For sale at G. Quail's grocery. Telephone and mail orders attended to. Reserve your seat early. 39a

MURPHY—O'LEARY.

A quiet wedding was celebrated at St. Frances' Church, Toronto, on Monday, Sept. 19th, 1921, when Mabel second daughter of Mr. Lewis O'Leary, was united in the holy bonds of matrimony to Joseph Murphy, of Toronto, formerly of Napanee. The bride was attired in a travelling suit of navy blue broadcloth, with black velvet hat. Miss Dorothy O'Leary assisted the bride, while Mr. John Burns performed the duties of best man. After the wedding ceremony the bridal party motored to the bride's home, where a wedding breakfast awaited them. They then took the 9.20 train for Napanee, Kingston and Ottawa. Mr. and Mrs. Murphy received many beautiful and costly presents, testifying the esteem in which they are held.

CHARLES STEVENS COM'P. LIMITED.

Our energetic citizen, Mr. Charles Stevens, has completed his arrangements and has obtained a Charter of Incorporation for a new Company under the name of "Charles Stevens Company, Limited".

This Company has been incorporated with an authorized capital of One Hundred Thousand Dollars, and will carry on the activities heretofore carried on by Mr. Charles Stevens with many additional and other lines of business.

Any person who might be interested in the Company, with a view to taking stock can find out further particulars by applying to Mr. Charles Stevens or Mr. G. F. Ruttan, K.C., his solicitor.

Prospectus will be issued in a few days. The Company will occupy the building now being finished by Mr. Stevens, opposite the Campbell House, and the prospects are that through this corporation a large amount of business will be done in the future.

Harvest Festival Services.

Special Harvest Festival Services will be held in the Salvation Army Hall, on October 2nd, at 11 a.m., 3 p.m. and 7.30 p.m. The Hall will be suitably decorated for the occasion. On Monday, Oct. 3rd, at 8 p.m., an Auction Sale of the produce gathered will be held in the above Hall. Everybody welcome.

Married at Pembroke.

At the Presbyterian manse, Pembroke, on Thursday, Miss Evelyn May Fairbairn, daughter of Postmaster and Mrs. James Fairbairn, Deseronto, became the bride of J. E. C. Brennan, son of Mr. and Mrs. Frank Brennan. The ceremony was performed by Rev. T. J. Mackie. The groom, a war veteran, has been employed by the government on survey work in the Petawawa district.

W. M. S. Convention.

The W. M. S. Convention of the Napanee District (Napanee Division), will be held in the Methodist Church, Odessa, on October 12th, morning session beginning at 9.30. An interesting programme is being prepared. Miss Nellie Campbellford, returned missionary, will address the afternoon session. The public are cordially invited to attend this convention. 39b

Lennox and Addington Teachers' Convention.

The teachers of Lennox and Addington will hold their annual meeting on October 6th and 7th. An interesting programme has been prepared for every session, including an evening entertainment to be given in The Strand, on Thursday, Oct. 6th, at 7.30 p.m. The speaker of the evening, Prof. J. Matheson, M.A., Queen's University, will give an illustrated lecture on "Some Interesting Things in the Heavens", and music will be provided by some of the best local talent. The public are cordially invited to attend, and will be admitted free by ticket to be obtained from the teachers. 39a

"And Home Came Ted"

A comedy-drama mystery, in three acts, will be given in the Sillsville Town Hall, on October 7th, 1921, at 8 p.m., in aid of Conway Methodist Church. Following is the caste of characters:

Music furnished by Orchestra. Admission, 50c. 39b

FARROW—CONWAY.

Under a beautiful floral arch at St. John's Church, which was decorated for the occasion with a profusion of asters and ferns, the marriage took place at 1 o'clock to-day, of Olive Louise, elder daughter of Mr. and Mrs. W. E. Conway, 396 Downie St., to George Martin Farrow, son of Mr. and Mrs. M. T. Farrow, of Collingwood. Rev. Dr. Blagrave performed the ceremony, and Mr. R. J. Devey played the wedding march.

The bride, who entered the Church on the arm of her father, wore a beautiful gown of kittens' ear crepe, with garniture of French satin roses and silver lace over-dress. Her large hat was of black panne velvet and silver lace. She wore an ermine necklace of pekin blue, trimmed with silver lace. The hat of black and silver, trimmed with blue ostrich tips, and bouquet of premier roses.

Miss Ruth Barclay, of Toronto, acted as best man. Ushers were: Messrs L. E. Conway and H. R. Leaver, of Owen Sound, and Bruce Mills, of Peterborough.

After the ceremony, a dainty buffet luncheon was served at the home of the bride's parents, which was beautifully decorated for the occasion, the hall in glowing red asters, the living room in pink asters, and the dining room in the bright tones of pansies and marigolds.

Mr. and Mrs. Farrow left by motor for a short honeymoon trip, the bride travelling in navy blue suit with hat to match. They will reside in Toronto.

Many beautiful gifts testify to the regard in which the bride is held by her many friends in the city.

Out-of-town guests included the following: Mr. and Mrs. M. T. Farrow, of Collingwood; Mr. and Mrs. R. Elliott, of Tweed; Mr. and Mrs. H. L. Conway, Brantford; Mr. and Mrs. A. P. Young and Mr. and Mrs. E. E. Sills, of Napanee; Mr. and Mrs. R. Conway, of Dundas; Messrs. H. R. Leaver and T. E. Conway, of Owen Sound; Miss Ethel Allin, of Ottawa; Mr. and Mrs. J. O. Fenton, Mr. L. D. Barclay, Miss Grace Conway, Mr. and Mrs. A. C. Conway, and Mr. and Mrs. J. G. Common, of Toronto. — The Evening Examiner, Peterboro', September 29th, 1921.

U. F. O. CONVENTION.

Edward J. Sexsmith, of Selby, Selected as Candidate for Federal Election.

At a very largely attended meeting of the United Farmers for the counties of Lennox and Addington, held in the Town Hall, Friday afternoon, Edward J. Sexsmith, a farmer who resides near Selby, was chosen standard bearer for the U. F. O. in the Dominion Election. The meeting was very enthusiastic, which was shown by the fact that sixteen or seventeen were nominated for the position. Mr. Sexsmith was elected on the second ballot, when he received 171 votes. M. N. Empey, President of the U. F. O. for the County, was second with 36 votes, Irwin Sexsmith was third with 28 votes, and W. H. Hunter was fourth with 22 votes. Messrs. Empey, Sexsmith and Hunter asked that the selection be made unanimous.

Those Nominated.

When the meeting opened at 1.30 o'clock, Mr. Empey, who acted as chairman, called for nominations and the following names were submitted: James T. Wilson, Strathcona; M. N. Empey, Napanee R.M.D.; E. H. Sills, Napanee R.M.D.; Fred Perry, Napanee; E. J. Sexsmith, Selby; William Schell, Napanee R.M.D.; A. C. Parks, Napanee R.M.D.; M. C. Burgess, Napanee; Irwin Sexsmith, Napanee R.M.D.; J. L. Haycock, Adolphustown; L. F. Bogart, Gosport; C. W. Vandervoort, Napanee R.M.D.; W. H. Hunter, Napanee; Thomas Chalmers, Napanee R.M.D.; W. J. Allen, Napanee R.M.D., and C. A. Loyst, Bath. Before the vote was taken, Messrs. Wilson, William Schell, A. C. Parks, J. L. Haycock, Thomas Chalmers, and W. J. Allen asked that their names be withdrawn.

The result of the first ballot was as follows: E. J. Sexsmith, 113; M. N. Empey, 36; W. H. Hunter, 29; Irwin Sexsmith, 28; M. C. Burgess, 18; E. H. Sills, 13; C. W. Vandervoort, 11; Fred Perry, 11; C. A. Loyst, 2.

The gathering was one of the largest held in the history of the county. Although the weather was very disagreeable on account of the rain and wind, the hall was crowded to the doors.

The Candidate Speaks.

When Mr. Sexsmith was called to the platform after the result of the vote had been announced, he thanked the people for the trust they had placed in him by selecting him as their standard-bearer in the coming election. He made it clear that he had never solicited the position, and that if elected he would do his best to satisfy all classes of people. One thing he would promise would be that he would try and practice economy. The speaker took a "swing" at the members of the Dominion House who voted an increased indemnity, and at the same time had neglected to provide for soldiers who had needed help. He believed that the tariff should be revised. In closing his remarks, he stated that he believed this was a work which was given to him by a Higher Power, and that he would not betray the trust which had been placed in his hands. He was loudly applauded before rising to speak.

Only a Farmer Wanted.

One would gather after attending the meeting that no person but a farmer actually working the land was wanted as a candidate in Lennox and Addington. When the meeting opened, the chairman announced that at an executive meeting held in the morning it was decided that no one but a farmer would be accepted. This meant that M. C. Burgess and Fred Perry, who were nominated as H. and Wells, would not be eligible.

Mr. Burgess asked for a ruling in his case, as he stated he had been a farmer all his life, and only recently given up his farm on account of illness in his family, and was now as much in accord with the farmers' movement as he ever was. After some minutes of discussion, the chairman asked for a showing of hands of all those who were willing that Mr. Burgess be allowed to address the gathering, and also that his name appear on the ballot. The vote was in favor of Mr. Burgess, and he spoke to the meeting.

The case of Fred Perry, who is a merchant in Napanee, was also dealt with in a like manner, and he was allowed to express his views to the convention. Mr. Perry stated that although not a member of the U. F. O. at the present time, he was in sympathy with their platform.

Not In Perfect Accord.

At the suggestion of several in the audience the chairman asked all the candidates who had been nominated to give five-minute addresses. E. H. Sills, who was first called, stated that he was not in perfect accord with all the principles of the U. F. O. He contended that public ownership of the railroads would lead the country to disaster. The speaker remarked that recently when he was travelling on one of the government trains, he found the train well equipped with ticket takers and conductors but there were no men to clean the dirt off the seats. He acknowledged that he had always been a high tariff man and he believed that he had been mistaken in his views in this respect.

M. N. Empey stated that he believed in the U. F. O. platform, and if the gathering saw fit to select him as their candidate he would do his best to fill the office.

Irwin Sexsmith stated that he believed in the principles of the U.F.O. and would not give blind support to party government. He told the gathering that if they did not see fit to select him as candidate he would give his whole support to the man of their choice.

W. H. Hunter told the convention that if they saw fit to pick him as their standard bearer he would do his best to fill the office. First of all he would be honest.

Trying to Catch Farmers.

C. W. Vandervoort had been a mechanic and had never played a farmer until he was forty years of age. The speaker charged that Premier Meighen in his promise that the government, which he represented, would provide a pool for the grain, was only trying to catch the farmers. And more than that he was only copying what Hon. Manning Doherty had done. This proposal was the dying kick of the government.

M. C. Burgess told of his connection with the U. F. O. movement. He was one of the prime movers, and although not working his farm he had only done so on account of the illness of his daughter. He was still an enthusiastic follower of the U. F. O. When dealing with the question of tariff, he said that he could not understand why an automobile which sold across the border for $960, should be $1,600 in Canada. He contended that the farmers had no protection.

It was nearly six o'clock when the meeting was brought to a close. The members of the U. F. O. in Lennox and Addington are fully confident that they will be able to elect their man in the coming election.

LETTER TO THE EDITOR.

Honolulu, H.T.
September 15th, 1921.

To the Editor, Napanee Beaver.

Dear Sir,—In reply to an article by Mrs. Alvin Empey, which was published in your paper, dated August 19th, 1921, I would like to make the following statement, under the heading "Commercialized Patriotism".

Is it patriotic to display our country's flag? It is, but we should remember that there are correct places and times for it to be displayed. The flag should be flying in front, or on top, of all Dominion, Provincial, County and Municipal buildings during daylight hours at all times.

Every school should have its flag and should make a ceremony of raising it in the morning and taking it down in the evening, thereby the children will learn to love, honour, and respect their country's flag.

The flag should also be unfurled on all public holidays and before all large gatherings of the people. On these days the use of flags for purposes of decoration should be encouraged.

Business houses should not make a practice of displaying the flag during the course of their every day business. The merchant who uses his country's flag for decorative purposes, either on the outside or inside of his place of business, during the course of his every-day business, is using his country's colours in the interests of his business, and is therefore guilty of commercializing his patriotism.

The nefarious practise of commercializing should be stopped at all costs, even if it has to be made punishable by law, for this reason. If the rising generation are permitted to see the flag used in this manner, they will grow to regard it, not as the flag of their country, to be honoured and respected at all times, but merely as a standard to be used at all times for the purpose of commercial decoration.

I was sorry to see that one of our respected citizens was carried away by a great display of this so-called "Patriotism".

Thanking you, Mr. Editor, for the valuable space which you have so kindly granted me in your well filled columns,

I am, Sir,
Very respectfully yours,
ROBERT G. SAUL,
Honolulu, Territory of Hawaii.

SIMPLEX FARM RECORD.

By Miss E. Cora Hind, in the Free Press Prairie Farmer.

We have always regarded bookkeepers and chartered accountants with deep awe. People can speak lightly and easily of "trial balances," "budgets" and the like command our undying respect.

We have a little way of our own of keeping track of what money comes in and what we spend it on, but a sight of it would probably drive a chartered accountant to drink if he did not die of shock. From the foregoing it will be gathered that our knowledge of the science of accounts is chiefly conspicuous by its absence. Farmers have always had our keenest sympathy when we have heard them urged to get a "simple set of books and keep accounts." That sympathy has deepened when we have struggled to understand some of the record and account books which have been got out specially for farmers.

At the same time we fully realize that was most essential that records of farm business should be kept.

W. E. S. Walker, a Manitoba boy, born at Hamiota, and who himself farmed for some years at High Bluff, seems to have solved the problem. At least he has got out a farm record book that we know we could keep straight ourselves. "Simplex" is a good name, it is simplicity itself. In the first place it is just one book and not a large one at that. It is thoroughly-indexed. Suppose you sell a horse, you look at the index and see "horses sold", page 21. Turn to the page and there is the place for date, number sold, cash received, notes received, dates when notes due, rate of interest, total price and the name of the person to whom sold. It does not take two minutes to record the whole transaction.

You sell wheat. Just look on page 11 and there is the place for date, gross bushels, dockage, not bushels, No. elevator check, price per bushel, grade and to whom sold. So on through the list of everything which can be sold off the farm. It is the same with things traded off the farm and with things consumed on the farm, both by the family and the stock. There is the same provision for things purchased. Fuel oil for tractor, for example, turn to page 44 and there in a second can be recorded the date, brand of oil, quantity, price and from whom purchased. On page 57 there is place for recording the date at which seeding of every farm crop was begun and the date when seeding finished, the date of starting cutting and the date when cutting finished and the yield per acre. Page 58 carried space for memorandum of weather conditions and also for memorandum of work done on the land. This last is something which few farmers keep and yet how valuable. Possibly one of the best features is that having all the record carefully all year the farmer has exactly the information he needs to make up his income tax returns without any trouble.

Not alone will this record furnish data for income tax returns but regularly and properly kept it should be of value in securing a loan when necessary, as a banker could run over everything in it in less than half an hour and know a great deal about the standing of the man asking a loan.

The first few pages of the record contain a lot of useful information farmers want and often find difficulty in locating just when they need it. How to measure hay in bulk, contents of a wagon box, size of bin required, ordinary weights and measures; how to test grain, breeding data, how to control grasshoppers and many other things.

We think Mr. Walker has performed a real service to farmers in getting out this book which is based on his own experience in keeping records on a western farm. No doubt some improvements could be made but if every farmer kept a book of this character up-to-date he would know a whole lot more about the "ins and outs" of his business than he does at present.

Studebaker Light Six

Economical

because of its Exclusive Internal Hot Spot and Light Weight—

The Studebaker LIGHT-SIX might well be called the "Economy Six", for every day in the hands of hundreds of owners it is averaging between 21 and 26 miles to the gallon of gasoline.

Such low fuel consumption is due chiefly to its Internal Hot-Spot, an exclusive feature of the LIGHT-SIX motor, designed by Studebaker engineers.

The light, evenly-balanced weight of the LIGHT-SIX chassis further contributes to its low operating expense—not only with respect to fuel, but tires as well.

See the LIGHT-SIX, analyze its fine quality of construction and you will agree that it represents the maximum of automobile values.

STELLA.

Ploughing is well under way, but more rain is yet needed—We were sorry to hear that our annual fair to be held last week, was cancelled. Many had been looking forward to it. —A number of our island farmers attended the U. F. O. convention held in Napanee last Friday. Owing to the rough day some were hindered from going. Mr. Babcock, Millhaven, ferried them over about nine o'clock and then started back. The engine in his boat giving him trouble, he was drifted by the storm down to Floating Bridge. He was found there the next morning safe, and the boat yet in good condition.—The teachers are anxiously looking forward to the Teachers' Convention to be held in Napanee this week.—We are sorry to hear that Mr. A. Kilpatrick is not improving much.—The cyclone of Friday last did much damage at the head of the island and along the bay shore, blowing down sheds, the roofs off barns, and destroying orchards. Because of these high winds the Str. Brockville was unable to make her return trip until Saturday.—Miss A. Neilson, Miss G. Wemp and Mr. A. Scott left last week to attend Queen's University.—The young women of St. Paul's Presbyterian Church have organized a Y. W. A. to carry on Mission work.—Stella boys defeated the South Shore boys in their final game of baseball on Saturday last, score being 20 to 17. Next Saturday the girls' team of S. C. S. are to play the boys' team of Nos. 1 and 3.—The ice cream social held last Saturday evening at Emerald school house, was well attended.—A new cement bridge is being constructed on the road leading from Stella to the South Shore.—Wilfred Miller has returned from the West.—Miss Mabel Baker is spending a couple of weeks visiting friends in Pittsburg.—Visitors: Mr. and Mrs. Anderson, Napanee, at S. Miller's; Miss G. Thompson, Deseronto, at J. McKee's.—Mrs. Charlie Brooks and father, Mr. Bristow, with friends here; Miss Arline Miller at S. Miller's; Miss Annie Glenn at Wm. Glenn's, Jr.; Mrs. R. Baker at R. Kilpatrick's.—Miss Marjorie McGuinness spent the week end at her home here.

Harvest Festival and Concert.

Under the auspices of the Methodist Church, will be held in the Church at Colebrook, on Monday evening, October 17th, 1921, at 8 o'clock. A good programme of recitations, dialogues, solos and duetts. Mrs. Powell, of Napanee, will assist. Mr. W. D. Black, M.P.P., will act as chairman. Refreshments will be served. Admission 25c. On Sunday evening, Oct. 16th, the Anniversary Service will be conducted by Rev. Mr. Bamforth, of Deseronto, at 7.30 o'clock. Rev. J. Down, Pastor. 39b

Suiter—Mr. Perkins, I have courted your daughter for fifteen years.
Perkins—Well, what do you want?
Suiter—To marry her.
Perkins—Well, I'll be hanged. I thought you wanted a pension or something.

A New York silk merchant went to the bank to get his note renewed.
"I am sorry," said the banker, "but it will be absolutely impossible for me to renew your note."
The silk merchant's face paled. After a moment of thought he looked up at the banker and asked:
"Were you ever in the silk business?"
"Why, of course not," answered the banker.
"Well, you're in it now," said the silk merchant as he picked up his hat and went out.

A Chinese diplomat, recently at the head of a mission in France, desired to show his gratitude towards the Quai d'Orsay officials who had helped him. He invited several of them to dine, and as a special mark of sympathy welcomed them at a Chinese restaurant not far from the Sorbonne. They were greatly interested by the strange dishes, none of which they had ever tasted before. After a while there was placed on the table a stew which one of the guests thought he recognized as duck. Anxious to show some appreciation he signed to the waiter, who spoke no French, gave him to understand that he thought it excellent, and in order to indicate that he knew what it was he smilingly said: "Quack! quack!" But to his horror the waiter shook his head, replying "Bow-wow!"

WISE AND OTHERWISE.

Only the uninformed endure the agony of corns. The knowing ones apply Holloway's Corn Remover and get relief.

Visitor—Plenty of deer about here, I suppose?
Gillie—Weel, there was yin. But the gentlemen kept shootin' and shootin' at the puir thing. Aam thinkin' she left the neighborhood.

Recognized as a leading specific for the destruction of worms, Mother Graves' Worm Exterminator has proved a boon to suffering children everywhere. It seldom fails.

"On my last voyage," a young sailor remarked, "I saw waves forty feet high."
"Get-out!" cried an old sailor, "I was at sea for fifty years, and I never saw them that high."
"Well," the young sailor retorted, "things are higher now than they used to be."

Correspondent sends us one of the mixed'st metaphors we have ever read. It is from an English novel, "The cloud that tried to stab their happiness was only a false rumor whose bitter taste could not splinter the radiance nor dim the effervescence of their joy."

Mrs. O'Brien—They say it's not polite to be helped twice, Mr. Flaherty, but ye'll take another piece of my cake, won't ye?
Flaherty—Indade, Oi will that, Mrs O'Brien. Shure, it's the height of politeness to ate a siqond piece av such cake as this.

For Burns and Scalds. — Dr. Thomas' Eclectric Oil will take the fire out of a burn or scald. It should be at hand in every kitchen so that it may be available at any time. There is no preparation required. Just apply the oil to the burn or scald and the pain will abate and in a short time cease altogether.

When the question of "booing" in a theatre is discussed, one recalls the story of an incident at the Comedy Theatre in the late 'eighties.
During the performance a man left his seat in the pit and walked out to the money box, where he handed in the counterfoil of a pit pass marked "complimentary".
"I don't want to pay any compliments to this show," he said. "Here's my half-crown. Give me a pit ticket; then I can hiss."

Miller's Worm Powders will eradicate the worm evil that beats so heavily on children and is believed to cause many fatalities. They are an acceptable medicine to children and can be fully relied upon to clear the food channels thoroughly of these destructive parasites and restore the infants' and painful surfaces to healthfulness. They are an excellent remedy for these evils.

The airman was boasting about his calling.
"At last," he said, "man has crowned his work. After conquering the land, mastering the sea, and harnessing the tides, he has conquered the air. We airmen represent the final achievement of mankind."
"Who conquered the air?" retorted one of his hearers.
"We have," repeated the airman, blandly.
"Oh, have you?" replied the other; "well, jump out of a window six stories high, and see who's boss!"

Far Frost Bites and Chilblains. — Chilblains come from undue exposure to slush and cold and frost-bite from the icy winds of winter. In the treatment of either an excellent preparation is Dr. Thomas' Eclectric Oil, as it counteracts the inflammation and relieves the pain. The action of the oil is prompt and its application is extremely simple.

An Englishman went to a baseball game, and both sides made one run each during the first inning. The Englishman watched the scoreboard intently as each team failed to make any runs during the succeeding innings. The game had gone sixteen innings, and both the figure one and the zero following had left their impression on the mind of the Englishman. Going down the street after the game, a small boy stopped him and asked what the score was.
"Oh," said the Englishman, "I lost all track of the game; it's way up in the millions."

PLAIN TALK NO. 7

Dear People,—We purpose taking for our text this period, "Sell your Hammer and buy a Horn!" Our past lectures, besides being to us very profitable, have proved also to have annoyed one or two persons, namely, Burns' and Stool Pigeons! So accept our apologies if we seem to be blowing a little, and try us out, and we will prove our words. We intend during the coming months, to do a little profit sharing among our friends. Whilst visiting in Toronto and the West, it was our good fortune to become acquainted with leather dealers of a much larger standing than some of our competitors, and also to buy in markets more reasonable. Through buying in large quantities, we were able to purchase the best Oak Tanned Leather at 17 cents below ordinary market price. So as an inducement for you to try out this real good quality, we intend to make a big reduction in the price of our shoe repairs. So take note of the following list and give us a trial to convince you we have the real goods.

	Our Price
Town Price.	
$1.45, Men's Soles	$1.30
.50, Men's Heels	.40
$1.10, Ladies' Soles	.90
.35, Ladies' Heels	.25

Next time, paint your barn with a paint that's made for painting barns

Your barn is too valuable an investment to be insulted with a coat of cheap paint. It is an investment that should be protected with paint made especially for barns; a paint that will make your investment an asset instead of a liability.

We have never heard of a paint for barns that's anywhere near as good as Lowe Brothers Standard Barn Paint. It's made for painting barns and nothing else. That's why it has made so many friends among barn owners.

Come in tomorrow and ask us about it.

J. F. PAUL.

It was Monday morning in the little village of Plumpton, and all was bustle and stir.

Mr. Griggs, the portly and all important politician and chairman of the village, stood smiling at the door of his butchery establishment.

Along stepped the fair young daughter of the vicar, and she stopped to speak with the great man of the village, remarking tentatively that yesterday the choir was a little "out of standard".

Mr. Griggs looked perplexed, but after a moment's thought he exclaimed:

"Well, missie, it's all them there boys. I does my best. Why, I sings my part, and then I comes back and slips 'em on with theirs."

IT IS NOT SO MUCH A QUESTION OF PRICE AS IT IS WHAT YOU GET FOR YOUR MONEY

Quality and Style are also leading factors in reliable Merchandise. If you choose yours from our Fall Stocks you get the best time and money can secure in the best markets of Canada.

FROM OUR WOMEN'S DEPARTMENTS.

HAVE YOUR NEW FALL SUIT MADE TO ORDER IN OUR DRESSMAKING DEPARTMENT.

We present a Wonderful Offer — a Great Price Saving Event — an opportunity to get a splendidly made suit made from fashionable materials, exquisite and hard wearing linings, the better kind of trimmings, and button trimmed.

This tells the story of a splendid offer, linking our piece goods department with our MADE-TO-ORDER Department, in a special endeavor to give you a worth while opportunity to save money on your new Fall Suit.

We save you from $10.00 to $20.00 over former prices. This offer goes into effect Saturday morning and continues for a limited time.

Materials, Linings and Trimmings will be on display in our Dress Goods Department. It will be to your special advantage to take particular note of the three special offers mentioned below. Every Suit turned out will bear the highest standard of excellence.

Special Offer No. 1.—Suit, Made to Order, $37.50.—Materials—Tricotine, Serge, Cheviot. Colors—Black, Navy, Brown, Saxe, Grey, Burgundy, Green, Taupe, Reindeer. Linings—Your choice of Satin or Sateen Foulard. Button trimmed.

Special Offer No. 2.—Suit, Made to Order, $42.50.—Materials—Pure Wool Serge, made from Botany yarns. Colors—Navy, Black, Brown. Linings—Rich colorings in Figured Poplin. Button trimmed.

Special Offer No. 3.—Suit, Made to Order, $47.50—Materials—Tricotine, Serge, Broadcloth, Gabardine, Velour, Tricotex. A galaxy of fashionable cloths to choose from. Colors—Black, Navy, Brown, Grey, Saxe, Castor, Taupe, Burgundy. Linings—Guaranteed Satin, plain or fancy. Button trimmed.

Fall Overcoats

The Sting Has Been Taken From the Price

Grey Chesterfields, $20.00

Oxford Grey Cheviot, made in men's fly front, single breasted Chesterffeld model—the sensible, always-in-style model for mature men.

This coat was priced throughout the trade at $35.00 last fall. They can now be bought for $20.00 at Boyes'. Some reduction, we say. Buy one of these useful coats for general use now, and for wearing under heavier coats in winter.

Young Men's Finest Jersey Cloths

These smart all-wool Jersey cloths of this fine quality and soft colorings are very suitable for use in Young Men's Fall Coats. The style and wear are both there. We say they're the niftiest coat we have had for years.

The cloth is a departure, and so is the new loose back style. The price—$27.00—is not excessive for a quality garment.

Gabardeens--Tweed Raynsters

Tweed Raincoats in single and double textures have been radically reduced in price. One fine quality double texture Rubberized Tweed, formerly selling at $35.00, can now be bought at just half price.

Other good single and double texture coats, in a fine range of patterns, are from $10.00 to $15.00. Now is the time to enjoy one of these wind-breaking, rain-or-shine, always useful coats.

"PEN" BEING FILLED UP

Now 805 Convicts—Largest Number Confined There in the Last Fifty Years

It was learned on Tuesday morning that there are at the present time 805 convicts confined in the Portsmouth Penitentiary, the largest number there at any one time in the last fifty years.

The large number of prisoners tells the story of the crime wave which has been sweeping over Canada the past few years.

As a result of the epidemic of highway robberies and hold-ups, the judges have been sending more offenders to the Penitentiary than to the jails.

ODESSA.

Alfred Babcock and Miss Mary Hodge were quietly married at the Methodist parsonage, Wilton, last Wednesday, by Rev. N. Latimer. They were attended by Miss Mildred Hillier and Fred. Hodge. They left on the afternoon train from Yarker to spend a short time with relatives in Ottawa. — The Rural School Fair held here last Wednesday was a great success, even the weather was favorable. The exhibits were considered wonderful for the season. The fancy dress drills from the different schools reflected great credit to the teachers, for surely a great deal of time must have been spent in preparing and training the public school pupils. An exhibition game of baseball was played between Morven and Odessa teams. The score was 8-7 in favor of the locals. The races afforded considerable amusement and it was a day to be remembered by the school children, especially those who won the prizes and had money to take home with them.—Mr. and Mrs. Lewis Snider spent last Sunday with relatives in Harrowsmith. —Mr. and Mrs. Austin Fraser and Mr. and Mrs. H. S. Davy spent a Sunday recently with Mr. and Mrs. James Milne, Belleville.—Mr. and Mrs. Dornblazer, who have been the guests of Dr. J. E. Mabee and Miss Mabee, returned to their home in Philadelphia last Friday.—E. W. Topliff has returned from spending the week with friends in Kingston. —Rev. Father Hanley, Mr. Hanley and Miss Nellie Hanley, Kingston, and Miss Brooks, New York, were guests of Miss E. Toomey last Tuesday. — Mr. and Mrs. MacGregor, of Napanee, spent last Sunday at B. G. Hamm's.—Mrs. Geo. Bell, Toronto, has been spending the past two weeks with her parents, Mr. and Mrs. H. S. Davy.—Miss Verf Frink and Miss Vera Kenny, Rochester, are spending a couple of weeks with their parents. —Mr. and Mrs. Philip Oswald, late of Centralia, Wash., who have been spending the past two weeks at Mr. Oswald's old home, left Sunday to spend a short time in New York and visit relatives in West Virginia before leaving for their new home in Livingstone, Montana.

MARLBANK.

A number from here attended the Picton and Kingston Fairs, and report them good.—Mrs. B. Thal has disposed by sale of her store and stock of goods to John Wilson.—Robt. Bailey has returned, after a two weeks' holiday. He was relieved as manager of the Sterling Bank by I. B. Law.—Miss Walters, of Napanee, spent Sunday at Irwin Wells'.—Miss Annie Loyst has returned, after spending a fortnight with friends at Washago.—Malcolm Beckwith and family spent Sunday at Robt. Perry's.—Mrs. H. Wagar and Miss Marion, of Point Anne, spent a few days recently at T. N. Allan's. — Mr. and Mrs. William Laughlin are renewing acquaintances here.—Mrs. Russell Kellar, Enterprise, is spending some time with Marlbank friends.—Mrs. Oscar Asselstine has recovered from a short illness, also W. J. Wilson.—Misses Verlie Denison and Alberta Revelle spent the week-end with their parents.—Miss Jeanne Crozier and Miss Nettie McCutcheon made a flying trip to Newburgh on Saturday last.—A number of the ladies purpose attending the W. M. S. convention in Newburgh on Oct. 13th.—The teachers from the local schools are attending the Teachers' convention in Napanee.

LETTER OF CONDOLENCE.

At the last meeting of L. O. L. No. 490, held at Croydon on October 1st, it was unanimously passed that a letter of condolence be sent to Brothers Ross and Robert McGregor, in the loss they have sustained in the death of their dear father and our Bro. Orangeman.

We knew him as a true brother and friend, and hasten to express to you our sincere sympathy and regret. May the kind and loving Father, who does all things well, comfort, strengthen and sustain you and family, is the wish of all those who were associated with him in the work of the Orange Order.

Signed on behalf of L. O. L. 490.

Cut this list cut and place it in a conspicuous place and remember we will gladly get any of the above shares or any other you need if possible. Our stock is largest in town, and our motto is

SERVICE WITH SATISFACTION.

We solicit your share business and are giving value for your money. Prices quoted are for narrow points only. We carry other widths of shares and shoes. Our Perrin stock of repairs is quite complete.

Agents for Tudhope-Anderson, and Wilkinson lines.

Look Over Your Wardrobe

You'll find Suits and Frocks that you have worn and think are useless. Send them to us and we will clean and freshen them up so that you'll be surprised. Don't hesitate, no matter how badly soiled or worn they appear to you. We'll let you know what can be done with them. Leave it to us.

School Opening

In a few days the Schools will be opened and the young folks will require the new Book for the classes to which they have advanced. Until the last few days it looked as though the opening would find us without many of the Books on the lists of both the Public and High Schools; but we are pleased to state that, with the exception of three or four, we have every Book needed, and expect these by or before the first of September.

We will have the largest supply and greatest variety of Exercise and Scribbling Books, Note Books, Pencils, Crayons, Paints, Book Bags, Pencil Boxes, in fact every article that the Scholar will need that was ever assembled in one place in the town. We have bought these goods wherever we could get the best value and are confident no one can offer better values.

A great advantage to a Pupil is a smooth Writing Pen. There are none better than the Waterman. We sell them at as low a price as any other house.

Is it not better to purchase one quality Suit or Overcoat which will give satisfaction instead of two inferior ones at an additional cost?

A Fit-Reform Suit or Overcoat will eliminate the extra cost of an extra suit or overcoat because the material is, workmanship are there, thus insuring a lasting and satisfaction to the wearer.

YOUNG GIRLS NEED CARE

Mothers! Watch Your Daughters' Health

Health Is Happiness

From the time a girl reaches the age of twelve until womanhood is established she needs all the care the thoughtful mother can give.

The condition that the girl is then passing through is as critical and may have such far-reaching effects upon her future happiness and health that it is almost criminal for a mother or guardian to withhold counsel or advice.

Many a woman has suffered years of prolonged pain and misery through having been the victim of thoughtlessness or ignorance on the part of those who should have guided her through the dangers and difficulties that beset this period.

Mothers should teach their girls what danger comes from standing around with cold or wet feet, from lifting heavy articles, and from overworking. Do not let her overstudy. If she complains of backache, of a sinking feeling, of nervousness or irritability on the part of your daughter, make life easier for her. She needs thoughtful care for a few years.

In all such cases Lydia E. Pinkham's Vegetable Compound should be given as it is especially adapted for such conditions. It contains nothing that can injure and can be taken in perfect safety.

Read how Mrs. Eicher helped her daughter. She says:

"At the age of sixteen my daughter was having trouble every month. She had pains across her back and in her sides. Every month her back would pain her so she would not do her work and would have to lie down. My married daughter recommended Lydia E. Pinkham's Vegetable Compound and I read the books which were left at my door. She took it faithfully and is now regular and has no pain. We recommend the Vegetable Compound and give you permission to publish this letter in your little books and in the newspapers."—Mrs. KATIE EICHER, 4504 N. Fairhill St., Philadelphia, Pa.

Mrs. Williams will profit by her own experience. She says:

"When I was thirteen years old I had sick spells each month and as I was very backward I would bear the pain and my mother knew nothing about it. I read in the daily paper about Lydia E. Pinkham's Vegetable Compound and took my own spending money and bought a bottle. It helped me so much that I took it regularly after that until I had taken two bottles and I did not have any more pain or backache and have been a healthy strong woman. I am now 28 years old and have a little girl of my own, and when she gets old enough I shall give her some other than Lydia E. Pinkham's Vegetable Compound."—Mrs. C. E. WILLIAMS, 2437 W. Toronto St., Philadelphia, Pa.

For almost fifty years Lydia E. Pinkham's Vegetable Compound has been relieving women, young and old, of ailments peculiar to their sex. Ask your neighbor about it, for in every neighborhood there are women who know of its merits.

Thousands of letters similar to the above are in the files of the Lydia E. Pinkham Medicine Co., and for years such letters have been published. Surely it is worth your while to make a fair trial of Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Why Suffer from Lost Hair?

It is impossible to grow hair where the roots are dead. To protect your health and improve your appearance you must have hair on your head. The best, easiest and most logical way to have it is to wear a "Dorenwend" Toupee or Wig. Furthermore, it will make you look younger.

Take this opportunity to visit

Dorenwend's Limited

HAIR GOODS DISPLAY

Campbell House, Tuesday, Oct. 11th

A private demonstration can be arranged by telephoning Mr. Knight. It will have a bald spot come in and put on a "Dorenwend" Toupee and see what effect it will have on your appearance. You can then judge for yourself as to its value. You will be under no obligation to purchase.

First Impressions

Mean a Great Deal in This World

WHEN a visitor first enters a house, either in a personal or business capacity, the first impression made by the furnishings may guide his or her whole future conduct towards you. So wise—plan that your furniture creates a good first impression.

And what can make a more pleasing first impression than to see a neat, cozy looking Chesterfield? A visitor will always choose a Chesterfield to rest upon, and will leave your home remarking about the comfort and beauty of it. For the long winter evenings that are ahead of us, you will want a good comfortable Chesterfield to sit or lounge on.

Now is the Time to Buy

Prices are Reduced about 40 per cent, and on some lines they are cut in half

We have a splendid assortment of Tapestries to choose from, so that at present you do not have to make your selection from a few.

Call and get our prices if you are at all interested, as it will be a pleasure for us to show you our line of Chesterfields.

Moves to Toronto.

Willit J. C. Campbell, who for some time has been in charge of the ready-to-wear department of the G. W. Robinson Co., Limited, has severed his connection with that firm and will open a shop of his own, in Toronto, in the immediate future. The new store will be known as Campbell's, Limited, and will be located on Dundas street. Mr. Campbell intends to confine the trade wholly to ready-to-wear garments and is now on a buying tour previous to opening the new store in Toronto. —Hamilton "Spectator".

Worth While Entertainments.

A carefully selected course of entertainments, musical events, and lectures, along the same line as the Summer Chautauqua, and with the same grade of talent, would help to relieve the monotony of the Fall and Winter months.

The Ladies' Musical Club, through the Chautauqua Lyceum Bureau, offer the finest talent to be had, carefully selected by experts from all parts of the entertainment world. Their programme during the Winter months will be as follows—

October 25th—The Del Mar Ladies' Quartette.

November 18th—Arthur Walwyn Evans.

December 17th—The Patricia Trio.

February 8th—Josephine Martino and assisting artists.

February 16th—The Victorian Artists.

Season Tickets for the five entertainments will be sold at $2.00 and 20c. War Tax. Single admissions will be 50c. and 5c. War Tax.

Those who had the privilege of hearing Arthur Walwyn Evans when he was here in 1919 will be sure to want to hear him again. His lecture alone is worth the full price of the Season's ticket, and each one of the other entertainments is of an equally pleasing type. 40a

A METHODIST PIONEER.

James Wells was born near Napanee, Ont., son of Allan Wells, of U. E. Loyalist stock, May 24th, 1831, and passed away at his residence in Vancouver, B.C., on June 8th, 1921, after a short illness. When he was about twenty years of age, he joined the Methodist Church and since that time has been a loyal and worthy member of our communion, being at the time of his death a member of Mt. Pleasant Church. He came to British Columbia about thirty years ago, living, first at Chilliwack, then for a number of years on Salt Island where he successfully farmed, coming about fifteen years ago to Vancouver. He was twice married, first to Miss Mary Ann Rook and second to Mrs. Isabella Sparrow, who survives him. He leaves one son, Cyrus, of Detroit, and three brothers, A. C. Wells, of Chilliwack, W. Wells, of New Westminster, and W. Wells, of Columbus, Ohio. He was a great supporter of Prohibition and all reform movements. His own life was a model of purity and integrity, and his disposition so cheerful and kindly that it can truly be said that those who knew him best, loved him most. Up to within a month of his death, he was a twice-a-day attendant at the preaching services and a regular attendant at prayer meeting. This, for a man of ninety years, is remarkable. At a recent communion service, in which a large number of young people were being received into church membership, he assisted the pastor in extending the welcome, giving a heart-felt appeal for lifelong loyalty to Christ and the Church. The Annual Conference, being in session at the time of his ninetieth birthday, this year, sent him a message of congratulation which he very greatly appreciated. At the funeral service, held in Mt. Pleasant Church conducted by the pastor, Rev. O. M. Sanford, it was fitting that the sermon was delivered by Rev. J. H. Wright, President of the Conference, who had known and highly esteemed Mr. Wells for many years. The memory of such a man is precious, not only to his family and the congregation of which he was a member, but to our whole brotherhood.—Christian Guardian.

MATRIMONIAL

POPE—SAMPSON.

A very interesting and pretty house wedding took place at the home of Mr. and Mrs. R. N. Sampson, "Orchard Cottage", Kingsford, on Saturday, October 1st, at high noon, when their eldest daughter, Miss Jeannette Frances Gordon, became the bride of Mr. Clarence Sherwood Pope, son of Mr. and Mrs. W. S. Pope, Warton, Ont. The ceremony was performed by the Rev. W. H. Wallace, of Belleville, the wedding-march from Lohengrin, being ably rendered by Mrs. E. S. Hewitt, cousin of the bride, who wore navy charmeuse, with a corsage bouquet of carnations. The bride, who was given away by her father, presented a charming appearance in a gown of ivory pussy willow satin, and carried a huge bouquet of Marshella roses and maiden hair fern. Her veil was of silk Brussels net, bound to her head with a chaplet of orange blossoms, her only ornament being a string of exquisite French pearls, a gift of the groom. Mr. Norman Anderson, of Belleville, ably assisted the groom, while Mrs. Anderson, sister of the bride, becomingly attired in pale blue silk crepe-de-chene, and carrying a nosegay of pink and mauve sweet peas, acted as matron of honour. The presents were on view upstairs, among them being a substantial cheque from the Gutta Percha Rubber Co., Toronto, of which the groom is engaged as export salesman. The house was tastefully decorated with pink and white chrysanthemums and anenomes. Over thirty guests sat down to a dainty luncheon. The bride's table was prettily done with pink and white carnations. Rev. Mr. Wallace, in a witty speech, proposed the health of the bride, to which the groom responded. Mr. Gordon Anderson was also called upon for a speech, after which he read several congratulatory telegrams from friends in Toronto. Mr. and Mrs. Pope left on the evening train for Warton, where the honeymoon will be spent, the bride travelling in a navy trioline suit, trimmed with silk stitching. She wore a sable necklet and red velvet hat with black osprey. Upon their return the young couple will reside in Toronto.

CONLEY—FINN.

At ten o'clock on Wednesday morning, Sept. 28th, 1921, the bell on the quaint old church of St. Anthony of Padua, Centreville, peeled forth merrily, on the occasion of the wedding of Miss Anna Geraldine Finn, daughter of the late Mr. and Mrs. P. Finn, Enterprise, to Raymond A. Conley, of Wolfe Island. The church had been most artistically decorated by Miss McCarthy, sister of the officiating clergyman, Rev. Father McCarthy.

The bride was most becomingly dressed in a suit of brown velour, beautifully braided and trimmed with Hudson seal. With it she wore an old gold crepe-de-chene blouse, a brown plush hat and a set of taupe fox furs, the groom's gift. Her corsage bouquet was of American Beauty roses. She was given away by her brother-in-law, James B. Evans, and preceded up the aisle by her sister, Miss Florence Finn, gowned in Saxe blue. At the altar rails the groom, with his cousin, Carl Conley, awaited them. During the nuptial mass, Miss Eileen Dillon, who presided at the organ, sang several solos in her usual pleasing manner.

After the ceremony the guests, many in number, motored to the spacious residence of the bride's sister, Mrs. James B. Evans, Moscow, where an elaborate wedding breakfast was prepared, and where the bride and groom received the hearty good wishes of their friends. Father McCarthy, in his very humorous way, proposed a toast to the popular young couple. The groom's gift to his groomsman was a tie pin, to the bridesmaid a pearl ring, and to the organist an amethyst rosary.

Mr. and Mrs. Conley took the 4.30 flyer, going west from Yarker, on an extended honeymoon through Canadian and American cities, and on their return will reside on Wolfe Island at the popular Reed's Bay summer resort.

COLEBROOK.

Everything is in readiness for the Anniversary service on Sunday evening, Oct. 16th, and the entertainment on Monday evening, Oct. 17th. The programme promises to be a good one. A well attended meeting of supporters of the Meighen Government was held on Monday evening, Oct. 20th, and picked the following delegates to attend the Liberal-Conservative Convention, which will be held in Napanee on October 26th:—Mrs. Norman Boyce, Mrs. H. M. Woodruff, Mrs. Wm. Jackson, Wm. Jackson, H. M. Woodruff, Arthur Hart; Mrs. E. F. Purcell, Mrs. T. A. Keyes, E. F. Purcell and O. C. Shangraw. The last two ladies and gentlemen are alternates.—The cement dam put in by Colebrook mill owners last year, has paid its way this dry year, as Colebrook pond is full and the mills have been able to run every day.—The rain from Friday till Monday has helped the ploughing and grass; also the wells which have been dry so long.—Mrs. C. N. Garrison is some improved in health since her visit to points in New York. — Mr. Geo. Biddle has the mail route from Colebrook to Yarker, and from Yarker to Camden East, down the north road and back the south road. On Sunday, Oct. 23rd, Rev. J. W. Dunkley will preach to the Orangemen of this district.

Back to the good old English make of Window Glass. Uniform thickness and free from flaws. At Hooper's.

ARDEN

Record exhibits at Arden fair, and big crowd in attendance. The ball game between Arden and Smiths Falls was won by the latter, by score of 7 to 2. It was said by strangers that the vegetable exhibit was better than Kingston. It was the best fair ever held in Arden. Potato digging is about over, and a good crop is reported.—There is going to be a Harvest Dinner and Tea in the Town Hall, on the 12th.—The S. S. Institute will be held on the 12th.—We are having very wet weather at present. —The W. M. S. held their Bazaar on the 8th, which was a great success.

For Hay Fever, and Asthma, etc., use Raz-Mah. At Hooper's.

DIVISION OF ILLUSTRATION STATIONS.

TIMELY NOTES.

Good Plowing is Essential.—Land intended for grain or hoed crops when broken from sod should be plowed shallow as soon as the hay crop is removed. The land, whether for grain or hoed crops, should be again plowed in the early autumn. Fall Plowing:—

(a) Relieves the pressure of spring work.

(b) Permits of the land being seeded earlier.

(c) Hastens the decomposition of the sod.

(d) Unites the furrow slice with the lower soil allowing the capillary rise of moisture.

(e) Subjects the soil to the pulverizing action of the frost.

(f) Causes the destruction of the larvae of many injurious insects.

Plow early in the autumn as deeply as the humus or plant food in the soil will allow.

Good plowing invariably means better crops.

A good plowman is usually a good farmer.

Plowing Sod.—The plowing of sod is usually left until late in the autumn or early in the spring. Sodland should be plowed early while there is heat to rot the sod. As a result, the crop sown on the land next season will get the benefit of the decayed vegetable matter.

Tile Drainage. — Perhaps there were several wet spots in the field that delayed seeding; now is an excellent time to get in a few tile. Tile drainage removes surplus water, sweetens the land, allows the air to enter and warms the soil. Tile drainage will sufficiently increase the crop in three or four years to pay the expense of drainage.

Potatoes.—The potato crop should be harvested NOW. Cold weather and picking potatoes make a poor combination.

Mangels.—In Eastern Ontario and the Eastern Provinces begin harvesting about October 10th; Western Ontario, October 20th.

Sugar Beets and Carrots.—Begin pulling October 20th to 25th, using the subsoil plow to turn them out.

Turnips.—Harvest any time after October 25th. Use the hoe for topping and either the plow or harrow to turn them out.

Pastures and Meadows.—The old pastures and old meadows are breeding dens for insects and weeds. A new meadow will produce much more pasture or hay than an old one. The fresh sod turned under will add humus to the soil.

Keep Up the Milk Flow.—Cold nights and wet days are very hard on dairy cattle. They should be in a comfortable instead of laying on the cold damp ground. Nothing will reduce the milk flow quicker than exposure to cold and wet. A good feed of ensilage with a little meal willgive surprising results.

Horses.—If they are working hard keep them in the stable at night. A little extra feed will help to get the fall plowing done.

Corn for Seed.—Keep seed corn from getting frozen. Braid the husks together and hang the corn in a dry warm place where the rats, mice and squirrels cannot get at it. It will pay to select your own seed.

Clover Seed.—Examine the second crop. While there may not be many plants on the field, there may be a great deal of valuable seed in them. Home grown clover seed gives best results.

When you require Essence of Peppermint for baby insist on the "Pure Test", made purposely for medicinal use. For sale in Napanee, at Wallace's.

SPECIALTY PAPER MILLS

The mills are closed down again for a few days, doing repair work.—Mr. and Mrs. Rowe, of Ottawa, intend to move here in a few days. Their furniture has already arrived. — Mr. Houpt, of Buffalo, spent a few days at the mills.—Mr. F. Walker spent Saturday in Napanee.—Mrs. V. Edgar and baby spent over Sunday at her mother's, Mrs. Fairbairn, Bickerd's Corners.—Mr. and Mrs. S. Adair and Lisle spent an evening recently at Mr. and Mrs. Harry Robinson's, Centre East.—A number from here intend to be present at the Anniversary services to be held in the Methodist Church, Camden East, on Sunday, October 16th, at 10.30 a.m. and 7.30 p.m.—Mr. and Mrs. T. Cooper and son, John, of the Mills, intend leaving soon for Montreal, from where they will sail to their former home in Scotland.—Mr. and Mrs. Harry Robinson, Bethel Street, spent an evening recently with her parents, Mr. and Mrs. F. Walker.

BICKNELL'S CORNERS.

The farmers are all at work since the rains have come. The water has been raised a great deal.—There is a great deal of sickness around just at present, especially among the children.—Mr. Percy Scott's family have all been on the sick list for a week.—The wind has destroyed a lot of the apples around here, and did a lot of damage to fences and buildings. — Mr. Gerald Hawley is passing through this street with his butcher wagon on Wednesdays and Thursdays, which gives the farmers a chance for some fresh meat.—Some of the members of the W. M. S. attended the meeting at Mrs. Wall Steward's, on Wednesday afternoon. —Mr. and Mrs. Alva Emberley spent Tuesday at Conway, securing their winter apples, and found them quite plentiful.—The potato crop around here this year is only about half a crop, and some very small ones.—Don't forget the Anniversary service at Camden East next Sunday, both morning and evening.

VIOLET EAST.

The recent rains have been a source of joy to many farmers who have been drawing water for miles.—Miss Marion Clancy, nurse-in-training at Whitby, spent the week end at her home here.—Mr. and Mrs. G. E. Sanborn and small son, Lorne, have returned to their home in Syracuse, after spending a pleasant holiday, the guests of Mr. and Mrs. W. H. Drew. —Mr. and Mrs. A. A. Dunlop, Kingston, and Mr. Garnet Higgins, has entered the faculty of Medicine, Queen's University, were week end guests of Mr. and Mrs. Ernest Wright.—Mrs. Alex. Macdonald, of Shelbourne, who is visiting her daughter, Mrs. Thos. Clancy, had the misfortune to fracture her arm, but is progressing favourably under the care of Dr. Maher.—Mr. and Mrs. G. M. Drew and family, Mrs. Jacob Crunk and Mr. D. W. Crunk, of Long Lake, at H. Drew's.—Mrs. Herman Alton, of Peterboro', is the guest of her sister, Mrs. A. Clark.—Much sympathy from this community is extended to Mr. Elgin Parrott in his recent bereavement.—Mr. and Mrs. John Clancy, Centreville, are guests of Mr. and Mrs. T. Clancy.—Mr. and Mrs. Ernest Clark at K. Valentyne's. —Misses May and Alice Macdonald guests of Mrs. Clarence Drew.—Mrs. Roy O'Neil and family have moved from Detroit, and are residing on Mr. Christie Rogers and family have taken up residence with Mr. Reuben O'Neil for the winter.—Mr. and Mrs. Darius Smith, accompanied by Mr. and Mrs. Drew.—Mr. and Mrs. Scadding have returned from a visit to Ottawa. —Mr. and Mrs. Lawrence Bell, Bell Rock, and Mr. and Mrs. Jas. Walker, Harrowsmith, at W. Drew's. — In spite of the unfavorable weather the Ernestown Township fair was well patronized, the exhibits being the best in years.

If it is procurable, Wallace's Drug Store has it.

DENBIGH.

Dr. R. E. Sparks, of Kingston, Dentist, made his usual half yearly professional Fall visit to our village last week.—Mr. H. Bradshaw, of Worcester, N.Y., who also generally spends a couple of weeks in Denbigh every Fall, was again a welcome guest of Mr. and Mrs. P. Stein for a week or so.—Mr. Jos. Ryan, proprietor of the establishment, accompanied by Miss Ella Fenwick, who may make an extended stay in the Fleetwood.—Mr. Hogue, of Toronto, Inspector of Continuation Schools, was here on official visit to the school lately establishedhere, and was well pleased and satisfied with everything that had been done in connection therewith.—Mr. John Topper, teacher in School Section No. 7, swamp Road, has been on the sick list lately, and left for Toronto for hospital treatment. His sister, Miss Topper, is teaching in his place until he will be able to resume it again.—The teacher in School Section No. 2, Slate Falls, has also resigned and left, and Miss L. Gaul, of Colbourne, has been engaged to succeed her.—Mr. and Mrs. Sherman, of Camden East, have for about a week been welcome guests of their daughter and son-in-law, Mr. and Mrs. Wm. Storing, who were favored with a presentation of a fine baby, the birth of a little daughter.—Mrs. Jas. Ryan was enjoying a visit to two of her daughters in Toronto, but arrived home again.—So has Herbert Warwick, who has been with a threshing outfit in the vicinity, and Kingston, employed in harvesting and filling operations. — Albert Lockwood is busy with his own threshing outfit in the vicinity, and reports that the new separating machine is sawing firewood for farmers of the village and vicinity. —Mr. A. Jackson and son, of Ernestown, are working again on this end of the new part of the Bath-Deseronto road.—Mr. Wilbert Ball, Collector of Taxes, is on the war path, and has commenced his demands on the ratepayers.—Mr. T. T. McDougal, of Napanee, Consulting Optometrist, is making a professional call on residents of the village and vicinity.

Alban's Ladies' Guild met at the home of Miss Agnes Chalmers, yesterday.—Mr. Stratton Gallagher, Napanee, spent the week end at his home here.—Mr. Walter Platt visited in Belleville last week.

ODESSA.

The annual Ernestown fall fair held last Friday surpassed all former shows in every way except the crowd. The disagreeable weather accounted for that. The concert in the evening was fairly well attended and was followed by the annual social quadrille party with seventy-five couples in attendance. The excellent music was furnished by Salisbury's Orchestra, Kingston, and quite a number of Kingstonians were present. — The many friends of Miss Emma Storms were sorry to hear that she passed away last Monday in the Kingston General Hospital. The body was taken to Wilton for interment. Miss Storms lived here for a number of years.—Mrs. Albert Parrott passed away at her home last Saturday morning, after a comparatively short illness. She will be greatly missed by her relatives and friends.—Stirling Gibson and Miss Annie Gibson, Kingston, spent last Friday at Thos. Sharp's.—Miss Lena Burley, Belleville, with her mother, Mrs. Burley.—Mrs. Smith, Brockville, and Miss Lida Rymers, Kingston, have been spending a few days with their sister, Mrs. Darius Babcock.—Mr. and Mrs. Harry Lee, Sharbot Lake, were week end guests of Mr. and Mrs. Thomas Graham. KINGSFORD.

On Sunday, Sept. 25th, 1921, George, youngest son of Mr. and Mrs. W. J. Sexsmith, died, after a lingering illness, at the early age. The little lad was a few weeks past his third birthday, and by his bright and happy disposition, had endeared himself to all his friends. The sympathy of the community goes out to the family in their sad bereavement. The funeral, which was largely attended, took place at the home early Tuesday morning, in charge of Mr. Wilson, and interment was made in the cemetery near Deseronto. — Mr. Delbert Sexsmith and mother, accompanied by Mrs. Peters and children, of Bicknell's Corners, spent Monday at M. G. Sexsmith's.—Mr. and Mrs. Fred Weese, Selby, were callers here on Sunday last.—Mr. and Mrs. Nelson Hewitt spent Sunday last at Mount Pleasant, with friends.—Miss Kate Sexsmith and Cecil Brennan who have been visiting at Centreville, have returned home.—Mr. and Mrs. W. Sexsmith spent Sunday at Lime Lake, with friends.—Ross Wilson has gone to take a course in College, at Kingston.—Mrs. McNeill and daughter have returned home from a visit to Ottawa.—Mr. Armstrong, of Joe Murphy and bride, of Toronto, are guests at the home of Mr. Peters at his brother's.—Mr. and Mrs. Alex. Hewitt spent a few days visiting Picton friends.—Miss Lenora Sampson and Mr. Clarence Pope, of Toronto, were quietly married on Saturday. Congratulations. — Mrs. Young and Mrs. Smith, Deseronto, spent last week at T. T. Winters'.—Mr. and Mrs. M. Sexsmith and Mr. and Mrs. Raymond Murphy attended the funeral of the late Mr. M. Schermerhorn, in town.

ENTERPRISE.

The weather has been wet and cold for the last few days, with light falls of snow.—a fair warning of what is coming.—Loading and shipping hogs and cattle is the order of the day.—Farmers are complaining of the very low prices that are being paid for their cattle. Hogs are selling at $9.00 cwt. which ought to pay the farmer well for handling.—Mr. John McGregor loaded a car here on Saturday at that price. At this time last year corn ground was selling at $4.00 per cwt., and hogs at $18.00 cwt. Corn is selling at the mills here for one dollar and a half cwt., and other feed at the same low rate. Flour is also down to $4.75 cwt. at the mills here. A year ago it sold for $8.75 cwt. With feed at that low price, why will not hogs pay better this year than they did last season.—Mrs. Andrew Spratt is building an addition to her house. — Mr. and Mrs. Townsend and little daughter, Freda, have returned to Watertown, after spending a short time here with her parents, Mr. and Mrs. Alonzo Wagar.—Miss May Reid, of New York, has returned home, after spending her vacation with her friends here.—Quite a number from here attended the social at Croydon, in aid of the Ladies' Orange Lodge, and report a pleasant evening.—Mr. Charles Keech is making a big improvement by putting a new cement walk around his harness shop to his hall and house.—Mrs. Wellington Lockwood is on the sick list.—Bishop Bidwell, of Ontario, will take the service in St. John's Anglican Church here at 2.30 p.m., on Sunday, October 23rd. Will also hold Confirmation services at Tamworth and Marlbank the same day.—Mrs. Walter Fenwick and son, Willie, have gone to Lavant, on Mr. Clayton Bruce has gone to Fenwick's camp at Robinson Lake to do some carpenter work in connection with their plant there.—Mr. Reuben Wagar is doing some carpenter work for Mr. Perry, in Napanee.—Fenwick & Sons unloaded one car of corn this week; also a car of bran, shorts and flour.—John Halley has gone to work his farm.—Mr. Hugh Wagar has treated himself to a new Ford car to use on his mail route.

Ever Sharp Pencils at Wallace's Drug Store.

CAMDEN EAST.

On Friday last we had a very heavy rain in this vicinity, which was much appreciated, as the water was very scarce for stock.—Mrs. John Lambert and four children, Camden East South, spent Thursday last with her friend, Mrs. Jas. Skinner.—Mrs. John Skinner and her sister, Mrs. Raymond, of Syracuse, spent a few days last week at Stark's Corners, near Harrowsmith, visiting their father, Mr. Geo. Lee, and brother and wife, Mr. and Mrs. Wm. Lee.—Returning home on Saturday, Mrs. Reed, of Ottawa, Superintendent of the pea mills, has moved into his family and household goods there, where they will reside.—Mr. George Perry, of North Bay, arrived on Saturday to visit his sister, Mrs. Jas. Henderson. —The Anniversary services will be held in the Methodist Church next Sunday, at 10.30 a.m. and 7 p.m., conducted by Rev. A. J. Terrill, B.A., Napanee.—Mrs. Warner and Mrs. Jay Parker, spent Saturday last with Mrs. John Skinner.—Mr. A. Dirkson is no better at time of writing.—Mr. Kenneth is ill at time of writing.

Daily's Good Tea is used in more homes in Canada than any other brand. Sold in Napanee, at Wallace's

MORVEN.

A number from here attended the Epworth League convention at Trinity Church, Napanee, on Monday last. —Mrs. Jas. B. Miller spent the week end in Kingston.—Miss Mary Vanslyke, of Kingston, visited her brother, Mr. A. B. VanSlyck during the week end.—Rev. R. E. Tait attended the Masonic celebration in Belleville on Thursday.—Mr. and Mrs. H. Reid have moved into their new home lately occupied by Mr. Samuel Wilson.—A ferocious tramp tried to enter the home of Mr. Frank Lake on Saturday, but owing to the strong resistance of Mr. Lake was at length beat off. Everyone come to our pie social to be held in the White Church on Wednesday evening, Oct. 19th. A splendid programme is being prepared, and Morven is noted for the quality as well as the quantity of its pie.

$2,000 IN PRIZES

A Contest For Napanee Beaver Readers

On Page 3 of this issue will be found particulars of our contest referred to in previous issues. The Beaver has joined forces with The Family Herald and Weekly Star of Montreal to conduct this contest, the greatest ever offered newspaper readers in Canada.

Two Thousand Dollars in cash prizes will positively be distributed, and there will be one hundred and forty prizes.

The contest is known as the "Know Canada" Contest and those competing are asked to solve fifty rebus pictures representing fifty Post Offices in Canada. As it is not possible for every one to have access to the official Postal Guide, a list of two thousand offices has been prepared for distribution to contestants and which is guaranteed to contain the names of the fifty correct answers. This list may be had on easy terms by all contestants. It will also give hints and has an official answer form. While this list is not absolutely necessary, it will be a great help to those competing.

Readers of The Beaver will find full particulars of the contest on Page 3. The contest will afford many an hour's pleasure and amusement round the family circle during the long evenings. Contestants should begin at once studying the pictures. The contest is open to all members of a family in which The Beaver is received.

THE ODESSA FAIR

In spite of the rain on Friday last the Eighty-sixth Annual Show of the Ernestown Agricultural Society was held in Odessa. The rain, which started early in the morning, continued until night, and the number in attendance was only about two hundred.

The exhibits were the largest and best in years, especially in home-made baking, canned goods, fancy work, and vegetables and roots.

A number of the members of the Methodist Church at Odessa, realizing the need of an eating house on the grounds, established one, and did a fairly good business. Their menu consisted of chicken, hot buns, potatoes, etc. The following ladies were in charge of the booth: Mrs. Mark Fraser, Mrs. Arthur Fraser, Mrs. Albert Hartman, Mrs. Stanley Sproule, Mrs. Wilbur Metzler, Mrs. George Nickle, Miss Frances Asselstine, Miss Geraldine Fraser, Mrs. John Kenny, Mrs. Calvin Emmons, and Mrs. G. W. Lucas. They were assisted by the following gentlemen: Rev. George Nickle, David Smith, Arthur Fraser, Mark Fraser, W. G. Lucas, J. C. Parrott and Shelley Denyes. In the evening an excellent concert was given in the Town Hall.

The following is a list of the officers:—

President—W. M. Clark.
1st Vice-President—D. L. Boice.
2nd Vice-President—Frank Smith.
Directors—S. G. Hogle, A. W. Fraser, G. W. Lucas, T. C. Graham, C. F. Reid, Charles Loyst, W. G. Clark, A. M. Fraser, James McFarland, Blake Switzer, W. H. Dougherty and S. J. Sproule.
Auditors—E. O. Clark and J. W. Boice.

Mr. A. M. Fraser, the Secretary-Treasurer, performed his duties in his usual efficient and genial manner.

"BUILT IN CANADA"

Studebaker
Light Six

Economical
because of its Exclusive Internal Hot Spot and Light Weight—

The Studebaker LIGHT-SIX might well be called the "Economy Six", for every day in the hands of hundreds of owners it is averaging between 21 and 26 miles to the gallon of gasoline.

Such low fuel consumption is due chiefly to its Internal Hot-Spot, an exclusive feature of the LIGHT-SIX motor, designed by Studebaker engineers.

The light, evenly-balanced weight of the LIGHT-SIX chassis further contributes to its low operating expense—not only with respect to fuel, but tires as well.

See the LIGHT-SIX, analyze its fine quality of construction and you will agree that it represents the maximum of automobile values.

Know Canada Contest

Two Thousand Dollars in Cash Prizes

One Hundred and Forty Prizes

THE GREATEST CONTEST EVER OFFERED TO NEWSPAPER READERS

OPEN TO ALL READERS OF THE NAPANEE BEAVER

The Family Herald and Weekly Star, of Montreal, is starting a new contest, for which they offer Two Thousand Dollars in cash, divided into 140 prizes, as follows:—

1st Prize	$500	3rd Prize	$100	5th Prize	$ 25
2nd Prize	$250	4th Prize	$ 50	10 Prizes of $20....	$200
				75 Prizes of $ 5....	$375
		140 PRIZES	- -	TOTAL $2,000.00	

The contest will be called the "Know Canada" Contest, and contestants are required to solve fifty rebus pictures representing fifty Post Offices in Canada.

The Napanee Beaver has concluded an arrangement to join The Family Herald and Weekly Star in this great contest and every reader of The Beaver will have an opportunity to compete for the prizes.

Do You Know What Post Offices in Canada These Four Rebus Pictures Would Represent? Could You Solve Fifty Such Pictures?

No. 1. A City which adopted a new name during the War. Study it carefully.

No. 2. An Ontario City known as the Ambitious City. See page 10 of the list of Post Offices.

No. 3. A Nova Scotia town—should be easy.

No. 4. The Contest would not be complete without this B.C. City.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $850, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

Contest will begin early in October. See that your subscription to The Napanee Beaver and The Family Herald is paid well in advance and prevent losing a single issue. Back numbers cannot be supplied.

New subscribers may enter the contest by complying with the above conditions.

Address—The Napanee Beaver, Napanee, Ontario,
or The Family Herald and Weekly Star, Montreal.

SPECIAL CLUBBING OFFER

The Napanee Beaver costs - - $1.50 a year.

The Family Herald and Weekly Star costs $2.00 a year.

We now offer a full year's subscription to BOTH PAPERS with the right to compete in the "Know Canada" Contest for

$2.50

Remember the above prices include a full year's subscription to both The Napanee Beaver and The Family Herald and Weekly Star, of Montreal.

Historical Society Course of Lectures Begins Nov. 4th.

The Historical Society course of lectures this year promises to be better than ever. The first of the series will be given by Prof. James A. Roy, on the evening of November 4th. Prof. Roy is a well known author and diplomatist who was attached to the Intelligence G. H. Q. in the reconstruction of Europe at the Peace Conference. We are safe in predicting that this course will be one of the best ever heard in Napanee. Further particulars will be announced later on.

CORN EAR WORM.

As to the insect attacking the corn this year. The one you refer to is not the new European corn borer, but is an old pest known as the corn ear worm which has become so abundant this year all over the province that many canning factories, probably near all, have the last two years been forced to cease canning corn. This has been an abnormally favourable year for insects and we have several kinds of pests doing much damage this year that are usually little. This corn ear worm is one of them. The insect must have been in this country for at least 20 years. I am not sure, but I think it is a native of North America. Down in the Southern States it is destructive almost every year on sugar corn, and further north it commonly makes the late sweet corn a precarious crop.

There are two broods of the insect a year, the first in July and late June attacks various kinds of vegetables as well as corn, and was here last year, but almost no one complained of the amount of injury, yet it was abundant enough to produce a sufficient number of moths to make us you know a very great host of caterpillars this autumn. The larger of these caterpillars will migrate in the soil and produce the moths next year, but all the immature ones, and there are great numbers of them will perish. Some think it at our worst outbreaks may be due to moths migrating from the south and laying eggs. I am not sure of this. It has not been worked out fully for our province. As to next year: I am very hopeful that natural enemies will once more bring it under control. The fact that it is so abundant this fall does not necessarily imply that it will be any more of a troublesome next year than usual; in fact, it is the very abundance of this year of great abundance to find almost a total disappearance of some of our native insects. However it will be wise to take some steps to prevent possible serious injury next year. The chief of these is to plow deeply infested corn fields late this fall, just as late as one can risk. If they are disked after it would be of considerable value. The burrow from the breaking up the pupal cases and thus destroying the pupae in the soil. Next year the planting of early corn for canning purposes would tide over the danger. I think that I should scarcely care to risk late corn if there are many of the insects attacking the earlier in the month of July. I hope that by that date we can forecast what the year is likely to amount to. In the United States they sometimes resort to spraying the silk of late sweet corn with arsenate of lead because the eggs are laid on the silk and the caterpillars can be killed before they enter the cord or as they are entering the ears. Spraying however has not proven the results that we hoped for, but it has done some good. Ontario Department of Agriculture.

OCTOBER'S OPPORTUNITIES FOR PROFITABLE BUYING WERE NEVER BETTER. Our Store is Complete with Merchandise of Outstanding Character at Prices that are bound to please you.

THE ROBINSON CO., LIMITED, Napanee's Greatest Store.

Fur Prices Have Been Tremendously Reduced Over Last Year.

INTERESTING FACTS CONCERNING THE FUR TRADE

1. The "wise-ones" tell us this is going to be a cold winter.

2. Prices on Furs are at least one-third cheaper than they were last year at this time.

3. This year there is no luxury tax to pay.

4. Owing to the mildness of last year the fur catch was limited.

5. Prices on some lines have already advanced owing to the scarcity of desirable skins.

All this leads us to believe that the fur trade this year will be satisfactory, and that the best buying can be done right now.

When you are in the market to buy Furs it will be to your advantage to examine our stocks. A piece of beautiful Fur is more than skin and hair. It must possess quality, it must be properly manufactured, it must be fashioned on sane, sensible fashionable lines.

With most people Furs are an investment that must be thoughtfully transacted. You must be reasonably sure of what you are getting for your money.

We do business with the best Fur manufacturers in Canada, we handle only the best, our Furs are beautifully matched and skilfully made, we pledge satisfaction.

At present we are showing a complete range of fine Furs and Coats to meet every requirement of the average person.

We absolutely guarantee that our prices are as low for the quality as you can find anywhere.

Let us figure with you on your Fur requirements.

Wearables in Dress For Girls From 2 to 14 Years Perfection in Smartness

No need for "mother" to worry about making dresses for school wear. Choosing the various articles to make a dress is no easy matter and then the really getting at it is harder still. For mother's convenience and for daughter's delight we have assembled a most noteworthy assortment of Girls' Frocks for everyday wear. Up to 14 year size are most satisfactory pleated Serge Skirts which have white cotton waists attached. These can be had in All Wool at $2.98 each, or Cotton Serge at $1.75 each.

To be worn with these are Middies in long sleeve balkin style. Obtainable in White or Red Braid trimming. Serge Middies are $4.00 each; Cotton at $2.00 each. Skirts and Middies are in Navy only.

Real Middy Dresses are also obtainable in good substantial All Wool Serges. These indeed look attractive and at all times with a dress or two of this style a girl is well equipped. These are priced according to size.

For the girl who prefers something different, are smart appearing one-piece Dresses. These usually feature a Pleated Skirt and a plain top. Stitching, Embroidery and Pockets are used for ornamentation. Priced from $7.50 to 39.00, according to size.

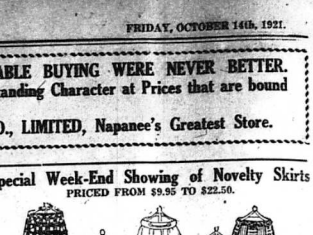
Colored Madras.

We are making a special display of Colored Madras for overcurtains. Some very exclusive patterns, effectively displayed on window frames to give the real idea of over-draping.

Special Week-End Showing of Novelty Skirts

PRICED FROM $9.95 TO $22.50.



New arrivals have made our Novelty Skirt section most complete. Fashion predicts that every woman, and school girl must own one. You are at liberty to choose quiet, subdued colorings or those of brighter and more colorful tones.

To make these Skirts more individual looking, fashion has added beautiful stripe patterns to the already popular Plaid designs. Of absorbing interest are those Skirts in box-pleate styles which may be ever so subdued; yet concealed are wonderful colorings which are only revealed when the pleats are spread apart. When worn with a fur coat or sweater they add much cheerfulness to milady's Fall and Winter costume.

Our range of colorings is most unique. All sizes up to 30 inch waist band. See them at your first opportunity.

Every Lady in This Vicinity is Invited to Our Millinery Parlors

We invite you to our Millinery Section, whether you want a Hat or not. We think you will be amazed with the vast array of Trimmed Hats which we have ready for your inspection.

You will be impressed with the smartness of this collection of Hats which we have assembled from the best Canadian and New York Houses. A Hat is more a question of style than of price. You need not pay much for a becoming Hat.

If in this array you find none to pleasn, our milliners will make a Hat just to your own specifications from any materials that you might select.

We specialize in Misses' and Children's Millinery, all possessing our usual standards of perfection in style and workmanship.

—SECOND FLOOR.

Floor Oil Cloth Remnants

We have about forty short lengths in Floor Oil Cloth, which we have measured up and placed in a convenient place for inspection. All clean, perfect stock. The lengths vary from one to nine square yards. This lot includes nearly all of our newest designs. The price will be 55c. square to clear they last. Some patterns include two or three pieces, so that you may be able to get enough for small rooms or halls. Good chance to get a convenient size for putting under stoves.

Tapestry Rugs

New low prices on all Tapestry Rugs means increased sales. Those who have been waiting for lower prices will be pleased to find that present day values are almost equal to pre-war prices. We have a complete stock on hand and a great variety of sizes. The sizes are 2¼x3, 2½x3, 3x3, 3x3½, 3x4, 3½x4 and 3½x4½. The prices range from $17.50 to $55.00. We are not stocking with the very low grades. The designs are Medallion, Conventional and Floral. The colors are mostly Fawn and Wood shades; some with contrasting colors in the borders.

Your private Greeting Cards for Christmas. Make your selection now and have your name inserted. Something special in new goods, at Hoopers Drug Store. Call and look them over.

—The Annual Harvest Thanksgiving services held in the Parish of Camden last Sunday were well attended. The Rev. A. L. Geen, of Belleville, assisted the Rector, and preached eloquent sermons, very appropriate for the occasion.

—The Autumn meeting of the Bay of Quinte Clerical Union will be held (D.V.) in St. Mark's Church, Desoronto, Tuesday and Wednesday, Oct. 18th and 19th. The special preacher will be the Rev. F. R. Brewin, M.A., Rector of St. Bartholomew's Church, Ottawa. All the public are cordially invited to attend this service. Papers will be read by Rev. J. F. Davies, Rector of Roslin, and Rev. E. Radcliffe, B.C.L., Rector of Deseronto.

—The death occurred on Monday, October 10th, in St. Anne de Bellevue Hospital, of Charles Conway, youngest son of Mrs. A. C. Clark, Napanee. Deceased had seen several years' service overseas, and had returned in ill health. He was in his twenty-fourth year, and was of a bright and cheery disposition and made many friends. He leaves besides his mother, one brother, Archie, and a young sister. The funeral took place from his mother's residence, on Donald Street, on Wednesday.

If years of experience mean anything, Daly-Grange Tea, sold at Hooper's Drug Store, ought to be the kind you are looking for.

—The Hawley Ladies' Aid will hold their regular meeting at the home of Mrs. Clayton Fretts, on Thursday, October 20th, 1921, at the usual hour.

Kantleek Hot Water Bottles are the highest grade manufactured. Sold in leading Drug Stores all over the continent and in Europe. Agents for Napanee, Wallace's Drug Store.

—J. D. McCarten, V.S., Graduate of Ontario Veterinary College, Toronto, has opened an office in Napanee. All domesticated animals treated by the latest and most approved methods. 41ap

—A Pie Social will be held in the White Church, Morven, on Wednesday evening, Oct. 19th, under the auspices of the Parsonage Board. Rev. Mr. and Miss Truscott, of Napanee, are expected to assist in the programme. Admission 25c. 41a

—The Rev. Dr. T. Albert Moore, of Toronto, who will speak at Trinity and Grace Churches on Sunday, is one of the most able and prominent men in Canadian Methodism. He has just returned from the Decennial Ecumenical Conference held in London, England, and will have a great message to deliver. For several years he has been at the head of the Department of Applied Christianity of the Methodist Church. Hear him if you can. 41a

Hall Won the Suit.

Judge Deroche has given his decision in the Hall vs. Green suit to take possession of a piece of property purchased by Hall at a recent tax sale in Deseronto. Green, the defendant, set up the argument that the property in question was Indian property and not liable to seizure for taxes. Judge Deroche decides that the Indians have no claim to the property, gives Hall possession and assessed Indian defendant with all costs of the action.

Who Will It Be?

The Conservatives have many aspirants to choose from as candidates, as follows:—Arch. B. Carscallen, Tamworth; A. C. Tummon, V.S., Selby; Cyrus Edgar, Yarker; W. D. Black, M.P.P. of Addington; Alf. M. Bell, Moscow; Chas. Hambly, Napanee; M. P. Graham, Mayor of Napanee; Dr. C. M. Stratton, Napanee; J. E. Robinson, Napanee. The candidate most spoken of is W. D. Black, M.P.P. for Addington, who has not as yet said he would or would not be a candidate.

Auto Breaks Trolly Pole.

"Collision corner" otherwise known as the junction of University avenue and Princess St., was again on Saturday evening the scene of a collision, when a Napanee motor car coming up the avenue, in attempting to escape another motor car coming down Princess St., ran into one of the poles holding the trolley and snapped it off at the ground. The car was badly damaged but the passengers were not hurt. Fortunately the pole did not fall because it was braced by the wire from the trolley on one side and a wire running to the ground some distance away on the other.—Kingston Whig.

Used No Muffler Costs Him Fiver.

Motorists will take notice by the example made of a brother motorist to-day in police court. This man drove his "bus" without the muffler to subdue the groanings of his engine and it cost him a single five spot to settle things with the authorities. Other offenders will fare likewise. —Belleville Ontario.

We are glad to see that in other towns this public nuisance is stopped. In Napanee motorists leave everything wide open, run with only one headlight and do generally as they please, but a small boy with a tricycle or toddle top is a desperate criminal.

HOGS WANTED.

MOUNT ROYAL HOTEL ISSUE MEETS DEMAND

Time was when hotel securities were not the subject of enquiry on the part of the general investor, but a new era in this respect has dawned. Hotels are no longer run in a haphazard way, with the bar expected to make up any deficits incurred in the operation of the dining room. United Hotels Company of America, have been particularly successful in the application of the principle that every branch of the business must pay. They have placed no less than sixteen hotels, including the King Edward Hotel, Toronto, on a thoroughly sound financial basis. Three additional hotels, the Mount Royal, at Montreal, the Prince Edward, at Windsor, and the Stacey-Trent, at Trenton, N.J., which, when completed, will be under the same management, are now in process of erection.

Messrs. W. A. Mackenzie & Company, of Toronto, are making an offering of $2,000,000, 8 per cent. convertible debentures, and already the response has been very satisfactory at the hands of the investing public. Of the total $6,000,000 offered, $1,-500,000 has already been subscribed by the general public and $1,000,000 has been taken by the United Hotels Company. The United Hotels Company of America is under contract to operate the Mount Royal Hotel for a period of thirty years and the only compensation that it will receive will come in the form of a return upon the $6,000,000 common stock issue, of which it holds a substantial proportion. 41a

School Opening

In a few days the Schools will be opened and the young folks will require the new Book for the classes to which they have advanced. Until the last few days it looked as though the opening would find us without many of the Books on the lists of both the Public and High Schools; but we are pleased to state that, with the exception of three or four, we have every Book that was ever expected this fall or before the first of September.

We will have the largest supply and greatest variety of Exercise and Scribbling Books, Note Books, Pencils, Crayons, Paints, Book Bags, Pencil Boxes, in fact every article that the Scholar will need that was ever assembled in one place in the town. We have bought these goods wherever we could get them and are confident no one can offer better values.

A great advantage to a Pupil is a smooth Writing Pen. There are none better than the Waterman. We sell them at as low a price as any other house.

MY WHOLE LIFE

was spent in trying to cure an ulcer by using ordinary ointments," writes Mrs. Jaffrey, of 21 French Street, Methuen. "Then I heard of Zam-Buk, used it, and am now completely cured.

"Thirty-three years ago the ulcer appeared on my ankle, and gradually spread to my knee. The pain was terrific. For years I could hardly walk and had to remain in the house. For twenty-five years I received doctors' treatment but got only temporary relief.

"Then I heard of some wonderful cures worked by Zam-Buk and commenced using it. The relief I experienced was wonderful. The inflammation was gradually drawn out. The pain was soon ended, and, at last after thirty-three years of misery, I was on the road to recovery. To cut a long story short — perseverance with this wonderful balm resulted in a complete and permanent cure."

Zam-Buk is also unequalled for eczema, ringworm, abscesses, boils, blood-poisoning, burns, scalds, cuts, and all skin injuries. All druggists or Zam-Buk Co., Toronto, 50c. box, 3 for $1.25.

PLAIN TALK NO. 7

Dear People,—We purpose taking for our text this period, "Sell your Hammer and buy a Horn!" Our past lectures, besides being to us very profitable, have proved also to have annoyed one or two persons, namely, Bums! and Stool Pigeons! So accept our apologies if we seem to be blowing a little, and try us out, and we will prove our words. We intend during the coming months, to do a little profit sharing among our friends Whilst visiting in Toronto and the West, it was our good fortune to become acquainted with leather dealers of a much larger standing than some of our competitors, and also to buy in markets more reasonable. Through buying in large quantities, we were able to purchase the best Oak Tanned Leather at 17 cents below ordinary market price. So as an inducement for you to try out this real good quality, we intend to make a big reduction in the price of our shoe repairs. So take note of the following list and give us a trial to convince you we have the real goods.

Town Price.	Our Price.
$1.45, Men's Soles	$1.30

WISE AND OTHERWISE.

Villager—There goes our curate. Nice quiet gentleman 'e was till 'e took up with a motor-bike, but now 'e don't 'alf rush 'is sermons.

She (looking for price list)—I wonder why they don't put up the prices outside as they used to do?

He (grimly)—I expect it's because they've put 'em up inside!

Sweet and palatable, Mother Graves' Worm Exterminator is acceptable to children, and it does its work surely and promptly.

Marks—Was the loss on Brown's dwelling total?

Parks—Yes, the neighbors saved five umbrellas, but recognized them all.

There may be other corn removers, but you will not be completely satisfied until you have used Holloway's Corn Remover.

"You don't know how nervous I was when I proposed to you."

"You don't know how nervous I was until you did."

Time Has Tested It.—Dr. Thomas' Eclectric Oil has been on the market upwards of fifty years and in that time it has proved a blessing to thousands. It is in high favor throughout Canada and its excellence has carried its fame beyond the seas. If it were double the price it would be a cheap liniment.

"What is your ambition?"

"To be rich enough to own an automobile of my own.'

"But you already own a car?"

"I know that, but you don't know how tired I'm grown of having to argue with the wife and the daughter and the son every time I want to use it."

Miller's Worm Powders will purge the stomach and intestines of worms so effectively and so easily and painlessly that the most delicate stomach will not feel any inconvenience from their action. They recommend themselves to mothers as a preparation that will restore strength and vigor to their children and protect them from the debilitating effects which result from the depredations of worms.

Minister (visiting his flock)—Aye, Janet, it's been a sore war this, a sore war!

Janet—Aye, bit there's two things that's aye chewed me up since the army steece. Ane's the thocht that we got the better o' them, the ither's the fine wye that English backit us up!

For Catarrh.—It is one of the chief recommendations of Dr. Thomas' Eclectric Oil that it can be used internally with as much success as it can outwardly. Sufferers from catarrh will find that the Oil when used according to directions will give prompt relief. Many sufferers from this ailment have found relief in the Oil and have sent testimonials.

When the agent brought Mrs. Tarley her fire insurance policy he remarked that it would be well for her to make her first payment at once.

"How much will it be?" she asked.

"About $100. Wait a minute and I'll find the exact amount."

"Oh, how tiresome!" she exclaimed. "Tell the company to let it stand and deduct it from what they will owe me when the house burns down."

"Have you noticed that Dauber has changed his style of painting lately? From his former meticulous method he has turned to a sort of slapdash impressionism."

"Yes. It's the influence of golf, I think—he now tries to do his work with the fewest number of strokes."

Boy "Policeman" Gets Results.

Bill Zerbe, formerly of Indianapolis, is motorcycle policeman in the Logansport police department. Both the young and old know Bill because of his record as a tamer of speeders.

A few days ago the driver of an automobile permitted the motor of his machine to run while he went into a store. When he came out he found a piece of paper in the front seat of the car. On the paper were these words: "You are hereby fined for permitting the engine of your machine to run over 15 minutes. Bill Zerbe."

The driver of the car went to police headquarters to pay his fine and exhibit the evidence that he had been caught. On being assured that the paper presented had not been prepared by Zerbe, the driver of the machine recalled that he had seen a small boy with a broad grin on his face standing near when he started toward the police station.—Indianapolis News.

Electricity to Locate Metal.

The idea of using current transmitted through the earth as a means of locating metal ores is familiar, the belief being that the greater conductivity of these metalliferous regions can be clearly indicated, and the area mapped out, says the Scientific American. The location of oil deposits, which according to the Electrical Review is now being investigated electrically, presents a converse problem. In this case the insulating properties of the oil diminish the current, and oil-bearing regions are detected accordingly. In view of the great depth to which it is often necessary to bore for oil—oil that only exists simultaneously with an almost oil-free area above—the method would seem to have limitations, but it has doubtless possibilities in dealing with surface oil areas.

Easy Washing

You'll hardly believe it—until you try it. Just soak the clothes in the rich, pure, cleansing Rinso suds overnight (or for three hours) and then rinse them thoroughly either in warm or cold water. They will be as clean as though they had been boiled and rubbed.

RINSO—

Not a cake soap, or a chip soap, but new and better—fine granules so rich in soap that they loosen the dirt as the clothes soak.

If you have a washing machine—

Soak the clothes overnight in the usual Rinso way. The cleaning suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

Cost of Barn Paint

A new way to figure it

Take a pencil and paper in one hand, and put down the cost per gallon. Take a brush and a half pint can of any paint. Now paint the side of your barn as far as the paint will go. Then measure the space, and mark it down.

Now take a half pint can of Lowe Brothers Barn Paint, and do the same thing. In doing, it, compare the ease with which Lowe's spreads on, and how thoroughly it covers. Take particular notice of how you can brush it out so much farther than the other paint.

Now measure the space Lowe's covered. Compare it with the other.

After which, if you don't paint all your barns with Lowe Brothers Barn Paint, it will be because of some reason all your own.

Come in and get a color card. It's free.

The Health Bath

For the future welfare of Canada the children must be kept healthy now. Protect them from the germs and microbes of disease by using Lifebuoy Soap.

For the bath—nothing equals the healing, cleansing, free-lathering vegetable oils in

LIFEBUOY HEALTH SOAP

and the antiseptic agents disinfect the bruises, scratches, etc. that might otherwise be a source of danger. A Lifebuoy soap bath sends the children to bed glowing with health and happy cleanliness.

The certain odour to Lifebuoy is a sign of its protective qualities—quickly vanishing after use

MATRIMONIAL

McMULLEN—GAFFNEY

A very quiet but pretty wedding was solemnized at the R. C. Church, Erinsville, on September 27th, 1921, at 8 a.m., when Miss Annie McMullen, second eldest daughter of the late Mr. and Mrs. Charles McMullen, became the bride of Patrick Gaffney. The Rev. Father Meagher performed the ceremony. The bride looked charming in a suit of navy tricotine trimmed with fancy braid, with picture hat to match. She was assisted by Miss Lena Gaffney, sister of the groom, who wore brown satin gown, with hat to match. Charles McMullen, brother of the bride, ably supported the groom. The bridal party entered the church to the strains of a beautiful wedding march played by Mrs. Joe Breault. After the ceremony they motored to the home of the bride's brother, where a sumptuous wedding breakfast awaited them, only the intimate friends being present. The groom's gift to the bride was an amethyst rosary; to the brides maid, a silver purse, and to the groomsman, a gold tie pin. The bride received many useful and costly gifts, showing the high esteem in which the young couple was held. They will reside near Erinsville, as the groom is a prosperous young farmer. We all join in wishing Mr. and Mrs. Gaffney bon voyage through life.

KENWORTHY — BAUGHAN

A very pretty wedding took place at the home of the Misses Emily and Alice Baughan, 55 Brinkerhoff Street, Jersey City, N.J., on Wednesday evening, October 5th, 1921, when their niece, Miss Mildred Caroline Baughan, was united in marriage to Mr. Thomas Kenworthy, of New York City. The ceremony was performed by Rev. J. H. MacDonald, pastor of Emory Methodist Church, Jersey City.

The bride was given in marriage by her brother, Mr. Harold R. Baughan. A grey brocaded silk chiffon velvet gown over tangerine satin was worn by the bride, and she carried a bridal bouquet of orchids and lilies-of-the-valley. She was attended by her friend, Miss Hannah Reilley, who wore a blue and silver chiffon gown. The flower girl, little Miss Reta Smatheurst, wore pink, and carried a huge basket of pink rose buds. The groom was attended by his brother, Mr. Richard A. Kenworthy. The house was artistically decorated with palms, ferns, smilax and autumn flowers.

Immediately following the wedding was the reception, after which dainty refreshments were served by a caterer. Mr. and Mrs. Kenworthy left for an extended tour of the United States and Canada. Upon their return they will reside in New York City.

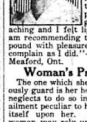
THE MISERY OF BACKACHE

Removed by Lydia E. Pinkham's Vegetable Compound.

Meaford, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for backache, and I also had a female weakness. I felt dizzy and nervous, and was without energy. I had to force myself to do my work, and was always tired. Saw a Pinkham advertisement which induced me to take the Vegetable Compound, and my back gradually stopped aching and I felt lighter in spirits. I am recommending the Vegetable Compound with pleasure to all I meet who complain as I did."—MILDRED BROOK, Meaford, Ont.



Woman's Precious Gift

The one which she should most zealously guard is her health, but she often neglects to do so in season until some ailment peculiar to her sex has fastened itself upon her. When so affected women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

CHAUTAUQUA LYCEUM COURSE OF ENTERTAINMENTS

Will commence on Tuesday, November 1st instead of Saturday, October 29th. This will be much better as great numbers of business men and their employees would have been unable to attend, and would have been disappointed.

1st programme, Tuesday, Nov. 1st, The Del Mar Ladies' Quartette, Vocalists and Instrumentalists, talented young ladies who can sing and play, will give one of the most delightful entertainment of the season. Those who love the beautiful combination of four exceptionally well trained voices will do well to hear the Del Mar Quartette.

Mark your calendar with these dates:—

Nov. 1st—The Del Mar Quartette.
Nov. 18th—Arthur Walwyn Evans.
Dec. 17th—The Patricco Trio.
Feb. 8th—Josephine Martino and assisting Artists.
Feb. 16th—The Victorian Artist.

Club Tickets for all season, $2.00, and 20c. War Tax. 41a

REPORT SHOWS CRIME ON INCREASE.

The following interesting facts were taken from the Lennox and Addington Jail Report for the past year:

Total upkeep including salary of Jailor, $2017.61. Cost of rations per day for each prisoner, 18.23 cents. Number of prisoners 39. Total number of Government days prisoners were in custody, 1143. Total number of County days prisoners were in custody 294. Total of Government and County days 1437. Of the total cost of upkeep the Government pays 80 per cent., so that the total cost to the County last year was only about $400.00. Crime is evidently on the increase as last year there were more confined in the jail than in the past eight years.

Extra Fine Auto Gloves or Mitts, moderately priced. 39c

AUTO UPSETS IN A DITCH JOHN WHEELER, NAPANEE IS SERIOUSLY INJURED NEAR WESTBROOK.

Mrs. Wheeler, wife of John Wheeler, proprietor of the Queen's Hotel, Napanee, received injuries which it is feared will prove fatal, when the large McLaughlin automobile in which she was driving turned turtle on the Provincial Highway, near Westbrook, about seven miles from Napanee, on Tuesday afternoon at about 4.15 o'clock. Dr. H. A. Boyce, who was called, had the injured lady removed to the Kingston General Hospital, where it was found that she was severely injured about the head. Mrs. Wheeler was pinned underneath the overturned car. Frank Lloyd, who resides at 74 Division St., Kingston, and has been working in Napanee, was also a passenger in the car, and sustained an injured wrist. Mrs. Wheeler's son was driving the automobile at the time of the accident.

The two young men were also taken to the hospital where it was found that they were not seriously injured. The hospital authorities were not certain of the extent of Mrs. Wheeler's injuries, but it was feared that her skull was fractured.

It is stated by people who were nearby when the accident occurred, that the automobile in which Mrs. Wheeler was driving, was going at a good rate of speed. The party had passed through Westbrook, and was near the farm of William Shellington which is on the right hand side of the road about half a mile west of the village. Mr. Shellington and his son were getting home hay, and it is claimed that they drove slightly to the left hand side of the road so as to permit them to make a sharp turn into the laneway. The Napanee car was evidently very close to Mr. Shellington, and when he turned in, the driver was taken by surprise, and as his car was travelling at a good rate, there was only one thing to do to save a head on collision and that was to bear to the left which it is thought he did. When he took the left incline, his car took the ditch, and turned over twice, in so doing pinning Mrs. Wheeler under it. As the Wheeler car passed Mr. Shellington's automobile, it banged his rear fender.

People who were nearby were able to raise the overturned car and pull Mrs. Wheeler from underneath the wreckage. She was taken to the home of Mr. Shellington, and Dr. Boyce and James Allen's ambulance were summoned.

Our agency is valuable for any one the trees we sell, and deliver only high grade stock. Write now for terms.

Mrs. Wheeler was reported to be a little better on the real extent of her injuries is not known as yet. She is conscious, but unable to give any details of the accident. Mr. Lloyd, who is also in the hospital, was not hurt badly as at first feared, though suffering severely from the shock.

WILSON'S CROSSING.

Mr. Henry Bush, an aged resident of our neighborhood, passed peacefully away on Sept. 26th, at the ripe old age of 86. About six months ago Mr. Bush had a stroke, from which he never recovered, making it necessary for him to keep his bed. He lost his eyesight about twelve years ago, and he had his leg badly bruised by a kick from a horse which he was leading in for the night.—Mr. Wm. Dopking has sold the farm he purchased from Mr. Luman Harten last spring to Mr. Alex. Wagar, of Enterprise. Mr. Weese will take immediate possession, as Mr. Dopking has moved his crop and household effects back to his daughter's, Mrs. Robert Potter. —Mrs. Baptist Wilson, Mrs. Edwin Wilson and Miss Lily, of Enterprise, spent Thursday p.m. at Mrs. Ed. Ellis' and Mrs. Timothy Shaw at present.—Mr. Thos. Breen's, recently. — Mr. Wm. Dopking has returned from the West, well pleased with his trip. — Mr. and Mrs. James Fenwick and family at Mrs. Emma Loucks', on Sunday last.—Mr. M. H. Switzer, our champion cattle farmer, has a bountiful crop, but he always has a crop let the season be late or early, dry or wet. We could do with some of that half a crop.—On Monday p.m. we had what is a very heavy electrical storm and rain, down pour of rain, which will put back the ploughing.—Mr. Alex. Hannah, butcher, of Tamworth, comes through here on Wednesdays and Saturdays, which makes it convenient for farmers to get fresh meat.

U. F. O. MEETING

A meeting in the interests of the U. F. O. candidate will be held in South Adolphustown Town Hall, on Monday evening, October 24th, at 8 o'clock, addressed by E. J. Sexsmith and other speakers.

Ladies cordially invited.

Lennox and Addington Teachers' Institute

The teachers of Lennox and Addington held their annual meeting in the Napanee Collegiate Institute on October 6th and 7th.

Thursday morning, the President, Mr. McLean, M.A., N.C.L., called the meeting to order, and introduced Rev. Mr. Terrill, who kindly conducted the opening services, which consisted of a very excellent address on "Service" and prayer.

The minutes of the last meeting were read and accepted. A communication from Mr. Chas. G. Fraser, re a grant of $6.00 to O. E. A., was then read, and it was later agreed to send the grant. Two communications from "The School", and "The Canadian Teacher" were read, and the terms explained, and Mr. Trenouth was appointed to take subscriptions. Mr. McLean stated that no communication concerning Dental Inspection, had been received since the appointment.

The Treasurer's Report was read, and Misses Mills and Hawley appointed as Auditors. They found the books correct.

The following were chosen as members of the Nominating Committee:— The Inspector, the President, Mr. Trenouth and Misses Mitchell, Crozier and Dechene.

Mr. W. J. Trenouth, delegate to O. E. A., gave a very interesting and satisfying report of the work of the Easter meeting. Mr. Trenouth confined his address to the programme, giving a short summary of the most important addresses, and it seemed as if he had purposely noted the points most helpful to the teachers. A few were as follows:—

1. We need more play in Public School; there is too much mental training.

2. There is a limit to mental and physical strength; stop before fatigue sets in.

3. Take a joy and pride in living; don't teach unless from a love of it.

4. A teacher of the right stamp can not be turned down.

5. Schools should give to pupils minds trained to enjoy the best things.

6. Local authorities should provide public play places, so that the public may not be entirely dependent for amusement upon movies and theatres, 90 per cent. of which are a slam on family life.

7. Kindling souls is the biggest thing a teacher can do.

8. No nation can rise higher than the quality of its people. Our duty is to improve the quality of the child.

9. Teachers should be filled with the spirit of service. Life does not consist in living for self alone.

Mr. McLean congratulated Mr. Trenouth on his very able report, from which the teacher would derive a great deal of help and pleasure, and that just went to show the benefit to be derived from having a delegate at O. E. A.

A very pleasing introduction to the afternoon session consisted of two beautiful instrumental solos by Miss M. Kouber and Miss T. Ham.

In the President's address, Mr. McLean spoke on Educational Waste, strongly condemning some old methods in teaching, such as dictation of notes by the teacher. The duty of the teacher is to train pupils to self-reliance and to produce cultured minds, not to make receptacles of children's minds to store up facts dug up by others. The aim of the teacher should be to develop in the pupil the power to think and reason for himself.

In the Inspector's address, Mr. Corkill again urged upon the teachers the importance of filling out completed reports. Some teachers leave several items a blank, thereby necessitating correspondence with them, and often the blank has to be sent to the Educational Department unfilled. Mr. Codfill gave some necessary information concerning the Adolescent Act. One great evil exists,—the promotion of pupils before they are prepared. He emphasized the importance of the pupils' spending two years in the Fourth Book before trying entrance, pointing out that to promote a pupil in one year for entrance is often done at the expense of other classes and takes too much out of pupil and teacher alike. Mr. Corkill read a communication from the Junior Red Cross re a School Nurse. He also spoke on the "Possible) Attendance" Report should show the total number of days that the pupil should have been at school. He asked so that the school attendance of Ontario may be shown in a true light. To aid the teachers in their criticism, Mr. Corkill distributed circulars.

As delegate to the Imperial Conference of Teachers in Toronto, Mr. Corkill then gave his report. He said the conference would do much to distil a spirit of tolerance in and make more closely the various parts of the Empire. Teachers should teach the meaning of our great days and also in every way to strengthen the bonds of Empire. The teachers regretted that time did not permit of Mr. Corkill's giving the whole report.

Mr. G. A. Miller, M.A., B.Paed., Normal School, Ottawa, on rising to give his very interesting lecture on "Science in Relation to Other Subjects", commended the President's address, remarking it had only one fault,—its brevity. He would like to have heard more as wards suitable educationists sorely. Referring to the people of the town and country on doing their part in maintaining the unity of the Empire, as was amply proven by the memorial erected in memory of their loss in the Great War.

Mr. Miller's address showed how a knowledge of science has revised history and how closely this study is co-related with almost all other subjects.

Mr. McLean was much pleased with the address and remarked on the rapt attention of the teachers.

The evening entertainment was well attended. After an instrumental solo by Miss Catherine Baird, the chairman, Mr. McLean, introduced the speaker of the evening, Prof. J. Matheson, M.A., Queen's University, who gave an illustrated lecture on "Some Interesting Things in the Heavens". It proved a treat for even the little folks who were delighted especially with the views. This was followed by an instrumental solo by Miss Norma Shannon, who very kindly responded to an encore.

Friday morning session began with an instrumental solo, beautifully rendered by Miss Lenore Black.

After the discussion on Dental Inspection, it was moved by Miss Mitchell, seconded by Miss Allen, that some immediate provision be made for Dental Inspection, etc., in our Schools. Carried.

Misses Rockwell and McLaughlin, delegates on an Northern Trip, gave very interesting reports. Their papers on Northern Ontario showed:— 1. The advantage of learning geography first hand. 2. The progressive spirit of the people in every locality visited. 3. The wonderful possibilities of the country, especially in the Clay Belt. 4. The grandeur of the scenery. 5. The high value placed on education. 6. The working of the mines and pulp mills. 7. That something should be done towards lessening the number of forest fires as they destroy enough pulpwood to run the largest pulpmill in the world ten years. In every place visited, teachers were given an exceedingly cordial welcome, and answering questions and showing the teachers around were seemingly considered a pleasure.

The question of paying the expenses of such delegates came up. Moved by Miss Parke, seconded by Miss Hall, that we pay part of their expenses on account of the excellent reports given. Carried.

The Executive was given power to deal with this matter, but the President explained that the child must be taken for granted that it is to be a habit as our finances are not in a very flourishing condition at present to increase the fee to 50c. was vetoed.

Service was the keynote of Miss Hawley's able address on "The Trustees' Report of O. E. A. Service means sacrifice. The greatest and cheering news that the Government is anxious to help the teachers. The report of the choir was much appreciated.—Mrs. McGowan, of Kingston, spent Sunday last with Mrs. Guy and Mr. Delbert Sexsmith, Bicknell's Corner East, while Mrs. Sexsmith is attending the W. C. T. U. Convention at London. She was sent as a delegate from this Union, and we look to expect a good report of the Convention. The next meeting will be at the home of Mrs. Hartman on Tuesday evening, Nov. 1st, at 7 o'clock.—Mrs. C. Vary and daughter, Doris, left on Monday last for Watertown to reside. —Mr. Rowe, Superintendent of the paper mills, is in Ottawa this week on business.—Mr. and Mrs. L. Hartman attended the century anniversary of his only aunt, Mrs. Margaret Smith, Collins Bay, on Tuesday last, Oct. 18th. There were present a large number of her friends and relatives, for three daughters and their children and some grandchildren. The gathering was at the home of her daughter, Mrs. T. Vanluven. She received a large number of presents, and at three o'clock her minister, Rev. Mr. Cisco, read an address, and Mr. Rankin presented her with a beautiful lady's easy chair from her many friends of Collins Bay. Refreshments were served. Mrs. Smith made a suitable reply. She is able to converse and converses with her friends about her past life.—Mr. Sidney Williams, of the Liberal-Conservative Committee, called a meeting on Monday evening last, in the Parish Hall, to choose a nominating Committee to attend the Convention in Napanee on the 26th day of October. The committee chosen were Mr. and Mrs. Sidney Williams, Mr. and Mrs. Lewis Hartman and Mr. and Mrs. Robert Saul.—A serious fire occurred in the west end of the village on Wednesday morning, when Mr. Jas. Skinner's blacksmith shop and furniture store were destroyed. We understand only a small insurance. The prompt work of men in carrying water from the river saved other residences.

ARE AUTO BANDITS HIDING IN SWAMP?

TWO MEN ARMED WITH REVOLVERS ASK FOR FOOD NEAR SAND HILL.

Are the auto bandits who shot Constable James Cotter in hiding in the vicinity of Sand Hill cemetery?

The Whig was informed on Monday morning that on Friday last two young men, both armed with a revolver, paid a visit to a farmer's home near Sand Hill cemetery and demanded something to eat. They stated that they were very hungry and wanted something as quickly as possible, so they could get away. The farmer's wife was alone in the house at the time and was badly frightened, but the men made no attempt to molest her. The men stated that they would rather have raw eggs than anything else, and the woman was good enough to produce a pan of eggs, and they helped themselves, and then went away quietly. It is believed that the men are in hiding in a swamp in that vicinity.

HAD MIRACULOUS ESCAPE.

AUTO TURNED TURTLE AND FELL FIFTEEN FEET INTO A DITCH.

Dr. Lanfear, of Melrose, a graduate of Queen's University, and his aunt, Miss Denny, formerly of Kingston, had a miraculous escape from death on Monday morning, when an automobile in which they were riding collided with a rig while crossing Sucker Creek bridge, three miles from Deseronto. The car turned turtle and Dr. Lanfear and his companion were thrown into the ditch. Miss Denny escaped injury, while Dr. Lanfear escaped with a few scratches on his leg. It is stated that it is a miracle how they escaped in the manner they did. The car fell a distance of fifteen feet.

CAMDEN EAST.

There was a heavy electric storm and down pour of rain in this vicinity on Monday afternoon last.—The Anniversary services held in the Methodist Church on Sunday last, were a decided success. The day was ideal, and a large number of people attended. Rev. A. J. Terrill, B.A., Napanee, was the speaker morning and evening. Also the singing by the choir was much appreciated.—Mrs. McGowan, of Kingston, spent Sunday last with Mrs. Guy and Mr. Delbert Sexsmith, Bicknell's Corner East, while Mrs. Sexsmith is attending the W. C. T. U. Convention at London. She was sent as a delegate from this Union, and we look to expect a good report of the Convention. The next meeting will be at the home of Mrs. Hartman on Tuesday evening, Nov. 1st, at 7 o'clock.—Mrs. C. Vary and daughter, Doris, left on Monday last for Watertown to reside. —Mr. Rowe, Superintendent of the paper mills, is in Ottawa this week on business.—Mr. and Mrs. L. Hartman attended the century anniversary of his only aunt, Mrs. Margaret Smith, Collins Bay, on Tuesday last, Oct. 18th. There were present a large number of her friends and relatives, for three daughters and their children and some grandchildren. The gathering was at the home of her daughter, Mrs. T. Vanluven. She received a large number of presents, and at three o'clock her minister, Rev. Mr. Cisco, read an address, and Mr. Rankin presented her with a beautiful lady's easy chair from her many friends of Collins Bay. Refreshments were served. Mrs. Smith made a suitable reply. She is able to converse and converses with her friends about her past life.—Mr. Sidney Williams, of the Liberal-Conservative Committee, called a meeting on Monday evening last, in the Parish Hall, to choose a nominating Committee to attend the Convention in Napanee on the 26th day of October. The committee chosen were Mr. and Mrs. Sidney Williams, Mr. and Mrs. Lewis Hartman and Mr. and Mrs. Robert Saul.—A serious fire occurred in the west end of the village on Wednesday morning, when Mr. Jas. Skinner's blacksmith shop and furniture store were destroyed. We understand only a small insurance. The prompt work of men in carrying water from the river saved other residences.

COLLEGIATE INSTITUTE FIELD DAY

The annual Field Day of the Collegiate Institute was held with great success on Friday, October 14th.

To advertise our Field Day, some fifty or more girls, and over thirty boys, held a parade Thursday evening. Down main street and through other streets of the town the parade continued until we were sure that our day of days was well advertised.

Everyone was in high spirits Friday, when they saw Old Sol beaming his rays down, and when the students arrived at the park about ten everything was ready for the first event.

The school spirit was the one great thing that carried our great day through without a flaw.

The winners were a happy lot, and the losers admitted in every case the best man won.

The booth on the grounds took in about twenty-one dollars. We wish to state here that every article in the booth was given to our school by grocers of Napanee.

We wish to thank Mr. Mark Graham, Mr. E. J. Roy, Mr. I. Spencer and Mr. Jas. Roblin for officiating as judges for us.

After the sports lunch was served for the students in the School Assembly Hall, which had been decorated by the teachers. The prizes were given out, after which the students held a dance until 10.30, when everyone left for home, tired, but happy to think that our Field Day had been such a success.

McWILLIAMS—JEFFREY.

At the Methodist Parsonage, Wilton, on Wednesday, October 19th, 1921, by the Rev. J. Latimer, Miss Mary Jeffrey, only daughter of Mr. and Mrs. Fred McWilliams, was united in marriage to Garnet William Jeffrey, only son of Mr. and Mrs. George Jeffrey, Glenvale. The bride looked charming in a navy blue travelling suit with hat to match. The happy couple left on the 2.40 train from Napanee for Toronto and points west.

Moved by Mr. Corkill, seconded by Mr. McLean, that all expenses of this meeting be paid.

Moved by Mr. Trenouth, seconded by Miss Mair, that a hearty vote of thanks be tendered to the teachers for the use of the N. C. L., and to all others who assisted in the programme, or in any other way added to the pleasure or profit of this Convention. Carried.

The meeting closed with "God Save the King".

E. HARRISON, Secty.-Treas.

TOWN COUNCIL.

Council Chambers,
Napanee, Oct. 17th, 1921.

Council met in regular session on Monday evening, Mayor Graham presiding.

Members present—Reeve Boyes, and Councillors Paul, Wilson, Ming, Hartman, Steacy and Roblin.

The minutes of the last regular meeting were read and confirmed.

COMMUNICATIONS.

From Mrs. N. B. Miller, on behalf of the W. C. T. U., asking for the use of the Town Hall for their rummage sale on Friday and Saturday, November 18th and 19th. On motion the request was granted.

From Mrs. C. W. Conway, representing the Ladies' Orange Benevolent Association, asking for the use of the Town Hall, for Friday, November 4th, for an entertainment, the proceeds of which are to be given to the True Blue Orphanage. On motion the request was granted.

From the District Inspector of Weights and Measures, Belleville, saying the town scales were found incorrect on October 11th, and asking if anything had been done to remedy same.

The members of the Council knew nothing of the defect and the matter was referred to the Town Property Committee with power to act.

From the Canadian National Railways, asking for remission of a portion of this year's taxes on the C. N. R. station at Napanee, as the buildings had been sold and removed prior to June 30th, 1921.

On motion the Clerk was instructed to write the Canadian National Railways re the above taxes, explaining the fact that this was a matter to be settled between the railway and Mr. Perry, the purchaser of the buildings.

From James, Proctor & Redfern, more fully explaining the cost per foot frontage of the Dundas Street pavement. Ordered filed.

From the Town Council of Gananoque, thanking the Mayor and Council of Napanee, for their hospitality while on a recent visit here to inspect the new pavement, and saying the information received will be of invaluable assistance to them. Ordered filed.

Reeve Boyes, Chairman of the Finance Committee, said he believed the bonds for the pavement could be sold locally and thought that something should be done to get the matter under way. Referred to the Finance Committee to report further.

Councillor Ming said the firemen were dissatisfied with the manner in which they have to get to a fire, and suggested that some arrangements be made to secure the use of a motor truck to transport the firemen.

Councillor Hartman informed the Council that he had a truck which he would be willing to leave at the fire hall, providing the town would become responsible for same.

F. W. Barrett, Chief Constable, asked for fifteen days' leave of absence, beginning November 3rd, 1921. On motion the request was granted.

A By-law amending By-law No. 1111, re apportioning of the assessment on the Dundas Street pavement, was given its several readings, signed, sealed, numbered and finally passed.

A By-law allowing the commuting of assessments on the Dundas Street pavement was given its several readings, signed, sealed, numbered, and finally passed.

Mayor Graham informed the Council that he had every reason to believe that if proper pressure was brought to bear upon the Department of Highways, that work would be continued on the cut at Roblin's Hill during the winter, which, if continued, would give work to a large number of men during a season when work is greatly needed. The grade as at present is a nine per cent. one and the department, he understands, intends cutting it down to a five per cent. grade, which will mean considerable more work.

On motion the Mayor and Clerk were appointed a committee, in conjunction with a committee from the Board of Commerce, to interview the Department of Highways and urge upon the department the continuance of the work on the hill during the coming winter.

Mayor Graham also informed the Council that a sample of the water in the town well on the Market Square, had been tested and found contaminated, and urged that the well be put in such shape that it would be practically impossible for surface water to get into it. The matter was left in the hands of the Town Property Committee to investigate.

On motion Councillor Roblin, Chairman of Streets, was authorized to go to Belleville and see what is being done there as to flushing the pavement, and if not too expensive to go ahead and have the sprinklers put in shape to flush our pavement.

On motion Mr. A. T. Harshaw will be given a deed of the street allowance running into his property on Piety Hill, providing he assume the local improvement tax for same and commutes payment.

ACCOUNTS.

The following accounts were ordered paid:—

W. D. Mildmer	$ 5 00
J. L. Boyes	68
Canadian Ingot Iron Co.	17 93
Napanee Iron Works	11 81
Standard Paving Co.	65 00

The Hydro accounts were referred to the Finance Committee.

On motion the Council adjourned.

After giving the prospective housemaid full details as to her duties, the mistress of the house was on the point of turning away when a thought struck her suddenly.

"Oh, by the way," she asked, "do you know your way to announce?"

"Well, ma'am," replied Mary, "I'm not sure about that, but I think I know my weight to a pound or so."

Foot Saved in 4 Days!

"Nothing but Zam-Buk could have done it," says Mrs. A. Berryman, 190, John Street, North, Hamilton,—in describing how her right foot, crushed by a waggon wheel, was healed. "The flesh was terribly bruised, blackened and inflamed, and I fainted away with pain. When it was quite impossible for me to move about, my husband's mother got me to try Zam-Buk. It was surprising! Within TWO DAYS all swelling and discoloration had disappeared and pain was banished. In FOUR DAYS, through this timely use of Zam-Buk, I could get about as usual; the injured foot was thoroughly healed."

Zam-Buk is the powerful antiseptic healer which quickly frees the skin of corruption and disease and grows new healthy tissue. No common ointment or salve can possibly compare with Zam-Buk. Get a box to-day! 50c. all dealers or FREE SAMPLE for 1c. postage from Zam-Buk Co., Toronto.

ZAM-BUK For Healing!

"THE TITLE".

Richard G. Herndon will present "The Title", Arnold Bennett's English comedy success, at the Grand Opera House, Kingston, on Monday, Oct. 24th. The company is headed by Lumsden Hare and Selene Johnson, who will be supported by an English cast which includes Robert Harrigan, Schiela Courtenay, Emily Lorraine, Noel Tearle, Agnes Atherton and Ernest Cossart. Mr. Hare will be best remembered in this country as having acted with William Faversham in "Getting Married"; Ethel Barrymore in "The Witness for the Defence", and Grace George in "The New York Idea." Miss Johnson has been in several notable London successes and in this country with Robert Hillard in "The Argyle Case".

"The Title" is a play full of quaint humor. The leading personages are Mr. and Mrs. Culver, a well bred, elegant couple, verging on middle age, who retain their youthful fire and who adore one another even when they quarrel. Hildegarde, their highly educated, carefully brought up daughter, develops advanced views and under an assumed name, furnished her by Tranto, the aristocratic editor of a radical sheet called "The Echo", she writes clever articles against antiquated law of inheritance and the iniquitous New Year Honour Lists. The justness of her views causes even the Government to take notice, and influence her father to confuse a baronetcy. As "Sampson Straight" she becomes a much considered, but still unknown, literary celebrity, and while her admiring but somewhat disappointed family suppose her to be the author of some rather inferior articles on cookery which appear every week in "The Echo".

Studebaker Light Six

Economical

because of its Exclusive Internal Hot Spot and Light Weight—

The Studebaker LIGHT-SIX might well be called the "Economy Six", for every day in the hands of hundreds of owners it is averaging between 21 and 26 miles to the gallon of gasoline.

Such low fuel consumption is due chiefly to its Internal Hot-Spot, an exclusive feature of the LIGHT-SIX motor, designed by Studebaker engineers.

The light, evenly-balanced weight of the LIGHT-SIX chassis further contributes to its low operating expense—not only with respect to fuel, but tires as well.

See the LIGHT-SIX, analyze its fine quality of construction and you will agree that it represents the maximum of automobile values.

WISE AND OTHERWISE.

When you see a man purchasing several cakes of yeast it's no sign his wife is going to make bread.

"What are you doin' of, James?" "Sharpenin' a bit o' pencil." "You'll 'ave the union after you, me lad. That's a carpenter's job."

The General Assembly of the Presbyterian Church of England has resolved to admit women to be elders. Even behind their backs it sounds unchivalrous.

Mistress (interviewing prospective cook)—And can you cook entrees?
Cook—Well, mam, I have always been used to saucepans, but I'd do my best with trays.

"Speaking of cold similes," writes J. C. M., "you might also mention Swinnerton's description of Gaza in 'Coquette'. He had 'large, soft, brown eyes, like chocolate which has been in a warm place'."

All mothers can put away anxiety regarding their suffering children when they have Mother Graves' Worm Exterminator to give relief. Its effects are sure and lasting.

Mrs. Brown—I hear the vicar thinks your daughter has a real genius for reciting, Mrs. Smith.
Mrs. Smith—Yes. All she wants, he says to me, is a course of electrocution, just to finish 'er off.

Auntie (to niece of six who has been sea fishing)—And what did you catch?
Child (proudly)—I caught six mackerel.
Auntie (a bad sailor)—But weren't you sick?
Child—Of course not; I didn't eat them.

Children suffering from worms soon show the symptoms, and any mother can detect the presence of these parasites by the writhings and fretting of the child. Until expelled and the system cleared of them, the child cannot regain its health. Miller's Worm Powders are prompt and efficient, not only for the eradication of worms, but also as a toner up for children that are run down in consequence.

"How long have you been indisposed, my dear fellow?" asked a fair visitor at a hospital, of a big negro who was strapped up in bed with an injured back.
"Dis ain't no pose 'tall, miss," answered the patient in tones of disgust. "Dis am merely de careless manner in which dem forgetful doctors went away and let me yestiddy."

An Irishman whose wife was fond of moving from one house to another was met by a friend while walking behind a van load of household goods.
"Hallon, Mike, moving again? Where might you be going again?" the friend asked.
"I don't know," answered Mike, "I'm following the furniture to find out."

"Why have I never married?" the old bachelor said in reply to a leading question. "Well, I suppose it's due, in a crowd, I trod on a lady's dress. She turned quite nasty, beginning, 'You clumsy brute!' Then she smiled sweetly, and said, 'Oh, I beg pardon! I thought you were my husband! No; it really doesn't matter in the least.' And when I came to think it over, I decided that maybe I'd just as well let marriage alone."

During the Glaister of a scenario in Los Angeles the director tried to persuade a colored man to do a scene with a lion. The man objected and threatened to quit.
"But the lion won't hurt you," said the director. "This lion was brought up on milk."
"Sho was I brung up on milk," protested the darkey. "But I eats meat now."

The wife of a Western Congressman is sensitive on the subject of her deficient orthography, and her demands for information as to correct spelling sometimes put to sore test her peace-loving husband in a delicate position.
One day, as she was writing a letter at her desk, she glanced up to ask:
"Henry, do you spell 'graphic' with one 'f' or two?"
"My dear," was the diplomatic reply, "if you're going to use any you might as well use two."

Registration Officer (to spinster)—Your name, please.
Spinster—Matilda Brown.
Registration Officer—Age?
Miss Brown—Have the Misses Hill, who live next door, given you their ages?
Registration Officer—No.
Miss Brown—Well, then, I'm the same age as they.
Registration Officer—That will do. Proceeding to fill in all particulars, he murmured: "Miss Brown, as old as the hills."

"The day after the gathering of the Y. D. here recently," a correspondent writes, "a boy remarked to his sister's young man: 'You should have seen the caller sis had last night. I tell you he looked fine sittin' alongside of her with his arm——'
"Johnny!" gasped his sister, her face getting very red.
"Well, so he did," insisted Johnny. "He had his arm——
"John," interrupted his mother, sharply, "leave the room this instant!"
And Johnny left, grumbling as he went: "I was only going to say he had his army clothes on."

The contest will be called the "Know Canada" Contest, and contestants are required to solve fifty rebus pictures representing fifty Post Offices in Canada.

The Napanee Beaver has concluded an arrangement to join The Family Herald and Weekly Star in this great contest and every reader of The Beaver will have an opportunity to compete for the prizes.

Do You Know What Post Offices in Canada These Four Rebus Pictures Would Represent? Could You Solve Fifty Such Pictures?

No. 1. A City which adopted a new name during the War. Study it carefully.

No. 2. An Ontario City known as the Ambitious City. See page 10 of the list of Post Offices.

No. 3. A Nova Scotia town—should be easy.

No. 4. The Contest would not be complete without this Lady.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $850, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

Contest will begin early in October. See that your subscription to The Napanee Beaver and The Family Herald is paid well in advance and prevent losing a single issue. Back numbers cannot be supplied.

New subscribers may enter the contest by complying with the above conditions.

CURLING.

TANKARD PLAY FOR NAPANEE

After a great deal of discussion at the Ontario Curling Association meeting, held at the Granite Club, Toronto, on Tuesday the rule regarding curlers playing in the district cup competition was amended so that all association clubs entered in the tankard competition may be able to enter two rinks in the district cup competition, but that the players in the district cup competition must never have taken part in any final tankard competition or taken part as skip or vice-skip in any primary tankard competition, and no member shall be allowed to play in both competitions in one season.

In past years a player in any tankard competition has been debarred from playing in any district cup competition.

The proposal to reduce the groups in the tankard competition from 16 to 4 groups brought out a very spirited discussion, and finally the old system of 16 groups was adopted. The 16 winning clubs are to be brought together and the final to be played in Toronto.

The local groupings are:

Group 1—Kingston, Napanee, Belleville, Campbellford, Picton, play at Napanee. Umpire, Dr. R. A. Leonard

Group 2—Cobourg, Colborne, Oshawa, Port Hope, play at Cobourg. Umpire, J. W. Bickle.

Group 3 — Bobcaygeon, Cannington, Fenelon Falls, Lindsay, Millbrook, Norwood, Peterboro', play at Lindsay. Umpire, J. D. Flavelle.

YARKER.

The recent heavy rains have brought the meadows and pastures to life once more, the cattle enjoying the better feed than they did through the summer.—The extra gang working on the cut have been laid off for this year, and the foreman, G. Vanalstine, is back on his old job.—A. D. Leonard and S. Hart, of the C.N.R. station staff, are taking their holidays. A.D. Leonard at his home in Cobourg; and S. Hart and family on a trip to Toronto and Niagara Falls.—A. Carroll is home from the Kingston Hospital after an illness of two months.—Gladys Warner has been ill for the past week, but is somewhat better. —Mrs. R. Skinner and son, of Toronto, is visiting at her parents, S. Winters'.—Miss Helena Holland has returned home, after visiting friends at Ottawa.—Mr. Warner spent the week-end at home.—The Methodist Church is getting in a new furnace. It is being installed by Boyle & Son. Some people will have to invent a new excuse for not coming to church now.

ENTERPRISE.

We had the heaviest electric storm of the season last Monday, but no damage was done here.—Mr. G. Cox, of Port Arthur, spent a few days with his mother and sister last week.—Quite a number from here are getting their fall supply of apples near Trenton, where they are purchasing choice apples at $1.00 per bag.—Potatoes are selling here at $1.00 a bag. Some farmers have splendid crops.—Mrs. Sarah Martin is spending a few days with her sister, Mrs. Ramsey, near Newburgh.

Mr. Wm. Thistlewaite has built a new garage and shoeshouse.—Mr. Ed. Clancy has purchased Mr. Wm. Dopking's farm.

KELLAR—COOK.

A very quiet but pretty wedding was solemnized at the Methodist Parsonage, Newburgh, by the Rev. E. B. Cooke, on Wednesday, the 19th inst., at 2.30 p.m., when Miss Cora Gladys Kellar, only daughter of Mr. and Mrs. John Kellar, Napanee, was united in bonds of Holy Matrimony to Mr. Harry Earl, Cook, of Napanee. The bride looked dainty in a dress of new blue satin trimmed with gold, with hat to match. She was assisted by Miss Mildred Hughes, of Napanee, who wore blue satin and Georgette with silver, with hat to match. The groom was attended by his brother, Mr. A. Morley Cook, of Napanee. After the ceremony was over the party motored to the home of the bride's parents, where a sumptuous wedding supper awaited them, only the intimate friends being present. Mr. and Mrs. Cook will motor to Campbellford and points west, and on their return they will reside in Napanee. We all join in wishing them a long and happy wedded life.

Boyes' "Made-in-Napanee" SUITS are BUILT UPON INTEGRITY

MEN who demand value for their money, who want a suit of clothes that will be "on the job" and "look cheerful about it" for three or four years, are the men we want to try our Ordered Clothing Department.

Prices are now at their Lowest for this Fall and Winter

We know conditions are not prosperous in our county this fall, and in order to help things out we are selling our Suits on a very close basis.

We make Suits of the very highest standard of hand-made tailoring at $35.00 and up; and if you need a Suit it won't pay you to wait, as further reductions will have to come from reductions in wages to mill hands, spinners and tailors, and this will be a gradual, slow process.

Our assortment of cloths is at its best. Choose your Suit now.

Winter Underwear of Merit

Consider Tiger Brand Heavy All Wool Ribbed when you need winter Underwear. It is a make we have been selling for years and strongly recommend.

Our prices are 75 per cent lower for heavy pure wool. This year we can give you a very fine garment for $1.50.

Tweed Hats on Sale $1.69

We are placing on sale one line of medium shade grey and fawn in neat Fedora Tweed Hats. Size up to 7¼, at $1.69.

Pure Wool Sox, 50c.

Pure wool heavy weight Sox in Oxford grey, well shaped foot and elastic top. Good value at 50c.

—The date for Archdeacon Graham's address in St. Mary Magdalene's Church has been changed from Tuesday, October 25th, to Wednesday, October 26th, at 8 p.m. Archdeacon Graham is one of the strong men of the West, and is at present Rector of Nelson, B.C. He is a very powerful speaker and has a wonderful story to tell of Church life in the West. All interested are cordially invited to attend.

—Directum Murphy, the Kingston pacer owned and driven by T. K. Nicholson, won the free-for-all race at Odessa on Thursday. Five heats were raced, the favorite Kingston pacer winning the last three against three other competitors in an exciting contest. Faust Patchen won second place, Judge Murphy third and Steve Ayres fourth. Delevardo won in the classified race, with Nell Murphy second, Frank Medium third, and Queen Patchen fourth.

ODESSA EAST.

Potato digging is the order of the day. Owing to the dry weather potatoes are very small with most of the farmers. The fall rains have improved the pasture and filled a great many dry wells.—Mr. S. Harten has sold his farm to Roy Rose.—Much sympathy is felt for Mr. and Mrs. Peters, in the serious illness of their daughter, Olive, who has been in the hospital for several weeks. We hope for a speedy recovery.—Thomas Storey has been laid up for the past three weeks. He was thrown from his sulky plough and had four ribs broken, but is slowly gaining.—Mr. and Mrs. Darius Smith spent the week end in Peterboro', the guests of the latter's brother, Roy Rose.—Mr. and Mrs. Norman McMillan, of Napanee, spent Sunday with his sister, Mrs. T. Storey, near Odessa.—Mrs. T. Woodcock at her father's, Mr. S. Harten.—Mr. Roy McNeil is on the sick list, with Dr. Mabee, of Odessa, in attendance. We hope to see him around again soon.

BATH.

Mrs. Miller and daughter, of Kingston, who have been at Chas. Young's have returned home.—Mrs. Turner, who has been visiting at Wm. McGuin's, has returned to her home in the West.—Miss Asseltine, of Bay Roberts, spent the week end with friends here.—Mrs. Webster, of Belleville, is the guest of her sister, Mrs. D. H. Robinson.—John Ritchie has returned to Detroit, Mich, after visiting at Amos Barriage's, for some time. —Mr. and Mrs. Thomas Lewis and Mrs. Frank Henderson spent Sunday with friends at Sulphide.—Mr. and Mrs. James McCarten and Dr. McCarten have moved to Napanee. —Miss Ella Shephard, of Kingston, is at the home here.—Mrs. Percy Armstrong, of Trenton, has been visiting friends here.—Mr. and Mrs. Robert Stevenson and family spent Sunday at Lathan Clarke's, Wilton.

MILSAP—CONNOLY.

A quiet but pretty wedding was solemnized at Yarker Parsonage, on September 28th, 1921, when Myrtle Viola Connoly, only daughter of Mrs. Sarah Connoly, and the late John H. Connoly, of Yarker, was united in marriage to Lyall Hubert Neil Milsap, only son of Mr. and Mrs. Neil Milsap, of Moscow, Sask. Rev. J. W. Down officiating.

The bride looked charming, gowned in a white silk dress, which was trimmed with silver bugle beads. She wore the customary bridal veil of silk chambray net which was trimmed with seed pearls, and having the wreath of orange blossoms, and carried a bouquet of cut flowers. There were no attendants.

After the ceremony a wedding breakfast was served at the home of the bride to the immediate relatives, by the bride's cousins, Mrs. Clarence Allen and Miss Erma MacWilliams. The gifts were useful and costly, showing the high esteem in which the bride and groom are held.

After hearty congratulations were extended, the happy young couple left amid showers of confetti and good wishes for Toronto and other points West, the bride travelling in a fur-trimmed Rookie brown velour suit, with hat and veil to match. On their return trip they were week end guests of Rev. and Mrs. J. F. Iverson, of Prince Albert, Ont. All join in wishing them bon voyage through life.

Presentation and Address.

On Tuesday evening, October 18th, about sixty-five of the friends and neighbours met at the home of Mr. John Galt to spend a social evening before their departure for their new home. Shortly before midnight Mr. and Mrs. Galt and Mr. and Mrs. Walter Herrington were called upon, and the following address was read by Mrs. W. A. Miller, and they were each presented with a beautiful wicker rocker.

To Mr. and Mrs. Galt, and
Mr. and Mrs. Herrington.

Dear Friends,—It was with regret we heard a short time ago that you were about to leave us, to take up life in a new district.

We feel words cannot express how greatly your presence will be missed, not only by each one but by the community as a whole. As members of our neighborhood, we have always found you ready and willing to help anyone in need, or to aid in advancing anything of public interest.

Among the people to whom you are going, you will no doubt soon make many steadfast friends, but we hope the bond of friendship built up between us here during the past years, will never be broken.

As a token of our deep affection and regard, we ask you to accept these small remembrances, together with the best wishes of one and all for a happy and prosperous future in your new home.

Signed on behalf of your Bethany friends.

Mr. and Mrs. Galt and Mr. and Mrs. Herrington wish to thank their many friends for the beautiful gifts and invite them one and all to come and see them at their new home.

Complains of Treatment.

William Stiffler, Held as Material Witness in Napanee Murder Case

The Watertown, N.Y., Standard of Thursday has the following:

"William C. Stiffler, of Napanee, Ontario, a returned Canadian soldier, was in the city Wednesday and issued a statement on his recent deportation from Canada. Stiffler claims unfair treatment. He left with his wife Wednesday night for Chicago and Marion, O.

"Stiffler, whose home is in Marion, went to Canada in 1915 and enlisted in the 19th draft, C Company, E. C. H. A., of Kingston, and was at Barrefield. A month after he enlisted he was in a runaway and was disabled. He was discharged. He shortly after re-enlisted, his previous discharge was discovered and he was dropped. He then went to Windsor, Ontario, in December of 1916, re-enlisted once more and again it was found that he had been discharged previously. He was dropped. He had in the meantime married in Canada. He was ordered deported and sentenced to thirty days in jail. Before his jail sentence was up he was released. He went to Kingston where he says an immigration officer told him he would aid him to get another chance. He waited until March, 1918, for his chance, enlisted again and went overseas in June of that year. He returned as an invalid in May, 1919. He spent some time in the South and then returned to Canada.

"On August 28th, 1921, Constable R. A. Beard, of Napanee, Ontario, was killed. The morning after while in Napanee, Stiffler found a .32 calibre bullet on the street and turned it over to the Chief of Police. Shortly after he was taken into custody and held pending an investigation. He had no connection with the murder. He was held a week and bailed out but was remanded. In the meantime immigration officers got to work and started steps to deport him. He blames his troubles to one immigration officer and says he tried to give the officer punishment in the jail at Napanee but was prevented. He asked to be deported to Detroit, Mich.

"He was held in jail six weeks and then sent with his wife and child out by way of Cape Vincent. He was aided there by Rev. Mr. Pratt and in Watertown by the American Legion and the Salvation Army. He was stranded and penniless here, he declared. He left for Marion, O., with his family last night. He vows that he will get justice from the immigration officer who he claims caused his trouble."

For Both House and Stable — There is a good deal of similarity, physically speaking, between human beings and the lower animals. Both are subject to many ailments arising from inflammation and to all manner of colds and coughing. Dr. Thomas' Eclectric Oil is an extremely reliable remedy for such ailments and mistakes to both human beings and the lower orders of animals.

VARIETY SHOWER.

On Friday evening, Sept. 30th, a number of the friends of Mr. and Mrs. Vincent Kennedy motored to the Town Hall, Centreville, to present them with a variety shower. To celebrate in a list of presents received:

MACDONALD'S CUT BRIER

¶ MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as *the* smoke.

¶ MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—*more tobacco for the money.*

Rinso

Rinso can be used with cold water as well as with warm. Rinso is as harmless as pure water itself. Try this easy way of washing next Monday.

At Night—Soak the clothes in the rich Rinso suds.

Morning—Rinse them in either warm or cold water—that's all! They're ready for the line—clean and fresh.

LEVER BROTHERS LIMITED, TORONTO

If you have a washing machine—Soak the clothes over night in the usual Rinso way. The cleansing suds loosen every speck of dirt. Then run the clothes through the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

Next time, paint your barn with a paint that's made for painting barns

Your barn is too valuable an investment to be insulted with a coat of cheap paint. It is an investment that should be protected with paint made especially for barns; a paint that will make your investment an asset instead of a liability.

We have never heard of a paint for barns that's anywhere near as good as Lowe Brothers Standard Barn Paint. It's made for painting barns and nothing else. That's why it has made so many friends among barn owners.

Come in tomorrow and ask us about it.

The National Crisis

"My appeal is to the whole people; to every man and woman who wants to do right by this country; to everyone who breathes the spirit of our fathers who founded this British Dominion."
—ARTHUR MEIGHEN

THE Election to be held December 6th will be the most momentous in Canadian history; for as men and women vote will depend the economic stability, the political stability and, indeed, the national stability of this country.

Today we find group striving against group, class against class, the industrial and financial structure of the country assailed by false and unsound doctrines and theories, while our great neighbour to the south has adopted a trade exclusion policy directed against Canada's vast agricultural interests.

The currencies of nearly every country in the world are depreciated. The Canadian dollar in the United States is subject to a heavy discount causing a loss of over one hundred million dollars in exchange annually.

Europe is overwhelmed with war debts—unemployment is acute—and the restoration to pre-war conditions is slow.

While Canada is in a much more favorable condition than many countries, yet there is evidence of stagnation, instability, unemployment and lack of confidence.

Taxes are heavy because of the country's efforts in the Great War, but have become burdensome on account of the misconceived policies and blunders of Governments that directed Canada's affairs prior to 1911.

These conditions are largely the direct aftermath of the war, but they must be dealt with fearlessly and constructively. This is no time to consider experimental changes, or the theories of visionaries.

This is no time for Crerar and his Free Trade policy.

This is no time for King and his wobbling "charted" policies, varying with each provincial boundary.

It is the time to cling to orderly, stable Government in the interest of all the people; to be guided by the experience of the past, proceeding upon lines that have been proven sound.

It is the time to place the destinies of Canada again in the hands of a Government led by a sane, courageous Canadian who has safely brought the country through the trying years of reconstruction, and upon whom we can rely to retain and initiate policies in the interest, not of a group or class but of all the people.

It is the time to support Arthur Meighen and his Candidates.

Meighen will lead us through

The National Liberal and Conservative Party
Publicity Committee.

PLAIN TALK NO. 7

Dear People,—We purpose taking for our text this period, "Sell your Hammer and buy a Horse!" Our past lectures, besides being to us very profitable, have proved also to have annoyed one or two persons, namely, Bums and Stool Pigeons! So accept our apologies if we seem to be blowing a little, and try us out, and we will prove our words. We intend during the coming months, to do a little profit sharing among our friends Whilst visiting in Toronto and the West, it was our good fortune to become acquainted with leather dealers of a much larger standing than some of our competitors, and also to buy in markets more reasonable. Through buying in large quantities, we were able to purchase the best Oak Tanned Leather at 17 cents below ordinary market price. So as an inducement for you to try out this real good quality, we intend to make a big reduction in the price of our shoe repairs. So take note of the following list and give us a trial to convince you we have the real goods.

W. M. S. Convention

The W. M. S. of the Tamworth Division of Napanee District, met in convention, at Newburgh, on Thursday, Oct. 13th, 1921. The morning dawned beautifully bright and clear, and about two hundred delegates and workers from all over the district gathered in the Methodist Church, which was most tastefully decorated with foliages and posters, the later the work of Miss Kathleen Wilson, of Strathcona Circle.

The Rev. E. Cooke conducted the devotional exercises and in his remarks, sought to emphasize the privilege and responsibilities of the Christian Churches of to-day, in that, not only are all doors of the foreign lands opened to the Gospel, but the Governments of these lands are imploring the Christian Church to send them missionaries, realizing that the only hope of salvation for their country is in the diffusion of the Gospel among their people.

Mrs. Cooke gave a few well chosen remarks of welcome, to which Mrs. Thomas Wilson responded on behalf of the delegates. Most encouraging reports were given from the different Auxiliaries, Circles and Mission Bands, of their membership, givings and plans for the increasing of membership during the coming year. The aggregate membership was 879; the total givings $1028.67. This amount, while coming short of the expectation of many, yet was gratifying, considering that many members of the Bands and Circles, are juniors, and count their incomes in pennies and dimes.

Mrs. Wesley Wagar was unanimously re-elected as Superintendent, as was also the Assistant Superintendent, Mrs. Moss. Miss N. Turner, the Travelling Secretary of the Bay of Quinte Branch, was called to the platform and introduced. Mrs. Moss conducted the quiet half hour, after which Rev. Mr. Down concluded the morning session by prayer and the benediction.

The afternoon session opened with devotional exercises by Mrs. (Rev.) Stocker. Then Mrs. A. W. Grange gave a very full report of the last W. M. S. Board meeting. In reviewing the work and summing up reports from the different districts, the Board Secretary finds that we have failed to reach the high objective set by the Board as a standard of work for the year 1920-21, yet the reports show a substantial increase in both membership and income. The speaker urged upon each one present to assume her share of the responsibility for 1921-22 so that the objective of 20 per cent. increase in membership, 20 per cent. increase in income and 20 new missionaries, may be attained. The work in the foreign fields is progressing along normal lines, but ever comes the appeal for further assistance from the home base.

No less imperative are the demands from our Canadian missions. The speaker very vividly sketched the hardships and self-sacrifice of our women who give their lives to the educating of the Indians and the Canadianizing of the foreigners who are coming to our shores at the rate of 5000 per month. In closing, Mrs. Grange emphasized the work of the Stranger Department, and urged each society to get in touch with that phase of the work, and also urged that every member procure for herself a copy of the Blue book for 1920-21, which may be had for 60c. by writing Room 410 Wesley Building, Toronto, wherein is contained all necessary information and the programme of work for the coming year.

Mrs. Leigh, of Enterprise, gave a paper on "How to use the prayer cycle", explaining what the cycle means and emphasizing the value of a prayer filled life. In all the common rounds of every day life we may have the Unseen Presence, changing the busy hum-drum of life into a work of service for Him.

Mrs. Lochead, of Centreville, read an interesting paper on "Influencing Children Along Missionary Lines" and suggested that the work should be begun during the story loving age of the child. Every child loves a story and never tires of hearing a true story. Lay the foundations of mission work firm and deep, and never cease to build thereon, until the child is able to continue for himself the work of missionary effort.

Mrs. George Switzer gave an address on the Best Fund, pointing out the justice and advisibility of having such a fund and urged each Auxiliary to make special effort to increase their givings thereto.

Miss Turner addressed the gathering on the value of a girl. She began by asking "What is the value of a girl?" Answer, "The value of a soul plus the value of a life." "What is the value of a soul?" Answer, "More than the whole world". "What is the value of a life?" "The possibilities of a life are boundless when that life is properly trained and guided. How necessary then that the Church does its share in the work of training when so many homes neglect their youth.

This brought to a close a most helpful and instructive afternoon session.

The evening session of the Convention began with a song service at 7.30. This was conducted by Rev. E. Cooke, who also presided over the meeting. While the congregation was gathering those present heartily engaged in singing. After the opening exercises Miss Kathleen Wilson delighted the audience with a reading "Publish Glad Tidines", a beautiful pantomime, given by Newburgh girls, accompanied by Mrs. E. B. Cooke, was much enjoyed. Rev. Mr. Cooke, in his remarks, dwelt on the privileges of a Christian home. Miss Amanda Wartman and Mrs. Ward Wartman sang very impressively "Have You Caught the Vision". The remainder of the evening was given over to Miss Turner's address. She gave us 12,500 reasons why we should believe in missions and 150,000 reasons why we should attend each meeting of the society.

In a vivid picture she portrayed the awful contrast between 10 miles of heathen graves lying end to end, with 10 miles of Christian graves beside them. And is it nothing to you all ye that pass by? The questions, "How much owest thou to thy Lord?" and "How will thou pay it?" were brought home to listening hearts. For temporal blessings alone, thy sight, thy hearing, thy voice, thy feet, thy food. Then how much, oh how much for the knowledge that the Lord Jesus Christ is thy Saviour. Miss Turner has a passion for souls, and in her intense appeal, imparts the earnestness and zeal of that passion to her hearers. We shall all be happy to have Miss Turner with us again in the months to come.

This most uplifting and encouraging Convention was brought to a close by Rev. W. Down of Yarker.
Mispah.

CLAREVIEW.

McDonnell's.—Mr. Wilson, Napanee, purchased cattle in this vicinity recently.

NUGENT—MARTIN.

A very quiet autumn wedding was solemnized in the Methodist Church, Newburgh, on Wednesday afternoon, October 12th, 1921, when Miss Olive A. Martin, daughter of Mr. and Mrs. Robt. Martin, Wesley, became the bride of Mr. Harold Nugent, eldest son of Mr. and Mrs. Robt. Nugent, also of Wesley. The bride wore her travelling suit of navy duvetyn with hat to match, and was unattended. After the performing of the ceremony by the Rev. E. B. Cooke, the young couple left for Kingston, Ottawa and other eastern points, carrying with them the best wishes of a host of friends. Upon their return they will reside at Wesley.

For Rheumatic Pains.—The pains and aches of Sciatica and Rheumatism should be treated with Dr. Thomas' Eclectric Oil. The soothing and healing properties of this famous remedy have been demonstrated for fifty years. Use it also for inflammatory pains, cuts, scratches, bruises and sprains, either in human beings or the lower animals.

VARIETY SHOWER.

A number of friends and neighbors gathered at the home of Mr. and Mrs. Newton Parks, on October 4th, to present them with a variety shower for Mr. and Mrs. Walter Hambly. A very pleasant evening was spent in music and games. A song given by Mrs. Huffman, was very much appreciated; also the quartette and playing by Miss Gladys Scrimshaw and Mrs. Brown. Following is the list of presents:—

Mr. and Mrs. D. A. McCabe, brown and white agate teapot; Mr. and Mrs. Perry Bonter, silver raw fruit dish and agate roast pan; Mr. and Mrs. Will Baird, satin finish bed spread; Mr. and Mrs. C. R. I SUFFERED FIVE YEARS

Finally Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Paris, Ont.—"For five years I suffered from pains caused by displacement of my organs and in my back. All this time I was unfit for work and was taking different medicine that I thought were good. Then I saw the advertisement in the papers of Lydia E. Pinkham's Vegetable Compound and took it faithfully and now in perfect health and do all my own work. I recommend it to others, and give you permission to publish this letter in your testimonial and in the newspapers as a testimonial."—Mrs. D. CARBANY, Box 461, Paris, Ont.

Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound!

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Whichever you choose

W. D. BLACK, M.P.P., NOT A CANDIDATE.

Parham, Oct. 19th, 1921.

G. F. Ruttan, K.C.,
Secty. Conservative Association,
Lennox and Addington.

My Dear Sir:—

Having received some sixteen largely signed petitions from the Ratepayers of the County of Addington, urging me to remain as their representative in the Local Legislature rather than allow my name to go before the Liberal-Conservative Convention to be held in Napanee on October 26th, I have decided to comply with their request, and will therefore not be a candidate at the coming Federal Election for Lennox and Addington.

Yours sincerely,
W. D. BLACK.

October a Month of Sales

FOLLOWING up our announcement of last week, we are featuring a series of sales for the month of October. We will repeat, as stated in our ad last week, that prices on all goods in our store have met with a severe slaughtering. Prices are cut to the quick in every department, and we expect the outcome of our price cutting will mean a large volume of business.

Our reason for staging this sale: We are overloaded in some lines of merchandise that must be cleared to give us room for the large display of Xmas and holiday goods we intend to show in the next few days.

Special on our Second Floor

In addition to the Special Bargains displayed, the following lines will be on sale this week:

$1.50 Steel Enameled Double Boilers.....98c
65c Large Dishpans....2 for 98c
65c Large size Preserving Kettles.....2 for 98c
65c China Jugs.....2 for 98c
50c Cups and Saucers, 3 for 98c

20% Discount off all Toilet Sets

Also remember our 20% Discount off all fine Xmas China, including our best quality Hand Painted Nippon China.

20% Discount off all Brooms, and we have the best that money can buy.

On our Main Floor

If we were to itemize all the cut rate bargains we have in store for you it would take the entire Napanee Beaver to tell you all about them.

We especially invite you to be present at these sales, as spending money with us will mean a great saving of money for you.

In conclusion, we invite your presence, compare our prices, and we are sure that you will come to the conclusion and feel satisfied that our bargains are the best that money can buy.

PRESBYTERIAN FAIR AND CONCERT.

On Tuesday, Oct. 25th, the ladies of St. Andrew's Church held their Autumn Bazaar in the Town Hall, the affair being most successful in every way. Under the energetic leadership of Mrs. W. A. Daly, President of the Ladies' Aid, the Executive and Committee, the work of preparation had been going on all summer and the results were most satisfactory. The hall was attractively bright with its tables of fancy work, aprons and cooked food, every inch of space being required to exhibit the numerous articles which were for sale. The financial results were especially satisfying to those who have unselfishly devoted their time to this very necessary labor.

In the evening, the entertainment was entirely of a musical nature, Mrs. J. Ernest Madden being the able director. The opening number was a piano duet by Mrs. Madden and Miss Helen Daly, which was most enthusiastically received. The soprano soloists were the two very popular singers, Miss Frances Dwyer and Miss Margaret McCormick, whose voices were heard to great advantage, each only in their solo numbers, but also in a very musical duet. Mr. Gerald Clute, a light baritone of much merit, was the especial attraction of the evening, and his audience was delighted with his choice of songs and the very pleasing manner in which they were rendered. Not the least of the evening's entertainment were the two choruses of sixteen voices, which were pronounced by all to be of the very highest class. They were heartily encored and in one instance responded much to the delight of those present. The concert was indeed a masterpiece of Mrs. Madden's untiring ability as a musical directress.

ANNUAL MEETING

The annual meeting of the Napanee Curling Club will be held in the Club House on Friday evening, October 28th, at 8 o'clock, when the election of officers for the coming season will take place.

Napanee has always held a very high position in Eastern Ontario Curling circles, and the Club will make a determined effort to maintain its position, but to maintain this position new blood must be obtained. A large number of our citizens are bowlers during the summer, and from the ability displayed on the green, it is safe to say these bowlers would do equally well at the "roaring game".

All old members are particularly requested to be present at the annual meeting and to bring with them any prospective new members.

U. F. O. MEETING

A meeting in the interest of the U. F. O. candidate, E. J. Sexsmith, will be held at Stella, Amherst Island, on Wednesday evening, November 2nd, 1921. To be addressed by Mr. Sexsmith and other speakers.

Ladies cordially invited. 43a

Napanee District E. L. Convention and S. S. Institutes.

A series of Conferences in the interest of Religious Education was held at various points in the Napanee District, October 10th, 11th and 12th, and in spite of unfavorable weather, were largely attended. A special feature of these gatherings was the presence and addresses of Rev. Manson Doyle, B.A., Assistant General Secretary of the Department of Sunday Schools and Young People's Societies of the Methodist Church.

The first of these was held in Trinity Church, Napanee, on Monday afternoon and evening as the Annual Convention of the Epworth Leagues of the District.

The fourteenth Biennial Convention of the Napanee District Epworth Leagues was held in Trinity Church, Napanee, on Monday, October 10th, afternoon and evening. Delegates were present from the different Leagues and Young People Societies of the district.

The afternoon session, presided over by Mrs. Geo. Pralick, Morven, was occupied mainly with receiving reports and listening to short addresses by Rev. Manson Doyle, Toronto, and others, on the work of the Leagues.

At the evening session, presided over by Rev. W. H. Clarke, Tamworth, able and instructive addresses were given by Rev. Manson Doyle and Rev. R. C. Tait, Morven, on the various problems in connection with League work.

Election of officers for next year resulted as follows:-

President—Mr. C. D. Bush.

1st Vice-Pres.—Mr. Gilbert Perry.

2nd Vice-Pres.—Mrs. Geo. E. Fralick.

3rd Vice-Pres.—Mrs. (Rev.) Geo. Hicks.

4th Vice-Pres.—Mr. Thomas M. Donovan.

5th Vice-President—Miss Florence Abbott.

Secretary-Treasurer—Rev. W. H. Clarke.

Representative to Conference — Rev. Geo. Nicolle.

Representative to Summer School —Miss Hilda Thompson.

Delegates from the adjoining circuits of Tarkett, Tamworth, Newburgh and Wilton enjoyed with the Enterprise Sunday School workers an afternoon and evening of inspiring aims and methods in the Methodist Church, at Enterprise, on the afternoon and evening of October 11th. Rankin Milligan, the Superintendent of the School, conducted the opening devotional exercises and welcomed the delegates. Statistics relative to the splendid Sunday work of the District were presented by the Secretary of Religious Education, Rev. W. H. Clarke, and the succeeding work based thereon. The Pastor of the church Rev. M. W. Leigh, B.A., gave an interesting address on "Increasing in Favor", in which he showed that the hope of humanity is in nothing whether in the acorn or the child which is passing years developing into the mighty oak or the stalwart man. Rev. Manson Doyle, B.A., was an inspiration to the Institute and Round Table Conference he conducted and gave very valuable suggestions for carrying on the work. After four periods he addressed a group of about forty boys and girls on the "Sense of Direction", in which he clearly presented the human instinct not only in the homing pigeon but also in child, adult and aged saint and drew a valuable lesson therefrom.

Between sessions the ladies served refreshments in the basement.

Rev. H. J. Latimer opened the evening session with a helpful praise service. The addresses of the evening were given by Rev. E. B. Cooke, on "Training for Service", and "Service", in which the incentives, encouragements and rewards of service were emphasized by Rev. A. W. Downs, of Yarker, on the "Spiritual Objectives of the Sunday School", which he claimed were not merely the saving of a soul but the saving of a life and consecrating it for Christ-like service; by Rev. Manson Doyle, Field Secretary of Religious Education, on the "Activities of the Sunday School and valuable plans and methods of their execution"; by Church Choir rendered two selections during the evening. The closing consecration service by the Pastor of the Church, was a memorable one, in which the various pastors, superintendents, officers, teachers and members of the Sunday School present, they formed a large friendship circle filling the aisles, altar and back of the church, Mountain Grove, a surprised that every delegate present had their possible results in Sunday School work during the year.

On Wednesday afternoon, representatives of the Sunday Schools in the District, as well as Training for Service attended. After devotional exercises conducted by Rev. W. H. Buckler, of Mountain Grove, a survey of the Sunday Schools in that part of the District was conducted by Rev. W. H. Clarke, followed by a very interesting and profitable conference on important features of successful Sunday School work of to-day conducted by Rev. Manson Doyle. Mr. Doyle also explained the ways in which the Board of Religious Education is rendering help and encouragement to new schools opened up in communities where Sunday Schools have not yet organized.

Between the afternoon and evening sessions a bountiful tea was kindly served by the ladies of the church in the Town Hall.

The evening programme was opened by a praise service led by the pastor, Rev. R. Stocker, and a very practical address was given by the Rev. E. J. Pechell, of Fleeva, on "Soul Winning Through the Sunday School". After appropriate music had been given by the Choir, the Rev. Manson Doyle then gave a clever and convincing study of the value a sympathetic understanding of the young boy and girl. Discussing the most generally found reason why it is difficult to retain the older boys and girls in the Sunday School, he showed how these difficulties have been successfully overcome, and the abundant energies of the young and alert young people conserved for the Kingdom of God.

THE MASONIC BANQUET

The 50th Anniversary of the founding of Mt. Sinai Lodge, 44, R.A.M., in Napanee, was celebrated in the most brilliant way by the members at their lodge rooms, on Thursday evening, Oct. 20th. The reception room was prettily hung with colored lights, and the Walters' Orchestra furnished music until supper was announced. The banquet hall was most attractive with the long tables, with their snowy linen, silver candelabra and dainty appointments. After the singing of the Doxology, which took the place of Grace, a delicious supper was served by the committee in charge, and Mr. Jules Brasil, of Toronto, played with his usual facility to the great enjoyment of all. The toasts were as follows:—the toast to the Grand Chapter, proposed by Mr. G. F. Ruttan, was responded to by Mr. "Dick" Spencer; the toast to the ladies, proposed by Mr. Harvey Milne, Kingston, was responded to very heartily by all the gentlemen present, led by Mr. Brasil. A toast to the hosts was also given by Mr. Spencer and responded to by the guests, a number of whom were officers from adjacent lodges. Several interesting addresses were made, the first being a brief historical summary of the developement of the Lodge since its beginning fifty years previously, and this subject was handled by Mr. Ernest Walters. The visiting speakers were Dr. Jones, of Kingston, and Dr. G. W. Morden, Picton, both of whom were instructive as well as interesting. Mr. Reddick was the chairman of the evening in the place of Mr. Clancy, who was slightly indisposed, and unable to take the chair.

The real entertainment was interspersed throughout the evening between toasts and addresses, and was conducted by Mr. Jules Brasil, who has made a name for himself in Canada as the composer of many popular songs as well as being inimitable as an entertainer. Mr. Brasil sang several extremely funny songs himself, led the "chorus" and "conducted" in a most efficient manner; and the soloists, Mr. Derry, Mr. Charlie Wallers, Mr. MacGregor, and Mr. J. Geale Daly, were received with utmost enthusiasm. The "quintette" was also "par excellence" and needs no end of fun to the amusement of all. Such a thoroughly enjoyable evening could scarcely be provided by a less noted artist than Mr. Brasil. A very charming feature of the evening were the duels given by Helen Cameron Brasil and Mr. Brasil. The Masonic banquet is an event looked forward to from year to year by the guests and especially the ladies, who find there are two things about Masons which are not secrets and that is their hospitality and gallantry.

ARDEN

We are having lots of rain at time of writing. Some are very glad for a number of wells were dry since August.—Potato digging is all done and a very good crop is reported.—The harvest dinner was quite a failure as it snowed and rained all day.—The S. S. Institute was on the same day. There was a very poor turn out.—There has been another garage opened in Arden by Mr. Earl Scott; also a blacksmith shop.—Ed. Bush of Sydenham, has moved back to Arden.—Mr. and Mrs. M. Card, Napanee, at their daughter's, Mrs. Sam Barker, Valley Farm, for the past three weeks.—Mrs. B. F. Dedrick, Mrs. (Rev.) Stocker and Mrs. C. W. Snider attended the W. M. S. Convention in Newburgh.—Mr. and Mrs. C. W. Snider at Mr. W. McGregor's, recently.—Miss Ethel Daly spent Sunday with Hannah's, on Friday.—Mrs. C. Loyst and Mrs. F. Gendron at Mr. P. Mosier's.—Mrs. Kring called on Mrs. W. McGregor's on Monday.

THE BOY SCOUTS

The Boy Scouts are now busily engaged in selling tickets for the Hallowe'en Social to be held in the Town Hall on Monday evening, Oct. 31st. Tickets are 35 cents each and can be obtained from any of the Scouts. Let us all help the boys by buying a ticket.

ANNUAL MEETING

The annual meeting of the Napanee Agricultural Society will be held in the Council Chamber, Napanee, on Saturday, Nov. 5th, at 2 o'clock p.m. for the election of officers and the transaction of other business.

OUR "KNOW CANADA" CONTEST

140 Prizes - - $2,000

The "Know Canada" Contest for readers announced two weeks ago is creating a vast amount of interest and judging from the numerous enquiries every family reached by The Beaver will be a competitor. The second set of four rebus pictures may be found on page 3 of this issue. The pictures represent four Post Offices in Canada. Can you solve them? Two thousand dollars in cash prizes are offered for the best answers. Full particulars will be found on page 3. Begin to-day. The pictures will be found amusing and interesting and the study of them will pass many a pleasant hour round the family circle during the long evenings. The contest is open to all, old or young, and one or more members of any family where The Beaver is read may enter the contest. See page 3 for full particulars.

CONSERVATIVE CONVENTION

MR. ARCH. B. CARSCALLEN, OF TAMWORTH, WAS CHOSEN AS STANDARD-BEARER

MOST ENTHUSIASTIC CONVENTION EVER HELD IN NAPANEE, OVER TWELVE HUNDRED BEING PRESENT —POPULARITY AND ABILITY OF CANDIDATE AUGURS WELL FOR HIS SUCCESS.

The largest convention of a political nature that was ever held in Napanee was that of the Liberal-Conservative Association in the Armouries on Wednesday afternoon, when over twelve hundred constituents gathered to select a candidate to contest the Riding of Lennox and Addington at the pending Federal election.

The meeting was opened by the President, H. A. Baker, Esq., who, in a few brief remarks, stated the object of the convention, and asked the Committee on Credentials to proceed with their duties re vouching for the delegates present, and while they were attending to this the following resolutions were presented:—

Moved by J. W. Robinson, seconded by T. A. Dunwoody, and resolved:

That the Liberal-Conservative Association of Lennox and Addington in Convention assembled, desires to congratulate the Right Hon. Arthur Meighen, Prime Minister of Canada, on his successes to that most honorable distinction, and pledge him the unswerving devotion, loyalty, and support of the members of this Association in the approaching Dominion Elections. And that a copy of this resolution, since his entry into the Dominion Cabinet, his vigorous grasp of affairs and successful performance of all the tasks committed to his care, and we appreciate the ability and fearlessness with which he emphasized, at the recent Imperial Conference, the position that the Dominion Government took with regard to not only affairs noted with the British Empire, but also with regard to world-wide matters affecting the British Empire or its component parts, stating definitely and clearly the whole position of the Dominion and throughout the Conference holding an outstanding and influential position.

Further with regard to the Domestic Policy of the Government as proclaimed in the Premier's Manifesto, the principal note of which is adequate protection for Canadian products of the farm, forest, factory and mine, and home building up of our Hohne Markets, we fully endorse, and especially as it warns on the traditional policy of that grand old Canadian Statesman and Patriot, the late Right Honorable Sir John A. Macdonald. We fully believe that the platform of Premier Meighen commends itself to the great majority of the people of the Dominion.

We feel confident also that the granting of the Franchise to Women by the Government of which Premier Meighen was then a member, will prove of inestimable advantage to the Country.

Carried unanimously.

Moved by Jos. Harper, seconded by W. G. Wilson, and resolved,

That the Liberal Conservative Association of Lennox and Addington in convention now assembled, expresses its confidence in the leadership of the Hon. G. Howard Ferguson in the Legislature of Ontario, and deprecates the unfair attacks which have been directed against him by the abuse of the Farmer Press of the Province. We appreciate the ability our Leader in the Local House developed as a faithful Minister of the Crown, and pledge him our hearty support and confidence. We also heartily endorse his condemnation of the unprecedented extravagance of the Drury administration and its failure to carry out its pre-election promises.

We look forward to the day when this Province will be honored by having the Hon. G. Howard Ferguson as its Premier and Leader.

Carried unanimously.

Moved by A. B. Carscallen, seconded by C. W. Hambly, and resolved,

That the Liberal Conservative Association of Lennox and Addington in convention now assembled, desires to place on record its appreciation of the faithful and unselfish service rendered to the Electors of the Constituency of Lennox and Addington by Wm. J. Paul, Esquire, Ex-M.P., during the memorable years which have elapsed since he entered the Federal Arena in 1911. During those years there never was a question of the loyalty and devotion of our representative to the cause of the British Empire and British connection, and he was always found upholding those measures which had for their object the upbuilding of Canadian Institutions, Canadian Industries, Canadian Commerce and the development of Canadian Natural Resources.

Courteous and considerate in his intercourse with his constituents and laboring for them not only collectively but individually as far as lay in his power, he has shown himself the popular representative who has won grasp of Canadian affairs, and of the administration of the affairs of the Government, and have rendered him capable of being of immense assistance to his colleagues, of which he has been a consistent supporter.

We also congratulate him upon his apparent restoration to health, and his recent happy marriage and wish him many years of bliss in a joyful wedded life.

Carried unanimously.

Mr. Paul thanked the Convention for their kind resolution and for the loyal support given him in the past.

Moved by Walter Platt, seconded by Thos. McNeely, and resolved,

We have watched the careers of Messrs. W. D. Black, M.P.P., and R. A. Fowler, M.P.P., in the Local Legislature and feel that in these representatives we have men whom the Electors of Lennox and Addington can trust for their devotion to duty, honesty of purpose, and knowledge of affairs coming within the scope of our Provincial Legislature. We approve of the consistent support they have given the Leader, the Honorable G. Howard Ferguson, in the House, and feel that the Policy of the square deal and of efficiency and economy in administration, will always be their inspiration.

Carried unanimously.

Mr. Fowler said he had been a member of the Liberal-Conservative Association of Lennox for the past forty years and never had he seen such a large attendance at a convention. He heartily thanked those present for their kind resolution.

Mr. Black also thanked the Convention for their kind words of appreciation, and expressed the belief that in a very short time the Hon. G. Howard Ferguson would be occupying the position of Prime Minister of Ontario.

The following gentlemen were then put in nomination:—

W. D. Black—Moved by Robt. W. Saul, seconded by Lewis Hartman.

W. W. Adams—Moved by Thos. Milsap, seconded by Thos. McNeely.

A. B. Carscallen—Moved by Alex. McIntosh, seconded by Jos. H. Huffman.

J. W. Robinson—Moved by R. H. Baker, seconded by Mrs. Dafoe.

Cyrus Edgar—Moved by J. A. Salsbury, seconded by S. S. Clancy.

Jos. Hicks—Moved by Mrs. J. W. Galt, seconded by Mrs. W. H. Bartlett.

Chas. W. Hambly—Moved by John Kenny, seconded by D. Boice.

Jos. Foster—Moved by W. J. Patterson, seconded by Fred Clark.

Henry Drew—Moved by H. York, seconded by R. J. Hannah.

Alf. M. Bell—Moved by T. J. Cook, seconded by Levi Huffman.

W. J. Paul—Moved by Jos. Hicks, seconded by W. G. Wilson.

A. C. Tummon—Moved by G. S. Sexsmith, seconded by Christie Keller.

Messrs. W. D. Black, W. W. Adams, Jos. Hicks, Henry Drew, and W. J. Paul withdrew, leaving the other seven in the contest.

The chairman then invited the nominees to the platform and allowed them five minutes each to address the convention.

W. D. Black, M.P.P. for Addington, deemed it an honor to himself to receive nomination at this convention, but at the urgent request of a large number of his constituents he had decided not to leave the Provincial Legislature. He considered his own interests financially he would accept, but asked that his name be taken from the list. He had heard that Mr. Sexsmith, the progressive candidate, was a fine fellow, that up until five years ago he had been a Conservative, then served five years in the Liberal fold, and now was U. F. O.

W. J. Paul referred to his illness last May, when he was advised by his doctors to get out of political life, and while he regretted it very much he could not possibly accept the nomination. He thanked one and all for their kind support in past years.

A. C. Tummon was not aware of the fact that he would receive nomination at this convention. If he was the successful nominee, well and good; if not, he would be out behind the lucky candidate.

A. B. Carscallen thought that success would be with the Conservative candidate at the coming election. He referred in glowing terms to the interests of his rural and urban constituents alike.

J. W. Robinson appeared before the convention as a nominee without having the slightest of a single vote, and, if selected or not, he hoped that all would loyally support the choice. He had always been a Conservative because he thought the Conservative policy was always best for the country.

A. M. Bell had decided to allow his name to go before the convention as a candidate. He was born on the farm, had always lived on the farm, and in all probability would die on the farm. He had been approached by a large number of supporters to allow his name to go in nomination, but would support whoever was selected.

Cyrus Edgar was pleased to see so many present. He had not solicited nomination for this convention, but if chosen he would work for the interests of all. He was in close connection with the farmers at all times, and knew their needs. He closed by thanking his nominator and seconder.

Cyrus Edgar fully believed the Conservative party was going to win this election. He had been asked to allow his name to go before the convention and had decided to do so. He had had plenty of Municipal experience, having served his municipality as Reeve, and also the County as Warden.

Jos. Hicks asked to have his name withdrawn.

Jos. Foster congratulated the Executive of the local Association for the large attendance at the convention, and would support whoever was chosen.

W. W. Adams did not expect nomination and asked to have his name withdrawn, as also did Henry Drew.

The task of taking the ballot was the next order of business, Mr. A. B. Carscallen, of Tamworth, receiving a majority of the second ballot, the vote being as follows:—

First Ballot—Carscallen 158, Hambly 85, Bell 29, Edgar 38, Foster 36, Robinson 34, Tummon 14.

Mr. Tummon being the low man, his name was dropped from the list, and Mr. Edgar also asked that his name be withdrawn.

Second Ballot—Carscallen 260, Hambly 102, Bell 35, Robinson 31, Foster 24.

While the taking of the ballot was in progress, Hon. Dr. J. W. Edwards, Minister of Immigration, gave a brief review of the doings of the political parties in Canada for the past several years, and said the finances of this country had been handled more carefully by the government in power than by any government since Confederation. While it had cost more to govern the country during the past year than in 1914, still the same applied to any business or household. So with any government, the speaker reciting instances, including the Farmer-Labor Government of Ontario whose expenditure was 119 per cent. higher than in 1914, while the Dominion Government was only 21 per cent. higher for the same period. He also stated the fact that the Dominion's expenditures for militia and defence is the lowest of any civilized country. The dispositions of the members of both sides of the House was to work generously with the boys who had served overseas, the liability being to err on the right side, viz., the side of the returned man. Five per cent. of those now in the Civil Service are ex-service men, the reason being that when the Armistice was signed on Nov. 11th, 1918, the Canadians were the best fighting unit on the battlefront. The main issue in this campaign is the tariff. We want the factories in Canada to be giving work to Canadians in Canada, and will give just enough protection to try and ensure the same. The Progressive party (of which Mr. Sexsmith is the local candidate) led by T. A. Crerar, of Manitoba, proposed cutting off all duty on farm machinery, having free trade with Britain, all foodstuffs free, and intended raising money by direct tax on unimproved land values. The speaker, as Minister of Immigration, asked these present if they thought he should let Canadians come into this country and take the work that is needed by our Canadian people? The Progressive party (Mr. Sexsmith) would throw the door to the foreigner, but proposed letting the produce of the foreigner come in, which would keep down prices for the farmer.

(Here digress accordingly that space will not permit us to give a more extensive report of Hon. Dr. Edwards' masterly speech—Editor.)

Moved by C. W. Hambly, seconded by Ryland, that the nomination of A. B. Carscallen as the candidate of the Liberal-Conservative Association for Lennox and Addington for the Federal House be made unanimous. Carried.

Mr. Carscallen briefly thanked the convention for the honor conferred upon him. As the hour was getting late he would not attempt to make a speech, but the people would hear from him later on.

The following officers were elected for the ensuing term:—

President—Cyrus Edgar.

Vice-President—C. W. Hambly.

Secretary—Dr. C. M. Stratton.

Asst. Secretary—G. H. Richardson.

Treasurer—J. N. Osborne.

The meeting closed by singing "God Save the King."

YARKER.

Kenneth Freeman, son of Stan. Freeman, met with a bad accident on Sunday afternoon, when, after crossing the road he dodge east of Yarker, the Ford car driven by Mr. Freeman overturned, throwing him through the windshield. At first he was thought to be seriously injured, but, with the exceptions of a bad cut on his head and a few bruises, he came off all right. Dr. Oldham dressed his head, which required seven stitches to close the wound.

Mr. Jas. Wilson was able to be out. D. H. Smith is able to be out again, after being confined to his home for a few days suffering with pleurisy.—A. E. Holland is putting a new roof on his bakeshop.—Mr. and Mrs. Arthur Dawn, of Ottawa, are spending a few days with his parents, Rev. and Mrs. Downs.—Mr. and Mrs. Chas. Ostis are spending a few days in Kingston this week.—The young people held a masquerade party in the Orange Hall last night.—The Methodist Church will hold their anniversary services in the church on Nov. 13th and 14th, consisting of supper and concert.

A CHARMING LADY OF A HUNDRED YEARS.

On the afternoon of Tuesday, October 18th, cars from many of the country places round about, and from Kingston, drew up at the door of the home of Mr. and Mrs. F. F. Vanluven, Collins Bay, their occupants having one intent, that of bringing good wishes and congratulations to Mrs. Smith, widow of the late Darius E. Smith, for many years Inspector of Lighthouses on the St. Lawrence and the Great Lakes, between Montreal and the head of Lake Superior, on the one hundredth anniversary of her birth. Mrs. Smith, a dainty, dignified lady of the old school, wearing that most becoming of head dresses, a widow's cap of snowy tarletan, for the husband she lost forty odd years ago, welcomed her visitors with a kindly courtesy, having a special word for each of them, with a remembrance of some little incident connected with their family life.

When the personal greetings had been offered, Rev. Gordon Sisco, of Collins Bay Union Church, addressed Mrs. Smith, saying he had a duty to perform which was also a pleasure, and for him it was a unique experience, to offer congratulations to one who had reached the hundredth mark, who coupled the past with the present, whose long life had not only length of years but beauty of quality. Her life has been that of a consistent Christian, as daughter, wife, mother, and neighbor, her advice and wise counsel being valued in her circle of friends during the long years. It was hard to visualize life in 1821 or the condition of the county then, a few years later when Queen Victoria was coming to the throne of England. Our young country was gradually being given the responsibility that resulted in federation. Mr. Sisco read an address conveying the good wishes of a number of friends on the occasion of Mrs. Smith's hundredth anniversary, and Anthony Rankin, M.P.P., assisted by Anthony M. Smith, rolled forward the handsomely upholstered easy chair, the gift of these friends, and giving his arm to Mrs. Smith placed her in it. The dear old lady was overcome for a minute, but said, "Oh, thank you, thank you, it is you, Mr. Rankin, I voted for you last year, and please God, I will vote again this year." Then with the old world courtesy so noticeable in all her ways, she stood up and said:

"I thank you all. Would you like to hear a story of the early days? I claim Wilton as my birthplace. I was born there on October 18th, 1821, when it was known as Simmons's Mills. When it was to be a post office, the name was changed to Wilton. I was teaching there and as the children were leaving at noon, I heard a bugle. There were rumors of the Fenian rebellion in the air, and I rallied out to a boy, 'Is it war?' 'No,' he said, 'It is the first mail.' And sure enough a man came riding up with the mail in his saddle bags."

Tea and birthday cake was served to the guests by Mrs. Smith's daughters, Mrs. Ferguson, Mrs. Vanluven, Mrs. W. E. Grass and some of her granddaughters. Mrs. Smith lost one daughter and three sons, Drs Allen Smith, Napanee, passing away not long ago. She has twelve grandchildren, and thirteen great grandchildren, one of whom, a bonny little lad, Allen Sproule, was at her knee. Mrs. Smith laughed in a gentle way as she sat in her comfortable chair and said she would be able to have a little nap any time now.

Mrs. Smith is the eldest daughter of the late Timothy Allen, and was born four miles from Wilton and has spent her life, except for a brief period when she was at school in the States, in the townships of Ernestown and Kingston. Mr. Allen was a local preacher and steward of the church of Wilton, used by both the Methodists and Presbyterians who had services at different hours. Mrs. Smith taught school for seven years and laughed when she told of the huge boys and girls in her first school a big one, who came asking their young teacher, much smaller than they, to teach them to write. The forest was all about the little settlement at Simmon's Mills, where the people brought their wood to be sawn and their grain to be ground; wolves howled in the big swamps nightly, bears were in the forest, and Mrs. Smith, then little Margaret Allen, remembers the care taken by her father to pen the sheep at night, lest some of them should escape and become the prey of the wild beasts.

Mrs. Smith made her first trip to Kingston when she was seven years old, riding in a wagon, with her mother sitting in a chair, securely fastened, to keep her from falling out. The roads were merely trails through the forest. Great logs lay across the pathway and even after ninety years the old lady has a distinct recollection of her brother, Kingston was a long straggling street, as the little girl remembered it, with small shops and a larger shop near the waterfront where the farm produce was exchanged for the needed articles. People wore homespun made from the wool carded at the old carding mill at Collins Bay, still standing, owned by Anthony McGuin, an uncle of Anthony Rankin. Toll gates, now abolished, were placed on the Bath road and Portland road when Mrs. Smith began to teach school, and she has tales to tell of the excitement the first train that passed over the Grand Trunk rails caused in her neighborhood. Great open fires were used till stoves came in and the meat and fowls roasted on a spit.

Mrs. Smith says she feels quite well, though her sight and hearing are not quite what they were. She drove to Cataraqui cemetery on Saturday last in a car with her family. She enjoyed the many pretty gifts she received on Tuesday. Her only regret is for the husband and children who have gone before her to the land of rest. The entire community feel they are the better for this stainless life lived quietly among them, and rejoice that it has been so prolonged.

A PLEASANT EVENING IN CENTRAL SCHOOL

The Home and School Association of Central School held a very pleasant open meeting Wednesday. Mrs. F. Miller, the President, was in the chair, and the minutes were read by the Secretary, Mrs. R. Donne.

The musical numbers on the programme were a piano solo by Miss Margaret Donne; vocal solos, by Miss E. Dix and Mr. O. M. Steer; a vocal duet by Mrs. C. Hughes and Miss E. Williamson, accompanied by Mr. Walden; and a violin solo by Arnold Spencer, all of which were very much enjoyed. Variety was added by readings from Miss K. Vincent and Miss J. McGill.

The most interesting feature of the evening was the presentation of the certificates to the successful entrants—pupils of the school, by Mr. R. F. Downey, the Principal. In his remarks, Mr. Downey called the attention of the parents to the necessity for vigilance on their part in helping the boys and girls to achieve this certificate—the one which, no doubt, brings greater pleasure than any which they might receive in the continuance of their schooling. He said that the situation of the school in the business section, with its many attractions, added to the difficulty of the pupils, thus making it a greater achievement on their part to obtain the certificate, and addine to the responsibility of the parents in seeing that the leisure hours of their children were properly supervised.

Mr. A. Mowat spoke of the increase in the number of Entrance candidates during the last twelve years, and said that the percentage of pupils in the City of Peterboro', who took a further course of study, was above the average. He also spoke of the fine spirit which exists at the school showing that something more than actual book-knowledge is being instilled in the minds of the pupils through the influence of parents and teachers.

After some points of business had been discussed, refreshments were served by the graduating girls, and the meeting was closed with the singing of the National Anthem.—Peterboro' Examiner.

The new guard was not familiar with a certain railway run in Wales. Came a station which rejoiced in the name Llanfairfechanpwllgwyngyll. For a few minutes he stood looking at the signboard in mute helplessness. Then pointing to the board and waving his other arm toward the carriages, he called, "If there's anybody there for here, this is it!"

Presentation and Address.

The many friends of Mr. and Mrs. R. J. Hilditch gathered at their home in Hawley, on the evening of October 18th, and presented them with the following address:—

Mr. and Mrs. Hilditch:

Dear Friends,—It is with considerable regret that we as friends and neighbours have assembled here tonight on this particular occasion. As we have learned of your early departure from our midst, notwithstanding the fast that owing to Mr. Hilditch's physical condition you have been advised by your physician to go abroad for an entire rest, you will be missed very much from this community, as you have been a resident among us for many years.

We have always found you to be a man of cheerful disposition and would inconvenience yourself for the welfare of your neighbours in time of need, and Mrs. Hilditch has for many years been associated with different departments of Christian work, always responding very cheerfully when called upon.

And Ernest, you will also be missed by the young people in your Sunday School class and those who have made your acquaintance from time to time.

We now ask you on behalf of your friends and neighbours to accept these gifts, Mrs. Hilditch this purse and umbrella, and Mr. Hilditch this club bag, and Ernest these cuff links, as a slight remembrance of esteem in which you are held. And as you have occasion to use them from time to time will bring fresh to memory those whom you hope long been associated with.

Signed on behalf of
MRS. FRASER LAMPKIN.
MRS. J. C. FEUTIS.
MRS. J. L. SMITH.

Mr. Hilditch, although taken very much by surprise, replied in a very pleasing manner, wishing all every prosperity and success.

All joined in singing "For He's a Jolly Good Fellow" before taking their departure.

LAPUM.

The many friends of James Skinner of Son, Camden East, were sorry to hear of their recent loss by fire. — Miss Helen Benn, Colebrook, is the guest of Mr. and Mrs. Maitland Boulton.—Mr. and Mrs. Stanley Bush, of Paris, are spending some time here with his brother, Sidney, and sister, Mrs. Fred Brown. Mr. Bush was born and brought up here and his many friends were pleased to see him and his bride.—Mr. and Mrs. Lewis Hartman, Camden East, spent last Sunday with Mrs. Wm. Pringle.—E. N. Lapum and family, Wilton, were also recent visitors of Mrs. Wm. Pringle.—Mrs. Levi Brown spent a day recently with Mrs. Clara Lapum. —Mr. and Mrs. F. Brown paid a flying visit to Kingston on Thursday. —Mrs. B. Rose, Collins Bayais spending a few weeks here with Mrs. Wm. Pringle.

Studebaker
Light Six

Economical
because of its Exclusive Internal Hot Spot and Light Weight—

The Studebaker LIGHT-SIX might well be called the "Economy Six", for every day in the hands of hundreds of owners it is averaging between 21 and 26 miles to the gallon of gasoline.

Such low fuel consumption is due chiefly to its Internal Hot-Spot, an exclusive feature of the LIGHT-SIX motor, designed by Studebaker engineers.

The light, evenly-balanced weight of the LIGHT-SIX chassis further contributes to its low operating expense—not only with respect to fuel, but tires as well.

See the LIGHT-SIX, analyze its fine quality of construction and you will agree that it represents the maximum of automobile values.

LAWLOR—O'CONNOR

A quiet but pretty wedding was solemnized at St. Patrick's Church, Napanee, on Monday morning, the 24th of October, 1921, when Miss Mary Lawlor, daughter of Mr. and Mrs. John Lawlor, of South Fredericksburgh, became the bride of Edward M. O'Connor, son of Denis O'Connor, of the same township. The Rev. Father O'Conner performed the ceremony, which was followed by nuptial mass, at which a large number of friends and relatives assisted. The bride, who was given away by her father, wore her travelling suit of navy blue serge with dark blue hat to match. She was assisted by Miss Mary McKeown, of Newburgh, and Daniel Lawlor, brother of the bride, ably supported the groom. After the ceremony the happy couple left for an extended tour of the western cities. The bride received many useful and costly gifts, showing the high esteem in which the young couple were held. After their return they will reside in South Fredericksburgh.

VARIETY SHOWER.

On Thursday evening, Oct. 6th, about fifty of the friends of Mr. and Mrs. C. H. Kimmett gathered at their home to present them with a variety shower. The following is a list of the presents received:—

Know Canada Contest

TWO THOUSAND DOLLARS IN CASH PRIZES
ONE HUNDRED AND FORTY PRIZES
The Greatest Contest Ever Offered to Newspaper Readers
Open to All Readers of The Napanee Beaver

The Family Herald and Weekly Star, of Montreal, is starting a new contest, for which they offer Two Thousand Dollars in cash, divided into 140 prizes, as follows:—1st Prize $500.00, 2nd Prize $250.00, 3rd Prize $100.00, 4th Prize $50.00, 5th Prize $25.00, 10 Prizes of $20.00 each, 50 Prizes of $10.00 each, 75 Prizes of $5.00 each. 140 PRIZES, TOTAL $2,000.00.

The contest will be called the "Know Canada" Contest, and contestants are required to solve fifty rebus pictures representing fifty Post Offices in Canada. The Napanee Beaver has concluded an arrangement to join The Family Herald and Weekly Star in this great contest and every reader of The Beaver will have an opportunity to compete for the prizes.

DO YOU KNOW WHAT POST OFFICES IN CANADA THESE FOUR REBUS PICTURES WOULD REPRESENT? COULD YOU SOLVE FIFTY SUCH PICTURES?

No. 5. Study each article, figure and letter—all three are required to complete the picture.

No. 6. If you know the name of this bird or fowl you will have the Post Office it represents. See page five of the list of Post Offices.

No. 7. Note the Star. This Post Office will be found in a Western Province. It will require close attention—apt to confuse with another.

No. 8. What birds are these?—they will give the clue. See page 5 of the list of Post Offices.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $850, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

Contest will begin early in October. See that your subscription to The Napanee Beaver and The Family Herald is paid well in advance and prevent losing a single issue. Back numbers cannot be supplied.

New subscribers may enter the contest by complying with the above conditions.

Address—The Napanee Beaver, Napanee, Ontario,
or The Family Herald and Weekly Star, Montreal.

Just the Clothes You Want for Winter

CLOTHING that endures, despite the hardships of service—made stylish and stays stylish, is "good" clothing.

You will appreciate this fact when your better judgment decides "*Progress Brand*" clothing for yourself.

Our vast assortment of textures and colors permit a most satisfactory selection of these pure-wool, ready-to-wear clothes.

Come in early while the stock is complete.

The label that made Canada famous for its reliable clothing

J. L. Boyes & Son

WE find there is an altogether wrong impression abroad about the price of clothing. The manufacturers and retailers have cut profits to the bone, and reliable merchants are offering worth while clothes at very moderate prices.

J. L. BOYES & SON are showing a Young Man's very stylish soft faced Grey Melton winter weight Overcoat at $19.75. This coat has an all-round belt, and is a value that can not be bettered in Canada.

The same firm are showing a special line of Boys' Dark Fawn wool and cotton Tweed Suits in all-round belt style, at $6.50. When you look at this suit you will be impressed at its smart appearance and good value.

BOYES & SON are also showing Men's and Young Men's very fine Botany Serge Suits in a rich navy blue shade, at $30. These are well tailored and lined with wool Italian. These were $50 last fall. Can anyone expect a bigger reduction in 12 months?

In Underwear you can buy Tiger Brand Heavy All Wool Ribbed Underwear for $1.50. This is a 100 per cent reduction from last year.

These few samples will show you that the reductions in men's wear have been big—and to make it better, the quality is better.

OBITUARY.

Mrs. Ross Dudgeon.

On the evening of Sept. 26th, 1921, a deep gloom was cast over the surrounding vicinity when the news rapidly spread of the sudden death of Florence Irene Coburn, beloved wife of Mr. Ross Dudgeon, of Selby. She had been ill just a few hours, and all that two physicians, a nurse and other loving hands could do, was of no avail until God relieved her.

Deceased was just twenty years of age, had only been married about ten months and amid the pleasures of her new home found much to live for. Her life was like a beautiful flower which blooms and gladens our hearts for a time and the tender branch is broken and the flower gone forever, leaving the delicate perfume to remind us of its beauty.

Besides her heart-broken husband, she leaves to mourn her early demise two sisters and two brothers, with other sorrowing friends to whom we extend our deepest sympathy. The casket which was laden with choice wreaths and sprays from her many friends was borne to Selby Church on Wednesday afternoon, where Rev. T. H. P. Anderson and Rev. E. Farnsworth, a former Pastor of deceased, delivered an impressive sermon to the sorrowing friends and neighbours, after which the remains were laid to rest in Camden V. cemetery to await the Resurrection morn.

GRAVEL ROAD.

The weather has been very changeable. A heavy wind storm passed over Friday, doing practically no damage.—The farmers are busy threshing their buckwheat, which they pronounce a good yield.—Mrs. D. Bell and family are spending a few days with her sister, Mrs. Hugh Perry, Desoronto.—Mr. A. Hagerman made a flying trip to Kingston on Sunday last.—Miss Grace Sharp, of Syracuse, arrived home last week to spend a few days with her parents, Mr. and Mrs. E. R. Sharpe. — Mrs. Nancy Lewis has been visiting at W. J. Armstrong's, Millhaven. — Mrs. James Lemon, of Ernesttown Station, spent a few days at Mrs. Mile Burk's. — Mrs. Nelson Stone, of Syracuse, is visiting her brother, Mr. David Thompson.—We were very sorry to hear of Mr. and Mrs. Fred Ham's residence being destroyed by fire on Friday last, losing most of their contents.—The Ladies' Aid are preparing for a fowl supper, to be held at the Union Church, on Thursday, Nov. 10th. A good programme is being prepared by the committee. Talent from Napanee is expected, and an elocutionist from Kingston, as well as home talent. Particulars later.

Don't upset the child's stomach with nauseating Worm Powders. Rexall Worm Syrup is far superior and is quite pleasant to take. For sale in Napanee only at Wallace's.

ENTERPRISE.

The weather still continues cool and showery.—The play rendered last week by the Addolphustown Dramatic Club was well attended, and all enjoyed a pleasant evening.—Mr. Wm. Tindle was over to Napanee on Wednesday.—Service in St. John's Anglican Church next Sunday at 10.30 a.m.; Holy Communion.

PLEASANT VALLEY.

Mr. and Mrs. Young have moved into their new home.—Mrs. Frank Vandervoort entertained a few friends on Thursday. —Mr. and Mrs. Geo. Dupree and family called on Sunday at Messrs. S. French's and Millord Dupree's. — Mrs. Hoffman, who has been visiting at her daughter's, Mrs E. Lasher, accompanied her daughter, Mrs. W. Ferry, to Toronto on Monday.—Mr. Harold Dupree is ill with jaundice. We hope for a speedy recovery.—Mrs. Fred. Smith and Jean are visiting her father, Mr. James Cuthill.—Mr. and Mrs. G. Sills and Keith visited Sunday at Mr. W. F. Meyers, Belleville. — Mr. and Mrs. Sam. Reid and baby at Mr. Merle Sills' on Sunday.—Rev. A. J. Terrill called at several homes in this vicinity last week. —The farmers here are pretty well along with their fall ploughing.—Mr. and Mrs. Will. Birrell and Mr. Arthur Birrell, Bath, visited on Sunday at Mr. Milford Dupree's and attended Grace Church in the evening.—Mr. and Mrs. Merle Sills and Mr. and Mrs. Davison motored to Ellisonville and spent Sunday at Mr. Bruce McFaul's.

Mrs. Wheeler Dies of Her Injuries

Mrs. John F. Wheeler died in the Kingston General Hospital at 7 o'clock Saturday morning as a result of injuries received in the auto accident near Westbrook on Tuesday of last week. She underwent an operation on Friday in an attempt to reduce the fracture of the skull from which she was suffering, but she failed to rally from this operation.

Although Mrs. Wheeler had never regained consciousness since the fatal accident when she was pinioned under the car which her son was driving when it turned turtle, the doctors in attendance held out some hope of eventual recovery up to the time of the operation.

The body was brought to Napanee for burial on Saturday. The funeral service was held in St. Patrick's Church on Tuesday morning at 9 o'clock and was largely attended. Deceased leaves surviving besides her husband, a daughter in her teens and two sons. The sorrowing family have the deepest sympathy of their many friends.

TAYLOR—GAFFNEY

A pretty autumn wedding took place at the Church of the Assumption, Erinville, on Tuesday morning, Oct. 18th, when Helena, daughter of Mr. and Mrs. J. Gaffney, became the bride of Richard Taylor, son of Mr. and Mrs. R. Taylor. Rev. Fr. Meagher performed the ceremony. The bride, who was given away by her brother, was beautifully gowned in turquoise blue Canton crepe, elaborately embroidered with touches of peach. The bridesmaid, Miss Nora Murphy, cousin of the groom, looked well in a plain gown of navy charmeuse. Mr. J. Gaffney, brother of the bride, was best man. Following the ceremony a dainty wedding breakfast was served to the immediate relatives and friends at the home of the bride's parents. A reception was held later, attended by about one hundred guests. Many good wishes were extended to the happy couple. They will reside in the vicinity of Marlbank, where Mr. Taylor is a prosperous farmer.

CARD OF THANKS.

I take this opportunity of thanking my friends and neighbours, not only of Camden East, but also those from Ernesttown and Camden, who responded so quickly when they got word my shops were on fire, and I also wish to thank my friends in Newburgh for bringing up their fire appliances. They certainly kept the fire from spreading, and we must all thank Mrs. Blakely for giving the alarm, for had she not seen the fire and given the alarm the lower part of the village would have been wiped out.

Any person wanting stoves, furniture, etc., I would be pleased to get your order from catalogue, until I get a place to move.

Are You All Ready?

For six months of Canadian Winter? One of the most important things requiring your attention is the making of the Home comfortable and pleasant. In the first place you should get new Paper to cover the walls wherever they are soiled or show evidence of wear. We have now on hand the very largest stock of Wall Paper we ever had at this season. It embraces Canadian and American makes, and was bought at prices away below any since before the war. There is positively no other way that you can spend a few dollars with greater satisfaction with the result than in Wall Paper. Look and think the matter over.

We have a new stock of Window Shades of the various grades, and they were bought at prices that will enable us to offer at prices that will be as low as the lowest.

A large stock of Framed Pictures has been added to our stock, embracing some lines of great beauty. If you have Pictures to frame, bring them in. We have new stock of up-to-date Mouldings.

The long evenings are at hand, and you who delight in reading, will require Books, Magazines and Papers. We are ready to supply anything you require, no matter where published, at the very lowest price.

If You Have $300 or More Read This

It is well to have money in a Savings Bank and get 3% or 4% on it. Nobody will find fault with your prudence.

But when you consider that Governments are borrowing money at 6% and higher and that there are enterprises in which you can invest with equal safety and get 8% on your money, surely it is the height of prudence to look into such investment offerings.

A case in point, and one worthy of your immediate attention, is the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, Montreal.

This enterprise is the largest of its kind in the British Empire. There is no city in Canada where the need of such an hotel is greater, and where the earning powers of the hotel is more certain than in Montreal.

Montreal is our greatest ocean port; it is our greatest transcontinental terminus and the centre of all Canadian tourist traffic from the Eastern and Southern United States. For these reasons, then, we recommend those who have the money to consider immediately the investment of a portion of it in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited.

By all the estimates which the United Hotels Company of America have prepared, the earnings will be not only ample to pay the interest on the Debentures, but there should be a very substantial margin available for dividends upon the Common Stock which is now given as a bonus. For, remember, King Edward Hotel Common Stock (another United Hotels enterprise) is now paying dividends at the rate of 10% per annum, although it, too, was also given away as a bonus three years ago.

In short, you may invest in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, with the assurance that your money is safe—your 8% interest certain and your prospects good for a nice profit from your Common Stock Bonus.

The price of the Debentures is par, carrying a 20% Common Stock Bonus. Send your order now or write for full particulars. Address:

To W. A. Mackenzie & Co., Ltd.

WISE AND OTHERWISE.

"Hello, old top. New car?"
"No! Old car, new top."

If one be troubled with corns, he will find in Holloway's Corn Remover an application that will entirely relieve suffering.

Sambo—Looky heah, big boy, don't yo-all mess wid me, 'cause Ah's hard! Las' week Ah falls on a buzz saw an' Ah busts it—com-plete-ly.
Rambo—Call dat hard? Listen, man. Ah scratches de bath tub.

Protect the child from the ravages of worms by using Mother Graves' Worm Exterminator. It is a standard remedy, and years of use have enhanced its reputation.

"Golf must be a very amusing game."
"Well," returned the novice, "it has not made me laugh yet, but my caddie appears to get a great deal of quiet fun out of it."

A Powerful Medicine.—The healing properties in six essential oils are concentrated in every bottle of Dr. Thomas' Eclectric Oil, forming one of the most beneficial liniments ever offered to the use of man. Many can testify as to its power in allaying pain, and many more can certify that they owe their health to it. Its wonderful power is not expressed by the small price at which it sells.

Two farmers met after church as usual, and had this conversation:
"Sold your pig?"
"Yes."
"What'd ye get?"
"Thirteen dollars."
"What'd it cost ye to raise it?"
"Paid $3 for the sheat, $5 for the lumber in the pen and house and $5 more for the feed."
"Didn't make much, did ye?"
"No, but I had the use of the pig all summer."

Excellent for Croupy Children. — When a child is suffering with croup, it is a good plan to use Dr. Thomas' Eclectric Oil. It reduces the inflammation and loosens the phlegm giving speedy relief to the little sufferer. It is equally reliable for sore throat and chest, earache, rheumatic pains, cuts, bruises, and sprains. Dr. Thomas' Eclectric Oil is regarded by many thousands as an indispensable of the family medicine chest.

The customer at the second-hand clothing store was far from being satisfied, but, on the insistence of the proprietor that everything was all right, finally consented to take the suit.
"I'm not at all sure yet that I've a fit," he complained.
"You just go home and take a look at yourself in the glass," rejoined the proprietor, pocketing the money, "and you'll have one all right."

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

The station master, hearing a crash on the platform, ran out of his room just in time to see the express disappearing round the curve and a dishevelled young man sprawled amid several overturned milk cans and the contents of his travelling bag.
"Was he trying to catch the train?" asked the station master of a small boy who stood by admiring the scene.
"He did catch it," said the boy, happily, "but it got away again".

Rinso

The Modern, Easy Washing Way—

No need at all for wash day to be a work day. Let Rinso do away with the weary rub of the wash board. Let Rinso do away with the steamy labor of the boiler. Let Rinso wash your clothes beautifully clean and snowy white in a new way—just by soaking in either warm or cold water. You make a rich, bubbly, cleansing suds with Rinso, put the clothes in, let them soak a few hours and then rinse them thoroughly. For dirty spots it will be necessary to rub between the hands.

STOP RUBBING—USE RINSO

STOP BOILING—USE RINSO

Rinso is not a "Washing Powder"
The fine granules of Rinso look much like a washing powder, but make this test: Use a heaping teaspoonful to a glass of boiling water, let it cool and then "turn it out."

"Washing Powder" —high in harsh chemicals —low in soap

RINSO —absolutely harmless. —so rich in soap it "yells"

If you have a washing machine—
Soak the clothes overnight in the usual Rinso way. The cleansing suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

Good gracious! this letter can't be for me?

Oh yes it is!!

WHAT DID BETTY BUY?

COPY OF BETTY'S LETTER

Dear Mr. Simpson

You know Clara Green, don't you? WELL SHE WANTED TO BE A NURSE. What do you think of that? OF COURSE SHE WAS SIMPLY TRYING TO APE A SISTER OF MINE. However she left for Toronto taking her maid Topsy to carry her luggage. When they got to the train the train was pulling out. THEY RAN SO FAST TOPSY RUPTURED A BLOOD VESSEL IN HER LEG. However when I got on the train alright. Then did you think happened? SHE TUMBLED AND FELL PELL-MEL ON HER BEAM-END. Isn't that funny? I BET SHE WASTED TO HAVE A NASTY EXAMINER FOR JERKING THE TRAIN SO. She soon got herself in order and looked a burden. A NICE CHAP PLEAD. HE WANTED TO BE A NURSE. She refused to him as he was a stranger. But after walking two blocks she was tired out THEN SHE THOUGHT HERSELF A SIMPLE MONSTER FOR REFUSING HIS HELP. She finally reached the Training School and registered. But she did n't like it a bit. She felt very blue IN FACT AT HER DINNER SHE ATE A VERY LITTLE. Her roughs were becomin more mean. IN A FIT OF JEALOUSY OR ANGER SHE LEFT. However before going home she bought a new dress at Simon's shop. When she tried it on it didn't fit. SO SHE TOOK IT TO SMITHS ALTERATION ROOM TOM CHANGES. Even then it didn't fit, and she wouldn't keep it. SO APPLYING FOR REFUND SHE GOT HER MONEY BACK. Then she took the next train for home. Isn't that an interesting story?

Betty Beatty.

PUZZLE

FIND ABOVE THE NAMES OF 12 ARTICLES SOLD IN A GROCERY STORE

Dear Mr. Simpson was amazed when he read the above story, which Betty Beatty had handed in to her teacher in the last hour. The letters in each group stand for the name of each one is hidden in one of the words. Read sentences across what it wants? Find the names and you get the order.

John Simpson rewarded the writer not only got the order. Can you do as well? If you can mail the correct list of the 12 articles to the Advertising Manager, Box 2, Toronto. Remember there are no trade mark names or descriptions, only particular articles. In so many cases, as in the first underlined sentence, the single name as "Brain" and not the plural "Brains" is used. So very easy, therefore, if you find the names to the right words as they appear in the sentence.

What surprises me most about Scotland (writes a visitor) is not the absence of haggis and the kilt or the presence of finely metalled roads, but the silence of the motor shops. Art and client say nothing more to each other than the few words necessary for the success of the operation in hand. When I remarked on this phenomenon to a much-travelled Scot, "Aye," he commented, "they're both thinking hard about the tip."

PLAIN TALK NO. 7

Dear People,—We purpose taking for our text this period, "Sell your Hammer and buy a Horn." Our past lectures, besides being to us very profitable, have proved also to have annoyed one or two persons, namely, Bums! and Stool Pigeons! So accept our apologies if we seem to be blowing a little, and try us out, and we will prove our words. We intend during the coming months, to do a little profit sharing among our friends Whilst visiting in Toronto and the West, it was our good fortune to become acquainted with leather dealers engaged on the following list and give us a trial to convince you we have the real goods.

Have You Zam-Buk Handy?

—for you never know when you may need this wonderful healer. Thousands of Zam-Buk soothes away pain and irritation and kills the germs which set up blood poison, ulceration, and eczema. Zam-Buk is a pure and highly refined herbal balm. Free from mineral drugs and animal fats it is the safest dressing for all skin sores and injuries. Everybody speaks well of Zam-Buk.

BABY'S SORES. Mrs. W. A. Fawcett, of River Glade, N.B., writes:—"On baby's scalp sores the usual ointments had no effect whatever. Zam-Buk, however, speedily soothed the irritation and cleared away every trace of disease."

FATHER'S BURNS. Mr. J. Johnson, of 734, South Marks St., Fort William, writes:—"I was badly burned by molten metal which went right through my boot. I was taken home and had the foot dressed with Zam-Buk. This kept away all festering and inflammation and in two weeks the wound was well healed."

MOTHER'S ULCERS. Mrs. J. Ellsworth, 902, Selkirk Avenue, Winnipeg, says:—"Ulcers started on my left ankle and in spite of doctors treatment, they spread towards the knee. Zam-Buk soothed the pain wonderfully, and further dressings of this famous balm stopped the discharge, took out all poisonous matter and healed my leg perfectly." 50c. box all chemists and dealers. TRIAL SAMPLE for 1 cent postage from Zam-Buk Co., Toronto.

DESERONTO.

The Autumn meeting of the Bay of Quinte Clerical Union in the Diocese of Ontario was held in the Parish of St. Mary's, Deseronto, October 18th and 19th. Twenty-two Clergymen were present. A delightful and well attended service was held in St. Mark's Tuesday evening, Psalms chanted, hymns congregational, and anthem by the full choir, and a solo by Mr. Bert Bowen were good. An excellent sermon was preached by Rev. F. H. Brewin, M.A., of Ottawa. The Clergy in their robes added to the dignity and impressiveness of this beautiful evensong. Two papers were read during the two days sessions, "The Virgin Birth and Modernism" by Rev. J. A. Davies, L.Th., of Rosslin, and "The Episcopate" by Rev. E. Radcliffe, B.C.L., of Deseronto, both papers were well received and profitably discussed by the Brethren present. The Rector and Mrs. Radcliffe were at home to the visiting Clergymen after the service, when a social time was thoroughly enjoyed at the Rectory. Before adjournment of the meetings a very cordial vote of thanks was passed and tendered by the President, Rev. Canon Armstrong, to the Rector and Mrs. Radcliffe and to the ladies of St. Mark's for their hospitality and kindness to the members of the B. Q. C. U. during their stay in Deseronto.

BETHANY.

Those who braved the weather on Monday evening last to attend the pie social were well repaid by the splendid programme and the abundance of pie.—Mr. and Mrs. Howard Clarke and Mrs. S. Goodfellow, Deseronto, spent Sunday at Frank Clarke's.—Mr. and Mrs. Geo. Clancy, Hay Bay, Sundayed at Mr. Stanley Joyce's.—Mrs. Lorne Alexander, of Belleville, is visiting at her brother's, A. Dean.—Mr. and Mrs. Geo. Burtch and Mr. and Mrs. S. E. Hambly motored out and spent Sunday afternoon at Roblin.—Mrs. Frank Clarke is confined to the house with jaundice.—Mr. and Mrs. James Keeche and family took dinner at Mrs. Eliza Field's, Gretna.—A number of neighbours and friends gathered at the home of Mr. John Galt on Tuesday evening, and presented Mr. and Mrs. Galt and Mr. and Mrs. W. Herrington each with a handsome rocker before their departure to their new home in Richmond.—Mr. and Mrs. John Snook and Mr. and Mrs. E. P. Joyce spent Sunday at E. B. Howell's.—Mr. and Mrs. S. Wamsley Sundayed at P. Davey's.

WEST WELLINGTON.

At the time of writing we are enjoying ideal weather. The recent rains that have fallen after the summer drought, have softened the ground and made plowing easy, and now we can hear the hum of the tractors once more.—Once more we are reminded that winter is approaching, and although the clouds that darken the scene on which we gaze, is not lacking in brightness. As the sun peeps out and falls on the autumn trees, we behold its golden glow and our thoughts turn to the giver of all good gifts and we say, "Is it not beautiful?"—Mr. and Mrs. Will Teskey and Mrs. John Teskey motored to Tamworth and visited at the home of Mr. and Mrs. Amos Frizzell. On their way home they spent a night at the home of Mr. Moat's, Belleville.—Thojo who were on the sick list are better again.—Committee meetings are the order of the day. Who is the best man?—Miss Carrie Delong, of Elmbrook, is spending this week with her cousin, Mrs. L. Ross, Wellington.—Mr. Wellington Teskey motored to Napanee and Tamworth, accompanied by his mother, Mrs. Joseph Teskey. Mrs. F. H. York and Mr. and Mrs. D. S. McLeod. Mrs. York returned to her home after spending the summer with Mrs. Jos. Teskey.—Mr. and Mrs. McLeod, Mrs. Jos. Teskey and Willie visited friends and old neighbours, after an absence of thirty-five years. They found a wonderful change. They also took in the supper given by the Ladies' Orange Lodge at Croydon.—Mrs. John Jamieson and Mrs. T. Hunter have returned to their home in Watertown, after visiting her brothers, Messrs. Jos. and John Teskey, and sister, Mrs. D. S. McLeod, all of Wellington.—Picking the winter apples is the order of the day. There is a great waste owing to the high winds.

E. Sills.—Mrs. Levi Moore and Mrs. Lillie visited Thursday with Mr. and Mrs. Alonzo Potter.—Mr. and Mrs. Blake Richards and son spent Thursday with her parents, Mr. and Mrs. Alonzo Potter.—Mr. and Mrs. John Delong visited at West Lake on Sunday, 2nd October.

DO ALL MY HOUSE WORK

Before I took Lydia E. Pinkham's Vegetable Compound I could hardly get about.

Cobourg, Ont.—"For many years I have had trouble with my nerves and have been in a general run down condition for some time. I could not do my work half of the time because of the trouble with my monthly periods. I was told of Lydia E. Pinkham's Vegetable Compound by friends and advised to try it. It has done me good, and I strongly recommend it. Since I have taken it I have been able to do all my own work, and I also know friends who have found it good. You can use these facts as a testimonial."—Mrs. ELLEN FLATTERS, Box 761, Cobourg, Ont.

Why will women continue to suffer so long as more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For forty years this good old fashioned root and herb remedy, which contains no narcotics or harmful drugs, has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such annoying complaints, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Historical Society Lecture Friday Evening, Nov. 4th

We all knew or thought we knew what the war was about, but how many of us know or even pretend to know how the many questions arising out of the conflict were actually settled at the Peace Conference. We have read in the papers during the past few months a great deal about Silesia. So much seemed to hinge upon the final disposition of Silesia, that the peace of the whole world was again threatened unless their problem was satisfactorily solved. If we wish a clear insight into the great question of reconstructing Europe, so that we can read the news of the day intelligently, we should get our information from someone who knows all about it. The Historical Society has secured such a lecturer in the person of Prof. James A. Roy, who was a member of the Interallied Commission of Control, Teschen, Silesia. He will lecture upon "Re-constructing Europe at the Peace Conference". This will be a rare opportunity to secure first-hand information that will enable us to keep in close touch with the progress of the great events of the day. No intelligent person can afford to miss this treat one week from to-night.

N. C. I. CADET CORPS RECEIVE PRAISE.

The following team represented the Napanee Collegiate Cadet Corps No. 45, at Toronto Rifle Ranges, on Friday, Oct. 21st, competing against other teams for the King's Cup and Pellatt trophy:—Capt. H. Babcock (Captain of team), Lieut. W. Perry, Cpls. J. Stewart, Geo. Daly, B. Thompson, Cadets L. Wheeler, O. Priskin, G. Smith, R. Wiseman and R. Amey.

An individual prize of $4.00 was awarded Cpl. J. R. Stewart in the Cadets' match in the morning, seven rounds being fired at each of 200 yards and 500 yards ranges, with service rifle. In this match Napanee stood twelfth out of twenty competing teams for the Pellatt Trophy, which was won by Ottawa Collegiate Institute.

The Kings' Cup Match was shot in the afternoon, the cup being won by Hamilton Collegiate team. The order of the teams was: Hamilton C. I., Peterboro', York Rangers, University of Toronto Schools, St. Catharines, Kingston, Napanee, Davenport H. S., Toronto; De la Salle, Brockville, Port Hope, Lindsay, Technical H. S., Belleville.

Those who shot in the Napanee team are in order of score made: Cpl. J. R. Stewart, Lieut. W. Perry, Leonard Wheeler, George Daly, Orval Frisken, Reginald Wiseman, Rupert Amey, Gerald Smith, Beverly Thompson.

As these matches were limited to boys under eighteen years of age, a number of our best shots thus being excluded, this is a very creditable showing for the first shooting with service rifles.

Below is a copy of 1 letter from Lieut. Col. S. J. Huggins:—
211 College St., Toronto,
October 25th, 1921.

The Principal,
Collegiate Institute,
Napanee, Ontario.

Dear Sir:—
I would like to express to you my admiration for the team of Cadets from your school, under the able leadefship of Lieut. A. E. Fielding, who took part in the Ontario Rifle Associations' Cadet Matches last Friday.

Although they did not win many prizes, their smart appearance and gentlemanly conduct whilst here, impressed all officials of the Association, and I wish them the very best luck in the future.

With kind regards,
Yours very truly,
S. J. HUGGINS, Lieut.-Col.
Secretary, O. R. A.

OBITUARY.

George M. Exley.

The passing away of Geo. M. Exley, on Friday morning, Oct. 14th, 1921, at his late residence, South Napanee, has been deeply felt by a large circle of relatives and friends. Mr. Exley had been in failing health for about six months, having had a serious operation in June from which he recovered sufficiently to be up and around. In August he went to Toronto for special treatment, coming home in September. He was active up to the last three weeks before his death, keeping his bed the greater part of the time. He suffered but little and was always able to take his meals regularly. His Pastor, Rev. Dr. Shorey, and Dr. Simpson, who visited him often, knew he was failing, but always found him cheerful, putting all faith in his Master, and able to say "Thy will be done". The end came calm and peaceful. His home has always been in Napanee, and from boyhood to manhood he always lived an honest and upright life and was esteemed by all who knew him.

He leaves a sorrowing wife, two daughters, Georgina and Edna, and little George, besides two brothers, James, of Canadaigna, N.Y., and Walter, of town, and one sister, Georgina Harper, of Toronto.

The funeral at Trinity Church on Sunday afternoon was largely attended, relatives coming from Toronto, Belleville, Shannonville, Tweed and Flinton. The service was conducted by Rev. S. J. Shorey, who spoke with esteem of George, whom he knew so well. The Dead March in Saul was played by Prof. Beard, after which the Choir rendered the favorite hymn of the deceased. The casket was covered with beautiful flowers, there being a floral harp from the brother and sister; a crown from wife and children; wreath from W. A. Steacy and family; spray from Mr. and Mrs. C. D. Black; spray from a Sunday School class; spray from the Citizens' Band; and wreath from the Canadian Order of Foresters. The casket was carried to the church entrance, where the C. O. F. held a service, conducted by Messrs. A. E. Paul and George Walters, each member of the Lodge taking part. The pall bearers were Messrs. F. Perry, W. Bowen, G. Grass, A. Ford, H. Steacy and A. Caton. The remains were laid to rest in Riverside cemetery.

Mrs. Isabella McMullen.

One of the oldest and most highly respected residents of Sheffield township passed away on Saturday morning, October 15th, 1921, when the call of death came to Isabella Milligan, widow of the late Robert McMullen. She was born in Camden on July 10th, 1840. In her earlier life she taught school, and after her marriage came to live in Sheffield, near Tamworth.

During the active years of her long life, she was wholly heartedly identified with the best interests of the community where she resided. A good neighbor, a devoted member of the Presbyterian Church, a loving wife and mother, she has left a memory fragrant with the influences of Christian character and kindly helpfulness.

The funeral service was held on Monday afternoon, Oct. 17th, in St. Andrew's Church, Tamworth, conducted by Rev. W. H. Clarke, a large number being present to pay a last tribute of respect and love. Her body was laid in the family plot in Tamworth cemetery, leaving to mourn her loss a son and daughter, Robert James and Mary Jane, who reside on the family homestead in Sheffield.

Squared Up Once More!

Our Sale Has Been a Great Success

All Obligations--Big and Small--Have Been Met

We wish to thank all our friends, customers, and the buying public for the staunch, loyal support they gave us during the past two weeks. Thanks to your patronage we have been able to meet all our obligations, pay all bills on time, and retain our credit standing. For this we are truly grateful.

We were "up against it." Following our policy of former seasons, we had bought a very large quantity of Heavy Underwear, Sweaters, Woolen goods of all kinds--many thousands dollars worth. By buying in large quantities we can get better prices and sell you high grade merchandise for less than the merchant who buys from day to day. But these goods did not sell as fast this fall as in former years, owing to the backward season. Time went by—bills began to come in—and we had no ready cash to meet them. There was only one thing to do—force the issue—mark these goods so low that you would be tempted to buy them for future use. This we did. You responded nobly to our appeal, and everything is all right once more.

We have many of these high grade Sweaters and Woolen garments left. They are still marked at sale prices, and at these prices you can get them as long as they last. This applies equally to everything in the store.

Once more we wish to thank you, and promise you as great values for your money as in the past.

Address and Presentation.

To Mrs. Charles Kimmett, Jr.

We, the members of the Ladies' Aid Society of Roblin Methodist Church, could not allow this opportunity to pass without showing some gratitude for the assistance you have given our society in the past.

We also wish you to know we have appreciated your services as organist in our church. We sincerely hope that since your marriage to a member of one of the oldest families of Roblin, and as your home is still in our community, you will continue to remain a member of our Ladies' Aid and help us as you have given for years.

We congratulate your husband on his success in winning you for a life long-meet and hope that God's blessing and guidance will surround you both through a long life of success and happiness.

In order to show our appreciation we wish to present you with this mantel clock, and we hope and believe it will indicate the time in this happy home for many years to come.

Signed on behalf of the Ladies' Aid of Roblin,

Mrs. Carleton Woods, President.
Mrs. D. Richmond, Recording Secty.
Mrs. C. E. Kimmett, Treasurer.

SWITZERVILLE.

November was ushered in by high winds, which we hope will not continue for any length of time.—Farmers have nearly completed their ploughing and appear to be very busily engaged now in the interests of election.—The Anniversary services will be held in the church here on Sunday, Nov. 13th, morning and evening. On the following evening there will be given a sumptuous tea and a programme, consisting of talented readings, recitations, solos, etc. — On Friday afternoon of last week a meeting was held in the school house, and was decided to organize a Mission Band, with Mrs. Claude Brethen to act as President. Mrs. George I. Perry was present to assist in the organization. Several of the ladies of the Sixth Concession served a dainty lunch to the children and others present.—Hunting season has again opened. Several sportsmen of Switzerville took advantage of it and last week left on a deer hunting expedition.—Quite a number from this circuit attended the anniversary services at Newburgh on Sunday.—Hallowe'en was celebrated on Friday evening, the 28th. The "Willing Workers" S. S. class entertained the "Live Wires" at a party which was held at Mr. A. Moore's. An enjoyable evening was spent in games and contests, the latter affording much fun for the contestants, the prize awarded caused much mirth.—Mr. John Wilson has returned from the hospital and is convalescing rapidly.—We again welcome to our midst Mr. John Redgewell and Mrs. Silas Clark, who have been enjoying Western life for some time.—Mr. John Funnell is making improvements on his buildings. The neighbours willingly responded to his call by drawing stone to the pit at Newburgh last week.—Mr. and Mrs. C. Spafford, Toronto, made a lengthy visit with the latter's parents, Mr. and Mrs. John Spafford. — Misses Lena and Bessie Armstrong spend the week end with relatives at Marlbank.—Miss Rose Glenn and Miss Annie Watters will spend Thanksgiving at the former's home, on Amherst Island, with the family spent Sunday at Mr. Willie Robson's.

FOSSEY—CANHAM.

McPhail Baptist Church was the scene at four o'clock yesterday afternoon of a most interesting ceremony, when Miss Myrtle B. Canham, elder daughter of Mr. and Mrs. W. R. Canham, 35½ Bell Street, was married to Mr. Harry Fossey of Hagersville, Ont., youngest son of Mr. Robert Fossey and the late Mrs. Fossey, of Farnsfield, Nottingham, England.

Rev. S. J. Farmer, the Pastor, officiated in a pretty bank setting effect. The wedding music was effectively rendered by Miss Belle Greig, and a vocal solo was contributed by Mr. Roy Allen.

Given in marriage by her father, Miss Canham wore a tailored broadcloth costume of deep blue, and a Parisian model hat trimmed with silk plush. An ermine scarf, a gift from the groom was worn, and her corsage bouquet was composed of ophelia roses.

A reception was later held at the home of the bride's parents, where a large number of beautiful gifts were on view. Among these were a silver tea service from the staff in the post office department where the bride was employed; a mahogany tray from the teachers of the Clinese classes; and a satin table cover from the Chinese pupils; a cut glass vase from the Chinese class of Chalmers Sunday School; a cut glass sugar and cream set from the teachers and officers of McPhail Sunday School, and a glass dish from No Surrender, No. 12.

The bride's gift to the groom was a tie pin in Oddfellows' emblem, set with pearls and the soloist received a tie pin.

Among the guests from out-of-town were Mrs. Charles Hawley and Mrs. Wesley Hawley, of Napanee; Ralph and Gerald Hawley, Misses Ruth and Bergh Warner, of Avonmere; Mr. and Mrs. Joseph Canham, Mr. and Mrs. George Canham and Mr. and Mrs. John Canham.

At the tea hour, Mrs. Stanley Holliday and Miss Katherine Reid presided at the table, and Misses Ida Warner served the ices. They were assisted by Misses Edith Cameron and Nell Chisnall.

Mr. and Mrs. Fossey have left for Montreal, Toronto and Hamilton and will reside in Hagersville.—The Citizen, Ottawa, October 27th.

SHORTT—WAGAR.

A very quiet wedding took place at the Parsonage, Bridge St., E., Belleville, on Tuesday evening, when Nellie V. Wagar, youngest daughter of Mr. and Mrs. A. J. Wagar, of Descronto, was united in marriage to Wm. H. Shortt, only son of Mr. and Mrs. A. M. Shortt, Picton. Dr. Cleaver performed the ceremony.

FARMS FOR SALE.

DOMINION ELECTIONS VOTERS' LISTS.

For the benefit of voters I am giving this information:—

In Napanee Part One of the Voters' List of 1920 as finally revised by the Judge, and a list of women voters taken from the assessment roll of 1921, which has not been printed, is the basis on which Mr. C. H. Lapum, the Registrar, for Napanee, is working. He is to be found in the Council Chambers, Town Hall, this week, and if a voter is not on these lists, and is entitled to be registered, will, on application, be registered, either men or women.

In the rural districts a Registrar is appointed for each poll and will advertise when he will sit to correct the list between November 22nd and 28th. The revised list of 1921 Part One and the unpublished list of women from the assessment roll of 1921 is the basis of the lists in the country polls including Newburgh and Bath.

Denbigh, No. 2—Anson Thompson, Vennachar.

If any voter entitled to vote is not registered on new lists he or she must swear in their vote on election day, under Section 63, of the Dominion Act. This applies to all polls except those in Napanee, where every voter must be on the list before election day, either put on by the Registrar this week or by His Honor Judge Madden, as Revising Officer.

It is the desire of the Dominion Government and the intension of the act that no person entitled to vote shall be denrived of their franchise.

G. F. RUTTAN,
Returning Officer.

ONTARIO AGRICULTURE.

Mr. J. J. Morrison is telling the farmers of Ontario that there are to-day 100,000 fewer farmers in this Province than there were 30 years ago. He strives to make it appear that Canada's protective tariff has robbed the land of its people, and oppressed agriculture.

The rural people of Ontario who hear these perenial cants ought not to be led away by the questionable statistics and baseless argument of the crier-down of agriculture. Ontario agriculture has been prosperous, taken over the average periods, and no one knows it better than the Secretary of the U. F. O. and his associates. At the moment, agricultural prices everywhere are depressed, owing to the extraordinary contraction of conditions following the inflation of the war period, but this depression is a passing phase. The Provincial statistics do not, in any event, bear out Mr. Morrison's claim of a farming population loss of 100,000 in the last 30 years, nor are his other efforts to picture "blue ruin" of agriculture any more akin to the real truth of the situation.

The following statistics are from the records of the Ontario Department of Agriculture, and are as correct as any statistics can be:

In 1896—25 years ago—there were 8,511,444 acres under field crops, and the value of the crop was $68,000,165. In 1920, the acreage under crop was 10,160,922, and the value of the crop was $367,608,619. But in what period has a depreciated agriculture?

In 1897—30 years ago—the rural population of Ontario was listed as 1,315,685, but this included many villages then not organized, and much territory on the outskirts of cities and towns that now are in integral part of the urban municipalities. In 1920, the rural population was 999,819. But in the period between 1891 and 1912, incorporated villages with an aggregate population of about 50,000 were formed out of that 1,315,685 so-called rural population. Between 1912 and 1920, the number was almost as large, though the statistics are not procurable in detail. According to this, then, the real rural population of Ontario has not decreased 150,000, but has increased somewhat.

The increase in the value of the field crop from $88,900,135 in 1896 to $367,608,619 in 1920, is paralleled by a great increase in intrinsic values in Ontario. Consider this comparative statement of property values:

	1919	1896.
Land	$848,767,153	$557,468,270
Buildings	426,649,086	205,235,429
Implements	157,210,618	39,030,585
Live stock	339,607,932	96,857,566
	$1,752,334,789	$910,291,623

The value of Ontario farm land has increased 52 per cent. in the interval in which Mr. Morrison claims the rural population has gone down by 150,000, and the value per acre of Ontario agriculture has gone up almost 100 per cent. The crop value has at least doubled, allowing even for a great decline of prices in the last year. At the peak of high prices, the Ontario crop was worth nearly five times what it was in 1896.

The U. F. O. argument that the building up of Canadian cities and towns is detrimental to agriculture is proved false by events. In 1891, Ontario had 484 townships. In 1912, she had 542 townships, and the number is approximately the same to-day.

Towns and villages scattered all through what were formerly merely widespread tracts of farms have brought local markets, extended business, better railways and road accommodation, and more opportunity to the producer. No one can succeed, truthfully, in representing Ontario agriculture to be at a standstill, or anything but a remarkably good progress in the last generation.

An Unclean Mattress is a Menace to Health

Canada has no Dominion-wide pure bedding laws—nothing but the conscience of the maker to assure you of mattresses well-built — sanitary all the way through.

DID YOU EVER WONDER WHERE ALL THE OLD MATTRESSES WENT?

A great many of them are made up into new mattresses, so when buying a new Mattress be sure and demand of your dealer that he guarantees the interior to be made of new, clean sanitary material.

We do not allow a Mattress to enter our store that is not made of New Material, and we have no connection whatever with any manufacturer who makes over old mattresses.

During the month of November we are having a special showing of All Felt Mattresses for only a few dollars more than the price of a sea-grass mattress.

The prices during November are very attractive in order to induce you to discard that old, lumpy, hard mattress and get a soft clean one that will give you pleasant restful sleep.

ONE-THIRD OF YOUR LIFE IS SPENT IN BED, SO WHY NOT HAVE A COMFORTABLE MATTRESS?

$11.00 buys a White Felt Mattress, with a roll edge.

$84.00 is the price of our leader. It is all layer felt with a stitched roll edge.

$16.50 and $20.00 Mattresses have exceptionally strong ticking.

$16.50 buys a Kapok Mattress.

$20.00 buys a Mattress, 100 per cent. pure Japara Floss, with heavy ticking.

The Celebrated "Ostermoor" at $25.00

By looking in our show windows you will see the felt that is made into Mattresses.

W. M. S. CONVENTION

The twenty-seventh Annual Convention of the W. M. S. of the Napanee Division convened in Odessa Church, October 12th, and if the day were disagreeable, it was no hindrance to the crowd assembled, and as you entered the pretty little church, most colourful with its stained glass windows; potted plants and cut flowers; the weather outside was quite forgotten and inspiration was forthcoming from the interested officers, delegates and members present, who took part in the day's proceedings.

Mrs. N. S. Maddle, District Superintendent, presided, and the note of spirituality that was struck during the morning's devotional exercises was sustained throughout the day.

Reports of Auxiliaries, Circles and Bands, ever interesting, took up a part of the morning hours, and showed that our organizations were not slowing down, and the plan of work for the year was most aggressive and full of keen interest. Two new Bands were reported, Hawley and Sillsville. Of special mention were the reports given by little Bernice Hartman, of Napanee Band, and Evelyn Asselstine, of Hawley Band; we have no need for discouragement when mere tots like these can take their place and give such busy reports with such confidence in their work. The reports of "Little Light Bearers", "Associate Helpers" and "Christian Stewardship" did much to show how necessary these departments were. Report of givings, plus Circles and Bands, $570.45, with a substantial increase in membership. The Missionary literature report went to show that it has a large place and has made its way in many homes.

After this part of the work, Miss Turner was called to the platform, introduced and voted the privilege of the Convention.

On account of Mrs. Maddle's removal to Toronto, it was necessary to elect a new superintendent, and Mrs. G. I. Perry was elected to fill the office and a wise choice was made when Mrs. L. Asselstine, of Hawley, was elected Secretary to fill the place vacated by Mrs. Perry.

Mrs. Maddle very feelingly spoke of the spiritual uplift that had come to her during her nine years of service; also of the enjoyment and pleasure she had received mingling with us from time to time to help further the interest of the cause that was dear to her. While her departure was much regretted, her presence among us will long be remembered and serve as an impetus to higher things.

A reading by little Jean Milling on "Mirror's Christ Banner", and a youthful tither, so pleased the audience that it leads us into hopes of greater work.

The "Messages from Mission Bands," by Mrs. (Rev.) Lawrence, of Wilton, and Miss W. Clark, of Odessa, lead our minds into the necessary and all important work of early training and organization of the youth; both papers absorbed with the needs of co-operation from Auxiliaries and other departments of Church work, and the Superintendents were urged to promote those two very requisites, prayer and tithing.

The quiet half hour was conducted by Mrs. (Rev.) Anderson, of Selby, and was not only restful but real spiritual and forcibly reminded us of our Christian duties to all mankind in both social and spiritual work. The forenoon session closed by Mrs. (Rev.) Nickle most graciously and heartily welcoming the Convention to Odessa, after which we were invited to the basement where dinner was served, and nothing was left undone to satisfy the appetite and develop a "money" spirit to those entertained.

The afternoon session opened with devotional exercises conducted by East Bay Circuit Auxiliary, roll call and minutes of morning session read and approved. Mrs. I. Asselstine replied to welcome in such a sincere manner, with fitty chosen words, that it voiced the feelings of the Convention. It was just here that Mrs. (Dr.) Maher, of Odessa, presented Mrs. Maddle with a handsome bouquet of roses as an evidence of appreciation of her splendid work for the past nine years.

"The Need of the Hour", a paper given by Mrs. Wilfred Hallett, was strong and purposeful and forcible, while modern missions were quite forgotten as she led us back, and step down into some touching incidents very work and unfolding many test opportunities of Christian service. The doors still stand open and that to train for mission service was the greatest enterprise in human history and should demand our life work.

Miss Turner then addressed the meeting and we listened to a discourse so soul stirring as she laid before us 12,500 special messages why we should be interested in missionary work, and these 12,500 prayers represented the 12,500 graves of women who die every month in China without a knowledge of Christ. These she compared with 12,500 Christian women's graves, each for a distance of ten miles. The comparison was brought out in this way: the Christless "having no hope without God in the world". The Christian "Christ in you the hope of Glory", with the passages she carried us down each row for three miles leaving imagination to picture the remainder.

"How Much Owest Thou?" followed by "The wicked shall be turned into hell and all the nations that forget God". It is nothing to you that this takes place every month? Do you believe your Bibles? Do you realize your responsibilities? Are you a thankful people, if not, why not, for the rivers of material blessings that flow to you and are denied our Christless sisters? Then thank God for material blessings and mercies that enable you to see, hear and love the conditions of nations without Christ. Do not rest so happily because your price is paid, your pardon free and your salvation sure, let the picture of Christ in you to enlarge itself that a vision may be given you of the urgent need of the resurrection and life in lands not Christian.

She then spoke briefly to the children about Christ's love for all children of all climes and nationalities.

The music throughout the Convention gave much pleasure, especially the solos rendered by Mrs. Bradley, of Napanee.

An invitation from Hawley Auxiliary for next year's Convention, which is the world by Rev. Mr. Nickle, of Odessa, brought a successful and encouraging convention to a close.

When a mother detects from the writhings and fretting of a child that worms are troubling it, she can procure a reliable remedy in Miller's Worm Powders which will expel all worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. The worms can long exist where these Powders are used.

"Your nephew is a college graduate, isn't he?"

"Yes," replied the old farmer, "but in looking over his education I'll be up that he had no sense beforehand."

Nearly all children are subject to worms, and many are born with them. Spare them suffering by using Mother Graves' Worm Exterminator, an excellent remedy.

Teacher—You don't appear to be up in history.

Tommy—No, Miss, I'm down on it."

OBITUARY.

Mrs. A. H. Parrott.

Near the Village of Odessa, on October 8th, 1921, there passed to rest an old and respected resident of this historic section of Lennox County, in the person of Mrs. A. Parrott, nee Hester Ann Sharp, in the seventy-third year of her age. She was born at Sharpton, Frontenac County, on April 6th, 1849. Her father, Mr. Thos. Sharp, of Belfast, was one of the first settlers of that section of Canada. Her childhood and youth were spent there. In 1870 she was married to Albert H. Parrott, Rev. Wm. Briden officiating. She then came to the home of her husband, Lot 23, 4th Con. of Ernestown, where she has since resided. Her husband predeceased her twenty years, September, 1901. Mrs. Parrott's parents were Anglicans, but when married she accepted the church of her husband, and united with the Fourth Concession Wesleyan Methodist Church, the second oldest church in Canada. She has been a consistent loyal member, ready to help in all church activities, and with her husband a regular attendant at the class and other religious services. She was of a retiring nature, but decidedly kindly and ready to help any in need, a good neighbour, and leaves many friends to mourn. Her religious experience was deep and satisfying. While for some months her age has been telling against her, yet she was in her usual health until about a week before death, when she was taken to her bed. All that medical skill could do was done, and kind friends were ready and anxious to minister to her needs. To her Pastor she said she was ready for the Master's call. In the confidence and hope of a risenof Christian character, she resigned herself to her Saviour and her soul to her God and Father. She leaves to mourn two sisters, Mrs. E. B. Davis, of Pittsburgh and Miss Elizabeth Sharp, of Forestdown; one brother, Mr. Thos. Sharp, of Salmon Arm, B.C., and one son, Mr. Florin S. Parrott, who lives in the old home. Her Pastor, Rev. Geo. Nickle, assisted by Rev. R. C. Tait, of Morven, conducted the funeral services in her home, and the body was placed in the Morven vault there to be interred in the Fourth Concession Church cemetery.

REID—BEAUBIEN.

On Tuesday, October 25th, at 7 p.m., a very pretty wedding was solemnized at the home of Mr. and Mrs. Geo. Beaubien, Amherst Island, when their youngest daughter, Ada Julia, was united in the holy bonds of matrimony to David, eldest son of Mr. and Mrs. Robt. Reid, Rev. J. C. Dixon officiating. The bride was prettily dressed in ivory silk crepe-de-chene, with the usual bridal veil. The couple were unattended. Following the ceremony a dainty luncheon was served to the immediate relatives and friends, and Mrs. Ernest Bradshaw, in the handsome black onyx ring. The happy couple will reside in their home near Emerald. The best of wishes is extended to them by their many friends.

RHEUMATISM

Rheumatism is produced by the accumulation of Uric Acid in the Blood and this poisonous substance attacks and inflames the membrance covering the joints, and separating the muscles, thus producing severe pains. If the waste products to the system are not properly carried off, Uric Acid forms and is deposited in the joints and between the different layers of muscles. DR. OBITUARY.

Mr. James Horigan.

There passed away at Chicago, on October 8th, 1921, an old and highly respected resident, in the person of James Horigan. He was born January 29th, 1840, at Clark's Mills, Canada, now Camden East. He went to school with Henry Purcell, of Colebrook, and the late James Haydon. He came to Chicago in 1861, when most of the city was then a prairie, and could give an account of the great fire of 1871. He worked for Armor & Co. several years. He was of a cheerful disposition and loved by all who knew him. He had been in failing health about two months with hardening of the arteries and kidney trouble. All that medical aid could do was of no avail and he passed away October 8th. He is survived by his wife, Mary Garrett, and three daughters, Margaret, Mary and Ella. His funeral was held on Tuesday morning to St. Finbar's Church, where Requeim High Mass was chanted. Interment at Mount Carmel cemetery. May his soul rest in peace.

Address and Presentation.

On Monday last the many friends of Mr. and Mrs. Cooper, Camden East, gathered at their home and made the following presentation and address before their leaving for Scotland:—

Camden East,
October 24th, 1921.

To Mr. and Mrs. Cooper and son.

We, a few of your friends and neighbours, knowing that Mr. Cooper finds it necessary to cross the ocean and to go to the home of his nativity, Scotland, the land of the heather. His purpose of going is that an operation performed, owing to injuries he received when fighting for the freedom of the world from German oppression, tyranny and bondage. We have gathered here this evening to show our kind regards for you and your family, and to wish you a pleasant and prosperous journey, and also to express the hope that the operation may be successful and that you may be restored to complete health and comfort. We wish to show in some tangible way the respect in which you are held by this community, and we ask you to accept this purse of money, not for its intrinsic value, but for the respect and good wishes that go with it. We pray that the blessing of God may accompany you and yours on your journey.

Signed on behalf of your friends,

ROY SAMSON.
SAM ADAIR.

A country schoolma'am was examining her pupils for the benefit of the members of the School Board. The youngsters went through their paces nervously and did fairly well until the teacher asked the question, "Who wrote Hamlet?" There was a lull of exhaustion and no one answered. She asked again and this time a bit more sternly: "Who wrote Hamlet?"

Little John Jones piped up defensively, "Please, teacher, I didn't."

"Ha, ha!" Director Blank chuckled aloud. "The little skeesicks! I'll bet he did."

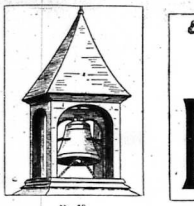
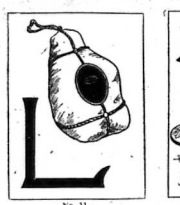
Do you know what Post Offices in Canada the four rebus pictures below would represent?
Could you solve fifty such pictures and win a big cash prize?
This Contest is called the "Know Canada" Contest, and is open to all readers of The Napanee Beaver or The Family Herald and Weekly Star, of Montreal.
Eight pictures have already appeared. Begin NOW and you will have an opportunity to study the first eight later on.

No. 9. The dog gets his bath in the washtub. What kind of dog is it? See page 2 of list of Post Offices.



No. 10. A Post Office in P.E.I. Also an Irish city very frequently mentioned lately.



No. 11. You must look for this Post Office in Quebec. It will be found on page 2 of the list of Post Offices.

No. 12. A Post Office in Eastern Ontario. See page 6 of the list of Post Offices.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $850, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

FILLING MATERIALS.

By Rea Proctor McGee, D.D.S., M.D., Editor "Oral Hygiene"

Who invented fillings for teeth and what the first fillings were made of will always remain a mystery.

We know that this work has been done from ancient times, but in recent years there has been such an alarming increase in caries (decay of the teeth) that the prevention of decay and the repair of carious teeth has become an important subject to everyone.

There are three general classes of filling materials: plastics, silicates and metals.

The plastics are the various forms of dental cements and gutta-percha.

The silicates are a form of translucent cement that is an imitation porcelain. The colors of the teeth can be matched accurately and this material will last well, preserving the tooth and avoiding unsightly disfigurement that would be present if a metal were used in the front of the mouth in a large cavity.

The metals used as filling materials are gold, and amalgam which is principally silver.

Tin and platinum were used for some years, but they are now obsolete. A metal is used where there is great strain on the filling.

Amalgam, which is an alloy of silver made into a paste with mercury, is the most widely used filling in the world. It has done splendid service and inserted in those cavities where appearance is a secondary consideration.

Gold is considered the most permanent of the fillings. There are two ways of using gold; one is by malleting pure gold foil into the cavity and thus making the filling in the tooth that it is to protect; the other way is to make the filling outside the mouth from a very accurate wax pattern of the cavity. This is the most modern method and is called an inlay.

The Vital Issue

"What we have to decide is this—Are we going to continue the protective system of this country or are we not? That is the question and that is the whole question. And the great, big, necessary thing is that every voter in this country from the Yukon to Halifax knows that this is the question he or she is deciding when he or she votes in this great contest."

—ARTHUR MEIGHEN

THE vital issue in the coming election—in fact, the only issue—is the Tariff, and to every clear thinking Canadian it should be readily apparent that a Protective Fiscal Policy is absolutely essential to stability, progress and development.

Every important country in the world upholds Protection as an essential economic principle. Even Great Britain—so long the stronghold of Free Trade—has now adopted laws that constitute Protection of the most effective kind. In fact, the present policy among most nations is towards raising their tariff walls, not lowering them. In the face of these facts it would be suicidal for Canada to do exactly the reverse and discard the fiscal system which has been responsible for its progress during the past forty-three years.

Free Trade would mean death to Canadian Industry. It would also result in the immediate closing down of Canadian plants of foreign firms, with consequent additional unemployment. There are to-day 650 American factories alone in Canada. Similar proposed ventures would be abandoned. New capital would refuse to come to a Country lacking adequate protection and present industrial enterprise would be promptly strangled by foreign competition.

The preservation of the home market by a Reasonable Protective Tariff is vital to both city dweller and agrarian alike—now as never before. More capital is urgently needed for the development of Canada's enormous resources, which will result in a lessening of unemployment and an increased population. More work and more workers will produce an enlarged home market for products of both city and farm, and the exodus of Canadian men and women—and the dollars they earn—will be precluded.

The United States has slammed her trade door in the face of Canadian farmers by adopting the Fordney Bill, and the farmer is consequently now even more dependent upon the home market than in the past.

Yet Crerar asks you to destroy that home market by voting for Free Trade.

King's policy—if he has one—will result in the destruction of the Tariff.

Meighen stands four square for Reasonable Protection—Protection for all the people—and asks for an overwhelming mandate to give both industry and agriculture that assurance which will spell prosperity for all. Individual prosperity depends upon National prosperity. Your personal interests and Canada's very existence hang upon your vote.

Meighen will lead us through

IN MEMORIAM.

In loving memory of Louis M. Snyder, Detroit, Michigan, dearly beloved husband and father, who passed away one year ago, October 25th, 1920.

Sad and sudden was the call of him so dearly loved by all.
His memory still is very dear for oft in silent hours we think
He made no one a last farewell, he said goodbye to none,
And with farewells unspoken, gently entered Heaven.

OBITUARY.

John M. Wallace.

Mr. John M. Wallace, one of the oldest residents of Napanee, was taken suddenly ill in the Post Office about five o'clock on Tuesday afternoon, and passed away shortly after being taken to his home. On Monday he celebrated his seventy-eighth birthday at the home of his daughter, Mrs. R. G. Roy, where he made his home since the death of his wife, two years ago. Deceased was very widely known in Napanee and surrounding country. The funeral, which was largely attended, was held in St. Mary Magdalene Church, of which he was a member, on Thursday afternoon. Rev. J. H. H. Coleman conducted the service. The members of the Masonic Order attended in a body and conducted their service. There are left to mourn one daughter, Mrs. E. J. Roy, Napanee, and two sons, J. B. Wallace, Manager of the Merchants Bank, Meaford, and T. B. Wallace, Napanee.

Barn Destroyed by Fire.

About five o'clock on Saturday last fire totally destroyed the barn and contents of Mr. Myro Schryver, in North Fredericksburgh, about five miles from Napanee. When the fire was discovered there was just time to get the cows and horses out. It is not known how the fire originated, as Mr. Schryver was most particular about matches around the barn, never using them or allowing any one else to use them. There was no insurance carried, but the season's crop and about one thousand bushels of 1920 crop was stored in the barn.

Power House Burned.

Fire destroyed the power house at the foot of East Street yesterday afternoon. The fire started from gasoline that was being used to run the new gasoline engine that was installed about three months ago. The fire was a fierce one and the firemen had all they could do to get it under control. It is thought that the steam plant at the rear of the building can be put in shape so that the pumps can be started to-day. It is very unfortunate that the fire occurred as the final connections for the water power were to have been made last night and would have been running by Saturday night. It is hoped that the new water pumps have not been seriously damaged. The steam fire engine was put into action and did splendid work.

Winter Overcoats

Very Special Values, $19.75

It will be something of a mystery to men how we manage to offer really high grade Overcoats at this low price. But one thing is clear—prices have not come down far enough of their own accord to make such an offering possible.

These are an extra special lot which can't be duplicated and which we have marked "below the limit" to meet the insistent demand for a good coat at a low price.

Fine finished wool and cotton Grey Melton, in D. B. smart-fitting style; Brown and Green Tweeds, in quiet overcheck patterns, all-round belt and form-fitting styles. Sizes 35 to 40. All at one price, $19.75. Don't forget—the quantity is limited. If you want to take advantage of these specials, you must do so at once.

Boys' Overcoats on Sale, $9.95

A few Overcoats in nearly every size from 27 to 34. All are lined with good wool Italian, are properly made and finished with all-round belts.

Every one has been greatly reduced from old prices, some as much as $8.00. This is the biggest bargain you'll get this year in reliable Overcoats for boys. All sizes at $9.95.

Boyes' "Made-in-Napanee" Suits at New Prices

We have reduced the prices of our Ordered Suits by 30 to 40 per cent. This is a bigger reduction than the prices of the raw material warrant. But we want to put prices on as low a basis as it will be possible for them to get to in six months.

New, attractive cloths have just been added to our stock. Drop in and see what's doing in Fine Ordered Suits.

Serge for Ladies' Suits

We have a couple of pieces of fine Twilled English Serge that will make splendid Ladies' Suits. We will sell these by the yard at the special prices of $3.50, $4.00 and $4.50.

TO THE ELECTORS OF LENNOX AND ADDINGTON

I have been informed that the Temperance question is being used against me in the present campaign.

I wish to make a straight-forward and honest confession of my past and present position in regard to this question.

Owing to financial conditions I was forced to go out in the cold world at the age of 16 years to make my own living as a laborer. That being some thirty-five years ago, intemperance is not looked upon in the same light today as it was then, for which we are all thankful.

I am free to confess that my environments were not of the best, and I formed habits which I have had to fight ever since. I have always marked my ballot in favour of temperance whenever the opportunity was presented, and hope and pray that I always will.

Having a knowledge of the evils of intemperance, I would rather lose this election or make any other personal sacrifice than to be a party to any legislation that would cause the same temptations to be placed before the boys and young men of to-day that I was subject to in my boyhood days. I am not writing this letter for the purpose of soliciting votes, but for the purpose of placing my position on the temperance question before the electors of Lennox and Addington.

OBITUARY.

Hiram Cline.

A former well known and highly respected resident of Napanee, Mr. Hiram Cline, died very suddenly in Toronto on Wednesday, October 19th, following an operation for appendicitis. The deceased was taken suddenly ill on Tuesday evening, and was rushed to the hospital, where an operation was performed.

Mr. Cline moved into Napanee some fifteen years ago from Mount Pleasant and carried on a meat business for two years, then removing to Toronto, where he held a responsible position with Harris Abbatoir. The remains were brought to Napanee and the funeral, which was very largely attended, was held at the residence of his father-in-law, Mr. Herman Meng. The Oddfellows, of which he was a member, attended in a body and conducted their service at the grave in Riverside cemetery. Two representatives from the Harris Company came from Toronto to attend the funeral. Besides the widow, there is left to mourn one daughter.

CALBERY—WALES.

A very quiet wedding was solemnized at Trinity Parsonage, Napanee, on Wednesday, October 5th, 1921, when Miss Helen Wales, second eldest daughter of Mr. and Mrs. Fred Wales of Lime Lake, became the bride of Mr. James H. Calbery, son of Mr. and Mrs. James Calbery, of Hastings village. The bride looked sweet in a smart blue suit with blue plush hat to match. She was attended by her cousin, Mrs. Ray Embury, who also wore a pretty suit of blue. The groom was attended by Mr. Ray Embury. Immediately after the ceremony Mr. and Mrs. James H. Calbery left for Toronto on their honeymoon. They will reside in Hastings.

POLICIES THAT WOULD BLEED CANADA WHITE.

Opponents of protection keep on saying that the principal use for a tariff is to raise revenue, and that in so far as duties are protective they do not conduce to the revenue. If economists of the Crerar and King school also took the ground that customs duties should be practically the sole source of revenue, they would at least be consistent. But they do not take that ground. Mr. Crerar has said that he would increase the revenue from income taxes and would have a tax on the land, while Mr. King has also shown himself to be in favor of income taxation, but would it be possible to raise the present large revenue from income taxation if Canadian industries were all left without protection? The Crerar tariff or the tariff prescribed by the National Liberal Convention at which Mr. King was elected leader of his party, would put hundreds of Canadian factories out of business and hosts of Canadian wage-earners out of work. Where would the taxable incomes come from if there were no protection? A purely revenue tariff would have a withering effect upon home industry and would bring the American value of our dollar down to depths never dreamed of. Our productive interests would indeed be tested to death, for besides the loss of protection they would have to bear their part of the burden of righting the exchange between this country and the favored United States. The present Canadian tariff is mildly protective. The removal of the margin of protection would, as we have said, have the effect of a crushing tax upon industry. The people who pretend that reasonable protection means burdensome taxation are really the only advocates of taxation that destroys. The country could not stand the Crerar or the King way of taxation.

It is strange to hear a Liberal newspaper that manages to swallow both the Crerar and the King policy maintaining that the high tariff is the one that keeps out imports, for, not long ago the same newspaper was arguing, after Mr. Crerar, that because the United States average rate of duty on dutiable goods imported was lower than the Canadian average, duty on goods imported under the Canadian tariff was more protective than the American tariff. The American tariff, having been proved to be the more efficient for keeping down imports, was held to be lower than the Canadian tariff which had been proved to be the less efficient for keeping down imports.

Would the Crerar and King economists say that Canada's imports from the United States should exceed its exports to that country by a still larger amount than the $353,000,000 shown in the twelvemonth's trade ending with February? Would these opponents of protection say that the balance in favor of the United States should be not less than $500,000,000 or $6,000,000,000, and that Canada's dollar ought never to be of higher American value than 80 cents? Hope could a larger adverse balance be for the advantage of this country? A larger adverse balance is certainly what the Opposition trade policies call for and would assure. Why do these near-free-trade zealots want the United States to have the advantage both ways—both that coming from its own protective tariff, and that coming from a near-free-trade Canadian tariff? The people of this country must live, and to live they must be aware of taking any chances with light-hearted and light-headed theorists who seem always so ready to make Canada's policy the complement of the United States' policy. They are always talking about a high tariff as if Canada had a tariff that could truthfully be so described. The fact that Canada has not a high tariff is borne witness to by the balance of trade in favor of the United States, amounting, as has already been mentioned, to the great sum of $353,000,000 in the last twelvemonth reported.

The Man of the Hour

In this hour of Canada's most acute national erisis, the country's greatest need is leadership—not class leadership, not sectional leadership, but NATIONAL leadership. A pilot must be chosen possessing the necessary courage, foresight, breadth of vision and determination to lead the nation safely out of the existing economic uncertainty.

And one man stands out head and shoulders above all others as pre-eminently fitted for the task.

Born on a farm near St. Mary's, Ontario, Arthur Meighen is a true son of the people, a toiler who has fought his way to eminence by sheer ability and force of intellect. Entered Parliament in 1908; appointed Solicitor-General in 1914; Minister of the Interior in 1917; and Prime Minister in 1920.

At the Imperial Conference he was acclaimed by the Press of Great Britain as a great statesman, as a strong, virile, vigorous personality—alert in mind, keen and far-seeing in judgment, and with a fearless determination to stand for the right.

Professor A. D. Skelton, of Queen's University, and biographer of Sir Wilfrid Laurier, wrote of the present Prime Minister : — "He has already given proof of high administrative capacity. His personal integrity is beyond question."

Of himself, Arthur Meighen said to his constituents the other day : — "You know where I stood on this issue in 1908, in 1911, and as in 1911 I stood to-day."

HOW WOMEN AVOID SURGICAL OPERATIONS

Some Are Extremely Necessary, Others May Not Be

Every Woman Should Give Lydia E. Pinkham's Vegetable Compound a Trial First

Chicago, Ill.—"I was in bed with a female trouble and inflammation and had four doctors but none of them did me any good. They all said I would have to have an operation. A druggist's wife told me to take Lydia E. Pinkham's Vegetable Compound and I took 22 bottles, never missing a dose and at the end of that time I was perfectly well. I have never had occasion to take it again as I have been so well. I have a six room flat and do all my work. My two sisters are taking the Compound upon my recommendation and you may publish my letter. It is the gospel truth and I will write to any one who wants a personal letter."—Mrs. E. H. HAYDOCK, 6824 St. Lawrence Ave., Chicago, Ill.

A Vermont woman adds her testimony to the long line of those fortunate women who have been restored to health by Lydia E. Pinkham's Vegetable Compound, after it had been decided an operation was necessary:

Burlington, Vt.—"I suffered with female trouble, and had a number of doctors who said that I would never be any better until I had an operation. I was so bad I could hardly walk across the floor and could not do a thing. My sister-in-law induced me to try Lydia E. Pinkham's Vegetable Compound and it certainly has helped me wonderfully. I keep house and do my work and have a small child. I have recommended Vegetable Compound to a number of my friends and you may publish my testimonial."—Mrs. H. R. SHARON, Apple Tree Point Farm, Burlington, Vt.

In hospitals are many women who are there for surgical operations, and there is nothing a women dreads more than the thought of an operation, and the long weary months of recovery and restoration to strength if it is successful.

It is very true that female troubles may through neglect reach a stage where an operation is the only resource, but most of the commoner ailments of women are not the surgical ones; they are not caused by serious displacements, tumors or growths, although the symptoms may appear the same. When disturbing ailments first appear take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles. In fact, many letters have been received from women who have been restored to health by Lydia E. Pinkham's Vegetable Compound after operations have been advised by attending physicians.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

WISE AND OTHERWISE.

"Mary, were you entertaining a man in the kitchen last night?"

"That's for him to say, mum. I was doing my best with the materials I could find."

Why suffer from corns when they can be painlessly rooted out by using Holloway's Corn Remover.

First Lady (in village shop) — Would you mind if I made my small purchase first? We have a horse outside, and he won't keep quiet.

Second Lady—Certainly; but you won't be very long, will you? I have a husband outside, and he's rather restive, too.

"You must have made a few enemies in your long political career?"

"More than a few," answered Senator Sorghum. "I have forgiven them all."

"That is magnanimous."

"Not especially. By forgiving them I call their attention to the fact that they never succeeded in injuring me enough to earn my abiding resentment."

The Family Physician.—The good doctor is always worth his fee. But it is not always possible to get a doctor just when you want him. In such cases, common sense suggests the use of reliable home remedies, such as Dr. Thomas' Eclectric Oil, which is wonderfully effective in easing inflammatory pains and in healing cuts, scratches, bruises and sprains. The presence of this remedy in the family medicine chest saves many a fee.

An irate fan, who had watched the home team go down to defeat, stopped the umpire as he was leaving the park.

"Where's your dog?" he demanded.

"Dog?" ejaculated his umps. "I have no dog."

"Well, you're the first blind man I ever saw who didn't have a dog," returned the disgruntled one.

A professor of mineralogy tells of the father of one of his pupils coming to him and saying, "I don't want my boy to learn about strata or dips of faults or upheavals or denudations, and I don't want him to fill his mind with fossils or stuff about crystals. What I want him to learn is how to find gold and silver and copper in paying quantities, sir—in paying quantities."

Your Home Medicine Chest. — Among the standard household remedies that should always be on hand in your home medicine chest, none is more important than Dr. Thomas' Eclectric Oil. Its manifold usefulness in relieving pain and healing sickness is known by many thousands throughout the land. Always use Dr. Thomas' Eclectric Oil for relieving rheumatic and sciatic pains, treating sore throats and chests, coughs, burns, scalds, cuts, bruises and sprains.

A number of darkeys were unloading a boat with a cargo of anvils, for which they received two cents for each anvil carried ashore.

Jose—Capt'n, if I carry two anvils at a time how much do I git?

Capt.—Two cents each, boy.

Jose started down the plank when it broke and he fell into the river with the two heavy anvils. When he came to the surface he cried: "Captain! if you'll don't throw me a rope I'se gwin' t' drop these here anvils an' lose mah fo' cents!"

Mistress (to new maid)—Above all things, Jane, you must be reticent.

Jane—Yes, mum—but what is there to be reticent about?

A well-known Admiral—a stickler for uniform—stopped opposite a very portly sailor whose medal-ribbon was an inch or so too low down. Fixing the man with his eye, the Admiral asked: "Did you get that medal for eating, my man?"

On the man replying, "No, sir," the Admiral rapped out: "Then why the deuce do you wear it on your stomach?"

Are You All Ready?

For six months of Canadian Winter? One of the most important things requiring your attention is the making of the Home comfortable and pleasant. In the first place you should get new Paper to cover the walls wherever they are soiled or show evidence of wear. We have now on hand the very largest stock of Wall Paper we ever had at this season. It embraces Canadian and American makes, and was bought at prices away below any since before the war. There is positively no other way that you can spend a few dollars with greater satisfaction with the result than in Wall Paper. Look and think the matter over.

We have a new stock of Window Shades of the various grades, and they were bought at prices that will enable us to offer at prices that will be as low as the lowest.

A large stock of Framed Pictures has been added to our stock, embracing some lines of great beauty. If you have Pictures to frame, bring them in. We have new stock of up-to-date Mouldings.

The long evenings are at hand, and you who delight in reading, will require Books, Magazines and Papers. We are ready to supply anything you require, no matter where published, at the very lowest price.

Rinso

Just Soak the Clothes in Rinso Suds—then Rinse

It's not a cake soap—not a chip soap—not a washing powder, but a wonderful new form of soap—in granules—which washes clothes immaculately clean—gleaming white—without either rubbing or boiling.

These pure granules are so rich in cleansing value that they loosen the hardest dirt while the clothes soak for a few hours. Yet Rinso is so harmless that it doesn't even redden your hands.

It seems almost unbelievable that RINSO

cleans so easily. Just soak the clothes for a few hours in the pure, rich, cleansing Rinso suds—then rinse a few times in either warm or cold water and they are as clean and white as though you had boiled and rubbed them for hours. One trial will convince you.

Try RINSO Next Monday

Follow the easy directions on the Rinso package and see how it soaks out the dirt that you used to get out by main force.

If you have a washing machine—

Soak the clothes overnight in the usual Rinso way. The cleansing suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

PLAIN TALK NO. 7

Dear People,—We purpose taking for our text this period, "Sell your Hammer and buy a Horn!" Our past lectures, besides being to us very profitable, have proved also to have annoyed one or two persons, namely, Rums! and Stool Pigeons! So accept our apologies if we seem to be blowing a little, and try us out, and we will prove our words. We intend during the coming months, to do a little profit sharing among our friends While visiting in Toronto and the West, it was our good fortune to become acquainted with leather dealers of a much larger standing than some of our competitors, and also to buy in markets more reasonable. Through buying in large quantities, we were able to purchase the best Oak Tanned Leather at 17 cents below ordinary market price. So as an inducement for you to try out this real good quality, we intend to make a big reduction in the price of our shoe repairs. So take note of the following list and give us a trial to convince you we have the real goods.

	Our Price.
Town Price.	
$1.45, Men's Soles	$1.30

An Error.

Mr. W. G. Wilson, County Clerk, has called our attention to a slight error in our report of the proceedings at the Convention of the National Liberal and Conservative Association of this Riding held at the Armouries 26th October. We published the resolutions passed at that meeting as they were handed to our reporter by the Secretary and the one denouncing the policies of the Drury Government, etc., appeared as moved by Joseph Foster, seconded by W. G. Wilson. This was evidently a mistake as Mr. Wilson says he was not at the convention and knew nothing about the resolution until he saw it in our last week's issue. He passes the honor on to the real seconder of the resolution.

Autos Collide.

On Saturday evening an auto collision occurred at the corner of Robinson and Dundas Streets, when a Ford car, driven by Mr. St. Louis, of Trenton, smashed into Mr. Benj. Luffman's Overland. Mr. Luffman was going south on Robinson Street and intended going east on Dundas. He saw the other car going west on Dundas and on the wrong side of the road. Mr. Luffman turned west (instead of east) on Dundas in order to avoid the other car. In the meantime Mr. St. Louis swung over to his right side of the road and struck the other car a glancing blow. Considerable damage was done to both cars, but had Mr. Luffman turned east, as he intended doing, it is difficult to tell what the result would have been, as the Ford would likely have hit him broadside. Autoists cannot be too careful in passing intersections.

Signal Corps.

All members of No. 1 Section, 3rd Battalion Canadian Signal Corp, will meet at the Armouries on Wednesday, Nov. 9th, at 8 p.m. Final examinations will be held shortly for the men who passed and got their certificates at the course to receive their $15.00, plus an additional $5.00 for this examination; also the men who failed have an opportunity to take this examination and get their $3.00 annual classification bonus. This section having passed through visual will take up line telegraphy (continental code) map reading, physical training, and electrical instruments. In order to carry on this special course practise, buzzers, vibrators, telegraph sets, ten line cordless, cable etc., for which has been indented. Nine recruits wanted, proposed training schedule two nights per month. Telegraph room open three nights per week for voluntary practise.

CAPT. F. J. BRADLEY,
Officer Commanding
No. 1 Signal Section.

Quarterly Services at Hay Bay.

On Sunday last the quarterly services of the Bay Circuit were held. The morning service was largely attended by people from each of the appointments. From the very opening hymn to the close of the service the spirit of consecration was visibly manifest. After a very inspiring season of testimony, the Pastor called upon all those present who sincerely desired to unite themselves with the Saviour to stand, and the response to this appeal was immensely gratifying, when from all quarters of the church, the young, the middle age, and the old boldly stood up for the Christ. The services were continued again in the evening, when a special musical service was held. The Choir, under the leadership of Mrs. A. C. Parks, accompanied by Mrs. Nolan, sang four very delightful anthems in good rousing style. Quartettes were sung by Mr. and Mrs. Sexsmith, Miss P. and Mr. Truscott, and a duet by Mr. and Mrs. Sexsmith. The congregation also contributed to the programme by singing three of the good old pieces, with much vim and force. The Pastor gave a short talk on Hymnology. The day at Hay Bay was delightfully spent and heartily enjoyed by all as being one of the best for a very long day.

Bazaar and Fowl Supper.

The Ladies' Guild of S. Alban's Church, Adolphustown, will hold their annual Bazaar and Fowl Supper, in the Church Hall, on Thursday, Nov. 17th, afternoon and evening. 42b

Take Notice.

Woman, 102 Years Old, Ill in General Hospital.

There is a very interesting patient in the General Hospital, Kingston, at present, in the person of Mrs. Mary Smith, who is 102 years old. She recently sustained a fracture of the thigh at her home in South Fredericksburgh, and was taken to the hospital. Mrs. Smith, within past the century mark, is otherwise in splendid health. She was born in the township of Loughborough and her husband, long since departed, was Edward Smith. She has one son still living.

ABILITY RECOGNIZED, FORMER NAPANEE BOY HEARD FROM.

Dr. C. P. Fitzpatrick was the doctor who attended Dr. Chambers, of Toronto, who was lost in the forest, when he was brought to Atikokan, after being without food for several days and was in a critical condition when found by Indian trappers. The skill of our townsman greatly aided his recovery which is now looked for. —Trenton Advocate.

Historical Society Lecture To-Night.

The Historical Society offers free to the public to-night one of the best lectures of the entire series since the Society was inaugurated. Professor Roy comes most highly recommended and his subject "The Re-construction of Europe", is full of interest to all thinking people.

THE NAPANEE LADIES' MUSICAL CLUB.

The Musical Club opened its fifteenth season on Tuesday evening, Nov. 1st, and a well filled hall proclaimed the interest taken in this year's course of programmes. The Executive Committee, who are ever striving to not only promote the interests of the Club and maintain its high standing, but to appeal to all the members of the society as well, have this year arranged with the Dominion Chautauquas to provide artists for five varied concerts. The first one properly to be of a rather more popular nature than that usually given under the auspices of the Musical Club, but nevertheless entertaining.

The Del Mar Quartette was composed of four attractive young ladies who gave an entertainment of great variety. There were vocal, violin and celo solos, trios, quartettes, and readings. One particularly pleasing number was a sweet rendition of "A Dream" by Bartlett, as played by the cellist. Another number consisted of three selections from the "Peer Gynt Suite", the first two being exceedingly well done. Four other concerts are yet to be given, and the Ladies' Musical Club are hoping for a most successful year.

An Affectionate Remembrance From Church Altar.

Praise the Lord, O my soul and forget not all his benefits. Who forgiveth all thy sins and healeth all thine infirmities. Who crowneth thee with mercy and loving kindness.

At St. Stephen Church, Rochester, N.Y., on Sunday morning, there were placed on the altar two beautiful bouquets in memory of Pte. Charlie C. Clarke, who was a member of that church for two years before going overseas to fight for his country. After the services were over they presented one of the bouquets to his grandmother, Mrs. J. E. Clarke, who placed it on the grave of his grandfather, the late J. E. Clarke, Rochester.

OBITUARY.

Mr. Leonard Schermerhorn.

After a lingering illness of about ten months, death claimed for its victim on Sunday, Oct. 16th, 1921, at his late residence, in Forest Mills, Mr. Leonard Schermerhorn, in his 82nd year.

Deceased has been a life long resident of this county and will be greatly missed. For many years he was a member of the L. O. L. of Forest Mills. He was a member of the Methodist Church and up until failing health prevented him, was an active worker in Church and Sunday School work. In 1864 he married Sarah Metcalfe, who still survives him. Unto them fifteen children were born, five sons and eight daughters still survive. The funeral in Forest Mills church on Tuesday afternoon, was largely attended. The service was conducted by Rev. C. J. Wilson, who visited him often during his illness, and speaking from Job 12:15, the text chosen by the deceased, emphasized the strong faith Mr. Schermerhorn had had to his Master until the end. The remains were laid to rest in Roblin cemetery.

ROD AND GUN IN CANADA.

The November issue of Rod and Gun in Canada will delight the sports men of the Dominion with its resplendent cover painting showing a picture of a ring necked duck in natural colors. The many interesting stories and articles in this issue include a splendid duck story entitled "Twenty-six grains of ballistite and one and one eight ounces of number six." "A thrilling account of one of Captain Joseph Bernard's exploratory trips in the Arctic regions also appears in the November issue. For the trapper and lover of the outdoor life there is the Trapper's Department ably edited by M. U. Bates, from material on his own trapping grounds. The usual departments appear in this issue of Canada's National sportsmen's monthly. Rod and Gun in Canada is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

FRESH LAURELS FOR VOCALIST.

KNIGHT McGREGOR SANG WITH GERALDINE FARRAR AND MADE GREAT HIT.

Knight McGregor, Belleville's talented vocalist, has been winning fresh and greater laurels in the United States where he has achieved great popularity. Recently the Belleville singer appeared in Albany with Geraldine Farrar, the noted opera star, and shared with her the honors of the evening as is evidenced in the following article written by the musical critic of the Albany, N.Y., Evening Journal:—

"A vast throng consisting of the elite, the musical people and the just common folks filled the big armory last night to pay homage to one of the most distinguished concert and opera singers in the world—Geraldine Farrar and to enjoy the musical numbers of her associates, Mr. Knight McGregor, baritone, (who took the place of Mr. Edgar Schofield, detained in New York by sudden illness), and Miss Ada Sassoli, the noted harpist.

Mr. McGregor was more than a satisfactory substitute for he at once became a favorite with the audience. He is a singer of fine presence and rich experience and his several selections were given with elegance of diction and fine tonal beauty.

His first selection was an aria from the immortal "Marriage of Figaro" by Mozart which opera was first produced in Vienna on May 1, 1786. He rendered this number in a masterly manner and his other numbers in this group gave great delight. Another number which gave great pleasure was the famous air from the "Song and Stranger" an operetta composed by Mendelssohn in 1829. All of Mr. McGregor's selections were splendidly sung and the audience was delighted with his artistic work. He responded to several encores and may be considered a favorite with the musical public of Albany."

Knight McGregor is a brother of our townsman, A. McGregor, and his many friends in Napanee will be pleased to hear of his remarkable success.

WARTMAN—WARTMAN.

The Danforth Avenue Methodist Church, Toronto, tastefully decorated with ferns and white chrysanthemums, was the scene of a pretty wedding on Saturday, November 5th, when E. Jennie, daughter of Dr. C. H. Wartman, Yarker, was married to Clarence C. Wartman, eldest son of Mrs. Wartman, and the late Dr. C. H. Wartman, of Napanee. The bride, who was given away by her father, looked charming in a gown of blue charmeuse, with touches of henna and chinchilla fur. Her bouquet of henna duvetyn, trimmed with blue, and also a pink sunset rose. Miss Maysie H. Madole attended the bride. The groom was supported by his brother, Mr. C. Leonard Wartman. The Pastor, Rev. J. J. Coulter, conducted the ceremony. Later the bride and groom left for a short trip. Upon their return they will reside at 59 Eaton Avenue.

BOY SCOUTS' ASSOCIATION.

The citizens of Napanee who are interested in the local Boy Scout association will be pleased to know that we have reached our objective of forty for Troup 1, charted 65. Out of this number some twenty-five have their own suits.

We are glad to have back with us some of the old members, and who are going to make up a patrol known as the Senior Patrol, under Wallace Perry, who willingly resigned from assistant scoutmaster to take over this patrol. Good luck to you, old timers, but you want to hustle or the junior patrol under Smith will pass you, they are now nearly all full fledged second class scouts.

We hold weekly meetings in the Armouries, where we enjoy ourselves to the extent. The first thing we do on forming up in patrols is to bow our heads in reverence to ex-scouts who gave their lives for this Canada of ours. Then a short lecture, enrolling of new members, checking over badges and services. The last half hour is spent in sports.

Saturdays the boys go on hikes to the woods and have new built five small brush huts for shelter on their winter hikes.

Just a word about our aim. The aim of our Association is to develop good citizenship among boys. This is done in training in the habits of observation, obedience and self-reliance, as well loyalty and thoughtfulness for others. Our motto is "Be Prepared". Some people think our Association is in with soldiering. Such is not the case. We do not train for war but for peace. The boys are trained to endure, to be cheerful, and to be loyal to parents, employer and government and their work not for reward, simply because it is their work. This training gives them physical health and development. It teaches energy, resourcefulness and handicrafts. It puts into the boy discipline, pluck, chivalry and patriotism.

And so it is we train for peace. Each scout that you see wearing his badge is your scout. He is to help you if possible; he is not to turn back from helping the citizens of Napanee. To prove to you that they are good workers, watch for our programme in the near future. An exhibit of handicraft work will be exhibited.

H. LEROY BABCOCK,
Scout Master.

We have the largest display of genuine French Ivory ever shown in Napanee. But if there is any particular piece you want and it is not in stock we can procure it on short notice. Wallace's, Napanee's Leading Drug Store.

BATH.

OBITUARY.

William Fenwick.

William Fenwick, North Fredericksburgh, died at his home on October 31st, after a stroke of paralysis which he suffered Friday evening, without regaining consciousness. He resided at his late home for twenty years, retiring from farm life at the time. He was an active worker and took great pride in his garden, which was one of the most beautiful in this locality. Mr. Fenwick always spaded his garden, which consisted of one acre, following the method of the old country, as he was born in Scotland eighty-one years ago. He came to this country in early manhood to occupy a position in the paper mills at Strathcona. After a number of years, he took up farming. The deceased was a Presbyterian in religion, also a Mason and a follower of the Liberal policy. He had a very clear memory of times and happenings in the fifties. The evening he took the fatal stroke he walked around his garden, ate a hearty dinner and read one of Robert Burns's poems, "Why Man Was Made to Mourn". He will be greatly missed by his friends and neighbors. He was always ready to chat and joke, and gave sound advice at all times. He leaves a widow at home, one sister and two brothers in Scotland. The remains were laid at rest in River view cemetery at Napanee.

ODESSA.

The Hallowe'en Masquerade dance in the Town Hall was very well attended. The disagreeable weather did not prevent the masqueraders from spending a few hours in pleasure. The costumes represented many attractive creations, and were of brilliant colors, prettily made. The twin valentines were considered the belles of the ball. The music was furnished by the Lawloor Brothers' orchestra. The dainty refreshments served at the midnight lunch reflected great credit for the ladies.—Mr. and Mrs. Parker, Kingston, spent a few days at the Dominion last week.—Mr. and Mrs. Harold Anderson and little daughter, Doris, of Napanee, were the guests of Mr. and Mrs. Holmes, last Friday.—Mr. and Mrs. Belch, Watertown, Mrs. Jamieson and little son, Charlie, and Charles Duhurst, Hartington, spent Sunday at James Mc-Queen's.—Mr. and Mrs. L. M. Fraser, Mr. and Mrs. James McLelland and Stanley Fraser spent Sunday at Mrs. William Calder's.—Charlie Hamm, of Toronto, spent a few days with his parents, Mr. and Mrs. B. G. Hamm, last week.—Mrs. Geo. Stagg and little daughters, Helen and Jean, spent the week end at Sidney Silver's.—Miss Helena Mooney, who has been visiting relatives and friends, returned to her home in Napanee, last Tuesday.—E. W. Tuplin spent last Sunday with friends in Kingston.—Mr. and Mrs. George Watts and Mr. and Mrs. Henry Smith were guests of Dr. Harold Ettinger and Mrs. Ettinger, Kingston, last Sunday.—Mr. and Mrs. Holmes and little daughter, Alice, spent Sunday and Thanksgiving at the guests of Mr. and Mrs. Anderson, Napanee.—Miss Eliza Toomey and Miss Marie Oswald have returned from visiting friends in Watertown.—Mr. Burrows, Mr. Silke, Mr. Evans, Howard McLaren and Miss Gladys McLaren, Toronto, spent Sunday and Thanksgiving with Mr. and Mrs. Elwell Emmons.—The following teachers are spending Thanksgiving at their homes: Miss Milling, Napanee; Miss Morrison, Harrington, and Miss Darling, Moscow.—W. TO THE ELECTORS OF LENNOX AND ADDINGTON.

Ladies and Gentlemen:—

I have been selected by the National Liberal Conservative Party as a candidate to contest this Riding, and as the time is limited and this Riding being one hundred and ten miles in length, I find it impossible to visit you.

Conscientiously believing that the policy laid down by Premier Meighen is in the best interests of agriculturists, laborers, manufacturers and business men of this Riding as well as the Dominion at large, I earnestly solicit your support and influence in the coming contest, and ask you to accept this as a personal letter.

Your obedient servant,

A. B. CARSCALLEN.

A TARIFF FOR NATION-BUILDING.

When addressing other than purely agricultural audiences Mr. King is at pains to disabuse the minds of his hearers of the idea that he is a thoroughgoing free trader. So does Mr. Crerar. Everybody knows, they say, that the revenue requirements of this country are too great to be provided for without customs duties. Hence, they assure their hearers, there is not the slightest danger of the tariff being completely abolished. But both these leaders are pledged to abolish protection. That is the point upon which the public mind is fixed. Besides the large instalments of free trade to which their respective platforms commit them, they are bound to rid the tariff of its protective character.

They make it perfectly clear that if all the necessary revenue could be raised by other reasonable forms of taxation they would remove the customs duties from all articles except luxuries. That is why they have no use for a customs tariff except as a source of revenue. That is the point of distinction between the Government party and its opponents. The Government party sees in a customs tariff, not simply a means of directly raising revenue, but also an instrumentality for the development of the country's industries and of all its powers as a nation. The Government party takes the national view, whereas the King-Liberals and the Woodsworth party leave industrial and national progress to look after themselves. For example, as between an American and a Canadian industry employing labor the Opposition parties would say that the business should go to the one quoting the lower price. They contend that it is not the function of State policy to foster home industry. In their theory home industry must take its chance against whatever odds are in favor of the outsider. What a cold-blooded, alien-hearted position is this for a Canadian public man to take! So long as customs duties are needed for revenue purposes the King-Liberals and the Wood-Crerar party will not tolerate them.

Politicians who thus hold to the free trade doctrine and suffer customs duties only as a necessary evil for revenue purposes cannot but have the backs of Canadian people turned to them. Our people know that protection has been not only the fostering principle of Canadian industry, but also the very salvation of the country. Had we not had the benefit of protection for the last forty years Canada would not to-day have been the home and field of opportunities of the wage-earning population it has, and Canada would not have been to-day in the grand position of independence in which it stands towards the United States. Under the guidance of statesmen whose patriotism is of the enlightened kind, men to whom protection is an article of faith, this country will bound forward in the new age opened by the war. If men of the stamp of Mr. King or Mr. Crerar get into office, their false doctrines and their utter failure to appreciate the national problem would be disastrous. Canada needs more protection. One index of the insufficiency of her present protective tariff is the American discount on Canada's dollar. Our money must be brought to a parity with the money of our neighbors. They have raised their tariff and are proceeding to raise it over a still more extensive range of merchandise, and in this way are adding to the weight in the scales against our dollar. We must adjust our tariff to the new situation thus created.

When our neighbors lock the door in the tariff wall, should we give them the key to open it into our country, so that they may both bar us out of their market and raid ours? Why should Mr. King and Mr. Crerar be busying themselves to ensure that United States producing interests shall be pretty well reserved to themselves the monopoly of their home market, shall also be permitted to exploit ours? There are two home markets side by side. If Uncle Sam wants to keep his to himself, let it be so. Canada can then keep hers to herself unless she happens to make the idiotic mistake of putting at the head of her affairs men who are prepared to play into the hands of Uncle Sam by giving him this advantage.

International trade has its claim upon the policy of governments, but chiefly as a means of building up the nation. Canada's external trade will be well provided for and well administered as long as Canada's affairs are in the hands of statesmen of the National Policy school. These men aim to press forward in the work of building up Canada. As long as Canada's industries have a chance to flourish the revenue question will never be embarrassing, for a proper protective tariff is a very hot-house plant for producing revenue. to say nothing of that directly yielded in customs duties.

"KNOW CANADA" CONTEST

BEGIN TO-DAY — NOT YET TOO LATE

From the numerous enquiries received at The Beaver Office, it would seem that every family in Napanee and vicinity are interested.

Besides the handsome prizes, of which there are 140, totalling TWO THOUSAND DOLLARS, the study of the reboa pictures affords no end of amusement round the family circle. It certainly is the most interesting contest ever offered in Canada. The Napanee Beaver and the Family Herald and Weekly Star of Montreal are jointly conducting the contest, and our readers may rest assured that it will be fairly conducted, and all prizes paid.

Four more of the pictures appear this week. Begin NOW and you will have an opportunity to study those already published later on. Full particulars on page 3.

Good News For BRONCHITIS Sufferers

FAMOUS DOCTOR ENDORSES PEPS

"Peps are exceptionally suited for the treatment of bronchial ailments; their peculiar composition, their direct influence on the membranes of the bronchi, and their freedom from risky narcotics, bring among their many praiseworthy points."

Dr. GORDON STABLES.

These chilly wet November days, when the old bronchial cough shows signs of return, and the chest feels raw and tender, it is important to have handy a box of Peps. They treat chest trouble in the only *direct* scientific way.

You *breathe* the Peps medicine, and it *penetrates* where ordinary medicines cannot. As Peps tablets dissolve in the mouth, the sufferer inhales with every breath rich balsamic pine essences with other volatile medicine. This airlike Peps medicine carries comfort and healing into the chest; it soothes the sore inflamed air-tubes; frees the breathing; loosens phlegm; allays the cough, and relieves the painful tight feeling around the lungs.

Peps are the safest and most valuable remedy ever discovered for throat and chest. With them you can defy coughs and colds, chills and other throat and chest troubles. 50c. box, all dealers.

THE STOCK-WATERING WAIL.

The subdued agony of Mr. Crerar's remarks about the trusts is too much for some of his followers. They cannot quit thinking about the rare old rowing subject, but must dwell on it in conversation and write letters about it to the press. Seldom do they get much farther than ejaculations. A farmer writing in the Winchester Press talks of "merger after merger of larger manufactories that they may add watered stock to their capital and become larger and pay large dividends because of the fact that they have been the chosen ones and have been protected by this same high tariff", etc., etc. Mr. Crerar himself has little more in the way of comment upon trusts and upon stock-watering than words of reprobation. He joins two things as cause and effect but is unable to show by what chain of argument he thus connects them. The hare-headed among his hearers resent the liberties he is taking with their intelligence.

But what about mergers and stock-watering? Mr. Crerar must know that a small amendment of the Companies Act would suffice to restrain dishonesty in the matter of stock-watering and protect the public from abuse by the organizers of trusts. Mr. Crerar was a member of the Government for the greater part of two years. This waller about watered-stock and about mergers had a chance to deliver the people from the blood-sucking vampire he attributes to these things. What Bill that he introduced for this purpose was rejected by the House? We look in vain to find any record of an attempt on his part to purge the company laws of license to water stocks or the freedom to form mergers. He did absolutely nothing to amend the law in these particulars. From all U. F. O. platforms in the Provincial election campaign of 1919 there were lamentations about the effects of stock-watering and mergerforming, but what has any member of the U. F. O. Government done to put an end to either of these things? No hollower mockery was ever practised on the people of Ontario than the U. F. O. campaign of 1919. The U. F. O. politicians are in office, as Mr. Crerar was in office, and the consequence is that the Progressive movement is discredited.

THIS WOMAN'S RECOVERY

Shows Remarkable Restorative Power of Lydia E. Pinkham's Vegetable Compound.

Chesley, Ont.—"Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and my back was very weak. I got so weak I could not go up stairs without stopping to rest half way up the steps. I tried two doctors but they did me no good. I saw your medicine advertised in the newspapers and thought I would give it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of three children, and do my housework, milk eight cows, and do a hired man's work and enjoy the best of health. I also found Vegetable Compound a great help for my work back before my babies were born. I recommend it to all ailing friends who are in need of medicine, and you may quote this letter if you wish."—Mrs. Henry Janke, R. R. No. 4, Chesley, Ontario.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after the evidence that is continually being published, proving beyond contradiction that this grand old remedy has relieved more suffering among women than any other medicine in the world.

Open to all readers of The Napanee Beaver or The Family Herald and Weekly Star of Montreal

Fifty rebus pictures to be solved, each represents a Post Office in Canada. Twelve have already appeared. Begin now with numbers 13-14-15-16. You will have an opportunity later on to study the first 12. Read carefully terms below. Read also the large plan in price of The Napanee Beaver and The Family Herald and Weekly Star. These two papers will provide the family with all the newspaper reading they require. With the Family Herald you also get a copy of the beautiful new Canadian Coat of Arms in true heraldic colors. Size 14 x 17 inches.

Can You Solve These Four Pictures?

No. 13. A man, a gun, a deer, a Western Post Office. See page 6 of this list of Post Offices.

No. 14. This may fool some, yet it is very simple—represents a Post Office in New Brunswick.

No. 15. What is it? Supposed to be a bee, but study carefully and consult list of Post Offices.

No. 16. Another Western Post Office that should be easy to make sure—see if it is on page 6 of the list of Post Offices.

The above four pictures may look easy but a mistake can be made. Competitors will find the list of Post Offices from which the pictures are selected a great help. See 2nd item of terms of contest.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $800, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

Contest will begin early in October. See that your subscription to The Napanee Beaver and The Family Herald is paid well in advance and prevent losing a single issue. Back numbers cannot be supplied.

New subscribers may enter the contest by complying with the above conditions.

Address—The Napanee Beaver, Napanee, Ontario,
or The Family Herald and Weekly Star, Montreal.

REPORT ON DAIRY CATTLE RECORDS.

GREAT INCREASE IN THE ANIMALS ADMITTED TO THE RECORD OF PERFORMANCE.

At the annual meetings of the Ayrshire and Holstein-Friesian Breeders' Associations in 1920, it was decided to add to the Record of Performance a 305-day record with a four hundred day calving limit and to cut out the calving requirement in the 365-day record. This arrangement came into effect on April 1st, 1920, and this classification therefore appears in the thirteenth report of the Record of Performance for Pure Bred Dairy cattle, covering the year from that date to March 31st, 1921, recently issued by the Live Stock branch at Ottawa. From this report it appears that, in all, 322 Ayrshires were entered, of which 127 were in the mature class, 2 being in the 365-day division, 55 in the 4-year-old class, one being in the 305-day division, 70 in the 3-year-old class, 3 in the 305-day division, and 67 in the two-year-old class. The 305-day division in Ayrshires is termed the Honor Roll. The number of Holsteins entered was 383, of which 150 were in the mature class, including 3 in the 305-day division, 57 in the 4-year-old class, 59 in the 3-year-old class, one being in the 365-day division, and 139 in the 2-year-old class with two in the 305-division. The Jerseys entered numbered 150, namely, 28 mature, 21 four-year-olds, 20 three-year-olds and 57 two-year-olds. The Shorthorns entered totalled 102, namely, 40 mature, 12 four-year-olds, 20 three-year-olds, and 30 two-year-olds. Of French-Canadian cattle, 8 mature, 3 three-year-olds and one two-year-old were recorded. Of Guernseys, 4 mature, one four-year-old and 6 two-year-olds proved eligible. Every breed shows an increase in the total number of entries over the previous year, Ayrshires of 150, Holsteins of 160, Jerseys of 84 and Shorthorns of 59. Perhaps the best indication of the growth of the Record of Performance system for pure-bred dairy cattle is to be found in the fact that 336 breeders are represented in the thirteenth report against 247 in the twelfth.

Issued by the Director of Publicity Department of Agriculture, Ottawa, Oct. 31st, 1921.

Women of Canada

"I ask from all the people of Canada an earnest review of the real issue before Canada to-day. I ask from men and women a calm, thoughtful consideration of serious public questions; and, so far as I am concerned myself, I ask not favors but fairness."—ARTHUR MEIGHEN.

WOMEN OF CANADA, the coming General Election will be one of the most momentous in Canadian history, and Arthur Meighen asks YOU to give the issue

Women and men alike are called upon to decide whether political, industrial and economic stability is to be replaced by class rule, political and industrial chaos and possible economic bankruptcy.

The facts are clear, and every Canadian woman will do her own thinking. She will not be misled by others. She will not blindly follow family political precedent, neither will she be carried away by the false theories or empty "issues" of theorists and extremists. Every woman will arrive at a personal decision by the application of practical common sense.

The great issue is the Tariff and here are briefly the facts.

The present Canadian Tariff, so far as it affects the necessaries of life, is a very moderate one. It is simply a tariff maintained to keep Canadian factories in Canada, employing a steadily increasing volume of Canadian labor and developing Canadian resources.

Meighen stands firm for the continuance of a reasonable tariff. It is now even more imperative than in the past. All other important countries are retaining or increasing their tariffs in order that they may hold their home markets for their own people.

Under Crerar's Free Trade policy Canada would be swamped with foreign goods, principally from the United States, Canadian industry would be ruined, thousands of men and women would be out of work with all the hardships to themselves and their children that must result. The farmer's great home market would be seriously affected, taxes would be increased, and Canadian working men would have to go to the United States for employment.

While King's Tariff policy is wobbly it nevertheless tends toward the destruction of the Tariff and would bring with it practically the same results.

MEIGHEN'S POLICY EVERYBODY KNOWS. It is the only means whereby confidence may be maintained and employment given to all classes of the people.

The foregoing is a plain statement of logical conclusions arrived at from the facts. Think the matter over carefully "without favor but with fairness".

Make your own decision, stand by it unmoved and be sure to exercise your vote.

Why You Should Buy a Mattress in November

During the last two months cotton has advanced about 100 per cent in price. The price of ticking has also advanced. Therefore the prices of mattresses will be raised, and some lines have already gone up. We saw this coming and put a large number in stock, so that our prices will not raise until our present stock is exhausted.

During November we have a special showing of all Felt Mattresses. In our window we show the felt before it goes into the mattress.

YOUR TEETH.

HEAD INFECTIONS.

By Rea Proctor McGee, D.D.S., M.D., Editor "Oral Hygiene".

The great majority of bodily infections are due to abscesses in some part of the head, usually in the mouth, throat, nose or in the little cavities that are located in a chain from the base of the nose backward to the under surface of the skull.

These cavities are called sinuses.

Whenever there is an abscess that causes absorption of the poisonous material into the blood stream, it is called a focus—a focus of infection.

The reason so much attention is given to mouth infections is not because they are worse than other infections, but because there are so many opportunities for infection in the mouth.

There are twenty temporary teeth which, in the normal course of life, are followed by thirty-two permanent teeth. Consequently, every one of us has the possibility of fifty-two sources of infection in the mouth alone, unless the teeth, both temporary and permanent, are properly cared for.

Every infection shortens life either very slightly or very considerably. In order to keep a clear blood stream points of infection must be removed, but how much better it is, and how much more sensible it is, to avoid these infections.

So far as the mouth is concerned, infection can almost always be avoided by proper care, in time.

The best time to begin preserving your health for the future is now. Just think of the wonderful opportunities ahead of us in this country. Only those who have health and energy can have the success of which they are capable. Pus is the enemy of success.

U. F. O. MEETING

The meeting in the Armouries on Tuesday evening was largely attended to hear Hon. E. C. Drury, Premier of Ontario, and Hon. Mr. Crerar, Leader of the Progressive Party, who spoke in the interests of Mr. E. J. Sexsmith, the U. F. O. candidate for Lennox and Addington.

Hon. E. C. Drury, Premier of Ontario, for the second time in the campaign took the stump with Mr. Crerar. He declared that his Government had justified the public desire for something new and better in Government. He spoke of the protective tariff as an instrument to stagnate, rather than invigorate industry and after eulogizing both Mr. Meighen and Mr. King, contended that Mr. Crerar was the only business man of proved capacity in the field and commended his claim to popular support sympathetically.

Unlike all the other speakers, Mr. Drury did not launch a tirade of criticisms against any party. He announced theories in favor of proved facts, expressed his sympathy with the development of industry through all legitimate means but held that individual and national welfare necessitated tariff readjustments which would put it beyond the power of combines to continue to exploit the people as they have been doing.

Crerar Fatigued.

Between riding and driving scores of miles each day, addressing from one to three meetings and meeting committees in constituencies Mr. Crerar is showing signs of fatigue. At night Tuesday he confessed to his audience that he was getting tired of hearing his own voice. He devoted his main attention to the tariff, declaring that as it stands now it prevents development and a return to prosperity and immigration, incidentally retarding the time when greater traffic will bring a solution of the Canadian railway problem.

Defends Ontario Government.

Chief interest in Mr. Drury's appearance with Mr. Crerar to whom he referred as "my old and tried personal friend." The Ontario Premier said that when he was called to office a new and great movement was on trial in Ontario and that even up to the present the trial has been a colossal experiment. People, he believed were sick of the politician with his ear continually to the ground, tired of the politician whose science of politics was the study of how to let things slide. After two years he felt that a certain justification of the public hope had been achieved by his Government. It had faced with a certain amount of courage, public disapproval of legislation which it believed in the public interest. Enactment of the Mothers' Pension Act and insistance upon thorough investigation of the proposed Ontario radial development before accepting it, were instances as two cases in which powerful opposition was faced to justify public faith.

However, the provincial experiment was not on all fours with the Federal situation. The Federal field exercised a tremendous influence on the future of the whole nation that it made local or provincial problems seem insignificant in comparison. He spoke of the railway situation as a development in part attributable to both old parties, the result of a policy wasteful beyond expression. The result was freight rates which staggered and stagnated every industry in the country. In this connection he referred to statements issued to show that in the last short period the National Railways have earned slightly more than operating expenses. He hoped this was true but quoted records to show that since 1919, it had been the unfailing practice of railways to produce a surplus immediately prior to an election.

Deals With Tariff.

Mr. Drury said he wished to deal with the tariff problem not as Prime Minister of Ontario but as a private citizen who had a right to be interested in the things that made for the best interests of the whole country. He said the question of trade was to be met and dealt with by results and not by theories. He had found that in many respects protection had limited production and resulting in combines which extracted every possible cent from the public. In this connection he reviewed records which were designed to show that at various times since 1885 manufacturers of Canada had combined to dispose of competition to fix prices and sell on conditions. Churn, washing machine and stumpuaw manufacturers were among those whose methods he attacked. He made use of the speech against muleting of the public through high tariffs which was delivered in the House of Commons by Mr. Meighen ten years ago and commended its accuracy, claiming that it was more pronouncedly accurate to-day even than when first made.

Mr. Drury said he was not going to speak of the present election situation. "Three estimable gentlemen are leading the parties which are appealing for your suffrages." He said "What Canada needs is a business man to guide the country through its difficulties and among the three I find only one real business man and that man is on the platform with you. I am not one of those who attack lawyers because they are lawyers. We had to have one for our Government and we secured Mr. Raney. But Canada's need to-day is not for a lawyer to guide her destinies. It is for a capable business man of proved capacity. In Mr. Crerar you have that man. In my opinion he is the one best bet of the three."

The staff-correspondent of the Montreal Daily Star had the following to say of the candidate, Mr. E. J. Sexsmith.—

"If Mr. Beed was brief, his brother candidate in Lennox, E. J. Sexsmith, compensated for the deficiency. Mr. Sexsmith has an active tongue that cuts into vowels and consonants, a voice that was made to sing "Many Brave Hearts Are Asleep." His delivery is reminiscent of Sir Johnston Forbes-Robertson's Hamlet. As he pictured the morass into which Canada is plunged, as he painted scenes of corporate greed and talked in the abstract of graft in high places, one could visualize "Little Eva" racing madly across the ice with the bloodhounds at her heels, baying in anticipation of the feed that was shortly to be theirs. His Canada, being the immense and his corporate greed filled the skins of bloodhounds to the tails."

A LITTLE TALK ON POULTRY.

The M. B. Mills firm expect by now that their reputation for fair dealing has reached nearly all the farmers in the County as evidenced by the fact that our Poultry business is increasing all the time until now we are headquarters for Poultry in this district. Still there is a lot of Poultry raised here that we don't get, and we want it; so we are offering from now on highest prices for live and dressed poultry of all kinds. We will give from 22c. to 25c. per lb. for good plump well fatted chicks, fasted, dry plucked, all feathers off properly bled. Will pay extra for fancy, milk fed, crate fattened stuff. We want all your hens alive all the year round. We guarantee correct weights in every case, and you take your money home with you, without waiting for as when shipped to the cities. We want the bulk of the stuff delivered up to Wednesday afternoon, but will take in any day. Shoot at the foot of the hill near the postoffice and market are on. Turkeys, Geese, and Ducks also bought at all times.

Reliability

PRIMARILY we underwrite Government and Municipal Bonds. We do not often associate our name with a Corporation's Securities.

Consequently, the many investors who have purchased securities from us in the past have had no reason to regret our advice.

In short, when they bought investments from us, they received also whatever of reputation, integrity and good judgment are embodied in the name of W. A. Mackenzie & Company.

By our underwriting of the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, we have extended the field opened up by us in selling the securities of the King Edward Hotel Corporation Company, Limited.

Before we underwrote these Mount Royal Convertible Debentures, you may be sure we thoroughly investigated every phase of the enterprise, and, particularly, those matters pertaining to the security and interest and dividend-earning powers of the Hotel and its management. We are convinced, so far as it lies within human power to form convictions, that every investor's money in this enterprise will be safe.

We know positively that in no other city of Canada is there so crying a need for hotel accommodation.

We know positively that no other city in Canada has occupancy of the tourist and commercial traffic passing through it. Montreal is Canada's greatest seaport. It is a trans-continental terminal and the logical attraction and distributing point for tourist, Cadet, conventions and similar gatherings of persons.

MATRIMONIAL

CLARK—SCOTT.

A quiet but pretty Autumn wedding was solemnized at Trinity Church Parsonage, Napanee, by the Rev. Dr. Stuckey, on Wednesday, Oct. 26th, 1921, at 2 o'clock, when Miss Mildred Clark, second daughter of Mr. and Mrs. Fred Clark, Moscow, was united in the holy bonds of matrimony to Mr. George Scott, of Strathcona. After the ceremony the happy couple motored to the home of the bride's parents, Moscow, where a sumptuous wedding supper awaited them, several intimate friends being present to welcome them. Miss Clark is one of Moscow's most popular young ladies, always identified with the social life of the community, as well as the Camp at Church Choir and Sunday School. Mr. Scott happens to be one of the few home men from this County, who volunteered his services for King and Country as early as 1914, the first year of the war, and was mentioned in despatches for conspicuous bravery on the field. The bride was the recipient of a number of beautiful presents, showing the high esteem in which she was held by her many friends. Mr. and Mrs. Scott will reside at Strathcona, where the groom is in a prosperous farming district. All extend to the happy couple a best wishes through life.

HOWIE—LEACH.

On Wednesday morning, at 9.30 o'clock, a quiet but pretty wedding was solemnized at St. George's church, Deseronto, when Miss Mabel Louise, second daughter of Mrs. R. Leach, 18 Centre St., Deseronto, became the bride of Mr. Lloyd W. B. Howie, son of Mr. and Mrs. Joseph Howie, of Bath, Ont. The ceremony was performed by Rev. C. H. C. Pentland, uncle of the bride, in the presence of the immediate relatives and a large number of friends. The bride was attended by Miss Ruth Leach, sister of the bride, who was dressed in white silk with veil and orange blossoms and carried a shower bouquet of white roses. Immediately after the ceremony a dainty supper was served at the home of the bride's parents, after which Mr. and Mrs. Howie left on the 3.30 train for Toronto and other points. On their return they will reside at Bath, where the groom is engaged in business. The bride was the recipient of many costly and useful presents, showing the high esteem in which she is held by her many friends. Mr. and Mrs. Howie will be at home to their friends after the 15th inst.

The Spirit of Sunlight

All over the land the sun calls forth beauty, cleanliness, health and the renewing of youth. So with Sunlight Soap in the home. It redeems everything washable from the thraldom of dirt. Renews beauty and brings out old colors. It cleanses with a sure, gentleness that only the purest of soaps could accomplish.

Sunlight Soap

Its mission—as thousands of homes know—is to wash clothes, from the finest to the coarsest, without rubbing or old-time labour and discomfort. Also to wash woodwork, linoleums, dishes, utensils, etc., spotlessly clean with only a little soap. All this because it is absolutely pure.

Insist on getting the Soap you ask for—SUNLIGHT SOAP.

No one can buy better Soap.

Rinso

The wonderful new soap in granules, just soaks the dirt out of your clothes in a few hours. No need to use the wash board or boiler.

Moreover, Rinso saves your clothes. In these pure, cleansing suds they soak as safely as in water alone. There are no harsh chemicals to eat the fabric. Just rich, pure suds, so mild they do not even redden your hands.

You need not rub

You need not boil your clothes

If you have a washing machine—

soak the clothes overnight in the usual (two) way. The cleansing suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

ASSELSTINE'S CORNERS

On Hallowe'en a number of the people of this vicinity enjoyed the entertainment given by the school children of the section, in the school. Under the supervision of their teacher, Miss A. Smith, the children put on a splendid programme of choruses, solos, recitations, dialogues and drills. A Victrola furnished the music. During the evening "an old witch" sold homemade candy and fancy work. After the programme, a tub of water was placed on the platform and the children bobbed for apples. While the children were busy at that the teacher popped corn, and everyone enjoyed the hot buttered popcorn. At the close all joined in the singing of the National Anthem. Besides keeping the "Hallowe'en", and having a good time, the teacher and pupils have about seven dollars, with which they are going to purchase a new flag for the school and some books for the library. At Christmas they intend to have another such concert, and they hope they will have a finer evening.

ENTERPRISE.

The monthly meeting of the Women's Institute of Enterprise was held at the home of Mrs. Wellie Wagar's. The President in the chair. The meeting opened by singing the opening ode, Rev. Mr. Leigh leading in prayer. Also Mr. Leigh gave a talk on selling poppies to help the orphans in France. We decided to send for two hundred and do what we can to help. Each person is asked to wear a poppy on Armistice Day to hold and preserve the link of affection between the two sister countries —France and Canada—and to help those in need, and keep alive the memory of those who brought back honour to their country, glory to their flag and peace to the world. Roll call was responded by Irish Jokes. A collection was taken up on a quilt, amounting to $1.35. A free will offering was taken up for Mrs. Sheppard, amounting to $6.28. $200.00 was granted to the Travellers' Aid. Fruit was brought to be packed for Kingston hospital. Miss Carrie Jackson gave a talk on "Good Form in Public Places". Paper on Domestic Science. Home nursing in first aid and dressmaking was read by Mrs. John S. Reid. Paper, "Sociability" by Mrs. Washington Wagar. Meeting closed by singing "God Save the King". Members present, 24.

RHEUMATISM

Rheumatism is produced by the accumulation of Uric Acid in the Blood and this poisonous substance attacks and inflames the membrance covering the joints and separating the muscles, thus producing severe pains. If the waste products in the system are not properly carried off, Uric Acid forms and is deposited in the joints and between the different layers of muscles. DR. HENDERSON'S HERB TABLETS will correct this by its action on the Kidneys, and removing the Uric Acid from the blood. Try them and watch the results. If they fail your money will be refunded. 50c. and $1.00 a box at Hooper's Drug Store, Napanee, Ont. The Henderson Herb Co., Toronto, Ont. 44b

Maker's Leading Bargain Store

NAPANEE, ONTARIO

To the Public and Surrounding Country, and all my Customers who know me.

I have been here over fifteen years. I have dealt with all the public and they found me straight to my word, and anything I advertised I agreed to same. So I want to explain to you about the salesman.

I am the first one who brought him to Napanee, and I am very sorry I did it. It cost me 10 per cent. for the salesman, and 10 per cent. for advertising, and that money had to be raised from the sale of merchandise. I do not believe in doing that. I believe in reducing my prices when you come to my store.

It will pay you well to visit our store and compare my prices with those of the other merchants. I have moved my store from Brighton to here, and I am overloaded with goods, and I must make room for my new goods, and now is your chance. Every article on sale at cost price.

I have also in stock $300.00 worth of Boots and Rubbers, also Rubber Boots—goods I never handled before. I am not in the Shoe business and these must be sold. There are no prices mentioned on anything, but you will get these goods from me at a Bargain. Buy your goods and other articles you require at

MAKER'S Leading Bargain Store

Note:—All goods can and will be freely shown to you and it will not cost you a penny to come and see what I have on Sale.

Winter Care Storage Batteries

The winter season is at our door and you will now want to prepare your automobile for the attacks of Jack Frost. You can protect your radiator by anti-freeze, but not so your battery. It must be kept in first-class condition, fully charged, or it will freeze in zero weather. If you lay your car up during the winter months, send your battery to us and we will store it for you, give it careful attention and keep it fully charged for a nominal storage fee. We maintain a battery service station for the repair and re-charge of all makes of batteries, being Service Representatives in Napanee for the well-known and popular Prest-O-Lite Service, and Distributors of the Prest-O-Lite Battery. Your battery troubles are over when you leave it with us.

MacGREGOR'S APPRECIATION!

Our October Sales Very Successful

OUR October series of Sales have been a rousing success. All our expectations have been more than surpassed by the volume of business we have done. We have taken last year's business as our basis throughout the year (the peak year in all business activities), and to date we have beaten all records. This, to us, is very gratifying, and here we would like to express our appreciation and thanks to our many customers and friends for the loyalty extended; and as a slight expression of our appreciation we have decided to continue our series of Sales throughout the month of November. In this space of The Napanee Beaver you will find from week to week many interesting bargains that should interest you, as they will be Big Money-Savers.

This week we are turning our attention to cold weather needs.

First-class Ibex Blankets, special sale this week, 10/4 size $2.19 pair, 11/4 size $2.49 pair, 12/4 size $2.98 pair. On account of the failure of the cotton crop, Blankets have gone up considerable in price, and are still rising. and remember the goods we are offering at this special sale are the best that money can buy.

Ladies' extra quality all-wool Cashmere Hose, color Black, sizes 8½ to 10, our regular $1.00 line, while a pair lasts 59c. pair.

All-wool Navy Serge, 48-in. wide, this line sold in the Spring at $2.50 per yard. Special, Saturday only, 98c. per yard.

Beware of these foot troubles!

Bunions, callouses and corns, flat foot, turning ankles, cramped or overlapped toes—all these endanger your whole physical condition

(1) Bunions and corns make normal walking and standing impossible and, if neglected, contribute much toward the wear and tear on one's whole physical make-up

(2) Flat foot can make weaklings of even the strongest men and women

(3) Weak, turning ankles, an indication of weak arch, weaken the whole movement of the legs and body

(4) Overlapped or cramped toes strain the muscles from toe to thigh and noticeably affect the nervous system

Chicago foot expert coming to our store

Do you know that nervousness, stomach disorders, headaches, spinal deformities, drop shoulders, rheumatics, neuralgia and many other diseased conditions are often directly caused by foot trouble?

Authorities agree that upon the foot depends the physical well-being of the whole body!

Do not neglect your feet! You now will have an opportunity to have your feet examined and to find out just what they need for their

immediate and permanent relief from pain!

A Chicago Practipedist—a foot expert—trained in Dr. Scholl's methods of foot relief —is to be in our store.

He'll examine your feet free and tell you which of the scientific appliances designed by Dr. Scholl you need.

He'll show you how to have absolute foot comfort—the essential of perfect health for your whole body.

Don't forget the date!

TO THE ELECTORS OF LENNOX AND ADDINGTON

I have been informed that the Temperance question is being used against me in the present campaign.

I wish to make a straight-forward and honest confession of my part and present position in regard to this question.

Owing to financial conditions I was forced to go out in the cold world at the age of 16 years to make my own living as a laborer. That being some thirty-five years ago, intemperance in no way looked upon in the same light today as it was then, for which we are all thankful.

I am free to confess that my environments were not of the best, and I formed habits which I have had to fight ever since. I have always marked my ballot in favour of temperance whenever the opportunity was presented, and hope and pray that I always will.

Having a knowledge of the evils of intemperance, I would rather lose this election or make any other personal sacrifice than to be a party to any legislation that would cause the same temptations to be placed before the boys and young men of to-day that I was subject to in my boyhood days. I am not writing this letter for the purpose of soliciting votes, but for the purpose of placing my position on the temperance question before the electors of Lennox and Addington.

PUBLIC OWNERSHIP OF RAILWAYS.

To the Editor of Beaver.

Dear Sir,—The people of the Dominion of Canada are in the midst of the excitement of a General Election, with an additional party entitled the Progressives, in the field. The old Conservative and Liberal parties being now augmented by the new or Progressive, i.e., the united farmers' party. In the arena of debate we have on each distinctive platform of equally advocacy men of talent and many of oratorical ability, and on every side of politics, some men of unmistakable sincerity of conviction. In consequence it is with pleasure that one is enabled to note that upon one question of moment in this campaign all parties, owing to the predominance of public opinion, are agreed.

That one subject is the determination of each party, Conservative, Liberal and Progressive, to stand for a fair try out of public ownership of the Canadian National Railway System.

As I said above, "owing to the predominance of public opinion it is a matter of the wish of the people of the country to give it a fair try out." Is a fair try out at all possible? In that question the test will be after the new order of adjustment of party control is determined after the election results are known.

To convict and damn public ownership of the National Railways from performance to date would be on a par of having deserted in the times of its early performance the Canadian Pacific Railway before it got into its somewhat belated natural stride of successful operation. In that period of doubt and uncertainty there were many misgivings as to its future. Its success and final results were obliterated in the memory of many Canadians the dark days of its early existence, and a new generation of to-day unacquainted with the facts have intervened to assist in forgetting its early hardships.

Without intent to rewrite Canadian Pacific Railway history, I merely desire to call attention to the fact that harrassing conditions at times almost menaced discard of that great project. Let us look at the position at the present time of the government railway projects. It certainly is not bright and looks dark and foreboding, with much anxiety at the present time. Coming into public life I might say most unexpectedly, and with all ways, following a most unwarranted award to operation of the railways of United States by Secretary McAdoo with overwhelming adverse conditions of every way attached to the award toward the possibility of any railroad operation, making good, and with every other feature of requirement, supplies, etc., in the country boosted to immoderate prices through the war and the rest of the countries in full requirements for winning the war, to such a point as to result in a staggering blow to any railroad, to keep up with requirements or to make any betterments, much successful effort on part of all railroad management.

Let us regard deflation vs inflation so as to get a glimpse of a possible silver lining to this railway cloud. Remember we are looking at a little better angle of light just at present in connection with this railway question, but we are not yet entirely out of the woods, but we have reason for hope.

During the months of August and September there were moderate surpluses according to report, of the management of the Canadian National Railway. Those reports are correct coming from the Audit department of the National Railway and not in any way controllable by any political or other purpose by any Government department.

I see President Hanna resents, and advisedly so, the reflection of Premier Drury of Ontario that the surplus reports might be forecast for political purpose to assist the present Government. The inference drawn by Mr. Drury's remarks may be set aside as applying to the management of the Canadian National Railway Co. The conditions of past Government control of Canadian railways and present control of the Canadian ownership of National Railways are entirely different and merit belief in trust in all ways in matter of reports being correct.

After hearing Mr. Drury, in company with Mr. Creery, on the platform here in Napanee, I feel assured he is equally anxious for the success of the National Owned Railway System as either the leaders of the other parties. They are all in harmony on the matter owing to public opinion in the interests of all the people of Canada.

In this article I wish to say I hold no mandate for any political party in this contest, though I have a personal preference. My wish is to express my belief in the eventual satisfactory outcome of the Public Ownership of Railways. About the present management I would say that through my acquaintance with President B. Hanna of the Canadian National Railways, I feel assured of his uncompromising desire to make the Canadian National Railway System a great success. No one can successfully impugn his motives for he has an unassailable character, and every one accounted with him, including all employees in every department of his enterprise, will give evidence to his fairness, integrity and honor.

The one great question at issue in the securing of success for this great enterprise, is, "Will it be possible to keep it out of politics?"

I am sufficiently optimistic to believe if President Hanna is allowed to "carry on" without political interference, for all present great railroad managers agree that Mr. Hanna stands in the A No. 1 class of management, that within a decade the Canadian National Railways will be a great financial asset to the Dominion of Canada and an undisputed blessing to all the people.

Let us all sincerely wish for and endeavor to assist in the success of our own railway system and endeavor to hold every party or body politic committed to its success.

Yours respectfully,
H. B. SHERWOOD.

15 Years for Tryon

The case of Kenneth Tryon, charged with shooting his thirteen-year-old daughter, Cecelia Tryon, at their home in Kaladar, on June 11th last, came before Justice Logie, at the Fall Sittings of the High Court Monday afternoon.

On the charge for attempted rape the Judge sentenced him to 5 years imprisonment at Kingston Penitentiary with hard labor, and to be thrice whipped within the limits of the prison with fifteen strokes each, under the supervision of the medical officer. On the charge of wounding with intent to do grievous bodily harm, the Judge sentenced him to 10 years imprisonment at Kingston Penitentiary with hard labor, to run consecutively with the sentence of 5 years for attempted rape.

W. S. Herrington, K.C., appeared for the crown, and J. M. Simpson for the defendant.

To the Hon. Mr. Justice Logie.

We, the Grand Jury, summoned to attend at the Fall Assizes, held at Napanee, this 15th day of November, A.D. 1921, beg leave to report as follows:—

We congratulate your Lordship upon your apparent good health and trust you may be long spared to serve your country in the position which you now occupy.

We are pleased to observe, that there is so little criminal business to be brought before this Court.

We have examined the gaol and County buildings and found them in good order.

We found confined in the gaol one old gentleman whose only offence appears to be that he has no home of his own. We do not think it is a proper place for him.

TO THE ELECTORS OF LENNOX AND ADDINGTON.

Ladies and Gentlemen:—

I have been selected by the National Liberal Conservative Party as a candidate to contest this Riding, and as the time is limited and this Riding being one hundred and ten miles in length, I find it impossible to visit you.

Conscientiously believing that the policy laid down by Premier Meighen is in the best interests of agriculturists, laborers, manufacturers and business men of this Riding as well as the Dominion at large, I earnestly solicit your support and influence in the coming contest, and ask you to accept this as a personal letter.

Your obedient servant,
A. B. CARSCALLEN.

CAMDEN EAST

The past week we have had cold weather, with snow to the depth of about 7 inches, and the merry jingle of bells is heard.—Mrs. W. Switzer is about our village last week to reside with her daughter, Mrs. Albert Warner, Yarker East.—We are sorry to see her go, as her home was always welcome to her neighbors and friends, of which she had a large number. She was a very highly esteemed lady in this vicinity.—Mr. Wm. Hull and wife, of Point Anne, spent last week end with Mr. and Mrs. Clarence Boulton.—Mr. Hall returned to Winnipeg on Friday last, after attending the funeral of his brother-in-law, Mr. A. Dickson.—Mrs. Giggs, of Montreal, is spending a couple of weeks with her sister, Mrs. Dickson.—Miss Gisover, of Toronto, niece of Mrs. Dickson, returned home last week.—A large number of people went to Newburgh Monday evening last to hear the Hon. Dr. Edwards speak. They were well repaid for going.—About forty of Mrs. Etherington's friends gathered at her home on Thursday evening last, to give her a parting greeting of love and friendship before she left on Friday for Toronto to visit her sister, Mrs. Aylesworth, for a couple of weeks, and then on to Winnipeg, to visit her son, George, and family, for a month, and then to Killarney, Man., to spend the winter with her son, Philip, and family. Her many friends hope to see her spared to return to her home again next spring, as her friends were always welcome at her home. She was always jolly and a good entertainer, and a great church worker. All enjoyed a right good time during the evening. Refreshments were served in abundance, provided by the ladies. Several fine selections of music were played by Miss Williams. Before parting all joined in singing "God be with you till we meet again." A hearty shaking of hands and good luck were given her to return home again, and all wended their way to their respective homes about midnight.—The Progressive Euchre and Dance will be given in the Church Hall, Camden East, on Friday evening, Nov. 25th. Ladies please provide. Admission 25c. The euchre to start at 8 o'clock sharp.—Miss Jessie Henderson, Newburgh Road, spent Sunday last with her grandparents, Mr. and Mrs. Jas. Henderson.—Messrs. Walter Switzer and Jessie Card were home from hunting on Saturday last, with a deer each.

PINE GROVE.

The cheerful sound of the sleigh bells is heard on the road, as the snow has made good sleighing.—The Mission Band meeting at Mrs. Ada Kimmerly's, on Friday evening, was well attended, and an enjoyable evening was spent by all the children.—Mr. Cephas Bell and Miss Noreen spent Friday at Mr. R. W. Asselstine's.—Mr. and Mrs. Wm. Bell and family, also Mr. and Mrs. W. O. Asselstine and family attended divine service at Mount Carmel on Sunday.—Mr. and Mrs. Fred Booth spent Sunday afternoon at Mr. T. Palmer's.—Mr. and Mrs. Herb. Asselstine, Forest Mills, spent Tuesday at R. W. Asselstine's.—Mr. and Mrs. Asselstine accompanied them home and attended the Anniversary Meeting by Mr. Drury and other U. F. O. representatives in the Armouries, at Napanee.—Mrs. Herrington spent Thanksgiving at her home, near Napanee.—Miss E. Yorke spent Monday with Mrs. R. W. Asselstine's.—Mr. Wm. Lloyd is re-modelling his dwelling.

WILTON.

At time of writing we are having a taste of some real winter weather, with a bountiful supply of the beautiful for good sleighing. We see very few teaging themselves with the old time pleasure of a sleigh drive with the merry sound of the jingle bells, as the motor car has left the old horse and sleigh as something of days gone by.—A political meeting in the interest of the U. F. O., was held in the Grange Hall, on Nov. 9th, with Mr. E. J. Sexsmith, U. F. O. candidate, and Mr. J. Haycock, Glenora, as speakers.—A political meeting in the interest of Mr. A. B. Carscallen, Liberal-Conservative candidate, was held in the Grange Hall, on Wednesday, Nov. 16th, addressed by Mr. Carscallen and other speakers.—Messrs. Guy Simmons, Ira Davidson, Rod Peters and Charlie Jeffries are in the north country, hunting for big game.—Carman Peters and Hedley Babcock have returned from the West. They spent three months in Saskatchewan.—Rev. H.J. Latimer conducted anniversary services at Switzerville Methodist Church, on Sunday, Nov. 13th.—Mrs. N. B. Switzer returned home, having spent a week with friends in Kingston.

STRATHCONA.

Strathcona is still on the map. The paper mill is running full time, with plenty of orders coming in. More men are employed than ever before, and we are like Toronto, we are faced with the housing problem.—Mr. Roy McLean, C.N.R. agent, and family have moved into the station, being unable to get accomodation elsewhere.—Mr. Fred Macdonald paid a visit to the old home town recently.—Word has been received from our hunters that the supply of game is not quite equal to the demand.—Mr. Hugh Miller, the new superintendent of the paper mills, is contemplating moving here in the near future.—Mr. Ross Toner has returned from the West looking hale and hearty. The Western air certainly agreed with him.—A very pleasant evening was spent recently at the home of Mr. George Scott, when his friends met to welcome his bride and to show their good will in the presentation of many useful gifts.—Our village store is prospering.—The excitement for this week has been the two political meetings held in the Standard Bank Hall, Newburgh. Most of our citizens took advantage of the opportunity to hear the candidates discuss the questions of the day. We are sorry to have to record our disapproval of the cheap politics indulged in by the two outside speakers. In this connection we are glad to note with a good deal of admiration the higher plane taken by our two local candidates in their discussion of the issues before the people in this present campaign. Personal attacks, misleading statements, discrediting remarks get us nowhere.

CONWAY AND SANDHURST

Who said Conway and Sandhurst had fallen in the bay? Well I guess not.—St. Paul's Church at Sandhurst is undergoing extensive repairs which adds much beauty to the exterior and interior. It will soon be completed, and ready for the great opening.—Mrs. Hugh Bell, of Manitoba, is visiting her parents, Mr. and Mrs. W. Galloway.—Miss Helen Kerr, of Harrowsmith, is visiting her aunt, Mrs. W. Chapman.—Miss Rowena Smith spent the week end with friends in Hamm.—Mrs. Fred Instant returned to her home, after spending a week on Amherst Island.—Miss Jordan, of Wellington, is visiting Mr. and Mrs. A. Ackerman.—A number of people gathered at the home of Mr. and Mrs. Tuckett to welcome them to their new home. An enjoyable evening was spent in dancing and merry-making.—Mr. Ross VanDyck spent a recent evening at Mr. Ed. Hogeboom's.—Duck hunting seems to be the chief amusement of the male sex, according to the number of men seen walking along the shore armed with guns and ammunition.—Miss Cora Murray spent a few days at home owing to ill health.—The grist mill of Mr. Geo. Roddick is in operation, much to the convenience of the farmers in the country.—Mr. Clement Hinds is spending the winter in Nova Scotia.—Mrs. Will Cranston has returned home, after an extended visit to her parents.—Mr. and Mrs. Joseph Bartlett and sons, Arthur and Norman, sailed for Liverpool to spend the winter in their native land.—Mr. Harold Sills spent a day recently in town.

VETERAN U.F.A. PRESIDENT TO EXPOSE WOOD DICTATORSHIP.

CALLS ON ALL CANADIANS TO FIGHT "ONE MAN POWER".

Grande Prairie, Alta., Oct. 5th. — Following the lead of Dr. Michael Clark, the president of the Grande Prairie District United Farmers' Association, Joshua Fletcher, in a lengthy letter which appeared in the Grande Prairie Herald yesterday, tenders his resignation from the Association as a protest against the "one man power" principle introduced into U.F.A. affairs which he describes as injurious and destructive.

Mr. Fletcher has been prominently associated with the United Farmer movement for seventeen years, having been instrumental in effecting the amalgamation of the Society of Equity and the United Farmers. He acted as chairman of the convention which brought about the union. Coming to the Peace River country some ten or twelve years ago he can be described as the founder of the movement in this district and has for several years past held the office of president. He had the honor of being president of the Provincial Alberta Farmers' Association in 1004, being elected at the Calgary convention and re-elected again the following year at Edmonton. After describing himself as all-Canadian, Mr. Fletcher emphatically protests against the dictatorship of President Wood, whose theories would, he declares, if introduced into national affairs, mean nothing short of national suicide, and in Provincial affairs prove deceptive, disappointing and costly. He calls on those who respect Canadian institutions to unite and stamp out this system as they would deal with some dread disease.

While Mr. Fletcher does not mention the opposition of Mr. Crerar to the grain probe, it has unquestionably produced a feeling of distrust among a great many local farmers, which cannot easily be "brushed aside and which is going to have an important bearing on the forthcoming elections.

Full Text of Letter.

Editor Herald.

Dear Sir,—I have tendered my resignation as president of the Grande Prairie District Association, United Farmers of Alberta, for reasons therein stated. The following is a copy which I submit to you for publication.

To the Secretary and Board of Directors of the Grande Prairie District Association of U. F. A.

Dear Sirs,—Conditions now exist which renders it advisable that I should not any longer continue as a chief executive officer of our District Association, and I hereby offer "you my resignation as president of our Grande Prairie District Association.

I thank you for your hearty co-operation and support given to a good cause during the four years I have occupied this office. I thank the members of our local union who have been the real life of our Association for the sacrifices they have made to bring about better things, and improve the conditions of the great mass of our industrial people. So successful have you been that President Wood, on a visit to your Grande Prairie convention, declared that he was astonished that our results here were on a par with the very best in the Province.

Like a Thief by Night.

While this is all perfectly true, I very much regret that during the past year or more there has appeared an element of deception, intrigue and falsehood. This has come to us from a long distance. It has slipped across the Athabasca River like a thief by night and entered the Grande Prairie and Peace River land districts, and now seeks to permeate the homes of our people in this great north land. I should tell you that I deal with this matter as an all-Canadian. Indeed I could not do otherwise, for I was born in the Province of Quebec, spent my school days in Ontario and lived for more than a dozen years in our fair city of Vancouver, where many of my friends and relatives now reside.

Deciding on an outdoor life I moved to Ellerslie, Alberta, in 1903. The following year we followed the suit of our two sister prairie provinces and started the Alberta Farmers' Association. At the end of the term of our first president I was elected provincial president in Calgary and the next year was re-elected in Edmonton. I had the honor of being chairman of all the important gatherings we held, which led to the amalgamation of the Alberta Farmers' Association and the Society of Equity, and my good old friend, Mr. Owens, then president of the Society of Equity, will remember how he nominated me and how I was re-elected chairman of that memorial joint convention that consummated the amalgamation of the two organizations and called the United Farmers of Alberta into existence. Following this I had the distinctive honor of presiding over the first convention of the United Farmers of Alberta. I refused the offer of re-election by acclamation, believing, as I then stated, that it was not advisable for any set of men to hold office too long. Better make room for promotion.

Against H. W. Wood.

For seventeen years I have given this work of organization a true and loyal service and I still think that there is hope for our people, but I am offering my resignation at this time as an emphatic protest against the administration of President H. W. Wood, and against the policy which he dictates. At one time I was disposed to tender this resignation in the early Summer, but preferred to see the provincial elections over and later to see Mr. Kennedy safely elected. I have the utmost confidence in the personal qualities of Mr. Kennedy; so I also wished to see what plate would be given him in Edmonton before otherwise claiming the people's attention.

I consider the one-man power policy of our provincial president has effect on the U.F.A. as injurious and destructive. In our provincial matters I am sure it will prove deceptive, disappointing and costly, and in our federal or national affairs it would be one dangerous step toward national suicide.

We must stamp out this system as we would deal with a dread disease and we have a right to expect assistance of all people who respect Canadian institutions.

Be kind enough to promptly accept this, my resignation, that I may be more free to discuss some of the problems which now confront our people and press for solution.

JOSHUA FLETCHER.

P.S.—If I may be allowed the space I will during the next few weeks discuss "Group Organization," the "Referendum and Recall," and "Proportional Representation." Finally I will expose the system by which it has been sought to establish "one-man power" in our public affairs. Yours truly,

JOSHUA FLETCHER.

Have You SORE HANDS in Winter?

HEAL THEM WITH ZAM-BUK.

FOR chapped hands, chilblains, cold-sores and frost-bite, there is no treatment so beneficial as dressings with Zam-Buk. When the roughness, irritation and redness of the skin is followed by cracking and bleeding, germs and disease germs may find their way into the raw places and cause *inflammation, blood-poison or winter eczema.*

Zam-Buk stops this peril entirely.

Simply smear a little herbal Zam-Buk on the sore parts and wrap up carefully. Letting the Zam-Buk soak into the wounds, soothes away smarting itching pain, and assures rapid healing with healthy new skin.

The striking success of Zam-Buk is due to its rare herbal origin. It contains none of the mineral salts or animal fats that form the basis of common salves and ointments. Prepared exclusively from rich herbal essences, Zam-Buk is a concentrated balm of the highest purity and of unvarying healing, soothing, and antiseptic efficiency.

Use Zam-Buk also for the speedy healing of cuts, burns and scalds, and for eczema, abscesses, ulcers, ringworm or other skin or scalp disease. 50c. box, 3 for $1.25. all druggists and dealers.

TEMPORARY TEETH — WHEN THEY ARE ABSCESSED.

By Bea Proctor McGee, D.D.S., M.D., Editor "Oral Hygiene"

If you had a rattlesnake around the house it might not do you any harm, but of course you could not reach an agreement upon that subject; with the limited brain power of the snake and as you would be taking a big chance that the armistice would be broken.

Your child could have one or even several abscessed temporary teeth with no apparent injury to his general health, but what assurance have you that the apparently harmless infection of pus is not poisoning the child?

When the abscess really strikes and becomes acute, then there is no question about the damage it does. Then disease may not only cause rheumatism and heart inflammations but the eyes and kidneys and any or all of the bodily structures may be attacked.

When a temporary tooth abscess burrows down the inside of the jaw and gets behind one of the protective walls of fibrous material that separates the layers of muscle in the neck, called the cervical fascias, a very serious infection develops which is frequently fatal.

In order to save the life of the child a very delicate operation must be performed, and that quickly. Don't take chances with abscesses of the temporary teeth. They are not only very dangerous, but the abscessed teeth cannot be used, and good teeth are not allowed to do their work because one tender spot in the mouth will interfere with chewing.

Of course, the best plan to avoid abscesses of the baby teeth is to take good care of children's teeth from the day they appear.

This is the easy method and it is also the safe, sure method. Therefore it is the common sense method. Begin at the beginning. Later may be too late.

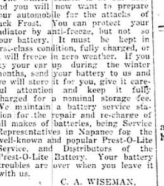
OF INTEREST TO WOMEN

This is a Short Letter, But It Proves the Reliability of Lydia E. Pinkham's Vegetable Compound.

Bothwell, Ont.—"I was weak and run down, had no appetite and was nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial.—Mrs. W. J. Brady, R. R. 2, Bothwell, Ont.



The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women suffering from any of the ailments so continually testifying to its strengthening, beneficial influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read, and answered by women only.

Rinso

Soak the clothes—the dirt rinses away

RINSO is not a cake soap, not a chip soap, not a washing powder, but fine granules of wonderful cleansing power that soak the dirt out of your clothes. Dirt is so thoroughly dissolved that it floats away in either warm or cold rinsing water. This does away with the boiler and wash board—it makes wash-day work truly easy and simple.

If You Have a Washing Machine—

Soak the clothes overnight in the usual Rinso way. The cleansing suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

A two-foot rule was given to a laborer in a Clyde boatyard to measure an iron plate. The laborer, not being well up in the use of the rule, after spending considerable time returned. "Now, Mick," asked the plater, "what size is its plate?"

"Well," replied Mick, with a grin of satisfaction, "it's the length of our rule and two thumbs over, with this piece of brick and the breadth of my hand and my arm from here to there, bar a finger."

Kidney Trouble

Is quite common, gradually becoming more severe, and if prompt action is not taken, serious results will follow. The symptoms are headache and pain in the back, sleeplessness, ashen complexion, white coated tongue and frequent urination. If a puffy swelling is noted in the feet or ankles the disease is well established and you must give the kidneys all the help possible by stirring the liver and bowels into action. Take Henderson's Herb Tea every night according to directions, watch the digestion carefully, drink plenty of cold water between meals.

Mrs. T. Bevington, 303 Wilton Ave. Toronto, Ont., says:

"I wish to express my gratitude for the great benefit I have received from Dr. Henderson's Herb Treatment. I suffered for a number of years with kidney and liver trouble and at times could scarcely do my work with the pain in my back, and cramps in my muscles. I am now 67 years of age and after using one box of Dr. Henderson's Herb Treatment I feel like a new person.

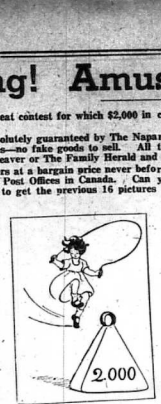
Interesting! Amusing! Instructive!

The Napanee Beaver great contest for which $2,000 in cash prizes are offered is creating the greatest interest of any contest ever held in Canada.

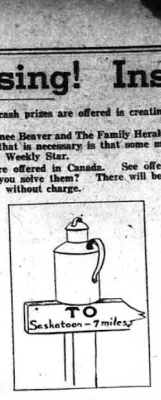
The cash prizes are absolutely guaranteed by The Napanee Beaver and The Family Herald and Weekly Star, of Montreal. There is no string to these prizes—no fake goods to sell. All that is necessary is that some member of the family is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star.

You can have both papers at a bargain price never before offered in Canada. See offer below. Here are four more rebus pictures representing four Post Offices in Canada. Can you solve them? There will be fifty in all. Begin now and next week we will tell you how to get the previous 16 pictures without charge.

No. 17.



No. 18.



No. 19.

No. 20.

The above four pictures may look easy but a mistake can be made. Competitors will find the list of Post Offices from which the pictures are selected a great help. See 2nd item of terms of contest.

TERMS OF CONTEST

The contest is open to any member of a family one of whose members is a subscriber to either The Napanee Beaver or The Family Herald and Weekly Star of Montreal.

A list of approximately 2,000 Post Offices in Canada from which the fifty rebus pictures will be selected will be sent free to any contestant, who, before December 1st, 1921, sends one new subscriber to either The Napanee Beaver or The Family Herald and Weekly Star. It will also contain a blank form on which to fill in your answers and hints to help you arrive at the correct answers. A self-addressed stamped envelope should be sent with the new subscription for the return of the printed list.

One NEW subscriber to either The Napanee Beaver or The Family Herald and Weekly Star sent in by a competitor will take the place of one incorrect answer in the competition, thus 49 correct answers and one NEW subscriber will count as 50 correct answers or 50 points.

Two NEW subscribers to either paper will take the place of two incorrect answers, thus 48 correct answers and two new subscribers will count as 50 correct answers.

Three NEW subscribers to either paper will take the place of three incorrect answers, thus 47 correct answers and three new subscribers will count as 50 correct answers.

Four NEW subscribers to either paper will take the place of four incorrect answers, thus 46 correct answers and four NEW subscribers will count as 50 correct answers.

Five NEW subscribers to either paper will take the place of five incorrect answers, thus 45 correct answers and five NEW subscriptions will count as 50 correct answers.

Five NEW subscriptions to either paper will be the limit to be credited in the competition. This places all contestants on an equal footing.

Fifty correct answers and five NEW subscriptions to either paper will be the highest points obtainable.

Four pictures will be published each week simultaneously in The Napanee Beaver and The Family Herald and Weekly Star. Answers MUST NOT be sent in until the 50 drawings have appeared in both papers. Ample notice will be given.

In case of a tie the prizes will be divided. For instance, if there are three who have earned say 54 points and no one has obtained the maximum of 55, the first three prizes totalling $650, would be divided amongst them.

The decision of the Editor of The Family Herald will be final.

No employees of The Napanee Beaver or The Family Herald are allowed to compete.

Contest will begin early in October. See that your subscription to The Napanee Beaver and The Family Herald is paid well in advance and prevent losing a single issue. Back numbers cannot be supplied.

New subscribers may enter the contest by complying with the above conditions.

Address—The Napanee Beaver, Napanee, Ontario,
or The Family Herald and Weekly Star, Montreal.

READ THIS BARGAIN OFFER

The Napanee Beaver costs - - $1.50 a year.
The Family Herald and Weekly Star costs $2.00 a year.

We now offer a full year's subscription to BOTH PAPERS with the right to compete in the "Know Canada" Contest for

GOING DAY IN OLD TIMES

Brooklyn's "Fixed Feast of Melodies," When Flats Were Unknown in the City of Churches.

Long ago in Brooklyn—in the constabulary of Pioneers, when Fernando Wood was Tammany mayor of New York, and the perennial effervescence of the Puritans bubbled over in anti-draft riots—in that rolled golden age, May day was "moving day." Henry Van Dyke writes in Scribner's.

Beautiful Brooklyn, with breezy heights overlooking the turbulent tides of East river, and the round green patch of Governor's Island, and the long low roof-profile of Manhattan, and the hills of New Jersey and Staten Island beyond the busy harbor! what a broad and noble outlook, what a rural, self-complacent charm was thine, O city of churches, "all unravaged by the fierce intolerant life of the century," wrapped in New England traditions and loosed on a solid Dutch financial foundation!

Beecher and Storrs were thine, Jocelin and Bauz, pillars of the orthodoxy of mighty creeds. Lord, how they hated each other! Walt Whitman also was thine, the insurgent rhapsodist and poet—how thou knowest him not because he was finnel shirted, Placid and prim were thy streets, and thy spirit was self-contented, save that the ultimate truth and the final social form were embodied in Brooklyn.

Reader, I am afraid that these paragraphs, if you follow the punctuation, may seem like uncapitalized verse—let us get back to honest prose.)

May the 1st, in the days which I recall, was the time appointed for the transmigration of households.

It was not a movable feast, it was a fixed feast of movables.

The little houses poured forth their accumulated treasures and rubbish to be conveyed to other little houses. "Apartments" were unknown, but tenements had begun to exist. Neither the origin nor the destination made any difference. The point was that you had to move if your lease was up, and your goods and chattels had to move with you.

Great was the disclosures on that day of the stuff that had been accumulated. The discreet, gigantic moving van had not yet been invented.

The honored and happy couple were married by the old Amey homestead, on Huffman Street, fifty years ago, Nov. 12th, 1871, by the Rev. Dr. Ruperts, of Napanee, the ceremony being performed at seven o'clock in the morning.

There were present at the Golden Wedding Dinner on Sunday noon, the following guests—Bride and Groom, Mr. and Mrs. Baker, and children, Mr. Arthur Baker, Mrs. Joanna Foster and Mrs. J. P. Diamond; grandchildren, Ward Baker, Kathryn Baker and Ralph Diamond; near relatives by marriage, Mrs. C. Arthur Baker, Mrs. Foster, Mr. J. P. Diamond, Mrs. C. Ward, Mr. A. B. Amey, Mr. and Mrs. Geo. Lucas, and Miss Stafford, a niece from Montreal.

On Monday evening the Bride and Groom were "At Home" to their nephews and nieces, the following being present at the wedding supper:—Major and Mrs. Amey, Mr. and Mrs. Arthur Bell, Mr. and Mrs. H. H. Bell, Mr. and Mrs. M. J. Huffman, Mr. and Mrs. W. J. Potter, Mr. C. W. Amey and Mr. H. Huffman and Miss M. Bell, all of Moscow. Other guests present were Rev. J. W. Down, Mrs. Down, Yarker; Mrs. Chas. Ward, Moscow; Miss Amey, Napanee, and Miss Stafford, Montreal. All who enjoyed the reunion on Sunday were also present, save Mr. J. P. Diamond and Mr. J. P. Diamond. A number of nieces and nephews were absent on account of sickness in their homes.

In the midst of the after supper program, Mr. C. W. Amey read the following address, and Mrs. J. H. Lucas presented the bride and groom with a handsome mantel clock in behalf of the nieces and nephews.

To Mr. and Mrs. H. A. Baker.

On this occasion, which marks the Fiftieth Anniversary of your marriage, we wish to express our pleasure at being permitted to meet with you, and personally extend our sincere good wishes, and most feelingly congratulate you on this eventful occasion. This opportunity is not afforded to all who enter matrimonial life, and you can congratulate yourselves that through the blessings of Divine Providence, and you are permitted to reach this era and celebrate your golden wedding anniversary. Your lives have been marked by firm adherence to duty and constant helpfulness to others. Your deep devotion to each other has been an inspiring object lesson to us all. Your strict observance of the cardinal virtues of industry and honesty, sobriety and economy, has been no small factor in your happiness and prosperity. Your good example commands our highest praise and esteem.

On behalf of your nieces and nephews, we desire to present to you this clock, and we ask you to kindly accept it as a remembrance of your Golden Wedding day, and as records the time, we trust it will not be the pleasure of your future years. We hope and pray that you may both be spared to enjoy many more years of joy and comfort, while we are assured that your usefulness will continue in home, church and state. You will both kindly accept the hearty and sincere congratulations of all your nearest of kin, and the earnest prayer that you may come un for eternalities in the Palace of the King when life's days' work is done.

Signed by all on Nov. 14th, 1921.

YARKER.

The recent snow storm made very good sleighing for a few days.—Rev. J. W. Down preached a very impressive Thanksgiving sermon on Sunday last.—The new furnace has been installed in the Methodist Church, to the satisfaction of every person interested.—A goodly number attended the anniversary services at Moscow, and all felt they were well repaid for their trouble in driving out that cold night.—The W. M. S. attended a social evening at Colebrook.—Miss Katherine, daughter of Archie Hamilton, passed away on Tuesday morning at her home, at the tender age of 18 years. She was a member of the Young Ladies' Bible Class and was loved by all her classmates. The funeral was held in the Methodist Church on Thursday at 2 p.m., Rev. J. W. Down officiating. The friends of the deceased have the sympathy of the whole community, especially the mother, who watched over her night and day and did all loving hands could do until death claimed her, after an illness of about a year.—Mr. F. Papineau, of Pickering, spent Thanksgiving at Rev. J. W. Down's.—James Freeman and J. Main attended Court in Napanee this week.—A good many of the hunters have returned home, but most of them find it easier to hunt deers at home than deers in the back country.—O Hall has accepted a position as pump repair man for the C. N. R. at Hornpayne, and expects to leave for there soon.—Mr. W. Woodhouse is still confined to his bed.—J. Tapah has gone to Smith's Falls to work.—The Methodist Church will hold their anniversary services on November 27th. There will be services on Sunday morning at 11 o'clock and in the evening at 7 o'clock, presided over by the Rev. Mr. Bamforth, of Desoronto. On Monday evening, Nov. 28th, there will be a grand entertainment and supper given in the church. A good programme will be given, consisting of readings, vocal and instrumental music, and the price is within the reach of all. The members of the Methodist Church extend to all a cordial invitation. Remember the dates, November 27th and 28th.

THE HISTORICAL SOCIETY.

The first meeting of the Lennox and Addington Historical Society for the season was held in their room, over the Public Library, on Friday, the 4th of November.

The Executive were fortunate in securing for this initial meeting Prof. Roy, of the Department of English in Queen's University, Kingston.

Professor Roy, who is a native of Scotland, served during the Great War in many theatres. But during the lecture he confined himself to an account of his first war activities in the newly organized state of Czecho Slovakia. With three others, he was the representative of Great Britain on the inter-allied commission, whose duty it was to enquire into the situation there in order to secure data and first hand information, on which to base a solution for the vexed Upper Silician question.

In the minds of most people these matters are vague and unmeaning. But the speaker showed that they constituted the crux of the whole settlement of Central Europe, involving as they did the life and happiness of millions of people probably for hundreds of years.

To hear one who had been actually through the countries involved, and to hear his interesting facts and discussion centred by first hand knowledge, was an education and a relevation to the audience. These little nations, which to most were but names, were portrayed by the speaker as real vital and significant factors in reconstructed Europe. For it was around this territory that the Poles and the Germans had struggled and threatened on more than one occasion since the war to upset the whole result of the Peace Conference.

The lecture throughout was informative and interesting, and the organization felt that its reputation in the past had been ably sustained in the address by Professor Roy.

After the singing of the National Anthem, the meeting adjourned.

LEST WE FORGET!

That Napanee might honour her dead, the Signallers and Militia furnished a firing party for Armistice Day. Followed by the Boy Scouts, they paraded to the County Memorial and when they arrived there, after presenting arms, the wreath was placed on the memorial by DeVerd Powell, whose father paid the supreme sacrifice. A short address was given by Rev. Mr. Coleman, before which was sung one verse of "O God Our Help in Ages Past". Three volleys were fired over the memorial, and the parade moved off to the Armouries.

It seems as if we are inclined to forget that we should honour once a year our dead. And that day should be Armistice Day. Remember Byng's message, "Honour the Dead, Help the Living". Look back to three years ago March, when Lieut.-Gen. Currie issued orders in France, when things looked black, when hordes of Germans were trying to break our line, he said: "Under orders of your devoted officers in the coming battle you will advance or fall where you stand, facing the enemy".

If the above orders had been forgotten by our boys, we to-day would be under a different rule. But they went there, not to forget, but to remember that they were to stop the hordes of Germans, and stop them they did, and in doing their duty, died that we might be free. Are we going to forget so soon?

It is our duty now not to forget the names on our County Memorial are a few of the fifty thousand of our gallant boys who died facing the enemy.

If you think you are doing right in forgetting these boys, let me say this, you have not tasted the effects of this war. If you say that you are not going to forget, let us get together in future years and close our stores and business places for one hour or even one-half of an hour, go to the Memorial, not as a few members of some one organization, but as a community that really honours our dead. And this on Armistice Day, the same as they are doing the world over. When you go home, tell them of us and say:

For you to-morrow, these gave theirs
to-day:
When night in scornful millions
came arrayed.
Here a few Canadians stood, and he
was staved,
These in the glorious morning of
their days.
For Canada's sake lost all but Canada's praise.
They came from Canada? Is she
Canada still?
Yes, thanks to them who died on
Vimy's hill.

Regular Admission

THE "KNOW CANADA" CONTEST

NOT TOO LATE — START NOW.

Readers of The Napanee Beaver who failed to secure the previous rebus pictures in our "Know Canada" Contest may begin to-day and be assured of an opportunity to examine the pictures that have already appeared. A complete set of the first twenty pictures may be had free on application at The Beaver Office or will be mailed to any reader of our paper out of town writing for it.

The "Know Canada" contest is creating intense interest in every home reached by The Napanee Beaver. There will be two thousand dollars in cash prizes for the successful winners. The first twenty pictures have been interesting studies and have afforded many an hour's pleasure round the family circle. The remaining pictures will be found even more so. They are very clever but plain as day when once the correct answer is arrived at. Contestants should have the list of Post Offices from which the fifty pictures have been selected. It will greatly help in solving the pictures and also provide an official answer form and hints to contestants. It can be had on very easy conditions described with the pictures in this issue. Our clubbing arrangement with The Family Herald and Weekly Star of Montreal is the best value ever offered in Canada and is open to every subscriber to The Napanee Beaver.

PRESENTATION TO MR. THOS. KILLORIN

On October 24th, employees on the Provincial Highway, under the foremanship of Mr. Thos. Killorin, presented him with a valuable pipe and a handsome chair, in recognition of his kindness toward them. The considerate man, and the man of good sound, common sense, and imbued with a high sense of honor, who regards his fellow working man, over whom he is charged to direct, as equal fellow beings, and treats them accordingly, always commands respect and esteem. The heart of humanity responds to kindness founded on the principles of justice and equity This has been practically demonstrated as stated above when the men under the charge of Mr. Thomas Killorin, foreman on the Provincial Highway, West of the town, met together after the completion of the road and unanimously decided to give expression in some tangible way of the deep appreciation and affectionate esteem they felt for the kind and equitable treatment Mr. Killorin had always shown his co-labourers, and thus making labour a pleasure for them. Needless to say Mr. Killorin was taken by an agreeable surprise and was unable at the moment to fittingly express his gratitude and thanks. He wishes us now to say to the men, one and all, that there was no occasion during the whole course of his life that he was more deeply touched with gratitude and experienced more courage and consolation for the future than he felt from the spontaneous and unexpected act of appreciation and esteem from the men who worked with him. He feels consoled because he is satisfied the men and the work was a success in the highest sense, because of the united harmony, and faithful co-operation. He wishes, therefore, the men to accept this an an expression of his deep gratitude.

WISE AND OTHERWISE.

"Do you like housework, Bridget?" said the mistress to her new and elderly assistant.

"O'll not lie to ye, mum," answered Biddy. "O'i do not, but av the two Oi prefer housework to the workhouse."

Hard and soft corns both yield to Holloway's Corn Remover, which is entirely safe to use, and certain and satisfactory in its action.

Chloe—I she' mighter knowed I gwine have bad luck if I do dat washin' on Friday.

Daphne—What bad luck done come to yuh?

Chloe—I sen' home dat pink silk petticoat wid de filly aidge what I was gwin to keep out to wear to church on Sunday.

Worms sap the strength and undermine the vitality of children. Strengthen them by using Mother Graves' Worm Exterminator to drive out the parasites.

"How's this?" asked the lawyer. "You've named six bankers in your will to be pallbearers. Of course, it's all right, but wouldn't you rather choose some friends with whom you are on better terms?"

"No, Judge, that's all right. Those fellows have carried me for so long they might as well finish the job."

It Testifies for Itself.—Dr. Thomas' Eclectric Oil needs no testimonial of its powers other than itself. Whoever tries it for coughs or colds, for cuts or contusions, for sprains or burns, for pains in the limbs or body, well know that the medicine proves itself and needs no guarantee. This shows why this Oil is in general use.

Hobbs came late to business mornings till his German employer threatened to discharge him. Then he was so punctual that his boss, wishing to compliment him, said: "Villiam, I notice you are early of late."

Hobbs nodded and smiled, and his employer continued: "You were pehind pefore. But now you are de fairst at last."

Miller's Worm Powders act so thoroughly that stomachic and intestinal worms pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the infantile stomach and maintaining it in vigorous operation, so that besides being an effective vermifuge, they are tonical and health-giving in their effects.

"You have such strange names for your towns," an Englishman remarked to one of his new American friends "Weehawken, Hoboken, Poughkeepsie and ever so many others".

"I suppose they do sound queer to English ears," said the American, thoughtfully. "Do you live in London all the time?"

"Oh, no," said the unsuspicious Briton. "I spend a part of my time at Chipping Norton, and then I've a place at Petersteppe-on-the-Hike."

Mothers Love This Oil.—Mothers who know it suddenly croup may seize their children and how necessary prompt action is in applying relief always keep at hand a supply of Dr. Thomas' Eclectric Oil, because experience has taught them that this is an excellent preparation for the treatment of this ailment. And they are wise, for its various uses render it a valuable medicine.

A LITTLE TALK ON POULTRY.

The M. B. Mills firm expect by now that their reputation for fair dealing has reached nearly all the farmers in the County as evidenced by the fact that our Poultry business is increasing all the time until now we are headquarters for Poultry in this district. Still there is a lot of Poultry raised here that we don't get, and we want it; so we are offering from now on highest prices for live and dressed poultry of all kinds. We will give, from 22c. to 25c. per lb. for good plump well fatted chicks, fasted, dry plucked, all feathers off, properly bled. Will pay extra for fancy, milk fed, crate fattened stuff. We want all your hens alive all the year round. We guarantee correct weights in every case, and you take your money home with you, without waiting, as when shipped to the cities. We want the bulk of the stuff delivered up to Wednesday afternoon, but will take in any day. Shed at the foot of the street the postoffice and market are on. Turkeys, Geese, and Ducks also bought at all times.

Don't Neglect THAT COUGH!

Persistent coughs lead to chronic bronchitis, asthma and permanent chest weakness. Swallowing druggy mixtures into *the stomach* is useless in bronchial trouble. It needs Peps the breatheable remedy which goes *direct* to the root of your cough.

As Peps tablets dissolve in the mouth, they give off powerful medicinal fumes which soothe and heal the inflamed breathing tubes, and destroy all disease germs. Peps speedily end chest soreness, clear the bronchials of phlegm and mucus, stop the wheeziness and coughing, and make breathing easy.

Remember, *it is far better to prevent* pleurisy, pneumonia and other lung diseases arising from neglected coughs and colds, than to cure them. Therefore take Peps at the first sign of a cough, cold or chill.

50c. box all druggists and stores, or post-paid from The Peps Co., Dupont St., Toronto.

SAMPLE OF PEPS FREE! *If you cut out this paragraph, fold and send it with 5c. stamp, the Peps Co. of Toronto will gladly send you a sample. For sore throat, laryngitis, coughs, colds, chills, bronchitis, asthma and other throat and chest troubles. Recommended by 1/3 Canadian doctors and other medical men.*

GEO. SAAD :: OPPOSITE CAMPBELL HOUSE

FATHER A. J. HANLEY GOING TO DESERONTO

Monsignor Masterson, who has resigned in Prescott, is to be succeeded by Monsignor Hartigan, of Deseronto. The likely successor to Monsignor Hartigan is Rev. Father A. J. Hanley, rector of St. Mary's Cathedral, Kingston. While the formal official announcement has not been made it is stated on good authority that this has been practically settled as stated.

Rev. Father A. J. Hanley was born in Kingston and studied for the priesthood at the Montreal seminary. His first appointment was as curate of St. Michael's Church, Belleville, under Monsignor Farrelly. Fifteen years ago he succeeded Father Kehoe as rector of St. Mary's Cathedral. As an administrator he has exhibited conspicuous ability, taking a position of leadership in promoting the welfare of educational and charitable institutions in the city. For years he has been chairman of the Roman Catholic Separate School Board, in which capacity he has done admirable service. As a priest Father Hanley has the esteem and reverence of all Catholics in Kingston, and as a man he holds a high place in the respect of all classes of citizens. His removal from Kingston will be a distinct loss to the community.

The name of the new rector of the Cathedral is not announced, but it is likely that one of the priests on the palace staff will be chosen.

I have been here over fifteen years. I have dealt with all the public and they found me straight to my word, and anything I advertised I agreed to same. So I want to explain to you about the salesman.

I am the first one who brought him to Napanee, and I am very sorry I did it. It cost me 10 per cent. for the salesman, and 10 per cent. for advertising, and that money had to be raised from the sale of merchandise. I do not believe in doing that. I believe in reducing my prices when you come to my store.

It will pay you well to visit our store and compare my price with those of the other merchants. I have moved my store from Brighton to here, and I am overloaded with goods, and I must make room for my new goods, and now is your chance. Every article on sale at cost price.

I have also in stock $300.00 worth of Boots and Rubbers, also Rubber Boots—goods I never handled before. I am not in the Shoe business and these must be sold. There are no prices mentioned on anything, but you will get these goods from me at a Bargain. Buy your goods and other articles you require at

Reception.

On Monday evening, Nov. 7th, a warm reception and dance was given at the home of Mr. and Mrs. Joseph Howie, "Bay View", Bath, in honour of the marriage of their eldest son, Orval W. B. Howie. About eighty relatives and friends were present, and the young couple were the recipients of a large number of beautiful and costly gifts, which speaks for the esteem in which they are held. Mr. and Mrs. Howie were taken completely by surprise, and in a few well chosen words, Mr. Howie, on behalf of himself and Mrs. Howie, expressed their gratitude for the large number of beautiful gifts, and that these would help them to remember their many kind Eastern friends; in reply to which they sang "For He's a Jolly Good Fellow", etc. After a dainty buffet lunch was served, and all good wishes for the happiness and prosperity of the young couple had been expressed, the guests departed, thanking the hostess for a very enjoyable evening.

Arthur Walwyn Evans, nephew of Lloyd George, will lecture in the Armouries, to-night, Nov. 18th. Subject, "Let there be Light". Mr. Evans was the first Chautauqua lecturer in Napanee, and made thousands of admirers then. 46a

OBITUARY.

Mrs. Geo. G. Miller.

Despite all that skilled and loving hands could do, there passed away on November 10th, 1921, at the home of her youngest daughter, Mrs. C. C. Bell, Palace Road, with whom she had been living the last two years, a well known and highly respected resident, in the person of Mrs. Elizabeth Richardson, widow of the late Geo. G. Miller, Napanee. Born in St. Albans, England, in 1840, she was the last surviving member of a family of six. Crossing the ocean in the days of sailing vessels, she came to Canada when a young lady, to visit her brother, the late Fred Richardson, who was then living in Napanee. Liking the country, she decided to stay, and later married the late Geo. G. Miller, who predeceased her some five years ago. They retired from active farming and moved to Napanee some twenty-two years ago, and lived there until the death of her husband in 1916. The funeral on Sunday Nov. 13th, was largely attended, the services being taken by Rev. Mr. Tait, in the unavoidable absence of her lifelong friend and Pastor, Rev. Dr. Shorey, Trinity Church, of which church deceased was an active member for many years. There are left to mourn the loss of a kind and loving mother, three daughters, Mrs. C. Garrison, Mrs. J. Madden and Mrs. C. C. Bell; also one niece, Mrs. Yeomans, wife of the late Dr. Yeomans, Belleville, and two nephews, Messrs. Fred and Eugene Richardson, Napanee.

Mrs. Fred Cummings.

The many friends of Mrs. Fred Cummings, Deseronto, were pained to hear of her death on Thanksgiving morning. Although not unexpected, her death came as a shock to friends and relatives. Gladys was born in Gretna and resided there all her life about three years ago, moving to Deseronto with her husband and little girl, also her father and mother, Mr. and Mrs. T. McWain, with whom they resided. Having joined the church when only a little girl, her short space of twenty-eight years was pure and unsullied, and her character and Christian life a worthy example. One of those sweet self-sacrificing dispositions, her friends and family first in her thoughts, and although for the last two years in extremely poor health and suffering much pain, she never made any complaints, and seemed to forget self in always planning some pleasure or gifts for others. During the latter part of her illness she remarked to her mother a voice seemed to be speaking to her, saying "Let not your heart be troubled and do not lose faith." Her memory will ever be cherished by those left to mourn as a precious inspiration.

Her soul He doth restore again
And her to walk doth make,
Within the paths of righteousness
For His own name sake.
Yea, though she walk in death's dark vale,
Yet will she fear no ill;
For Thou art with her,
Thy rod and staff her comfort still.

Friends from Kingston, Belleville, Toronto, Peterboro' and Napanee were present at the funeral. Floral tributes were as follows:—Husband, large wreath; Father and Mother, pillow; Sister and Husband, Mr. and Mrs. Jas. Sherman, spray; Mr. and Mrs. E. C. Metcalfe, pillow; Mr. and Mrs. Howard VanDusen and Mr. A. S. Valleau, pillow; Mr. and Mrs. H. Carman, spray; Mr. and Mrs. T. H. Covert, spray; Rameses Temple of Noble Mystic Shriners of Toronto, pillow; friends from Gretna, spray; Nobles from Napanee and Deseronto, wreath; W. Cummings, wreath.

Presentation and Address.

The Rectory at Selby was filled to capacity on Monday evening last, when the congregations of Selby and Kingsford gathered to say good-bye to Rev. and Mrs. Irvine, before their departure to their new home at Shannonville. Miss M. Roberts read the address, and Mr. W. Ballance presented them with a purse.

Mr. and Mrs. Irvine have been at Selby for eight years and will be greatly missed, not by the church people alone, but the community as a whole.

To Mr. and Mrs. Irvine.

Dear Friends,—The time has come when we must say good-bye to you, and it is with regret that we, as members of your parish, have assembled here to-night on this occasion. We heard a short time ago that you were about to leave us, to take up your labours in a new field. You will be missed very much from this community, but what is our loss will be Shannonville's gain. We hardly cannot express how greatly your presence will be missed, not only by each one, but the community as a whole. We have always found you to be a man of cheerful disposition, and always ready to help any one in time of need, and Mrs. Irvine has for many years been associated with the different departments of church work, and always ready to be called upon. And Agness, she has many warm friends in Selby, and will be missed by the young people and those who have made her acquaintance from time to time.

We now ask you on behalf of Selby and Kingsford congregation to accept this gift, as a slight remembrance of esteem in which you are held. With it we extend to you our very best wishes for health and happiness in your new field of labour. May God spare you to labor there as you did here for us.

Yours in behalf of your many friends in Selby and Kingsford.

J. DOYLE.
F. POOLE.
C. RUSSELL.
C. EDGAR.

Mr. and Mrs. Irvine replied in a very pleasing manner, thanking all their friends for their many kindnesses. Refreshments were served, and all wished them success in their new home.

TO THE ELECTORS OF LENNOX AND ADDINGTON

I have been informed that the Temperance question is being used against me in the present campaign.

I wish to make a straight-forward and honest confession of my past and present position in regard to this question.

Owing to financial conditions I was forced to go out in the cold world at the age of 16 years to make my own living as a laborer. That being some thirty-five years ago, intemperance is not looked upon in the same light today as it was then, for which we are all thankful.

I am free to confess that my environments were not of the best, and I formed habits which I have had to fight ever since. I have always cast my ballot in favour of temperance whenever the opportunity was presented, and hope and pray that I always will.

Having a knowledge of the evils of intemperance, I would rather lose this election or make any other personal sacrifice than to be a party to any legislation that would cause the same temptations to be placed before the boys and young men of to-day that I was subject to in my boyhood days. I am not writing this letter for the purpose of soliciting votes, but for the purpose of placing my position on the temperance question before the electors of Lennox and Addington.

GRETNA.

Mr. and Mrs. Gale, London, England, arrived here on Monday to visit their daughter, Mrs. Ceeil Loyat, for a few months.—Mrs. John Mellow, with her little granddaughter, returned home on Tuesday, from Colborne, where she has been staying with her son, Fred, whose wife is still very ill.—Mrs. Robt. Moore and Mrs. Clifford Moore spent Tuesday at Mrs. Matthew's, Hay Bay. — Mrs. Eliza Fields went on Sunday to stay some time with her daughter, Mrs. Wm. Lapum, who has a bad attack of quinsy.—Mr. Elmer Allenbrack is attending County Council at Napanee this week.—Albert McCrory, George Moore and Earl Allenbrack and the Misses Marion and Muriel Walmsley spent over Sunday at their homes here.—Our school is progressing under the able management of our teacher, Miss M. Macdonald. — The Ladies' Aid meeting was to have been held Dec. 1st at the home of the President, Mrs. E. Allenbrack, has been postponed on account of the serious illness of her son, Albert, who has typhoid fever. It will be held at the church on Dec. 13th, at 2 o'clock. A full attendance is requested as special work has to be done for the bazaar, and the ladies are asked to bring in all work which has been given out. Look for further notices of the bazaar, which is to be held at Gretna church on the afternoon of Dec. 14th, under the auspices of the Ladies' Aid.—Hay Bay Creed was present at church on Sunday evening and a large crowd enjoyed the song service.

TO THE WOMEN OF LENNOX AND ADDINGTON

Shall we as intelligent Conservative women of this County—a county of which we have been hitherto justly proud,—support the Hon. Arthur Meighen and his candidate? Yes! Yes! Yes!

This is no time for Crerar and his "Free Trade" policy. Has not the country to the south adopted a policy —a trade exclusion policy, directed against Canada's Agricultural interests? Is not our currency depreciated there also? We know our money as the United States is subjected to from 12½ to 15 per cent. discount. Shall we help to make ourselves the laughing stock of that country and all others by tearing down the tariff wall, while the Americans build theirs higher and higher? Indeed, no.

We speak of "Temperance", was it not the Conservative Government that gave us the Temperance laws of to-day? It has practically excluded the vile stuff from our Province. We have no sympathy with the Liberal cry, ther lose the election than be the means of returning that temptation again before the young men, and we have no reason to doubt them. We as thinking women will never take the risk by lending our assistance to-ward placing in power the Progressive,—a party of which we have absolutely no guarantee will not again give to us that which may make sad homes,—liquor by the wholesale. Think, ladies, have positively no proof it will not again be in our midst if other than the Meighen Government is elected.

And women of Lennox and Addington, was the Conservative Government gave us the "Franchise"—an equal right with men to vote. Shall we misuse it? No, I say we are a grateful people. We want to do right by our Country. We want the protection of that Government which brought us safely through those trying years of war.

We will help the Meighen Government by supporting the candidate of our County, Mr. Carscallen. That is, those of us who want to help our country.

Premier Meighen At Napanee.

The largest crowd at any meeting, political or otherwise, ever held in Napanee, was in attendance at the Armouries yesterday afternoon, to hear Premier Meighen. This is the first time Premier Meighen has addressed an audience in Lennox and Addington, and from the enthusiasm and attention he received the people were far from disappointed. Owing to the lateness of the meeting and the crowded condition of our columns, it was impossible to publish his speech this week, but it will appear in our next issue in detail.

GRETNA.

At Gretna Church, on Sunday evening last, a musical service of unsurpassed merit was held, when the music of the evening was given by the Hay Bay Methodist Choir. Everybody expected a good time, but as the Choir, under the leadership of Mrs. A. C. Parks, rendered number after number, the large audience which packed the building were thrilled by the beautiful melody and perfect blending of the voices of the choir. It was a service long to be remember by all. In order to show their love for Pastor got the congregation singing some of the good old time revival pieces, and the whole building was made to resound under the blessed harmony of these grand old hymns. As a most fitting climax to such a service Mr. and Mrs. A. B. Sexsmith sang a beautiful duet entitled "I'm Not Yours?" So feelingly was this piece rendered, that many a worshipper went away with this vital question ringing in their souls. The Choir and all the people deplored the absence of the organist, Mrs. Nolan, who was unfortunately prevented from coming.—The W. M. S. of Gretna and Anderson met at the home of Mrs. W. C. Jerre on Thursday last, at 2:30 p.m. The meeting was a special one and this was evidenced by the fact that twenty-two members were present. The special feature of the meeting was a report of the W. M. S. Convention held at Odessa, at which convention Miss Turner, a returned missionary, was the outstanding visitor. Mrs. W. Dillenbeck was the appointed delegate from this Auxiliary from whom a report was expected. Mrs. Dillenbeck was certainly no disappointment, for judging from the exhaustiveness of her report, and the crisp and clever attention to every detail, one could almost imagine themselves sitting in convention at Odessa with the audience present accorded to Mrs. Dillenbeck their most hearty thanks for her splendid report. Mrs. W. C. Joyce, the President, then appealed most fittingly to all present to be whole hearted in their devotion to the grand work of this missionary cause. A dainty lunch was then served, after which wagons, buggies and automobiles took the inspired people to their many homes.

TO THE ELECTORS OF LENNOX AND ADDINGTON.

Ladies and Gentlemen:—

I have been selected by the National Liberal Conservative Party as a candidate to contest this Riding, and as the time is limited and this Riding being one hundred and ten miles in length, I find it impossible to visit you.

Conscientiously believing that the policy laid down by Premier Meighen is in the best interests of agriculturists, laborers, manufacturers and business men of this Riding as well as the Dominion at large, I earnestly solicit your support and influence in the coming contest, and ask you to accept this as a personal letter.

Your obedient servant,

A. B. CARSCALLEN.

A resolution from the Local Mothers' Allowance Board, expressing the appreciation of the Board to the Council for the allowance made the members of the Board.

An acknowledgment from the House of Providence of kindness in forwarding local papers for use of inmates, was received and filed.

A letter from the School Board of Sydenham High School, notified the Council that pupils will be received from this County on same conditions as Frontenac pupils.

Cawley Gravel made application to the Council for an increased allowance for the matron.

A communication from the County of Oxford, re establishing a sentry at the gaol, was filed.

The Committee appointed to examine floating bay bridge, reported the bridge in reasonably good condition.

A notification was received from the Denbigh Continuation School that the school is open to receive County pupils. Filed.

A letter from the Provincial Secretary's Department, re adding women voters to municipal lists. Filed.

Wednesday Afternoon.

The motion authorizing the introduction of a By-law to raise $38,000 by debentures for Highways account, 1920, was rescinded.

On motion the amount to be raised by debentures was fixed at $35,000, the balance to be paid out of current receipts.

On motion the sale of the bonds was left in the hands of the Finance Committee to sell through a bond house if sold locally the customers will receive a commission of 1 per cent.

A letter from the High County Constable, reporting his activities during the year, was referred to the Police Committee to report.

Mr. O'Brien's account was also referred to the Police Committee.

The matter of Mr. Alex Loucks being constable in the County Court was brought before the Council.

Sheriff Hawley appeared before the Council and explained the situation as regards the gaol officials, and correspondence received by him in reference thereto from the County Crown Attorney and Inspector of Prisons.

Mr. Loyst was also heard in reference to the Loucks case.

County Crown Attorney U. M. Wilson appeared before the Council, on request, and explained the situation as it had come under his notice.

WILSON'S CROSSING.

Mr. William Breen, an elderly resident of our neighborhood, died at his home here, on Nov. 3rd, after an illness of bronchial trouble and dropsy. He resided in Chippewa until about two years ago, when he moved to Wilson's Crossing, and has followed the occupation of farming all his life. Mr. Breen was an upright, talkative, entertaining man, was ever ready for a chat with his neighbours, and he will be greatly missed by all. A large cortege of sorrowing relatives and friends followed the remains to the Church of the Annunciation, Chippewa, where the remains were placed in the vault. A widow and large family of children are left to mourn the loss of a kind husband and father, and we extend our sympathy to them in their sorrow.

Let an Ever Ready Flash Light be your Xmas gift for the boy or man. All sizes at Wallace's.

Hon. Dr. Edwards' Address at Newburgh.

LADIES AND GENTLEMEN,—

I can assure you it is a very great pleasure to me to have the opportunity of addressing a few words on behalf of the candidate who has by his excellent address here to-night shown that he is in every way worthy to be a representative of this historic county.

I am also pleased to say a word in behalf of Mr. Meighen, who in my humble judgment is the cleverest statesman that the Dominion of Canada has ever produced.

I know we have a third party in Canada sometimes called the Progressive Party. I think that is the name they have chosen for themselves although I have not seen much evidence of progress so far as their platform is concerned, rather the opposite; in other parts called the Farmers' Party, etc. I think that latter is a misnomer. They have no right to call themselves farmers, because they are not represented by the farmers. It was farmers who brought in Mr. Sexsmith and my opponent in Frontenac, but the bulk who selected Mr. Carscallen were also farmers. My convention was twice the size of the one that selected my opponent. We have this new party in the field and they are claiming for themselves the excellence of a political faith which for my part I am not able to see that they possess.

Sir. Morrison, one of their principal speakers, (the man behind the Guns so far as Ontario is concerned), spoke at Kingston and at Sydenham about a week ago, and referred to the political corruption connected with the two old parties, and called upon the people to come out from those two old parties and ally themselves with this new movement. I have not been able to see any justification for their abuse. I do not think any person will claim that the Conservative or Liberal party in the times when they have conducted the affairs of this county have gone along without making mistakes. I believe we can say of the two old parties that they were honestly desirous of doing what was in the best interests of the Dominion of Canada, and if of doing what was in the best interests of the Dominion of Canada, and if mistakes were made by both old parties, I think I am right in saying that with the mistakes that were made having regard to the vast extent of territory of the Dominion of Canada and having regard to our resources, I do not believe there is a country to-day on the face of the Globe who has made greater progress than has the Dominion of Canada in the last fifty years, but the opponents will tell you that you should not vote for A. B. Carscallen because he is a business man, yet they will repeat class consciousness. They tell the people in Frontenac they should not vote for me because I am a Doctor. I have not practised medicine since I went into politics.

The leader of the Progressive Party is not a farmer. Mr. Crerar is not a farmer, for many years. In fact Mr. Morrison brought it forth as something in favor of Mr. Crerar comparing him with Mackenzie King and Rt. Honorable Meighen he said the other two leaders were lawyers. What we want in Parliament to-day is business men, and Mr. Crerar is a business man. Then they come into Lennox and Addington with the plea "Accept Mr. Crerar because he is a big business man, but don't vote for Mr. A. B. Carscallen because he is a business man. They bring in North Waterloo a Doctor as U. F. O. candidate. They tell them to vote for a Doctor, and they say in Frontenac do not vote for Edwards because he is a Doctor. It makes a difference whose ox is being gored.

They have stated that the Meighen Government has not a single farmer in the cabinet. That statement has been made by men like Mr. Crerar who know it is not true. There is at the head of the Agricultural Department as Minister of Agriculture, the Hon. Dr. S. F. Tolmie, who is a Veterinary Surgeon, owning a farm of 12000 acres and operates it himself. He is known as a successful breeder of Holstein cattle. He is known as a successful farmer who farms the farm.- In that respect the Ministers differ while Tolmie farms the farm, Crerar farms the farmers.

The Minister of Labor in the Meighen cabinet is a man who has risen from the ranks of labor to be Minister of Labor in the Meighen Government. A railway man, a man who is regarded from one end of Canada to the other very highly by railway men. They are proud of a man who could rise so high.

There is the Minister of Marine and Fisheries. Surely he possesses the qualifications. He is a very successful business man. He owns also a farm in Ontario. He is a real business man. They have stated that the Government does not want any farmers in Parliament. That is not true. There is nothing in it that certain cabinet ministers have called farmers of this country Reds, etc., one-fifth the members of the last House were farmers.

In regard to this statement which is made for political purposes that certain members of the Government have called the farmers of Canada Bolsheviks, Reds, etc., I have the speech which was made at Stirling by Mr. Meighen. He didn't call the farmers Bolsheviks, but his statement is that Bolshevik element in this country was opposed to the Government. The Progressive Party was opposed to the Government. What nonsense it would be for a man Prime Minister or Cabinet Minister to start out in an election making appeal to farmers, and calling them all the names he could think of. Splendid thing to do to call a man all the names he could think of. Well, it is just such foolish statements as those made by those who want to raise any cry in this country. They want to get away from the real issue, namely the fiscal issue which is before the people to-day.

I want to call attention to-day to some general statements which are made from one end of the country to the other by Mr. Crerar, by Mr. King, the leader of the Liberal party in the Province of Ontario, and what is left of it. I notice they are referring to National debt. Re national debt and finances of Dominion of Canada, when you go back to 1896 the net debt of Canada was $258,000,000. The Laurier Government came into office and remained in office for fifteen years, during which time they added $200,000,000 to the debt of Canada. I am not saying it was not justified by increased responsibility. The Government in 1911-14 reduced the debt by six million seven hundred thousand dollars. Then the war came. The debt is two billion three hundred million at the present time. Our ordinary revenue exceeded ordinary expenditure by sixty nine million four hundred dollars.

They carried on affairs of Canada, have paid off war obligations six hundred and ninety eight million. No Government in any country of the world that can make a more creditable showing or as good as can Canada for the last six or eight years. I want to add something else. It's true we have a debt of two billion three hundred million dollars, and I want to impress this fact upon your mind that not one cent which is added to the debt from 1911 down to the present time for any purpose or reason of the House. For three or four sessions that Committee has never been called together, therefore there could not have been anything very much to investigate and from 1911 to date that Public Accounts Committee has never made one single adverse report to the Government from 1911 down to date. I want to ask your consideration of this further statement. You will recall in 1917 the election politics was largely thrown aside, Liberal and Conservatives united to carry on the war. Men were elected to Parliament as Liberal and Conservative Unionists, consisting of Mr. Crerar and some others. We had twenty-four or twenty-five Liberal Unionists men who had been as stiff Liberals as I have been Conservative. Rt. Hon. Arthur Meighen had to carry with him not only men like myself in putting through those changes, but he had to carry with him the support of men who had been Liberals all their lives. This is pretty good ground for believing that every expense was very carefully made. When I mention Mowat, I am mentioning a name which is reverred by Liberals. When I mention the name of Hunt, a name which is reverred by Liberals. When I mention the name of Hunt, a name which is reverred by Liberals. When I mention the name of Hunt,

head of the population. What did some of those gentlemen say? Mackenzie King states, I quote his words from Hansard, "No need for any expenditure". In other words, let the boys who have had experience of war carry on, while we who were not overseas, sit back and play the safety first game. The boys who went overseas have done their bit and if we need any more men let those who have not been over do it.

Mackenzie King when the war broke out did not enlist. He was an unmarried man and a young man. He accepted a lucrative position with the Rockfeller Institute and stayed over there till 1917, when he came back to Canada to line himself up alongside of Mr. Drury. Do you wonder that he had shell shock when he saw some shells in Quebec.

I know there has been talk about the Government breaking their promises to the farmers that their sons would not be conscripted. In 1917 I am aware that Gen. Mewburn did issue that statement. Exemption tribunals appointed, I would not say they carried on everything just right, but exemptions carried on till 1918. Not till 19th April, 1918, that Sir Robert Borden introduced into the House a bill which took exemptions away,—all men that could be raised by volunteers had been raised, etc. The need was greater in 1917 than ever before. Germany was going to do or die. The need was greater in 1917-18, and it would look as though sacrifice had her best in the summer of 1917-18, and it would look as though sacrifice had been made in vain. It was the darkest hour of the war. France had bled white. British women were doing men's work on farms, making shells, and working in ship yards and had formed Women's Auxiliary Corps to send them to France. Was that any time for compromise? There was only one thing to do, and that was to back up the fellows who were overseas and asking for help. We can pay off any debt put on Canada, but we could never pay off a debt of dishonor. Thank God we have no such debt to pay off. The brightest and best page of Canadian history was written at that time. When the Armistice was signed the most effective fighting unit in the whole place was Canadian. Why didn't they make it known at that time? Because, Mr. Chairman, to make it known at that time would have made it known to Germany, which would have given Germany that little hope it was looking for. I have no apology to make for the Government for putting through conscription. I have yet to meet the farmer who is willing to when he knows.

Re Tariff Issue. Before dealing with this, might I again revere to Government expenditure. There was one kind of expenditure which was not stinted, notwithstanding heavy responsibility of the war, and that was the expenditure in regard to Agriculture. Between 1905 and 1911 the Dominion of Canada voted an average of $171,000 in aid of agriculture for Canada. Between 1911-1917, $3,115,000. In the last two or three years, between $4,000,000 and $5,000,000. And last year the Government spent in the interest of Agriculture over $5,000,000. I want to say to the farmers that the present Government at Ottawa has done more for the farmers than all the Governments, grit and tory, from Confederation down to 1911. The very first thing in 1917 we put through a bill of one half million in the interests of Agriculture. The next year ten million under agreement with the Provinces that it would be spent in certain ways for Agricultural interests.

Re Cheese. Credits to Great Britain averaged forty million. In war time, owing to submarines, business got bad. We could not take the responsibility. Great Britain said she would buy all the cheese, etc., that you possibility. Great Britain said we will buy your cheese if you will give us credit. have to sell if you only give us credit. Great Britain was helping France and Belgium and other countries. Up to the end of 1919 we had advanced credits to the Mother country of millions of dollars. That has been paid back. Great Britain said we will buy your cheese if you will give us credit. Through Victory Loans we raised the money, and it was that money that paid you for everything you had to sell, your hogs that went over in barrels, cheese and grain, etc. Great Britain gave you some 23c f.o.b. for your cheese at Montreal. That was 2c. more than they paid for all the New Zealand output. Government built Government elevators all through the West. Since 1911 rural mail service was established, and is in operation all over Ontario. Thirty-five million loaned to Western farmers to buy seed grain and feed for cattle, etc. Funny how these things can be overlooked sometimes.

In regard to the platform Mr. Grerar has placed before you. The platform of the Government is frankly a platform which recognizes the principal of protection as the principal which would be taken into consideration and embodied in fiscal policy. We recognize the principal of protection as the proper one for this country for farmers and manufacturers, and let me say there is no class of our population which should more strongly resent the removal of duties than the farming class.

In addition to that the Meighen Government and party has never been a high protection government. Ladies and Gentlemen, look at this thing reasonably. In 1911 our revenue of $125,000,000 would carry us through for by the way what was our tariff on dutiable goods coming into Canada at that time, over 27 per cent. $125,000,000 would not do much more than pay the interest on our war debt to-day, and in addition to that we have $150,000,000 or $155,000,000 pensions. No party leader has ever displayed in this campaign the fact that we must raise a revenue of from $350,000,000 to $400,000,000 to carry on the affairs of this country. What is the average duty payable on goods to-day? It is not 27, 26, 25 or 24. It is less than 23 per cent, by this party and Government which is referred to by Mr. Crerar as the Government which want high tariff. Well take in 1911, in 1910, etc., Mr. Crerar was a supporter of the party which retained a duty 3 or 4 per cent. higher than it is to-day.

Agricultural Implements. In 1911 the duty on agricultural implements was 20.18 per cent. If reciprocity had carried it would have been 17.23 per cent. What is it to-day? 14.06 per cent., the lowest ever in the history of the Dominion. Speaking about Agricultural implements, I am sometimes amused by the attitude and position taken by the Progressive Party lead by Mr. Crerar.

I want to give you something. You know Mr. Crerar sometimes speaks about big interests. Let me say something about big interests. Mr. Crerar is President of the biggest business monopoly that the Dominion of Canada has ever known. The Grain Growers' business was investigated in 1919, and I read from sworn evidence of Rice Jones on page 827, that the company which Mr. Crerar is President of is taking 21 per cent. profit on machinery that he has the sale of, and 15 per cent. profit on binder twine, 1-foot 12½ per cent. He says the Government is robbing you of 12½ per cent., while he is drawing 21 per cent. profit out of your pocket.

In connection with New York Export Co., presided over by Mr. Crerar and Mr. Rice Jones, sworn evidence shows that in one year they made profits of $350,000 on a capital invested $100,000, or 350 per cent. Oh these heaven sent champions of the farmers, etc., etc.

Crerar receives as President of G. G. Co. $15,000. Jones gets $13,000, Murray gets $11,000. When investigation was begun Crerar said it was political persecution and got it stopped. Could he have had better campaign material than this very investigation if his skirts were clear and the skirts of the Company were clear. He could have said, "Well you have had your investigation. You have gone through this thing and sifted it and you found us absolutely clear." Would not that have been great stuff in election? If he could have had that stuff for this election he would liked to have it.

Re Farmers' Co-operative Association and General Wholesalers, Limited. Mr. Burnaby, President of Farmers' Co-operative, had one share of $25.00, and only $12.50 paid of that, etc., etc.

Are all statesmen wrong in upholding Protection? Are they all wrong except Mr. Crerar? This is the last country on earth that ought to talk of free trade policy, because we are right along side a highly organized country of 105,000,000. Would it be advisable to remove our tariff walls altogether? They would wipe duties off food stuffs entirely. They say they are going to raise it by a direct tax on unimproved land values. I give as my careful and well considered opinion that it will impose a tax of $65.00 to $100.00 on every 100 acre farm in the Dominion of Canada a federal tax. If you want that you know how to get it. The moment a federal tax is put on, your land decreases in value. A federal tax on land will be the most severe blow ever struck against the farming interests of Canada. Are there any lands in the County of Lennox and Addington held for speculative purposes? The platform is there. It says we will raise our revenue by direct tax on unimproved land values. It does not say on lands held for speculative purposes at all. Re taking duty off natural products, see how that effects you. We will suppose that some person in Lennox and Addington, influenced by the arguments that Mr. Crerar tells you, thinks that the natural market for Canadian farm products is over in the United States, it would be just as reasonable to say that, the natural market for your surplus is not where they have a bigger surplus than you have but somewhere where they need your products. The U. S. A. has twelve horses and eleven cattle for every one you have. They have twenty-eight sheep to our one, sixteen hogs to our one,—four-legged hogs I mean, of course.

The fact is, farmers of Lennox and Addington, that the farmers of the United States have got a greater surplus of everything that you produce, with the exception of cheese. Let them wipe off all the tariff on food production and you go to Kingston with 10,000 load, and here is a fellow right beside you whom you have never seen, and you say, "Where do you live?" and he says "I live in the United States, and seen by the papers that prices here are better than in the United States, and I came over." So you do the same thing, go to Watertown market, borrow your neighbor's Ford truck and load up a mixed load and away you go for the day, and get over to Cape Vincent and get stopped by a man with blue coat, and he collects duty on everything you have on the load and then collects exchange on the duty you pay. They paid through duty an average of $4.00 per head of their population and we paid $100.00 per head of our population. Exchange against us? I would think so. Is it not ridiculous to allow them to come in here, while we have to pay them a high tax on everything?

In addition to that the Meighen Government and party has never been a high protection government. Ladies and Gentlemen, look at this thing reasonably. In 1911 our revenue of $125,000,000 would carry us through for by the way what was our tariff on dutiable goods coming into Canada at that time, over 27 per cent. $125,000,000 would not do much more than pay the interest on our war debt to-day, and in addition to that we have $150,000,000 or $155,000,000 pensions. No party leader has ever displayed in this campaign the fact that we must raise a revenue of from $350,000,000 to $400,000,000 to carry on the affairs of this country. What is the average duty payable on goods to-day? It is not 27, 26, 25 or 24. It is less than 23 per cent. by this party and Government which is referred to by Mr. Crerar as the Government which want high tariff. Was left in 1911, in 1919, etc., Mr. Crerar was a supporter of the party which retained a duty 3 or 4 per cent. higher than it is now.

Agricultural Implements. In 1911 the duty on agricultural implements was 20.18 per cent. If reciprocity had carried it would have been 17.23 per cent. What is it to-day? 14.06 per cent., the lowest ever in the history of the Dominion. Speaking about Agricultural implements, I am sometimes amused by the attitude and position taken by the Progressive Party lead by Mr. Crerar.

I want to give you something. You know Mr. Crerar sometimes speaks about big interests. Let me say something about big interests. Mr. Crerar is President of the biggest business monopoly that the Dominion of Canada has ever known. The Grain Growers' business was investigated in 1919, and I read from sworn evidence of Rice Jones on page 827, that the company which Mr. Crerar is President of is taking 21 per cent. profit on machinery that he has the sale of, and he is howling all over the country about 12½ per cent. He says the Government is robbing you of 12½ per cent., while he is drawing 21 per cent. profit out of your pocket.

In connection with New York Export Co., presided over by Mr. Crerar and Mr. Rice Jones, sworn evidence shows that in one year they made profits of $320,000 on a capital invested $100,000, or 530 per cent. Oh these heaven sent champions of the farmers, etc., etc.

Crerar receives as President of G. G. Co. $15,000. Jones gets $13,000, Murray gets $11,000. When investigation was begun Crerar said it was political persecution and got it stopped. Could he have had better campaign material than this very investigation if his skirts were clear and the skirts of the Company were clear. He could have said. "Well you have had your investigation. You have gone through this thing and sifted it and you found us absolutely clear." Would not that have been great stuff in election? If he could have had that stuff for this election he would liked to have it.

Re Farmers' Co-operative Association and General Wholesalers, Limited. Mr. Bayly, President of Farmers' Co-operative, had one share of $25.00, and only $12.50 paid of that, etc., etc.

Are all statesmen wrong in upholding Protection? Are they all wrong except Mr. Crerar? This is the last country on earth that ought to talk of free trade policy, because we are right along side a highly organized country of 105,000,000. Would it be advisable to remove our tariff walls altogether? They would wipe duties off food stuffs entirely. They say they are going to raise it by a direct tax on unimproved land values. I give as my careful and well considered opinion that it will impose a tax of $65.00 to $100.00 on every 100 acre farm in the Dominion of Canada a federal tax. If you want that you know how to get it. The moment a federal tax is put on, your land decreases in value. A federal tax on land will be the most severe blow ever struck against the farming interests of Canada. Are there any lands in the county of Lennox and Addington held for speculative purposes? The platform is there. It says we will raise our revenue by direct tax on unimproved land values. It does not say on lands held for speculative purposes at all. Re taking duty off natural products, see how that effects you. We will suppose that some person in Lennox and Addington, influenced by the yarns that Mr. Crerar tells you, thinks that the natural market for Canadian farm products is over in the United States, it would be just as reasonable to say that the natural market for your surplus is not where they have a bigger surplus than you have but somewhere where they need your products. The U. S. A. has twelve horses and eleven cattle for every one you have. They have twenty-eight sheep to our one, sixteen hogs to our one,—four-legged hogs I mean, of course.

The fact is, farmers of Lennox and Addington, that the farmers of the United States have got a greater surplus of everything that you produce, with the exception of cheese. Let them wipe off all the tariff on food production and you go to Kingston with mixed load, and here is a fellow right beside you whom you have never seen, and you say, "Where do you live?" and he says "I live in the United States, and seen by the papers that prices here are better than in the United States, and I came over." So you do the same thing, go to Watertown market, borrow your neighbor's Ford truck and load up a mixed load and away you go for the day, and get over to Cape Vincent and get stopped by a man with blue coat, and he collects duty on everything you have and then collects exchange on the duty you pay. They paid through duty an average of $4.00 per head of their population and we paid $100.00 per head of our population. Exchange against us? I would think so. Is it not ridiculous to allow them to come in here, while we have to pay them a high tax on everything?

MANURE WASTE COSTLY

Losses Run Into Millions of Dollars Annually.

Waste Begins in the Stable—Manure Should Be Put on the Land Early—Chemical Value of Barnyard Manure — Wood for Fuel In Terms of Coal.

(Contributed by Ontario Department of Agriculture, Toronto.)

On many farms animal manures accumulate about the buildings and are permitted to waste. The average farmer appreciates the value of the farm manures, but he dislikes the task of giving them such careful attention that their value in keeping up soil fertility warrants. The handling of animal manures is not a pleasant task at any time, but the following of a proper system would reduce the disagreeableness of the work and at the same time prevent loss. The average farmer fails to appreciate the fertility value of the manure by at least one-third just through neglect in management. Loss runs into Millions of Dollars.

With the ordinary one hundred acre farm producing two hundred tons of manure every year, and valued at this at $2.50 per load, then figure on one-third waste through neglect, we have an annual loss in soil fertility through failure to return all value to the lands of Ontario that aggregates many millions of dollars. We owe to the soils of our farms all the fertility that it is possible to return to them. The manure waste of the past fifty years on the farms of Ontario would aggregate a colossal sum. This waste will be appreciated more by the future tillers of the soil than by those who have permitted the waste. When there is an abundance, waste are not noticed, but when soils fail to produce abundantly some attention is given to them—fortune that will maintain or increase soil fertility.

The Waste Begins In the Stable.

Waste of manure usually begins in the stable, for a lack of, or an absorbing material to hold the liquid portion of the manure. From the stable it is thrown out sometimes piled but more frequently not, and left exposed to the weather to lie around for months. Manure incorporated with the soil as soon as made sustains the minimum loss. It is impossible to conserve all manure values with the soil during the winter, but frequent opportunities occur when manure may be applied to the land. Accumulations during the months when it is difficult to haul the manure on to the land occur in the spring and autumn. These accumulations are best taken care of within the shelter of a manure shed, or if such is not available, by piling in such a way as to reduce waste to a minimum.

Get Manure on the Land Early.

The most successful of our farmers aim to get the manure on the land as soon as possible. When conditions on the land are not favorable to the application of manure they take care of this by providing sufficient absorbent material to hold all the liquids, piling the manure in a manure shed, covering it sufficiently moist and firm enough to prevent heating until it is desired to apply it to the land. Some of the Old Country farmers store the manure in water tight pits, puck it by stamping uniform in height to exclude all the air possible, and then turn on the hose as frequently as necessary to prevent heating. The same system would do as much for the Ontario farmer as it is doing for the Scotch farmer.

The Chemical Value of Manure.

If we had to buy manures at prices equal to the retail commercial fertilizer prices better care would be taken of this soil fertility material. Few farmers realize that the manure from a horse weighing 1,000 pounds is worth at chemical fertilizer prices $42.15 per annum. A dairy cow weighing 1,000 pounds will produce manure to a value of $29 per annum. A farm carrying white pasture for cows and ten pigs of average weight produces, if valued at retail prices of commercial fertilizer

—The Re-opening meeting of the Odessa Community Club was held on Tuesday evening, Nov. 15th, in the Odessa Methodist Sunday School Room, which was crowded to its utmost capacity. The first half-hour was under the Religious and Educational Committee. The balance of the evening was ably handled by the Social Committee. All report as having spent a very pleasant and profitable evening, which assures the Executive of a prosperous future.

—A contemporary gives the following advice to its delinquent subscribers: "If you have frequent fainting spells, accompanied by chills, cramps, corns, bunions, chilblains, epilepsy, and jaundice, it is a sign that you are not well and liable to die any minute. Pay your subscription in advance, and thus make yourself solid for a good obituary notice." We pass the advice along for any of our subscribers who may have observed these symptoms, or any of them, in themselves.

USE OF NEWSPAPER SPACE BEST FOR DECLINING BUSINESS.

"Go back and advertise", was the advice which James H. Ross of the M. T. Garvin Company, Lancaster, Pa., gave to a fellow merchant who complained of the condition of business, and said he was reducing his staff and had eliminated his advertising in order to save expenses.

"There is nothing so good for a business that is dying as newspaper space," said Mr. Ross, in an address at the convention of the Pennsylvania Retail Dry Goods Association.

"I told my friend to stop retrenching, to spend more money. Go right back and take a page ad. and go after business, I said. I met him a few days later and he told me that he had thought over my suggestion and had instructed his son to draw up a full page ad."—Fourth Estate.

POULTRY DAYS.

Will find us on the job as usual, so look out for our buyers before selling. In the meantime we want all the Poultry we can get, and will give satisfactory prices and correct weights always. If doubtful whether to sell alive or dressed, just figure on the loss of one pound per bird in killing and plucking; together with the hard work, sore fingers and time needed to dry pick. All of which you save by delivering to us alive.

We want all hens delivered alive. Must be in good killing condition. Thin ones not wanted.

We buy milk fed, crate fattened chicks, alive or dressed.

We buy pen fattened chicks, alive or dressed.

All fasted before delivery.

We buy Turkeys, Geese and Ducks, dressed, up till Christmas; so if not ready for Turkey Days, bring or call later on and get satisfactory prices. Useless to write for quotations on stuff we do not see. Will give correct values at sight.

The M. B. MILLS CO., Headquarters for Poultry the year round. Shop and large sign just down the street south in plain sight from Market and Post Office. 47b

McLEAN.

The rains of last week have left the roads in a very bad condition. The hunters have returned, some with deer and some without deer. Jas. Love's gang had the pleasure of bringing home a moose weighing about fourteen hundred pounds.—Johnnie Smith has sold his farm to Wm. Wagar and has bought a general store at Roblin, and intends to move right away.—Levi Grant had the misfortune to lose one of his best cows, when it was drowned in a spring.—Mr. and Mrs. Henry King, of Croydon, are visiting friends here. —Mrs. H. King and Mrs. W. Cronk spent Thursday with Mrs. A. Consims.—Melissa Hare with Chas. Keller.—Mr. and Mrs. W. Asselstine at J. Rayerorft's.—Mr. and Mrs. Frank Smith and Mr. and Mrs. Alf. Jones and son, Ross, spent Sunday at William Cronk's.—Mr. and Mrs. Herb. Grant at Levi Fox's.—We are glad to see Geo. Goodberry's family out, after their recent illness of scarleteena.

Tel. 226. FRED WILSON.

Voice at the Other End—Is that you, darling?

Gouty Pater—Er—Yes.

Voice—Oh, good! How's the old boy's gout, pop? I want to say, if he still has it, I'll come round tonight, but if he hasn't, we'll go out to some show.

"Yes," said the fellow with the bald brow, "it is certainly true that if a man hasn't any respect for himself, nobody else will have any respect for him."

"But it's equally true," returned the keen one, "that if he has too much noodey else will have any."

A Frenchman from the Provinces was visiting Paris, and chanced to step into a hotel on the boulevards in the search of a suitable lodging. "Yes, we have very good rooms — every kind of price," said the obliging clerk behind the grill of the reception office. "It just depends on the floor. First floor a room costs 50 francs, second 40, third 30, fourth 20." The visitor from the country turned to go. "You are not satisfied", said the clerk. "No," came the quick reply. "Your hotel is not half high enough."

NOTICE

IN THE MATTER OF THE LOCAL IMPROVEMENTS CONSTRUCTED IN NAPANEE AS PER SCHEDULE FOLLOWING AND THE ASSESSMENT OF THE COST THEREOF.

Take notice that the Court of Revision of the Municipality of the Town of Napanee for the confirmation of the engineer's report and the statement by way of assessment of the lands immediately benefitted by the said improvements and liable to be assessed therefor, with their frontages, owner's names and other particulars connected with the assessment for the cost of the said improvement, adopted by the Town Council of the said Town, will sit on the 9th day of December, 1921, at 7.30 p.m., in the Council Chamber, Town Hall, in the said Town, for the purpose of hearing appeals therefrom.

And take notice that the cost of the said improvement is the sum shewn in said schedule and the amount named in said schedule is to be provided out of the general funds of the Municipality and the remainder of the cost of the said improvement is to be paid by special assessment, payable within 20 years from the time of the issue of the debentures for the final cost of the work, if not commuted, on the real property immediately benefitted by the said improvement, as the same appears by the said report and statement of the Town Engineer.

And take notice that in case your assessment for a portion of the cost of said improvement is confirmed by the Court of Revision, you may within 15 days after such final confirmation of said assessment commute the annual payment chargeable against your said property by a cash payment.

And take notice that the said report and statement of the Town Engineer showing the lands liable to pay the said assessment with the frontage thereof and the names of the owners thereof, so far as they can be ascertained from the last revised Assessment Roll and otherwise, and also showing the frontage exempt from assessment is now filed in the office of the undersigned, the Town Clerk at Napanee, and is open for inspection during office hours.

Dated at Napanee, this 19th day of November, 1921.

W. A. GRANGE, Town Clerk.

TEMPERANCE AND MORAL REFORM.

A. B. Carscallen's reply to one of the lady electors of Lennox and Addington in regard to his stand on the Temperance and Moral issue.

Tamworth, Ont.,
November 19th, 1921.

Dear Lady,—

In reply to your letter of November 16th, I wish first to state, that I have been brought out by the Conservative Party of Lennox and Addington which has always stood in both Provincial and Federal Legislation for Temperance, moral and social reform. I have already pledged myself to stand for the above principles, and will further promise, on all occasions, to use my vote and influence on any question brought before Parliament, which in my judgment is in the best interests of the above question.

I further wish to state that I stand for the platform of the present Government which affords adequate protection to the farmers of Lennox and Addington and is the main issue from a business standpoint in this campaign.

Dear Lady, you state that the moral issue is being overshadowed by the material issue in this campaign. I would like to point out that the party for which I stand, is the only one that has had the courage to place on the statutes of both the Dominion and Provincial Legislature, active moral reform laws in their Prohibition Acts; and Dear Lady, as actions speak louder than words, I think you may feel quite safe in placing your confidence in the discretion of myself as a Representative of the coming Meighen Government on all moral issues.

Trusting that this will be a satisfactory answer to your request,

I remain,
Yours faithfully,
A. B. CARSCALLEN.

DECLARES CRERAR MADE BIG PROFITS OUT OF GRAIN CO.

GEN. DYER THROWS BOMB INTO RANKS OF UNITED GRAIN GROWERS.

Winnipeg, Nov. 9.—General Hugh Dyer has been making daily addresses in Marquette where he is opposing Hon. T. A. Crerar. He has aroused much interest among the Grain Growers of which he is a pioneer member, by charging that Crerar personally, as head of the organization and chief factor in the United Grain Growers, Limited, has been making big profits out of the business, while the average farmer member of the organization has not been benefited and that shipping and marketing facilities on the prairies are no better for grain men than they were before the Grain Growers organization entered the field.

Yesterday Mr. Crerar replied by a special manifesto to his Marquette constituents in which he denies any special profit or advantage for himself or the United Grain Growers Limited, that all members do not enjoy. The manifesto adds that, "the opponents of the Progressives cause are seeking to divert the minds of the people from the real issues by the grain commission probe, etc., etc."

Independent farmers, however, have before them copies of the Price Waterhouse report on the profits of the Terminal Elevator Companies. This was the firm employed by the Commission to make an expert examination of the books and properties of the terminals at Fort William. Here is the extract from the sworn report submitted by these experts as to the operations of the United Grain Growers' Limited, who operate at the head of the lakes the elevators Mr. Crerar is interested in.

Report on Operations.

"This company leased from the C.P.R. two terminal elevators for which they paid $68,290 per annum. They had no capital investment outside of the rent. During the five years they received from the sale of screenings $221,735, from the sale of overages $386,792. After paying rent they received a net profit for the five years operation of $605,794, or a total of $139,150 per annum. Taking the amount of the rental as a total capital investment, so far as the Grain Growers are concerned, in one year they made over 400 per cent, and another year they made 300 per cent profit. They also dealt in futures, contrary to the Canada Grain Act."

RINSO—not a cake soap, not a chip soap, not a "washing powder", but fine granules that soak the dirt out of your clothes.

—the dirt is soaked out, not rubbed out by main force!

Children's rompers, grimy from the playground—kitchen aprons, curtains, towels —things you dread washing because they need so much rubbing—pile them into a tub of the rich bubbly RINSO suds. RINSO harms nothing that pure water may touch. Let them soak over night. Then—just rinse them, either in warm water or cold. Your clothes are gleaming white and CLEAN. RINSO has done all the work. For anything particularly dirty it will be necessary to rub, such as soiled cuff edges, etc. It has saved the weary hours at the washboard wearing out your clothes and yourself too. Do not wash the old way any longer. Get a package of RINSO, and do your washing the new and easy way.

At night—soak the clothes with RINSO.
Morning—rinse them out. That's all.

If you have a washing machine—

Soak the clothes overnight in the usual Rinso way. The cleansing suds loosen every bit of dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

ROYAL CANADIAN DRAGOONS.

At a meeting of the Executive Committee of the Royal Canadian Dragoons Old Comrades Association recently held in Toronto, it was decided to form a branch association in each Military District. It was also decided in the near future to commence publication of a Regimental magazine, in order that the various districts could keep in touch with each other and correct friendships formed overseas.

District Secretaries have been appointed and Major W. A. Blue of Ottawa has been appointed to act for Military District No. 3. All ex-members of the Royal Canadian Dragoons residing in Military District No. 3 are asked to send their names and addresses to Major Blue, Aylmer Apartments, Ottawa, in order that they may receive full information as to the objects of the Association.

There is nothing repulsive in Miller's Worm Powders, and they are as pleasant to take as sugar, so that few children will refuse them. In some cases they cause vomiting through their action in an unsound stomach, but this is only a manifestation of their cleansing power, no indication that they are hurtful. They can be thoroughly depended upon to clear worms from the system.

DENBIGH.

Mr. and Mrs. A. Both and baby, of Kitchener, who enjoyed a couple of weeks visiting relatives and friends here, at their native home, have returned to their present home in the city.—Mrs. P. Stein, Mrs. C. Wienecke and Messrs. A. and M. Wienecke attended a meeting from a pleasant visit with Mr. and Mrs. E. Warlich, former Denbigh citizens, and other relatives at Vanbrugh, in Renfrew County.—Mr. R. Jackson, of Hinchenbrook, was for a week a welcome guest of Mr. and Mrs. C. Both, and succeeded in bagging a fine deer. The weather for the open season for hunting deer was mostly very favorable. Deer were also reported to be numerous, and most, if not all of our local sportsmen and outside visitors, succeeded in getting their legal share of venison.—We had very good sleighing for a while, but the snow went all away again, and left the fields bare and the roads muddy.

Worms in children, if they be not attended to, cause convulsions, and often death. Mother Graves' Worm Exterminator will protect the children from these distressing affections.

"THE FAVORITE"

For the stubborn coughs and colds that distress children at this time of the year mothers will find Peps a soothing, effective remedy.

As Peps tablets dissolve in the mouth, *the healing vapours like medicines are breathed* through the throat and under air passages into the lungs. They give immediate relief.

Keep the youngsters healthy and strong-chested then! Give them Peps when they cart out for school into the raw morning air, again, when they turn in for bed at night.

Pleasant to take Peps are ever 'the children's favorite,' whilst they have won the confidence of mothers for their unfailing effectiveness, and freedom from harmful drugs.

All druggists and stores sell PEPS *at 50c. A box for $1.25, or send 75c. stamps for TRIAL PACKAGE to Peps Co., Dept. 26 Yonge Street, Toronto.*

FOR CHILDREN'S COUGHS & COLDS

ERNESTTOWN STATION.

We have enjoyed about a week's sleighing, but now that is disappearing, and we feel that winter has not really set in.—Our tea and concert on November 10th was a decided success. The talent from Napanee, Bath and Kingston was splendid, and the many encores given showed that it was enjoyed by all. The ladies of the Union provided everything that could be desired in the way of eatables, and this was much appreciated by all present. Proceeds were $65.00. — Miss Laura Crowe, who has been spending a few weeks with friends in Chicago, has returned to her home.—Mr. and Mrs. Earl McClennand spent Sunday at the home of Mr. J. M. Houle.—Our teacher, Mr. Gerald Hill, spent Sunday at his home on the York Road.—Mrs. Henry S. Hogle and two children, Kenneth and Margaret, spent a few days recently with her brother, Mr. Hahlane Van-Alstyne, Palace Road.—The Ladies' Aid of the Union met on Tuesday of this week at Mrs. Joel Kellar's.—Rev. George Nickle preached a very impressive sermon on Sunday last, and those present wished that many more had been out to enjoy it.—The children of the S. S. are looking forward to the annual Christmas entertainment, the date for which has not yet been decided on.

PLEASANT VALLEY.

Mr. and Mrs. George Taylor and Mr. and Mrs. Badgely and baby, of Melrose, visited Sunday at Mr. Isaac Taylor's. — Miss Elizabeth Brandon spent a few days at Mr. Fred Pringle's.—Mr. and Mrs. Frank Derry visited Monday at their daughter's, Mrs. Young.—Mr. and Mrs. Roy Robertson and son, Bobbie, visited Sunday with friends at Sillsville.—Mr. and Mrs. G. Sills and Keith took tea Sunday at Mr. Rupert Taylor's. — There was a surprise party Tuesday night at Mr. Chas. Vanalstine's, about seventy being present. Mrs. Vanalstine was presented with a pyrex pie plate set in silver.—Mr. S. X. Dupree visited Friday at Mr. Nelson Russell's, Empey Hill.—Mr. and Mrs. Merle Sills motored to Yarker and spent Sunday with friends.—Mr. and Mrs. George Dupree and family took tea Tuesday at Mr. M. Dupree's. —Mr. and Mrs. Frank Vandebogart at Mr. Albert Reid's, Sunday evening.—Mr. and Mrs. G. Sills called Wednesday evening at Mr. Young's. —Mrs. Jas. Brandon is visiting her daughter, Mrs. Fred Pringle.—Mrs. Lasher, Sr., is visiting friends in Deseronto.—Quite a few from here took in the play at Grace Church on Thursday evening.—Mr. and Mrs. George Dupree and Kathleen took dinner Friday at Mr. G. Sills'.

BICKNELL'S CORNERS.

The cold weather is coming a little too soon, as some of the farmers are not through with their ploughing. We hope for some nice weather yet.—Several from here attended the funeral of Mr. A. Dickson of Camden East, on Wednesday.—Mr. Clifford Hannah bought two fine calves from Mr. E. Blakely one day this week.—Mrs. P. McDonald, of Bicknell's Corners, is sick. Several others in this neighborhood have had bad colds which are hard to get rid of.—Mr. Delbert Sexsmith and his mother spent Monday at Camden East with Mr. R. Longmore.—Mrs. A. Emberley and Thora spent Thanksgiving Day with Mrs. Gerald Hawley, at Yarker. —Mrs. S. Robinson, of Camden East, is spending a few days with her daughter, Mrs. Percy Scott.—Mr. Ramsay, of Newburgh, passed through here buying cows for canners, offering $2.00 for a cow,—some price. I hope he did not get many at that price, but the farmers are giving away their stuff for nothing. It is fun for them to work all summer and give it all away. Some of them have not made enough to pay their taxes. They live and work from daylight to dark and it is dreadful the prices they are getting for their stuff, and have to pay so much for anything they get. —Mr. Donald Fairbairn is getting along nicely, after having his head hurt by the horses getting away from him, and throwing him out of the wagon.

It Bids Pain Begone.—When neuralgia racks the nerves or lumbago cripples the back is the time to test the virtues of Dr. Thomas' Eclectric Oil. Well rubbed in it will still the pain and produce a sensation of ease and rest. A trial of it will establish faith in it.

ROUTS CATARRH QUICKLY

Does it in Seven Days or Less! Try it So in Your Own Home

Those who suffer from catarrh can now feel sure that there is a quick way to get rid of it for a new combination has been

developed that has proved successful beyond all dreams. It is something entirely new, simple and easy to apply and will rout any catarrh of the head, nose or throat in SEVEN DAYS OR LESS in your own home.

Every victim knows how filthy and loathsome catarrh is. The diseased mucus is a stench. You are a pestful to family and friends. It tires you, weakens you, dulls your mind and your will. And there are millions of germs in the hawking, coughing and spitting which you innocently give to others.

If you are sincere in wanting to be relieved without delay, write at once to "Nurse Jan-O-Sun, Reg'd., Apartment 158 230 Craig St. W., Montreal," simply giving your name and address, and the rest will be attended to promptly so that you can try it seven days.

DESERONTO.

The annual Thanksgiving Supper, held in the basement of St. Mark's, Deseronto, on November 10th, was a great success in every way. The menu was all that could be desired, the six long tables being filled with everything good that could tempt the appetite of the most fastidious. A record crowd of people, waited upon by a large staff of ladies, assisted by young girls and boys, went away thoroughly satisfied. The programme after the supper was excellent, and reflected credit on all taking part in it. To the ladies of St. Mark's, backed up by the men of the congregation, the best thanks and highest praise is due for this splendid supper and entertainment. This was tendered as a vote of thanks by the Rector, the Rev. C. E. S. Radcliffe, at the close of the evening.

Kidney Trouble

Is quite common, gradually becoming more severe, and if prompt action is not taken, serious results will follow. The symptoms are headache and pain in the back, sleeplessness, ashen complexion, white coated tongue and frequent urination. If a puffy swelling is noted in the feet, beside the disease is well established and you must give the kidneys all the help possible by stirring the liver and bowels into action. Take Henderson's Herb Tablets every night according to directions, watch the digestion carefully, drink plenty of cold water between meals.

Mrs. T. Bevington, 203 Wilton Ave, Toronto, Ont., says:

"I wish to express my gratitude for the great benefit I have received through Dr. Henderson's Herb Treatment. I suffered for a number of years with kidney and liver trouble and at times could scarcely do my work with the pain in my back, and cramps in my muscles. I am now 67 years of age and after using one box of Dr. Henderson's Herb Treatment I feel like a new person.

Dr. Henderson's Herb Treatment can be purchased at Hooper's Drug Store, Napanee, Ont., or The Henderson Herb Co., Toronto, Ont. Price 50c. and $1.00. 46b

Wedding at Centreville.

A wedding of great interest took place at ten o'clock, on Tuesday, Nov. 15th, in the Church of St. Anthony of Padua, Centreville, when Miss Catherine Connors was married to Peter Cassidy, of the same place. The ceremony, which was performed by the Pastor, Rev. Father McCarthy, was witnessed by a large and interesting circle of friends. The bride, who is one of Centreville's fairest daughters, was given away by her brother, and looked a vision of girlish loveliness, in her wedding gown of blue silk. After receiving the congratulations of numerous friends, the young bride and groom and relatives motored to the home of the bride's brothers, where all partook of an elaborate buffet lunch. The many beautiful and valuable presents which the bride received testify in glowing terms the esteem in which she and her young husband are held.

Bazaar.

The annual Bazaar of the Church Women's Guild of St. Mary Magdalene Church will be held in the Town Hall, Thursday afternoon, December 1st. This bazaar has earned a well merited reputation for the originality and usefulness of the articles offered for sale and this year the choice is even more varied than formerly, as the ladies have made a special effort to suit every taste and every purse. The usual fine display of table linen, luncheon sets, towels, pillow cases, etc., in hand work, will be found; special novelties in all kinds of aprons for kitchen, garden, sewing or housecleaning; bridge table covers, balsam pillows and a tempting assortment of home cooked food and home made candy. Baby's department has been developed extensively and there are knitted articles, children's dresses and most fascinating toys, offered for your approval. The arts and craft's department has broadened also, and prospective Christmas buyers will find very many useful and most moderately priced gifts, the majority being hand painted. Shoe trees, coat hangers, bridge scores, numbers and pencils, candle sticks, trays, and many other delightful novelties too numerous to mention. An At Home will be held in the Town Hall in the evening, with an informal programme including Mr. Jack Elder, of Kingston, a second Harry Lauder, who will sing Scotch songs in costume. Refreshments will be served. Silver collection. 47a

NAPANEE MUSICAL AND LITERARY CLUB.

If some of the members and patrons of the Napanee Musical and Literary Club were not altogether satisfied with the first program of the Lyceum course for this season, they had no cause for complaint in respect to the second. The attraction for Friday evening last was the Welsh orator, Arthur Walwyn Evans. Anticipating a large audience the Club engaged the Armouries for the occasion. The weather man did all he could to discourage a large attendance, but in spite of the downpour of rain over three hundred turned out. The lecturer's subject was "Let There Be Light". For over two hours he held his audience spellbound, and at the conclusion of his address was greeted with rounds of applause, indicating the pleasure he had given his hearers. The lecture brought forcibly home to the audience the defects of our school system and was teeming with wholesome truths interspersed with humorous illustrations and bright sallies of wit. The speaker has a style all his own and in his two hours' talk covered a very wide field. By request he concluded a delightful and instructive evening's entertainment with his inimitable rendition of the monologue of the "Small Boy and Pa." The ladies are to be congratulated upon securing Mr. Evans, who assured them that all the remaining items of the course are sure to be pleasing to the Napanee people, who demand a high class program.

Dainty Xmas Cards and Booklets now being shown at Wallace's Drug Store. You may have your name engraved on any of these at slight additional cost.

AN APPRECIATION OF LOYALTY.

Tamworth, Nov. 18th, 1921.

To Archibald Alkenbrack, Esq., Camden East, Ont.

Dear Mr. Alkenbrack,—I am very pleased to learn that you have voluntarily, and after having the opinion of Mr. J. L. Whiting, K.C., of Kingston, that you are legally entitled to remain in your office of Deputy Returning Officer, returned your appointment as Deputy Returning Officer for No. 2, Camden, to the Returning Officer for the Riding.

I must say that I highly appreciate your loyalty to me and to the party in that you have not taken advantage of the fact that there was an error made in appointing two Deputy Returning Officers for Polling Division No. 2 Camden, and to keep peace and harmony in the Polling Division, have taken this stand. You have thereby, in my opinion, proven yourself to be a citizen worthy of the respect and following of every citizen of the Dominion.

In this great fight that we have on the welfare of the Dominion is at stake, and we must all keep our eye upon the main issue and do as you have done, treating as insignificant any petty squabbles which may arise during the campaign.

Again thanking you for your noble act, I am

Yours respectfully,
A. B. CARSCALLEN.

OBITUARY.

John S. Huffman.

Died, at his home in Walhalla, on Wednesday morning, November 9th, 1921, at 8 a.m., all that was mortal of John S. Huffman passed to the Great Beyond. Aged, seventy years, two months and twenty-seven days.

John S. Huffman was born in Napanee, Ontario, on August 12th, 1851, and came to Pembina County, North Dakota, in 1882. In 1885 he was married to Miss Martha Elford, and to them were born eight children all of whom survive, with the exception of one. They are, Harry, of Regina, Sask., Canada; Ada, of Regina, Sask.; Canada; Willard, of Walhalla, Kenneth, of Walhalla, Edith, of Walhalla, John, Jr., of Walhalla and Alberts, of Walhalla. There also survive him as immediate relatives, Mrs. Sam Bell, of San Jose, California, Mrs. Joyce, and Mrs. Edward Kaylor, of Napanee, Ontario, and a brother, Robert, of Walhalla. Also seven grandchildren.

It is seldom that a community was so shocked and grieved to hear of the death of one of the oldest pioneers of the Walhalla district, as few ever knew of his being sick, and in fact he had been indisposed but for a day preceding his sudden death.

Monday evening Mr. Huffman complained of a shortness and difficulty in taking breath, and was advised to remain quiet in bed which he did all day Tuesday, and about eight-thirty Wednesday morning he got up and was about the house, and was suddenly stricken and about nine a.m. expired, and thus passed one of the men that they call nature's noblemen, for indeed, "Jack" Huffman was noble, not of the kind made by a monarch or a king varying in nature above his head, not by valiant deeds, but by the kind of a man that he was, by the kind of a husband that he was, by the kind of a father that he was, by the kind of a neighbor that he was, and also by the kind of a citizen that he was.

With a residence among us of forty years, and the wide acquaintance that he has had in the county and surrounding territory, there is not a single person who enjoyed his acquaintance but who were proud to call him friend. He was a man of pleasing personality, easily made acquaintances which with association ripened into friendship. Mr. Huffman had given up active work on the farms and at the time of his death was engaged in beautifying his home in Walhalla and took a great deal of pride in his residence property, and had told his friends that now he was going to enjoy life with his family and his friends.

Mr. Huffman was a member of the Masonic, and Eastern Star lodges, and although he had never held a public office was one of the most public spirited men in Pembina County. The vast throng that gathered to pay their last respect to him testified the many loving friends he had made.

The funeral was held on Friday afternoon, November 11th, from the Oddfellows' Hall in Walhalla, his Masonic Lodge members having charge, Rev. Yater, of Dickinson, N. Dakota, preaching the funeral sermon. Thus, during the short span of seven months passed the third of Walhalla district pioneers, and beloved citizens, those that preceded him in this short time being James Harvey, and William Burt. To his loving and devoted wife, and life companion, and his bereaved family go the heartfelt sympathy of the entire community.—The Cavalier Chronicle, North Dakota.

TO THE ELECTORS OF LENNOX AND ADDINGTON

I have been informed that the Temperance question is being used against me in the present campaign. I wish to make a straight-forward and honest confession of my past and present position in regard to this question.

Owing to financial conditions I was forced to go out in the cold world at the age of 16 years to make my own living as a laborer. That being some thirty-five years ago, intemperance is not looked upon in the same light today as it was then, for which we are all thankful.

I am free to confess that my environments were not of the best, and I formed habits which I have had to fight ever since. I have always cast my ballot in favour of temperance whenever the opportunity was presented, and hope and pray that I always will.

Having a knowledge of the evils of intemperance, I would rather lose this election or make any other personal sacrefice than to be a party to any legislation that would cause the same temptations to be placed before the boys and young men of to-day that I was subject to in my boyhood days. I am not writing this letter for the purpose of soliciting votes, but for the purpose of placing my position on the temperance question before the electors of Lennox and Addington.

Presentation At Moscow.

On Wednesday evening, November 24th, a number of the friends of Mrs. George Scott, Strathcona, gathered at the home of her parents, Mr. and Mrs. Fred Clark, and after spending an enjoyable evening, presented Mrs. Scott with a purse of money, and the following address:—

"We, the people of the community of Moscow, have assembled here tonight for the purpose of spending a few hours with one who was born and brought up in this community, and who is loved and esteemed by all who know her, for her kind and affectionate nature, one who greets everyone with a smile, and who is ever ready to do her many friends a favour.

"We will be greatly pained from the church, where she has filled, during years with credit and ability. For a number of years she has been organist of the Sunday School, and one of our efficient teachers; also a faithful member of the choir. She has also filled various offices in the Mission Circle and Band since their inception a number of years ago. We will also miss Mildred from the social life of the community and what is our loss will certainly be someone else's gain.

We are all pleased to have this opportunity of meeting you and husband of Mildred's husband, and heartily congratulate him on having been so lucky in choosing his life partner.

We all join in wishing Mildred a prosperous and happy married life, and as a slight token of the affection and esteem in which we hold Mrs. Scott, we ask her to accept on behalf of her Moscow friends this purse of money."

The address was read by Miss Eloise Darling, and the presentation was made by Miss Gladys Asselstine.

OBITUARY.

William H. Brandon.

There passed away on Sunday, November 20th, 1921, William Henry Brandon, in his seventy-second year, at his late residence, Violet, Ont. Deceased had been ill of pneumonia but five days previous to his death, and the sudden passing came as a shock to his relatives and friends. All that medical skill and loving hands could do was of no avail, and while surrounded by sorrowing friends, he fell asleep in Jesus' sweet embrace about three o'clock on Sunday afternoon. He leaves beside his widow, one daughter, Mrs. Walter Scott, and one grand daughter, Mrs. John Anderson, Selby; also one sister and two brothers survive, Mrs. John Grange, Sr., Selby; Daniel Wright, Alan Sager and Reuben Snider. The Methodist Choir sang three selections which were appreciated very much. The floral tributes show the esteem in which deceased was held. The sympathy of the community goes out to the family in their bereavement.

FARMS FOR SALE.

If you have a farm for sale, it will pay you to list it with me now as our new catalogue will be out in January. We have a number of very fine farms on our list not sold, the owner turned down offers for all it was worth. It is as good as sold if you list it with me. Several houses in Napanee and in other towns for sale.

SAND HILL.

On Wednesday night last, Nov. 23rd, a musical and social evening of unusual merit was held in the Methodist Church. Although the night was exceedingly cold, yet the people came from far and near and the building was packed. The variety program was given by the Mission Band of the Hay Bay Methodist Church, under the very able leadership of Mrs. Nolan, who is President of the Band. The program consisted of choruses, solos, recitations, readings, and a fine sketch in which all heathen countries were represented in character and each made a pitiful appeal to Canada for the Gospel. The program was concluded by a tableau representing the Nation under the Union Jack, and made a beautiful finish to a splendid program. Great credit and skill was manifested by the skillful way Mrs. Nolan handled the proceedings. The ladies of the Church then served bountiful refreshments to all, and after the usual votes of thanks to all, the meeting closed. The proceeds of the evening were for the Sunday School fund.

TO THE ELECTORS OF LENNOX AND ADDINGTON.

Ladies and Gentlemen:—

I have been selected by the National Liberal Conservative Party as a candidate to contest this Riding, and as the time is limited and this Riding being one hundred and ten miles in length, I find it impossible to visit you.

Consciently believing that the policy laid down by Premier Meighen is in the best interests of agriculturists, laborers, manufacturers and business men of this Riding as well as the Dominion at large, I earnestly solicit your support and influence in the coming contest, and ask you to accept this as a personal invitation.

Your obedient servant,

A. B. CARSCALLEN.

Tamworth, November 9th, 1921.

ANDERSON:

A banquet of unusual yet most popular dimensions was held at the home of Mr. and Mrs. Baldwin, on Thursday evening, Nov. 24th. The tables were arranged both in the spacious drawing and dinihg rooms, (to seat 60 guests), in a most artistic manner and were dressed with such good taste that the appetites of all present were tempted to aggravation, but when the dinner gong was sounded and each took their place the difficulties soon vanished for the tables were weighed down with an endless variety of the very best upon which ample justice was done. Following all this a very hearty sing song was held. Many of the good old favorite popular pieces were sung with characteristic gusto. The Rev. W. H. Truscott was then called upon to take charge of the balance of the evening. With this commenced the real purpose of the gathering. It was a gathering of Sunday School workers, and the Pastor in assuming the position of director of ceremonies, expressed his great pleasure in being present at such a time and under such an occasion.

The first toast of the evening was to The Ontario Religious Education Council. This toast was proposed by Rev. W. H. Truscott in a few well chosen words, and replied to by the Provincial President, Mr. A. MacGregor. Mr. MacGregor was accorded a rousing reception and spoke impressively on Provincial Ideals and Aims.

The next toast was to the Leninord and Addington Religious Counsel, proposed by Mr. Rothwell Parks, who boldly championed the courageous efforts of County officers who were determined to scale the highest peaks and never retreat. This toast was replied to by Miss Lottie Parks, whose easy and fluent flow of speech showed all present that she knew her work and was master of the situation.

The next toast was to the Township S. S. Association, proposed by Mr. H. Mellow, and he, like the previous speakers, emphasized the glory of our priviledges, but the responsibility of our tasks. The toast was replied to by Mr. G. Burtch, and his remarks were a regular call to arms.

Last, but not least, was the toast to the Anderson Sunday School, proposed by Mrs. Dillenbeck, who was proud of being associated with the Banner School in the County, reaching 100 per cent. The toast was replied to by Allan Baldwin, the favorite of us all, the hero of the evening, the one around whom gathered the credit, the honour for work done and still doing. Mr. Allan Baldwin is the Superintendent of the Anderson School, and has led his school into the coveted position of being the best in the whole County. On rising to speak, his voice and his words fell upon the audience like a spell of well directed inspiration. He was delegate to the County Convention and he gave us his report of this also, and although the evening was rapidly drifting towards midnight, yet all listened to his graphic report with great blessing and manifest profit.

After the formal votes of thanks to Mr. and Mrs. Baldwin and friends for their magnificient entertainment, this memorable gathering broke up with a merry good night to all.

CAMDEN EAST

We are having very fine weather for this time of year.—Mrs. Gilpatrick, of Leeds, Quebec, returned home last week, after spending three weeks with her sister, Mrs. Dickson.—Mr. Wm. Loucks was very ill last week with acute indigestion, with Dr. Huckable, of Newburgh, in attendance. His son, Earl Loucks, spent a few days last week with his father.—The stork visited the home of Mr. and Mrs. John Lambert, south of the village, last week, and left a young son to brighten their home.—Mr. and Mrs. Wm. Lee, Stars Corners, Harrowsmith, visited his sister, Mrs. John Skinner, on Saturday last. When returning home Mr. Lee met with an accident, when a car belonging to Mr. A. Close, of Violet, coming down the hill near the Methodist Church struck the wheel of the buggy, smashing it. No other damage was done, and no one was hurt.—A large number from this vicinity went to Napanee last week to hear Hon. Arthur Meighen speak at the Armouries on the Government policies. They said he was the finest speaker they ever heard.—Mr. Perry, of North Bay, returned home last week, after visiting his sister, Mrs. Jas. Henderson, for over a month.—Mr. and Mrs. Fred Henderson and little daughter, Helen, Newburgh Road, visited his parents, Mr. and Mrs. Jas. Henderson, on Tuesday last.

BICKNELL'S CORNERS.

Several from this vicinity attended the Poultry Fair at Napanee on Thursday.—Mr. James Macdonald's finger, that was bitten off by a hog about three weeks ago, is healing very slowly.—A good number of the neighbors attended the dance on Friday night of last week.—Mrs. Emily Macdonald is improving, after her sickness.—Mr. Les. Peters is disposing of some of his straw at a good price, $10.00 per load.—Miss Thora Bentley is improving very much in her violin lessons for the amount of lessons taken.—Mr. and Mrs. George Scott spent a day this week in Kingston.—We are glad to see Mr. Francis Dann able to be out again, after being laid up with a sore knee.—Mr. and Mrs. John McGarvey spent Sunday with Mr. and Mrs. Jack Macdonald.—The school children are all very busy practising for their school concert which is to be held in Hinch's Hall, at Camden East, on the 19th of December. Don't forget the date and come and enjoy a good night of fun.

NEWBURGH.

Mrs. A. O. Vanloven, of Napanee, was with her mother, Mrs. Jane Yeomans, over the week end.—Mr. and Mrs. Wilson and baby, of Swinartville, were visiting at Mr. Charlie McKim's, on Sunday.—Mr. Robert McGarvey was visiting at Point Ann during the week.—Prayer service in held every Thursday evening in the Methodist Church, at 7.30.—Miss Gertrude Hill, teacher at Bethel, was home over Sunday.—The Ladies' Officers of the Methodist Church are getting ready for their grand Bazaar, which is to be held in the Standard Bank Hall on December 9th.—A large crowd greeted the members of the Mission Band at their open meeting on Tuesday evening. The programme was enjoyable. The proceeds were over $20.00.—Miss Moore was in Napanee on Wednesday, attending the funeral of the late Mrs. J. Clancy.

THE FARMERS ARE ANGRY.

AT U. F. O. LIVE STOCK MEN—THE U. F. O. POLITICIANS MUST QUIT.

Morrisburg, Nov. 22.—The storm which has been hovering over the heads of the directors of the United Farmers' Co-Operative Company for the past few weeks threatens now to break in fury at the annual meeting next month.

Ominous indeed are the mutterings of the farmers scattered through out the province who are going to Toronto on December 13th for the "show down" at Massey Hall.

Here in Morrisburg is one of the strongholds of the United Farmers' Co-operative business. Robert H. Ashton, the builder of this big Eastern Ontario business among the farmers in a dozen agricultural counties, is one of the leading directors of the Co-Operative Company, with headquarters at 130 East King street, Toronto, and Mr. Ashton has declared that he will go before the thousands of shareholders next month and ask for a new policy and a new directorate and management for the United Farmers' Co-Operative Company of Ontario.

Robert Ashton has been but one year on the board of this company, but that year, he says, was long enough to show him that the Farmers' Co-Operative of Ontario needed put in the hands of capable managers and taken out of the hands of politicians.

"I am going to insist that political end of the United Farmers movement be immediately separated once and for all from the co-operative business end."

Farmers Angry.

Ernesttown, Nov. 22.—There has been a real split in the U. F. O. club here with the result that farmers are going to Toronto to the annual meeting of the U. F. O. with the single idea of showing up the Live Stock Commission Department as it is run at various stations in Eastern Ontario.

It is alleged by some of the shippers here that on Montreal cars the shippers have not received the amount of money the selling price called for, but the difficulty seems to be to locate the man who still is accused of the apparent discrepancies.

As one farmer pointed out the beheading at a point on the C. P. R. main line seemed flagrant. A buyer for a Montreal packing house approached the farmer to purchase a bull. He offered two cents a pound for the animal, which weighed 1,750. The farmer refused. He raised it to 2½c, which would net the farmer $42.00. The farmer refused and shipped the bull to the U. F. O. at Montreal. He received back $34.00 and later in Montreal found that the same man that had bought the same bull and paid the U. F. O., Montreal, 3½c. a pound. The result of enquiry was blocked in Montreal, but will be carried on further at the annual meeting in Toronto.

Other stories in regard to the action of salesmen of the U. F. O. have been widely circulated here. These salesmen are said $10 a day by the various clubs and it is alleged that it has been the custom to retain a commission for themselves out of the price received from the packer by the farmer. Supposing the market called for eight cents a pound the salesman holds out for eight and a quarter and receiving same sends back to the farmer the money at the lower price. This, it is said, yields the salesmen $40 a car at some of the stations in Eastern Ontario.

ENTERPRISE.

The regular monthly meeting of the Women's Institute was held at the home of Mrs. Bapty on Wilton. The President being unable to be present, Mrs. Andrew Craig took the chair. The meeting opened by the singing of the Maple Leaf, followed by the Lord's Prayer. A debate was then taken up, entitled, Resolved that the works of man are more attractive to the eye than the works of nature, taken by Mrs. Allen Carscallen, Mrs. Charles Graham, Miss Carrie Jackson and Mrs. John I. Wilson. All papers were very interesting, giving us many successful points on both sides of the question. Roll call responded by a display of inexpensive Christmas gifts. Paper, "Do we not get enough pleasure from life and if not why not?" by Mrs. Thomas Wilson, was excellent. The poppies were spoken of, also the little blue books. Meeting closed by the singing of the National Anthem. Members present 26. Now just a few words about a mistake in last month's correspondence. Collection on quilt $1.35; a donation was taken up for Mrs. Shepherd, and amounting to $6.28; a grant was given to the Travellers' Aid of $2.00.

CLAREVIEW.

PARTY HONESTY OR TREACHERY?

Premier Meighen at Napanee Places Issues Frankly Before the Electors

CANDOR AND HONESTY IN POLITICAL LIFE SHOULD TRIUMPH OVER TRICKERY.

"Are you going to vote for candor in political life or for trickery and chicanary, chaos, confusion, retrogression—instead of stability, prosperity and progression," asked Rt. Hon. Arthur Meighen, Premier of Canada, in addressing the large audience of electors gathered at Napanee, Thursday afternoon of last week to hear the issues of the day discussed. The attitude of the audience in answer to Premier Meighen's pointed question left no doubt as to the way they would vote in the coming election.

The meeting was a magnificent tribute to the Premier, the large hall being filled to the doors while many were unable to gain admittance, farmers came from miles around to hear Canada's first citizen, and were more than rewarded for the effort by the masterly presentation of the issues before the people of Canada to-day, by the Premier, whose frankness and honesty compels admiration even from those who may not see eye to eye with him in political affairs. Premier Meighen's message is the same in all parts of Canada and he does not resort to those petty political tricks which form such a large part of the repertoire of his opponents.

Canada's First Citizen.

A charming feature of the meeting which created great enthusiasm occurred when a dainty little lady, Miss Celestine Daly, presented the Premier with a beautiful bouquet of roses and said, "These flowers are for the nicest man in Canada to-day." The building rocked with cheers as the sentiment expressed by the little miss swept over the audience and met with instant approval.

In the absence of Mr. Porter, who had been billed to speak, the chairman called on W. C. Mikel, K.C., of Belleville, who made a splendid speech, practical and to the point.

Mr. Carscallen, the candidate for election, was the next speaker.

MR. CARSCALLEN'S ADDRESS.

Upon my invitation the Premier is here to address you to-day. I want to thank you for responding so loyally to my invitation.

This afternoon the Hon. Arthur Meighen will talk to you about the problems that are facing Canada as a whole. He will let you look at those problems from a Dominion wide view-point. I will not entertain you that phase of the question but will briefly take up a few points of local interest in the election of Lennox and Addington.

I understand that at the Progressive Convention there was a resolution passed that none but an actual farmer was eligible for a candidate. I understand that that has been changed, and that the Leader of the Progressive Party is now endorsing business men as candidates.

Ladies and Gentlemen, the platform of the Hon. Arthur Meighen on which I stand is broader than this. It will accept men of any calling, so long as the majority at the Convention believe that, that man is the best fitted to look after their best interests in these critical times for Canada.

I claim that I am a true farmer's candidate, because it was the farmers of Lennox and Addington at our Convention that gave me my nomination. Bringing me out was no experiment with the farmers of Lennox and Addington. I have done business for and with them for the past thirty years, and they realize that my interests are identical with theirs.

My opponent says that the main planks in his platform are: 1, Democracy; 2, Purity and Morality.

I have always taken these planks to be parts of the frame work of Hon. Arthur Meighen's platform.

Ladies and Gentlemen, the Government that put prohibition in the statutes of Canada does not need to talk about these points, because actions speak louder than words.

The main plank in the Meighen Platform, Ladies and Gentlemen, is adequate protection for farm and factory, and Canada for the Canadians.

Now let us see how this directly affects us here in Lennox and Addington. Let us point out first that unless the farmers of Lennox and Addington are prosperous, that the town people of Napanee will not be prosperous; the interests of Napanee are identical with those of the farmers in the surrounding countries.

Have we any protection on our farm products at the present? I went to the Custom House the other day to see just how much the things produced in this County were protected against the overflow of United States products into our markets, and this is what I found:

Horses and cattle 25 per cent., hogs 1½ per lb., fresh meats 3c. per lb., eggs 3c. dozen, cheese 3c. per lb., butter 4c. per lb., poultry 20 per cent., potatoes 20c. per bushel, vegetables 30 per cent., apples 90c. per barrel.

Now Ladies and Gentlemen, let me read you one of the main planks of the Progressive Platform: "That all foodstuffs be placed on the free list."

How will this plank affect us here? It will take off all the protection which I have just read you, and which you now enjoy, 25 one fell swoop. Think this one point over, Ladies and Gentlemen. There is 1½c. per lb. protection on hogs. Week before last there were 14,000 hogs on the Chicago market at 2c. below the current price in Canada. If it were not for protection you would be selling your hogs at the Chicago price. That is only one item. Think of the many articles of produce which you raise and which are all protected by the present Government.

The Party which my opponent stands for have pledged themselves to put all the foodstuffs which you raise on the free list, and you, not the Western farmer, will be the direct sufferers. This is only one point in a long list of points in the Progressive Platform which will take money out of the pockets of the Ontario farmer, a platform, Ladies and Gentlemen, framed purely for the benefit of the Prairie farmers.

Now let us consider the affect of this drastic measure under present conditions. In addition to the taking away all protection on your foodstuffs, the Progressive Party proposes to take your home market at the same time by crippling the Ontario manufacturers so that not only will you lose the money saved you by the protection you now enjoy, but you will have to sell your goods to your only other logical market, the United States.

Now what has the United States done to make this easy for you?

They have raised the tariff wall 25 per cent. high against you, a truly prohibitive wall. Let me read you some of the items that directly concern you.

The following is an estimate which I have made of the products which a good farmer should have to sell annually off a 100 acre farm:—

16 hogs, 200 each, 3200 lbs. at 3c. per lb.	$ 96 00
5 2-year-old cattle, 800 each, 4000 lbs. at 1½c per lb.	60 00
8 veal calves, 125 each, 1000 lbs. at 2c. per lb.	20 00
10 lambs, 35 each, 350 lbs. at 2c. per lb.	7 00
10 fleeces wool, 5 each, 50 lbs., at 10c. lb.	5 00
50 cwt. potatoes, at 45c. per bushel	22 00
1 horse, worth $150	50 00
200 lbs. milk for 150 days, 30000 lbs., 700 lbs. cheese at 3c. lb.	15 00
100 lbs. butter, at 3c.	8 00
200 lbs. poultry at 4c.	8 00
50 hens, 960 dozen eggs for year at 6c.	50 00
Total loss without Tariff	$ 241 00
Tariff	60 25

Ladies and Gentlemen, if you vote for my opponent and the Progressive Platform, and they go into power, I can see nothing but ruin for the people of Lennox and Addington.

I have only covered one point of many that is of vital interest to you in this election.

You have not had the privilege of listening to the Hon. Mackenzie King, as there is no Liberal candidate in the field, but you have had the privilege of listening to the Hon. Crerar, advocate his policy. I will ask you to give strict attention to the policy laid down by our Premier, and after careful consideration, if you decide that the policy laid down by the Hon. Arthur Meighen is in the best interest of this County and the Dominion as a whole, I will ask you to come out on December 6th, and mark your ballot in my favour.

You must remember, Ladies and Gentlemen, that every one of you are individually responsible, when marking your ballot for the future destiny of this our fair Dominion. If you mark your ballot against me, you are marking it against the policy which will be laid down here to-day.

No Liberal Candidate.

Liberals of Lennox and Addington have not placed a candidate in the field. Many of them who arrayed themselves behind the Union Government in 1917 will give their support to the candidate of the Meighen ministry, many will be the more ready to do so because they do not favor the trade policies offered by the Liberal Convention of 1919 and by the Wood-Crerar movement. In Napanee, where Hon. T. A. Crerar spoke a short time ago, the Premier set himself to reply to appeals which have been made to the class consciousness of those engaged in agriculture.

The Prime Minister himself replied to the assertion that more farmers were required in Parliament to defend the farmer's interests. He pointed out that a large proportion of the members of the Government had come from the farms. "Mr. Crerar is not a practical farmer any more than I am," said Mr. Meighen. "He left the farm just about the same time I did, to pursue another calling in life. How can he stand and talk that this Government be dismissed because it has as Minister of Agriculture, instead of the head of a big farming country, one of the most practical and in many ways the most advanced farmer in the Dominion."

"Are we ever going to get away from this puerile prejudice that a man is any worse on account of his calling or any better because of his calling?" asked Mr. Meighen.

Criticism is Feltw.

"A man is a man by the measure of his achievements, by the measure of his character. Select your men for their worth as men, select them from every occupation because of their capacity to render service to the public and because of the cause they represent. That is the only plea I make to you on that ground. Canada is too big a country. Canadians are people of too much common sense to be moved by the appeals to prejudice and to class."

Talking of the tariff policy of the Wood-Crerar party, Mr. Meighen declared that "never in the history of the country was a policy so manifestly made placed before the electors." He discussed the details of the Wood-Crerar movement's policy and asserted that the United Grain Growers, Limited, would be better employed if they devoted some of their profits to the establishment of a plant for the manufacture of agricultural implements, instead of using them to support newspapers to promote the political ambitions of Mr. Wood and Mr. Crerar.

ABLE TO DO HER WORK

After Long Suffering Mrs. Peasey Restored to Health by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I suffered with irregular menstruation, was weak and run down, could not eat and had headaches. The doctor said my kidneys were dragging me down. I sometimes felt so crazy and I seemed to be losing my mind. I was in this condition for two or three years and could not seem to work. I tried all kinds of medicines and had been treated by physicians but received no benefit. I found one of our booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it and now I keep house and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends and if these facts will help some poor woman use them as you please."—Mrs. J. F. Peasey, 387 King St., Toronto, Ontario.

If you are one of these women do not suffer for four or five years as Mrs. Peasey did, but profit by her experience and be restored to health.

Perspiration — ruins silk stockings

Those unsightly perspiration stains that are so annoying denote a chemical action that spells ruin to your silk stockings. Why not decide to save them. How? After every wearing, give them a bath in a bowl of LUX suds. Easy and simple. They come out so fresh and clean that they look like new. And they will last twice as long.

How to Care for Silk Stockings

Never wring silk stockings. Wringing injures the fabric. Just squeeze the water out gently. Always use a warm iron, never a hot one. Heat injures silk fibre and yellows white and delicate colors.

Spread clocked stockings on a towel and roll immediately to dry. Iron while still damp. This will prevent the clocks from running. Remember, LUX harms nothing that pure water itself may touch.

CASSIDY—O'CONNOR.

A quiet wedding took place at the Church of St. Anthony of Padua, Centreville, at 10 o'clock on Tuesday, November 15th, when Miss Katie O'Connor was united in the holy bonds of matrimony to Mr. Peter Cassidy. The ceremony was performed by the Rev. Father McCarthy. The bride was attired in navy blue satin trimmed with fringe, and corsage of American Beauty roses, and wore a blue hat with veil and silver trimming and black plush coat. The bride was attended by Miss Hazel Guerin, of Peterboro', who was attired in brown broadcloth with brown hat to match. The groom was supported by Mr. Ed. O'Connor, brother of the bride. After the ceremony they motored to the home of the bride, accompanied by the Rev. Father McCarthy and his sister, where a sumptuous wedding breakfast was served to the near relatives and neighbours of the bride and groom. The afternoon and evening were spent in games and dancing. The many useful and costly gifts testify to the high esteem in which the bride and groom are held. The happy couple will reside near Centreville.

Friendship—Yes! But—

"The Bill will not let in Canadian wheat, but will save to the American farmer the right to write a basket of wheat instead of transferring that right to Canada."— Mr. Forbney, in introducing the Fordney Emergency Tariff Bill which has shut millions of dollars worth of Canadian foodstuffs out of the United States market.

"If we are to build up a self-sustaining agriculture here at home, the farmer must be protected from unfair competition from those countries where agriculture is still being exploited."— President Harding. The very spot chosen to deliver this speech—Minnesota—shows that Harding had the Canadian North-West in mind.

WHILE ties of friendship unite Canada and the United States, the attitude of Uncle Sam in that of "Business First", and Canada cannot and should not hope for any consideration from the United States where the interests of the farmers and business people of that country are involved.

Uncle Sam has built the Fordney Tariff directly against Canadian agriculture, and new additional Tariff proposals are now under consideration to shut out from the United States Canadian goods of every kind.

These measures are due to the insistence of the American farmer that the United States market shall be retained exclusively for him and that the influx of Canadian farm products into that country must cease. They are also due to a like insistence of United States manufacturers and workers, who have seen their country develop tremendously and grow rich under a Protective Tariff, and who believe that a still further increase in Tariff is the only means of assuring continued prosperity.

CONTRAST THE ATTITUDE OF THE UNITED STATES LEADERS WITH THAT OF CANADA'S WOULD-BE LEADERS, CRERAR AND KING.

Crerar proposes to allow American goods to enter the Canadian market free of duty.

King proposes that the present reasonable Tariff on the products of the American factory and farm shall be greatly reduced, and that the home market of the Canadian farmer and manufacturer alike shall be thrown open to our Southern neighbour, in the face of the United States Emergency Tariff, which practically shuts out Canadian farm products from these markets, and also in the face of the permanent tariff now under consideration at Washington, which gives every promise of being even more drastic than the Emergency Tariff so far as our products are concerned.

In view of the attitude of the United States, what folly it is for Crerar and King to propose throwing open the Canadian market to a flood of both agricultural and manufactured products of the United States when there is not the slightest possibility of any compensative advantage to Canada.

Does any sane Canadian believe that Crerar or King, hat in hand, could persuade the United States Government to completely reverse its Tariff policies and agree to reciprocal trade in face of American public demand for a high protective Tariff?

The people of the United States conduct their affairs and protect themselves by the principle that "Business is business." Why should Canada do otherwise?

Unlike Crerar or King, MEIGHEN stands firm for a reasonable Tariff to protect all our industries — those of the farm, the sea, the mine, the forest, the factory, and for the building up of a bigger and better Canada through the full development of the home market.

FRIENDSHIP WITH THE UNITED STATES? YES, BY ALL MEANS!

BUT— let us defend our home market, our industries, our farms, our workmen, our homes by the same methods as are used so effectively against us.

Let us work out our own destiny—that of a strong, self-contained nation within the British Empire group of Nations, courageous, masterful, self-reliant.

Canada Needs Meighen

Predestined to Succeed

NEARLY one million people live in Montreal and suburbs. More travellers and tourists pass through, and stay there, in one month, than stay in any other Canadian city in six months. It is also the central Convention City of Canada.

Yet there are less first-class hotel bedrooms in Montreal than in one hotel—The Biltmore—in New York. Less than one thousand, in fact, whereas Cleveland has 5,000, Buffalo 2,000, although neither Buffalo nor Cleveland are ocean ports or railroad terminals.

For these reasons "The Mount Royal" Hotel is predestined to succeed. Traffic is already enormous—more is coming. It only remains to provide for it.

Consider, too, the Directorate. Do you think Eleven outstanding successful business men would associate themselves with an hotel enterprise doubtful of success? Certainly not!

Then, remember, that the Hotel will be operated by the United Hotels Company of America. This company has made a financial success of every hotel it has managed. It turned the King Edward Hotel, Toronto, from a losing proposition into a profitable enterprise for investors.

Consider these facts, therefore, in the light of making an investment in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, at par and interest, carrying a 20% Common Stock Bonus.

For our part we have thoroughly investigated every phase of this investment and unreservedly recommend it.

Every man or woman who has idle money, or money earning 5%, or 4%, should consider at once the advantages that will accrue from investing in these 8% Convertible Debentures.

In short, you may invest in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, with the assurance that your money is safe—your 8% interest certain and your prospects good for a substantial profit from your Common Stock Bonus.

The price of the Debentures is par and interest, carrying a 20% Common Stock Bonus. Send your order now or write for full particulars. Address:

Personals

It is the desire of the publishers that all should take an interest in this column of The Beaver If you have friends visiting you, or are going away for a trip, leave word or send it on a Post Card.

The Rev. Dr. Shorey was called to Lindsay on Tuesday to the burial of a former parishioner.

Miss Freda Kerr, of Leinster, is visiting her cousin, Mrs. J. R. Davern, Brighton, Ont.

Mr. and Mrs. C. L. Ackerman and little son, Gerald, spent the week end with her mother, Mrs. G. M. Card, Tapadac.

Messrs. W. J. Glenn, J. Glenn, W. P. Saunders, W. H. Moutray and D. Caughey, of Amherst Island, were in town on Friday last to attend the Warden's Banquet.

Mr. F. Clarke, of Brighton, and his sister, Mrs. Hentzy, were on a flying motor trip to Camden East, to revisit the scenes of their childhood, and also to visit the graves of their people, the late Squire Clarke and family, who are sleeping by the side of the pretty little Anglican Church that he gave the land to build it on.

Miss Ida Dudgeon, of Selby, spent the week end at Roblin, the guest of Miss Myrtle Hart.

The Misses Ella Foley and Anneliese McAdam have returned to Marlbank, Ont., after an extended visit in Watertown, Syracuse and Alexandria Bay, N.Y.

Mr. and Mrs. W. B. Pringle spent last week visiting Mr. and Mrs. P. W. Madden, Rochester, N.Y.

The many friends of Mrs. Lester Wagar will be pleased to hear she is able to be up around the house once more. About five weeks ago she had a bad fall, although not so serious as it was at first thought. Through God's great goodness, no bones were broken, but the shock was so severe that she had to keep very quiet, but is getting nicely. It was fortunate that Mrs. Gertie was not working at the time of the accident, and she could give her full time to her mother.

Miss Francis Meighan, Kingston, was a guest for the week end at the home of Mr. Arthur Easterbrook, R.S.A., of Sherbrooke, and his mother and Mr. and Mrs. Gerald Hanley, of Yarker, spent Sunday with Mr. and Mrs. Courtland Snider, of Odessa.

The many friends of Mr. Garry Price, Kingsford, will be glad to hear that he is expected home from Belleville this week, after undergoing a very serious operation.

Miss Jowelle E. Miller returned to North York, on Friday, after spending the summer with her mother and family at Switzerville.

Miss Carrie Hicks was At Home to a number of her friends last Thursday evening.

Mr. and Mrs. W. R. Henwood, Merrickville, announce the engagement of their daughter, Ruth Melinda, to Mr. Clarence H. Wilton, of Grafton. The marriage to take place in December.

Miss Hazel Parks spent the past few days in Kingston and attended the Medical Forgnil At Home at Queen's.

Miss Helen Rathburn, of Belleville, was the guest of Miss Ethel Hawley last week.

Mrs. T. B. Wallace spent a few days last week in Toronto.

Mr. and Mrs. J. S. Ham motored to Kingston on Wednesday to attend the "Royal Horseman".

Mrs. Webb spent a few days in Toronto this week.

Miss Johnston entertained a few tables of bridge on Wednesday afternoon at her home on John Street.

Mr. and Mrs. M. C. Bogart have been spending a week in Toronto.

Miss Edwin Miller was in Watertown, N.Y., for the past week.

Mr. Irvin Wagar returned to Napanee this week, after an absence of several months.

Among those who were in town last Sunday to attend the funeral of the late Miss Sidney Miller, were her son, Howard Miller, of New Brunswick; Mrs. Munro and Mr. Charles Miller, of New York, and Mrs. Thompson.

Mrs. Wm. Noonan and little son are spending a few days in Kingston this week.

OBSERVE XMAS ON THE MONDAY.

SANTA HERE ON 25th.—SAINT NICHOLAS COMES ON RIGHT DAY NO MATTER WHEN IT FALLS.

Christmas Day, falling on Sunday, Monday, December 26th, will be the public holiday associated with the festival. There is a statute, determining that when Christmas Day or New Years Day happened on a Sunday, the following Monday should be observed as a legal holiday, and advantage thereof given to employees

This is the first time since 1916.

All the banks, manufactories, public service corporations and departmental stores and in fact as always all business will join in the observance of Christmas Day as a public holiday, on the Monday. Christmas is the one day in the year when commerce is tight here. This will have no effect whatever on the strict observance of the day when Santa Claus operates, for nothing could induce that worthy gentleman to disturb the hopeful hearts of his kingdom subjects, by delaying the gifts which mark this most remarkable day in the whole year to the little ones.

In order to spare the shock to future generations, consultation with the authority on dates discloses the information that Christmas Day will fall on Sunday in the years 1927, 1932, 1938 and 1949.

As New Years Day always follows exactly one week later than Christmas Day, and automatically falls on the same day of the week, therefore New Years Day will be controlled by the same thoughtful statute, and be observed as a public holiday on the Monday immediately following.

MORVEN.

Dressing poultry is the order of the day in this vicinity.—Mr. W. D. Milling spent a couple of days on the Island, purchasing poultry.—Mr. and Mrs. Geo. E. Fralick visited recently at Centreton.—Mrs. Jas. Brandon has returned from spending a week at her daughter's, Mrs. Pringle.—A young lady has applied for board at the home of Mr. and Mrs. Geo. Clark.—What might have proved a serious accident occurred on Saturday evening when Mr. and Mrs. W. R. Purdy were driving from town and collided with a car coming from Kingston. Both were thrown from the buggy and received many bruises.—Be on the look out for the teameeting to be held in the White Church on Dec. 15th.

IN MEMORIAM.

In sad but loving memory of our dear son and brother, James Albert Bowen, who departed this life November 26th, 1918.

He will never be forgotten,
Never shall his memory fade;
Sweetest thoughts will always linger

—Rev. Duncan McLeod, recently returned from Formosa, will give an address in St. Andrew's Presbyterian Church on Sunday at the morning service. Mr. McLeod is a most interesting and fascinating speaker, with a great message on the foreign situation, which is particularly interesting at this junction in world movements.

—On Saturday night what might have been a bad fire was discovered in Mr. W. D. Midmer's factory under the filing bench. The blaze was discovered in time to be quenched with a few pails of water, but had it got a little more start a serious fire would have developed. When Mr. Midmer left the factory at closing time everything was apparently all right, and the doors were locked. When the fire was discovered the doors were found unlocked.

—Early Sunday morning fire destroyed the residence of Mr. Alf. McCutcheon, situated in the Village of Roblin. It is thought the fire was caused by a defective chimney. Mr. McCutcheon built a fire in the kitchen stove and left for the barn to do the milking. Shortly afterwards the fire was discovered, but it had too big a start with the result that the building was completely destroyed. Some of the household effects were saved. We understand Mr. McCutcheon had some insurance. Hard work by the neighbors kept the fire from spreading.

OBITUARY.

Miss Lilian Eliza Catherall.

On Sunday evening, the 27th November, there passed away at the Kingston General Hospital, Miss Lilian Eliza Catherall, who had been undergoing treatment there for the past few weeks. Miss Catherall was born in London, England, fifty-eight years ago, and spent the early part of her life in that city. For many years she has been a resident of Napanee, making her home with her sister, Mrs. J. P. Vrooman, and was a regular attendant and a great worker at St. Mary Magdalene Church. A cheery, helpful little soul, a teacher in the Sunday School, and a visitor of the sick, she was greatly beloved by her friends. The funeral services took place from St. Mary Magdalene, the Rev. J. H. H. Coleman officiating, and the choir in attendance. Two brothers of the deceased were among the mourners, Mr. Harry Catherall, of Tupperville, and Mr. Percy Catherall, of Amelisburg.

William South.

Another of the older residents of Camden Township passed away, in the death of Mr. William South, at the age of 82 years. He was born in Kingston, but the family moved to Camden when he was quite young, and nearly all his life was spent near Croydon. His first wife, who was Eliza A. Knight, died about twelve years ago, and he was later married to Miss Jennie Murphy, who survives him. Owing to failing health he left the farm about a year ago, and removed to Tamworth, where he died on Nov. 24th. The funeral service, conducted by Rev. W. H. Clark, was held in Tamworth Methodist Church, and was also in charge of the Methodist Church, and was always known as a kind and helpful neighbor, as well as a hard-working and successful farmer.

Mrs. James Cameron.

The sad death occurred after a brief illness, of Lottie May, daughter of Alfred Snider, and beloved wife of James Cameron, of Sheffield Township, who died on Sunday morning, Nov. 27th, 1921. Of a kind and helpful disposition, a sincere and earnest Christian, she had a wide circle of friends. The funeral service was held in the Fifth Lake Methodist Church, on Tuesday afternoon, conducted by Rev. W. H. Clarke, and her body was laid in the Fifth Lake cemetery beside the graves of their two children. Much sympathy is felt for the sorrowing husband so deeply bereaved.

You can now procure Day Dream Perfume at Wallace's Drug Store. Once used, it will always be your choice.

Dainty Xmas Cards and Booklets now being shown at Wallace's Drug Store. You may have your name engraved on any of these at slight additional cost.

A Remedy for Earache.—To have the earache is to endure torture. The ear is a delicate organ and few care to deal with it, considering it work for a doctor. Dr. Thomas' Eclectric Oil offers a simple remedy. A few drops upon a piece of lint or medicated cotton and placed in the ear will do much in relieving pain.

BETHANY.

The bay froze over for the first time this year on Monday night and some of the fishermen are hoping it will not stay, as they have some nets in the water yet.—There was quite a large congregation on Sunday afternoon.—Mr. Miller, the Warden of the County, spent over Sunday visiting his daughter at Mr. H. Miller's.—Mrs. Clark, of Picton, is spending some time with her daughter, Mrs. A. Dempsey.—News is more scarce than feathers at time of writing. They are flying all around.—Bethany is having their annual Xmas tree and Sunday School entertainment on Dec. 20th.—Mr. and Mrs. Geo. Burtch and Mrs. A. Dean spent Friday last in Kingston.—Mr. and Mrs. Jos. Hicks spent Sunday at H. Miller's.—The Ladies' Aid will meet at the home of Mrs. Jas. Clark on Wednesday, Dec. 7th.—Mr. and Mrs. Joseph Clark have returned to their home in Desoronto, after spending some time in our midst.—Mr. and Mrs. Earl Wamsley and Mr. and Mrs. Earl Howell and Mr. Howell spent Wednesday evening of last week at Ross Joyce's.

PINE GROVE.

A number from this vicinity attended the two political meetings at Marlbank. The coming election is causing much excitement.—Mr. and Mrs. W. Sharpe and family, of Munson, Alberta, also Mr. and Mrs. G. Sharpe, of Napanee, spent a couple of days visiting Mr. and Mrs. R. W. Asselstine.—Born, to Mr. and Mrs. Geo. Booth, on Nov. 22nd, a son. Congratulations.—Mr. and Mrs. John A. Wartman spent a day at W. O. Asselstine's, recently.—Mr. and Mrs. Fred Booth and Reta, Mr. and Mrs. Nellis Allen and family and Mrs. John Richmond and Harold called Sunday afternoon at Mr. Geo. Booth's.—Mr. and Mrs. Herb Asselstine visited at W. O. Asselstine's, on Monday.

Canada for the Canadians

What Is To Be Canada's Destiny?

Shall it be that through the destruction of the Tariff as proposed by both Crerar and King, the development of Canada is to come under the domination of the United States, to be followed by gradual financial domination and as a consequence, political domination?

—OR—

Is Canada's destiny to be that of a great free nation within the British Empire group of Nations, developing her boundless resources of mine, river, water power, forest, and cultivating her millions upon millions of acres of arable land? Is her development to surpass that of any other nation?

Shall her manufacturing industries develop her minerals and raw materials into implements and goods for the benefit and comfort of her people and for foreign trade?

Shall she become a self-contained nation within the Empire, her great railways interchanging, the products of factory and farm among her own people, and her ships sailing every sea?

Shall she maintain her integrity within the Empire and protect her farms and factories against unfair competition from foreign countries?

IF THIS IS TO BE CANADA'S DESTINY THEN CANADA NEEDS MEIGHEN.

On December 6th, Canada should once again protect her farms, her factories and her workmen against the unsound theory of Free Trade, and should hold fast to her reasonable Protective Tariff, her national entity and her British connection.

On December 6th Canada should declare with no uncertain voice that she will not tolerate the false trade theories of visionaries and group leaders which tend toward her economic destruction, toward the separation of her people and the weakening of the ties that bind Canada to the British Empire.

On December 6th Canada should demonstrate unmistakably to the outside world her fixed determination to keep Canada for the Canadians.

On December 6th Canada's destiny is at stake.

Canada Needs Meighen

On motion Mr. Hannah took the chair, Warden vacating same.

Moved by Johnston, seconded by Elliott, that this council feels it cannot allow this final session for the year 1921 to close without heartily extending to our esteemed Warden, Mr. Samuel Miller, its thanks for his untiring courtesy and expressive impartiality while discharging his duties in the chair. This council desires to record its appreciation not only of his many sterling qualities, but also his far-sighted and accurate vision of the municipal needs of this county and it is hoped that he will continue to lend his services to the advancement of the interests of this county and Isle of Tanti.

Carried unanimously Mr. standing vote, and council sang, "After the Ball," and "For he is a Jolly Good Fellow."

Minutes of to-day were read and confirmed.

Council adjourned sine die, after singing the National Anthem.

PINE GROVE.

(For this week.)

Our sleighing is all gone again after the heavy rains of last week.—Mr. and Mrs. Robt. Perry and wife of Marlbank, and Mr. and Mrs. R. W. Asselstine and family spent Sunday at Mr. John S. Reid's.—Mr. and Mrs. Fred Booth and Reta Mr. and Mrs. Fred Booth and Reta spent Saturday in Napanee.—The children of this vicinity are busy practising for the Xmas concert to be held in Marlbank.—Mrs. and Mrs. Fred Booth and family and Miss Herrington spent Tuesday evening at Mr. R. W. Asselstine's.—Mr. John Richmond and Mr. Wm. Young are busy sawing wood for Mr. Richmond.—Mr. and Mrs. Wm. Wicklam spent Friday evening to W. O. Asselstine's.—Miss Ruth Yorke and Mr. Calvin and Ed. Yorke spent Monday evening at Mr. Fred Booth's.—Miss Sara Herrington spent Sunday afternoon at Mrs. N. Richmond's, Leinster.

The worms that infest children from their birth are of two kinds, those that find lodgement in the stomach and those that are found in the intestines. The latter are the most destructive, as they cling to the walls of the intestines and if not interfered with work havoc there. Miller's Worm Powders dislodge both kinds and while expelling them from the system serve to repair the damage they have caused.

Even the collar band and cuff edges need only a light rubbing between your hands —

WHAT hard rubbing the old way of washing meant! Even though you boiled the clothes, the bad spots simply would not budge without a long session with the washboard. Now—with Rinso—you do next to no rubbing at all. RINSO not a cake soap—not a washing powder—but a new form of soap in granules, with power to cleanse the grimiest dirt just by soaking. Yet Rinso harms nothing—doesn't even redden your hands—safe as pure water itself. Here is what you do:

AT NIGHT—SOAK WITH RINSO
IN THE MORNING—JUST RINSE!

If you have a washing machine— Soak the clothes overnight in the usual Rinso way. The cleansing suds loosen the dirt. In the morning operate the machine for a few minutes and the clothes are perfectly clean—even the most soiled spots.

Get a package of Rinso to-day at your Grocer's.

Don't lay your Ford up for the Winter

WITH a little adjustment it will face "10 below" as cheerfully as "90 in the shade," but between ourselves don't you think your Ford is entitled to a little skilled attention just now.

It has put in a lot of overtime since Spring, and maybe you haven't been quite as attentive with the oil and grease as you might have been.

Run it in—we will tell you in advance what the cost will be, and there will be no delay in getting the work done.

YARKER.

(For last week.)

Everybody is looking forward for an enjoyable time at Yarker on Nov. 27th and 28th. There will be special services on Sunday morning at 11 o'clock and evening at 7 o'clock, conducted by Rev. Mr. Bamforth, of Deseronto, followed by a grand concert and tea on Monday evening. The church was erected in the year 1868 and very few of those who helped to build it are living now.—Mrs. P. Vanhaven has gone to Kingston for the winter.—J. C. Connolly intends going to Montreal for the winter also.—Mr. Fred Deare, from California, is visiting his father for a few days.—The roads are very rough after the warm spell. — We understand the grist mill will open again soon.—The Benjamin Co. received three cars of lumber this week.—Election is holding everyone's attention at present.—A large number attended the nomination meeting at Harrowsmith and report "a hot time in the old town", with no person killed, but several wounded. It's hardly safe to light a match nowadays, the air is so charged with gas.

MORVEN.

(For last week.)

Hello! Where is Morven correspondent?—The past week has been quite wintry-like.—We are glad to see the hunters back again. All were successful in bringing home a deer.—A goodly number of people were out on Sunday last to witness the christening of Mr. Clayton Garrison's son; also Mr. Bruce Cummings' daughter.—Rev. J. N. and Mrs. Lovelace and daughter, Beatrice, of Centreton, spent a few days with their parents, Mr. and Mrs. W. R. Henwood.—A number of people from Morven attended the funeral of the late Mr. Wm. Brandon.—Mr. and Mrs. W. R. Purdy met with an accident on Saturday evening last. When coming from town were accidentally struck by an automobile. Fortunately no one was badly injured.—We are sorry to hear that Miss Sadie Purdy, of Waukegan, Illinois, is ill.—Miss Madelene Mills, town, spent Sunday under the parental roof.—A few from Morven attended the play at Trinity Church on Friday evening last.—Don't forget the annual teameeting at Morven on Dec. 15th. Everybody come and enjoy a good time.

Constipation

It is a disease-producing malady, and if not corrected may result in serious complications. In good health the bowels should move freely at least once every day, carrying away the waste products from the Blood and Liver. If this function fails or is irregular, the work of removing the poisons falls on the skin and Kidneys, with the result of the latter organs becoming congested and clogged. The Blood becomes poisoned. Indigestion sets in, the Kidneys become deranged, and a severe if not fatal illness is brought on. DR. HENDERSON'S HERB TABLETS correct this trouble by its action on the Liver, causing a healthy flow of Bile, and exerting a soothing and toning influence on the whole Intestinal Track.

Rt. Hon. Arthur Meighen Guest at "Kilmeaden".

On Thursday evening of last week the Rt. Hon. Arthur Meighen, Premier of Canada, was the honored guest at "Kilmeaden", the home of Mr. and Mrs. Herbert Daly, Napanee. Mrs. Daly, who is ever a gracious hostess, received her guests in the long drawing room, with its homey atmosphere, and abundance of cut flowers were everywhere in evidence, yellow chrysanthemums giving a destinctive note of color. There were eleven guests at dinner, among them the Conservative representative from this district, Mr. Carscallen, and his daughter. Other out of town guests were Miss Daly, Dr. Mordan, of Picton, and Mr. W. Mikle, of Belleville.

The Warden's Banquet.

On Friday evening Mr. Samuel Miller, Warden of the County, gave a banquet at the Paisley House, to mark the conclusion of his term of office as Warden of the County of Lennox and Addington. About one hundred guests were present including the County Council, the Town Council, the County Officials, a number of ex-Wardens, and personal friends of Mr. Miller, half a dozen coming from Amherst Island specially for the occasion. A splendid supper was served, followed by some short speeches and a song fest. A combined toast list and song sheet was given each guest. Mr. W. G. Wilson, County Clerk, very ably performed the duties of Master of Ceremonies, while Mr. W. J. Shannon, County Treasurer, led the singing. Mr. Miller, the host, was highly complimented on the success of the evening's entertainment.

Chrysanthemums and Carnations, fresh, at Hooper's.

ANNIVERSARY SERVICES.

Very large congregations attended the Anniversary Services at Grace Church, on Sunday last. No one holds a warmer place in the hearts of their people than does the Rev. J. P. Wilson, D.D., and none could render finer service than he did. At the evening service, when the Rev. Dr. Shorey and his people united with Grace in worship, it was noted as a very happy co-incidence, that while the congregations were together in the pews, upon the platform sat two Doctors of Divinity, who have added lustre to the fair name of Napanee. Born in this vicinity, they entered the ministry of their respective churches in 1873. Dr. Wilson, now of Belleville, has conducted two pastorates at Grace, and Dr. Shorey is now in his second at Trinity. These veterans rank high in the councils of the Methodist Church, and in the respect and affection of the people upon the charges where they have been stationed. The talent from out of town that contributed to the success, was Dr. Ampreny, of Kingston, on Sunday night, and Prof. Staples, of Belleville, and Mrs. Gilbert, of Kingston, on Tuesday evening. The church Choir, with Mrs. Bradley and Mr. and Mrs. Seymour, and the Orchestra, with Mrs. Cameron Wilson, did much to make the gatherings a delight. Mrs. Byrne Black performed her exacting duties as accompanist and organist, with great acceptability.

From the splendid tea and lunch, the Ladies' Aid received $265. In addition, the offering that was asked for at the Sunday services, was $1400. $1200 is in cash, the rest is fully provided for by promises.

LETTER TO THE EDITOR.

Napanee, Dec. 1st, 1921.

To the Editor of the Beaver.
Napanee, Ont.

Dear Sir:—

A rumor is being circulated that our Company have notified their employees that the factory would be closed unless the Conservative candidate was elected, and unless they voted as we asked them would lose their employment.

As it is distinctly untrue that we have tried to influence our employees to vote on either side, I would be glad if you would publish this letter.

When we say you want the best in poultry for the table, we aim to supply you. All stuff drawn or cut up on order.

The Many-Purpose Oil.—Both in the house and stable there are scores of uses for Dr. Thomas' Eclectric Oil. Use it for cuts, bruises, burns, scalds, the pains of rheumatism, and sciatica, sore throat and chest. Horses are liable very largely to similar ailments and mishaps as afflict mankind, and are equally amenable to the healing influence of this fine old remedy which has made thousands of firm friends during the past fifty years.

The Secret is Out

SANTA CLAUS IS HERE, hale and hearty and looking fine. He is a great chap, and he is busy enquiring about every boy and girl in Napanee and the surrounding country. It is very refreshing to meet him, as he is so happy, and says such kind things about the boys and girls.

Grand Opening, Wednesday, Dec'r 7th

HE HAS DECIDED to hold his usual Toyland Opening on our Second Floor next WEDNESDAY, DEC'R 7th, all day and evening. He has ordered the Store open in the evening, so that fathers and mothers may be able to come along with the children to see his wonderful display of Toys, Dolls, Trains, real Telephones, Doll Carriages, great big Horses, etc. Each boy and girl visiting our Toyland at this Opening will get a nice present free. We are going to have good music, and lots of fun. The Store is yours for the day and evening; you can do anything you like except smash the furniture. EVERYBODY COME!

LENNOX AND ADDINGTON HISTORICAL SOCIETY.

"The War Work of Lennox and Addington" is the title of a volume about to be published by the Lennox and Addington Historical Society. A great deal of money, time and labor has been expended in collecting the material and getting it in proper form. It is the wish of the Society that the name of every soldier from this County who served in the Great War should appear in the book. If any reader of The Beaver has reason to believe that any name has not been sent in he should forward it at once to Mrs. J. J. Wilson, Napanee, together with all the information he can secure about the soldier in question.

No information has been received about the following, who were killed in action. The proof is ready for the press, and we wait for some word about these men. Please send it forward without delay.

Public Largely to Blame for Delay to or Misdelivery of Mail.

Whenever delay to, or misdelivery of, a letter occurs, the sender or the addressee is prone to adversely criticize the Post Office. Frequently, however, the delay or misdelivery is due to the carelessness of the public, in failing to properly address the mail matter in question.

During three days this month, 128,300 pieces of incorrectly and insufficiently addressed mail matter were handled at 55 of the larger Post Offices. This is a daily average of 42,800 for the 55 offices, or at the rate of 15,000,000 for a year of 365 days. Think of the number of postal clerks engaged in handling this misdirected mail, which could, if the general public were more careful, be used to give better service in other lines.

Much trouble is due to careless writing, to the use of a pencil in writing the address, and to failure to give the proper street address or to keep anything like up to date.

With the Christmas season at hand, bringing immense quantities of mail to be dealt with, it will be necessary that the public adopt more careful methods in the preparation of its mail matter, if the daily average of misdirected mail is not to amount to an overwhelming figure.

In this connection the following points to be observed are pointed out:

Prepay postage fully;

Address plainly and fully;

Place name and address of sender on all mail matter;

Carefully pack and wrap all articles sent by parcel post, but do not seal the parcels as this subjects them subject to letter rate of postage;

Mail Christmas parcels early;

Insure valuable parcels.

SWITZERVILLE.

The intense excitement over election has at length lasted, and the people are again settling down to their work on the farm, and attending to minor questions, but none the less important.—The returns from this polling division were 113 to 99 in favour of the Conservative candidate. But this little burgh had not all to do with the matter and in spite of its vain efforts, the U. F. O. candidate was elected for this County.—The Mission Band held their annual meeting in the school house on Friday, Nov. 25th. The President, Mrs. C. B. Brethen, held the undivided interest of the children by describing to them the life of the little children in Africa.—We are pleased to know that Mrs. M. N. Empey has returned home from the hospital, but sorry to hear that she is not improving very rapidly.—A Christmas entertainment and tree will be held in the Church here on Friday evening, Dec. 16th. A good programme is in store for those who attend. Santa has sent word to the kiddies that he will visit them that night. He allows that he is early in calling, but as he has many journeys ahead of him, he has to get busy.—The W. M. S. met at Mrs. J. A. Coulter's on Thursday afternoon. They sent their annual bale of clothing to the Deaconess' Home, Toronto, this week.—Mr. J. Walker is spending a great deal of time in Camden East, owing to the illness of his father there.—Mr. Hobert Empey has returned home, after a lengthy excursion to the Western provinces.—Our sympathy is extended to Mrs. L. Huff, who is seriously ill.—Miss Annie Watters has returned home, after spending the past week with friends at Selby.—Mrs. John Craig spent last week with her daughter, Mrs. John Jaynes, on the Deseronto Road.—Mr. C. W. Vandervoort has again returned to our midst, after spending the greater part of the last month in Napanee. He is quite a stranger in his home town.—Miss Mildred Crozier, Newburgh, spent the week end at home.—Mr. and Mrs. J. Frink spent several days with relatives at Gretna.

CAMDEN EAST.

Mr. and Mrs. Chas. Histed entertained a few of their friends to tea on Friday evening last, when a very pleasant time was enjoyed by all.—Mrs. Susan Robinson returned home last week from Tamworth, where she has spent the past two weeks with friends.—Mr. and Mrs. Clement and children, from north of Newburgh, with Mr. and Mrs. F. Buck and children on Sunday last.—Mr. Ed. Hogoboom, of Conway, called on his mother, Mrs. Marie Hogoboon, one day last week.—The Social Circle of the Methodist Church will hold a grand bazaar of useful and fancy articles for Xmas presents, and a chicken pie supper on Thursday, Dec. 15th, in the Parish Hall. The bazaar will open at 1 o'clock. Chicken pie supper from 6.30 to 8. At 8 o'clock an excellent programme will be given, consisting of a two-act dialogue, solos, monologues, recitations and choruses. Admission, 40c., children 25c. Come and enjoy a good time and good feast. —Mrs. John Skinner received the sad news of the death of her father, Mr. Geo. Lee, who resided with his son, Mr. Wm. Lee, at Stare Corners, near Harrowsmith. She left on Wednesday morning to attend the funeral. The election passed off very quietly in this place, with a majority of 46 for Mr. A. B. Carscallen.

SANDHURST.

Sunday last was a memorable one for the congregation of S.' Paul's Church, when their enlarged and handsomely decorated church was reopened for worship, after undergoing extensive repairs and alterations. The chancel and sanctuary floors are of polished quarter cut oak, and the new communion rail, with its sliding brass rod, the prayer desk, lectern and stalls are also of quarter cut oak. The pews have been re-finished and the walls and ceiling of the church and vestry have been tinted buff color with brown stencellings. The vestry floor has been re-covered with heavy linoleum, and brown battleship linoleum covers the aisle from the west door to the chancel steps, while crimson Axminster carpet has been erected for the chancel. Two additional windows have been placed in the chancel, and the memorial east window elevated three feet. Crimson and white roses and carnations decorated the altar Sunday, and enhanced the beauty of the new jewelled cross and brass vases.

In the morning the Rector celebrated the Holy Communion, and in the evening the church was filled to capacity at both services, many friends coming from a distance to offer their congratulations to the people of St. Paul's, who now possess a church of rare beauty and utility. Messrs. McKelvey & Birch, Kingston, were the contractors.

ANNUAL MEETING OF THE CHILDREN'S AID SOCIETY

The Annual Meeting of the Children's Aid Society of the County of Lennox and Addington was held in the Town Hall, on Friday evening last, the President, Mr. Alpine Woods, being in the chair. After the general routine of the business was concluded, the Treasurer, Mrs. A. W. Grange, presented her annual report, which showed a balance on the right side. This was followed by the report of the Inspector, which is given below.

The following were elected as officers and representatives for the Board of Management for the ensuing year:—

Hon. Presidents—R. A. Fowler, Esq., M.P.P., and Dr. T. W. Simpson.

President—Mr. A. Woods.

1st Vice President—Rev. J. H. H. Coleman.

2nd Vice President—Mrs. S. Woodcock.

Treasurer—Mrs. A. W. Grange.

Mrs. E. Wilson, Mrs. W. S. Herrington, Mr. W. Dollar, Mrs. F. F. Miller, Rev. A. J. Wilson, Mrs. E. J. Corkill, Mrs. J. Thompson, Mrs. W. A. Daly, Rev. Dr. Shorey, Mr. W. J. Trenouth, Mr. C. D. Black, Mrs. J. H. Dafoe, Mrs. A. Woods, Rev. A. J. Terrill, Mrs. Thomas Symington, Mrs. O. S. Reddick, Mrs. A. E. Paul, Mr. C. A. Wheman, Rev. Father O'Connor, Mr. L. Bedore, Mr. E. McNeill, Mrs. P. Gleeson, Miss N. Killorin, Capt. Rex, and the Warden of the County.

Report of C. A. S. for Year Ending Oct. 31st, 1921.

Mr. President, Ladies and Gentlemen.

I have great pleasure in submitting this annual report for the year ending October 31st, 1921.

It also affords me considerable satisfaction to be able to report that with the exception of one child, all the wards are doing well, some of them exceptionally so. The one child which I have reference to is mentally weak, and therefore is not in as favorable a position as the other children.

It is very encouraging when visiting wards to notice the improvement in the circumstances of these children, some of whom would never have had a chance, if the Children's Aid Society had not stepped in and taken charge of them, and lifted them out of the miserable condition in which they were found.

In this work of child welfare a sacred responsibility has been placed upon the Children's Aid Society, the power it has to shape and mould the lives of the children that come under its care, the exercise of which commands careful and serious thought, but it is pleasing to know that only a small percentage of the children fail to measure up to the standards set for them, the majority becoming self-supporting good citizens, and an asset to the country, instead of a burden, as no doubt they would have been had the Children's Aid Society not been in existence.

While in this County we have not the facilities to carry on the work as in some other counties, we are endeavouring to do the best we can under the circumstances.

The passing of the Adoption Act, and the Children of Unmarried Parents Act, has added to the work of the C. A. S. These Acts will be of some assistance to the Social Service Worker, especially the latter.

We had at the beginning of the year fifty-six children under our direct supervision, thirty-two girls and twenty-four boys. During the year five have passed out of our control, two of them having attained the age of twenty-one years, one married, one lost, and one died, leaving fifty-two children still to be looked after. We have not any children in the Shelter, all our wards being satisfactorily placed out in Foster-Homes, with the exception of the one child previously mentioned. You will notice that out of the one hundred and twenty-five children coming under the notice of the Children's Aid Society during the year only one was made a ward and one sent to an Industrial School. For the majority of the cases dealt with, a visit and a little reasoning, with a warning was sufficient.

There are still a number of cases under observation, which I trust will be able to improve their condition, without any drastic action being necessary.

We all know the value of child Welfare when properly undertaken, and I am glad that if only in a small measure we are able to assist some poor child to be of value to itself, and to the country. There are so many opportunities, and our only regret is that our Society is not at present in a position to do greater things than formerly, not that every case brought to our attention is not dealt with, but there may be, and no doubt there are cases which must be sought out, and dealt with, and preventive measures taken. However, it is to be hoped that soon our Society will be in a position to launch out and keep step with the opportunities that present themselves.

The following is a tabulated list of the activities of the Children's Aid Society for the year ending October 31st, 1921:—

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in tasteless form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

AN AUTOMOBILE CASE.

JUDGE LAVELL GIVES DECISION IN FAVOR OF OWNER.

Judge H. A. Lavell has disposed of an interesting automobile case which was heard in the Division Court at Napanee recently. According to the evidence presented, a man in Napanee advertised that he had a Ford truck in good condition and he would sell it for $225. Shortly after the advertisement was inserted in the paper, the owner had a buyer, who gave him $25 in cash and a cheque for the remainder. The buyer took the truck home and the next morning he returned it and stated that the truck was not in good condition and wanted his money back. The man who sold the car refused to comply with the request and legal proceedings followed.

The judge came to the decision that the man who sold the car did not misrepresent the article, and that in his mind the truck was well worth what he had been paid for it. He gave judgement for the defendant.

OBITUARY.

Mr. John Hunt.

The death occurred at his home on November 28th, 1921, of John Hunt, aged 65 years, after a long illness, being confined to his home for the last six months. PREPAREDNESS.

By Rea Proctor McGee, D.D.S., M.D., Editor "Oral Hygiene"

Only a fool would want another war. The greatest tragedy of war is that war kills the wrong people.

When the day does come, though, we must have the vigor and energy to do our part. No less must we have the energy and vigor to do our part in times of peace. Peace is a war of commercial competition for the markets of the world.

If we are to do our part, every citizen must be able to do his share of the work, no matter what that share may be. We must have nourishment. How can any one be properly nourished on soup?

Whenever you lose your power to masticate you become a "soupert." The earlier you lose the power to masticate your food, the sooner your physical and mental development will stop. With all of our high ideals, all of our advancement, all of our science we still face the serious necessity of eating three meals each day.

All of the millions of people in this world must think first of their food supply. We are anchored to the kitchen.

Why not get the fullest benefit of our food? Take care of your children's teeth and of your own teeth so that the vitamines that held the secret power of nourishment may be extracted from the food and do their full duty.

In the last analysis, a war is just a fight between two sets of people; one set wishes to take the other's food away from them.

When we neglect our teeth we bring down on our own heads a penalty that a victorious enemy would inflict we deprive ourselves of the full benefit of our food.

Keswick, Sask.—"My mother has taken Lydia E. Pinkham's Vegetable Compound and Sanative Wash for many troubles and advised me to try it, as I seemed all run down after the flu and had backaches very bad. I have taken Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine and used the Sanative Wash also Dr. Brown's Capsules and Prescription and am much better in every way. I am willing for you to use my letter as a testimonial as I recommend your medicine."—Mrs. IRENE NELSON, Keswick, Sask.

It is not always in business that a woman is forced to give up her work on account of ill health. It is quite as often the woman who does her own work at home. When backaches and headaches drive out all ambition, when that bearing-down sensation attacks you, when you are nervous and blue, the one great help for such ailments is Lydia E. Pinkham's Vegetable Compound.

Valuable Nipa Palm.

For the Nipa palm, so abundant in many parts of southeastern Asia, an important future is predicted as a source of alcohol and sugar. In the Philippines, this palm occupies vast marshy areas near the river mouths around Manila bay and along the coast of other provinces. Its leaf is used for thatching the roofs of native huts, and its fruit is eaten raw or preserved. The juice, from which toddy is made, is collected from incisions in the bark after the tree is five years old. Each tree yields about 43 quarts in the period from July to December, and each acre of 800 trees should therefore produce about 35,000 quarts. Dr. Gibl, a chemist associated with the Manilla bureau of science, finds that this should supply at least 5,000 quarts of 55 per cent alcohol. Used for sugar, a gallon of juice yielded about 8 ounces of sugar, which after boiling and drying gave excellent crystals weighing about 7½ ounces, besides a quantity of first and second quality molasses. It is estimated that the refining of the sugar should cost considerably less than that from cane.

WISE AND OTHERWISE.

They say jazz is dead. We thought it was dying from the weird noise it made.

"What's this new conference they are going to have in America?"

"Oh, they're going to make peace among the allies."

For years Mother Graves' Worm Exterminator has ranked as a reliable worm preparation and it always maintains its reputation.

Lawyer—Will $25,000 for breach of promise be punishment enough for him?

The Aggrieved—No, I want him to marry me.

"Did your watch stop when it dropped on the floor?" asked one man of his friend.

"Sure," was the answer. "Did you think it would go through?"

The case with which corns and warts can be removed by Holloway's Corn Remover is its strongest recommendation. It seldom fails.

Caller—How much for a marriage license?

Clerk—Two dollars.

Caller—I've only got one.

Clerk—You're lucky.

With so thorough a preparation at hand as Miller's Worm Powders a mother who allows her children to suffer from the ravages of worms is unwise and culpably careless. A child subjected to the attacks of worms is always unhealthy, and will be stunted in its growth. It is a merciful act to rid it of these destructive parasites, especially when it can be done without difficulty.

"Want to take a chance on an automobile, mister? Only a dollar."

"But I don't want an automobile, young man."

"That's all right, mister. Maybe you won't get it."

Tourist—What's that beast?

Native—That's a razorback hawg, sah.

Tourist—What's he rubbing himself on the tree for?

Native—Just stropping himself, sah, just stropping himself.

Its Quality Sells It.—The fact that so many thousands of intelligent people continue to use Dr. Thomas' Eclectric Oil speaks volumes for its healing efficiency. Ever since it was first introduced it has grown steadily in public favor, owing entirely to its manifold usefulness in relieving and healing sickness. As a specific for cuts, burns, scalds, and various inflammatory pains its record is beyond reproach.

His Mother—Bobby, haven't I told you, I don't know how many times, you mustn't exaggerate so?

"How about a shock absorber?" asked the man who was buying a clean car.

"We can put one on," said the salesman.

"No," said the purchaser. "But I'd like to have one ready to put on in advance—she expects a limousine."

Stop the Cough. — Coughing is caused by irritation in the respiratory passages and is the effort to dislodge obstructions that come from inflammation of the mucous membrane. Treatment with Dr. Thomas' Eclectric Oil will allay the inflammation and in consequence the cough will cease. Try it and you will be satisfied.

Peter (after harvest thanksgiving service)—Mummy, what are they going to do with all those apples?

Mother—They're going to the poor people at the hospitals, darling.

When Savannah was making a bid for the Shriners' convention she had no more enthusiastic supporter than Judge Peter W. Meldrim, Chief Justice Taft's successor as President of the American Bar Association. An Atlanta supporter protested.

"Why, you know, Judge," said he "Savannah couldn't take care of the crowds. Even by putting cots in the halls, parlors and dining-rooms of the hotels there wouldn't be beds enough."

"Beds!" echoed the genial Meldrum. "Why, sir, Savannah would make her visitors have such a thundering good time that no gentleman would ever think of going to bed!"

ROD AND GUN IN CANADA

The Christmas issue of Rod and Gun in Canada is particularly attractive and is replete with many stories which will appeal to the heart of the true sportsman. Allen H. EFFECTS OF CROPPING

Sure to Exhaust the Best Soil in Time.

Plant Food Must Be Supplied—Mother Earth Has Her Limit—Seven Rules for Poultry Raisers —Breaking Up Broody Hens.

(Contributed by Ontario Department of Agriculture, Toronto.)

Lands that have been farmed for half a century usually show a decrease in crop production. A few farms that have been well managed in the various sections of Ontario are still very productive. Some have been so depleted of the plant food materials that were accumulated during the period of forest development as to be unprofitable under tillage today. Previous to clearing and cropping the process was accumulating fertility. Since cropping has been practiced the process has been reversed and supplanted by one of expenditure. Under a farming practice that exhausts the humus and returns no vegetable matter the soil hardens quickly, dries out and becomes nonproductive, simply because there is neither food nor soil life to release such to growing plants.

Mineral Elements Become Exhausted.

Frequently one of the mineral elements—lime, potash or phosphorus—is exhausted by cropping or leaching. Nitrogen exhaustion is a very common condition noticeable in lands that have been cultivated for more than twenty-five years. After all, the soil is only a storehouse for those elements required in the life processes of the food plants that the farmer grows. In that storehouse various forms of life are at work converting the unusable to a usable or food condition for the plant. If we crop for years and exhaust the nitrogen or the potash or the phosphorous to a point where any of such could not be supplied in quantity sufficient to meet the full demands of the growing plant then we have a condition of plant-nutrition or starvation.

Plant Food Must Be Supplied.

The plant can develop only to the extent that food is supplied to permit growth. Many of the thin crops noticeable in many sections of the province are thin simply because of soil exhaustion. Some part of the plant's ration is below the minimum requirement for best development. It may be nitrogen or potash or phosphorous. However, if we have robbed the soil of some fertility element to a point where we see a decline in yields we should return to the soil what we have taken away if we are to expect full yields again. Cropping will exhaust a soil if the system of rotation or management does not provide for ample return of the essential elements, nitrogen, potash and phosphorous. Effects of cropping are not noticed on the really well managed farms where clovers and other legume plants are prominent in the crop rotation, where the crops grown are fed to live stock and where some attention is paid to keeping the mineral elements, potash, phosphorous and lime, abundantly supplied.

Mother Earth Wants Only a Fair Show.

The soils of Mother Earth will, if reasonably and intelligently managed by all of the thousands of individual farmers, last for many centuries. Unfortunately all our farmers are not as reasonable as they might be, and we frequently see evidence of overcropping, soil robbing, poor management and lost labor.—L. Stevenson, Secretary, Department of Agriculture, Toronto.

Seven Rules for Poultry Raisers.

Here are seven safe rules for getting the most money from the summer flock:

1. Produce infertile eggs by removing the roosters from the flock in the summer time.

2. Provide clean nests and keep eggs clean.

3. Do not wash eggs.

Gather eggs twice daily during the summer to prevent them from being heated by the hen.

5. Keep them in a cool, dry place, away from the flies.

6. Market them at least twice each week.

7. Insist that they be bought on a quality graded basis.

Breaking Up Broody Hens.

Neglect, in breaking up broody hens means a serious reduction in the number of eggs produced by Indiana farm flocks.

Confinement of broody hens in a slat bottom coop has proved satisfactory. This coop should be covered on top with slat or wire sides and may be placed outside, preferably under a tree to insure shade. A slat bottom coop prevents fowls from becoming comfortable and these soon lose their broody traits.

Common practice is to place hens in the coop for three days, releasing them in the evening. If they return to the nest they are returned to "jail" for three more days. This usually breaks up the most stubborn sitters.

Removing the broody hens from the nest the first evening sits as a very important factor in breaking up broodiness. If hens are allowed to be undisturbed a few days it requires more time to break up broodiness and this results in a longer period of non-production.

Nasturtiums do not require rich soil, in fact, if put on rich soil they will produce more vine than flowers.

The reproduction of fruit and vegetables at home relieves transportation difficulties and solves the marketing problem.

Extra good growth of musk melons may be had by putting a bushel or so of well rotted manure in the bottom of each hill. Plenty of water during warm dry weather also helps.

THE PUMP IN THE HOUSE

Means Comfort and Convenience for the Farmer's Wife.

Water Indoors Pumped From Outdoor Wells—How to Do the Job —Up-to-date Pumps Save Time and Energy.

(Contributed by Ontario Department of Agriculture, Toronto.)

The writer recently described in these columns how to safeguard the farm water supply against contamination. All will agree that this matter should receive foremost attention. In this and subsequent articles various means for getting the water, whether well, spring, or cistern water on tap in the farm home will be described. In the first place I desire to emphasize the fact that it is frequently a very common thing for the farmers' wives to carry the water from the pump near the well to the house, where the pump could be located inside the house, and all the labor of carrying water avoided and without very little more labor expended in pumping.

Distance of House Pump from Well.

Note this question: When can the pump be located on the side of the well, and how far away? If the water supply is no nearer than 150 or 200 feet from the house, and the level of the water at the supply, say the well is never more than 20 or 22 feet below the level of the ground level at the house, the pump can be put inside the house, and the water drawn in quite satisfactorily. It would not cost very much to make this change in the pump arrangement, and consider what a great saving of labor and time, inconvenience, and pressure to bad weather would be effected by merely moving the pump inside. Perhaps you have never thought of this matter. How about it? Then, too, the well can be more securely guarded from any possible contamination than when the pump is directly over it.

The Majority of Wells Are Shallow.

In many districts of our country the majority of the wells are shallow and within a short distance of the house, and readily lend themselves to the pumping system described above. It is the nearest approach to water on tap, and the system should be far more common than the rural districts than it is. If in the future some one time up-to-date water system should be installed in the home, the water line from the house to the well would be already in place and no changes in it would be necessary.

Hints on Installation.

Before passing on, a few features concerning installation of the water pipe to the well or supply should be emphasized. These are: The best quality of galvanized pipe should be used, the joints in the line should be absolutely air-tight, the pipe line should be deep enough to be always safe from frost, the pipe should slope slightly towards the well, and there should be a check-valve and strainer on the bottom of the pipe in the well in order to maintain the pipe line full of water up to the pump. Extra and to keep back sticks, stones, etc., that might clog the pump valves. The size of the pump (inside diameter) should be at least one-half the diameter of the pump cylinder. The greater the horizontal distance water is drawn the larger the pipe. The type of pump used will vary considerably. The ordinary out-of-doors pump may be used. In this case the pump would be located in the woodshed, for instance, and installed over a dry well. This consists of a shallow pit cribbed up securely in which the pump cylinder is located, and it has a tight top like an ordinary well. It would be a much easier matter to repair the pump cylinder than when pump is over the well, and much easier to protect the pump from frost in severe winter weather. A single or double acting low down force pump similar to those used on threshers' water tanks might be used. It might be located in the cellar or any convenient place inside; no dry well would be necessary in this case.

Have a Good Quality of Pump.

Even the kitchen pump would serve the purpose very well if it were somewhat heavier in construction and better designed than the cheaper ones of this class. Another type would be the semi-rotary pump which is fastened securely to the wall of the kitchen or pantry at one side of sink. It is operated by a short handle moved back and forth in a semi-circular manner. The same pump at the kitchen sink may be used also for pumping up the water from the cistern by having a three-way valve installed in the pipe line at a point just below the sink. When the valve is set one way, the well water can be pumped into the house, when opposite the cistern or soft water can be pumped.

In this short article an endeavor has been made to explain a few simple and inexpensive means of reducing the labor of getting the water into the farm home, in others to follow more up-to-date methods will be dealt with. Our Department at the College solicits inquiries regarding the problems of equipping the farm home with water systems, plumbing, sewage disposal, lighting systems, etc. Write for a copy of Bulletin No. 267; it is free.—R. Graham, B. A. College, Guelph.

Aunt Ada's Axioms: Someone has said that a farm is a business with a home attached; but the best farms in Ontario are a business and a home.

Elm, maple, or even nut trees and fruit trees are good to plant along highways. The objection to fruit and nut trees is that they may be broken down by over-zealous collectors of fruit. This is not apt to happen if they are common on the highway.

WINTERING OF PULLETS

If Possible Separate From All Hens and Cockerels.

Prepare Quarters Early and Transfer by November — Good Light and Ventilation Necessary — Winter Care of Pregnant Mares.

(Contributed by Ontario Department of Agriculture, Toronto.)

Many times the failure of securing a satisfactory winter egg yield is due to neglect of the pullets early in the fall. The ordinary pullets begin laying from six to seven months of age, and many farmers get a few pullet eggs in October and November, followed by little or no production in December or early January. This frequently is due to a change in roosting quarters or being overcrowded and underfed in the poultry house.

Place In Winter Quarters Early.

To get the best results the pullets should be placed in winter quarters by November 1st. Before that time the henhouse should be thoroughly cleaned, the walls, ceiling, etc., brushed down, and all old nests, etc., removed. Then give the house a good whitewashing, and if the floor is earth or sand at least four inches of it should be renewed.

Separate Pullets From Young Hens.

If at all possible, separate the pullets from the old hens and cockerels. In order to lay well, they should be fed all they will eat, particularly of ground grains and green foods, and should not be overcrowded. About twenty-five to thirty-five pullets is plenty for a pen twelve feet square; in fact in many cases twenty-five pullets in the pen will lay almost as many eggs as the thirty-five. Should it be necessary in having too many pullets, or where you can make a selection, get the earliest and best matured ones into the pen first. If you have to crowd a few well ones, and those that are slow to develop.

Have the Pen Well Lighted and Ventilated.

The pen should be light and well ventilated. Have all the ventilators or openings on one side of the house and close together. Do not have an opening in one end of the house and another in the other end. These cause drafts which are very apt to produce colds and sickness. It usually takes a pullet at least three weeks to come into a ration and she seldom lays while she has a cold. Keep the house dry, and use plenty of dry straw in which the hens can scratch for the feed.

Give Laying Hens Plenty of Food.

Remember a laying hen needs plenty of nitrogen and shell material. Also there should be a variety to the food, that is green food such as clover leaves, cabbage, or sprouted oats, or if none of these can be had some roots. Raw also needs some form of meat food—sour bone if the best, not beef scrap, or other meat offal, if untainted, will answer. Usually about one-third of the grain should be ground or even up to one-half. The whole grain should be reserved to avoid digestive derangements; hence, everything consumed should be of good quality, easily digested, fed in proportion to the amounts of work performed and at regular intervals. In addition to hay and oats she should be given a few raw roots daily, and a feed of bran with a couple of linseed meal at least twice weekly.

Work that requires excessive muscular or respiratory effort should be avoided, as also should planning through deep snow, puddles, etc. All previous excitement should be avoided, as also should sights which frighten her; also offensive odors; loud operations.

The use of drugs should not be tolerated, except upon the advice of a veterinarian. If necessary to give a purge, it is much safer to give raw linseed oil than aloes. Towards the end of pregnancy, still greater care should be observed, and, while daily exercise up to the very last is advisable, it should be given more carefully and less of it when the burden is somewhat clumsy on account of size and weight.

WINTER CARE OF COLTS

The First Winter a Critical Time for Weanlings.

Two or More Colts Do Better Together—Nourishing Feeding Also an Important Factor — No Gain In Too Early Pasturing.

(Contributed by Ontario Department of Agriculture, Toronto.)

The first winter is a critical time in the life of a colt. The care and attention he receives during this period determines, to a great extent, his future usefulness. If he be poorly fed, neglected, and allowed to become thin and weak, it is probable he will never be as good or valuable an animal as he would have been under more favorable circumstances. **Comfortable Quarters Important.**

He, in the first place, should be provided with warm, comfortable and well-ventilated quarters, and, while he should be taught to lead, and stand tied, it is much better if he have a roomy stall to stand in. Two or more colts will probably do better together than one alone. At the same time, it is often necessary to winter one without company. He will do better by himself than with a colt a year or more older. The next question is: What, and how much should he be fed."

The Matter of Feeding.

In our opinion there is little danger of overfeeding at this age. While there are exceptions, it is usually safe to give a weanling all he will eat, provided he gets regular exercise; but it must be understood that he should not be given more than he will eat. It is a mistake to keep feed before him all the time. He should, with apparent relish, eat all that is given him, in at most an hour and a half, and then he will be ready for the next meal when the time arrives. It is not easy to say just how much food a colt of a given age and size should consume, but the attendant, if a careful observant man, will soon be able to determine the quantity to be given each meal, and be able to give sufficient, without waste. Hay and oats should be the food upon which to depend for growth, both muscle and bone. If other grain than oats be given we will take back what we have said about "there being little danger of overfeeding."

Give Best Quality of Food.

All food should be of first-class quality. Well saved timothy makes a good substitute. Hay should be fed in the necessary quantities three times daily, and we prefer whole to cut hay for such young animals. The manner in which oats should be fed will admit of argument. In our opinion, and experience, rolled oats give better results than whole. We find that colts relish rolled oats that have been scalded and allowed to become cool, and they thrive well on such. The practice of mixing a quantity of rolled oats and a little wheat chaff or cut hay in a pail, pouring some boiling water over it, covering it and allowing it to stand for a few hours before feeding, gives excellent results. The morning's oats can be prepared in the evening, and the evening's meal in the same vessel in the morning, the noonday meal being either dry, rolled or whole oats. In addition to hay and oats, the colt should be given a carrot or two with the noon meal, and a feed of bran, either damp or dry, at least twice weekly. This may be extra, or in lieu of oats, as is indicated by the apparent requirements of the colt. As regards water, it is well to allow free access to water at all times. Where this is not practicable the colt should be given water at least three times daily.

Let Him Get Reasonable Exercise.

He should be turned into a yard or paddock for a few hours every day that is not too rough or stormy, and the more gentle handling and lessons in leading, etc., he gets the better. His feet require attention. The wear is usually not sufficient to keep them in proper shape, the toes grow too long, and the heels deep and narrow, and the wall turns inwards below the quarters. If this be not corrected or prevented, permanent harm may result. The feet should be carefully examined at least once monthly and dressed so as near the normal size and shape as possible by the use of a shoeingsmith's knife and rasp. The stall should be cleaned out, at least once weekly.—J. H. Reed, V.S., O. A. College, Guelph.

No Gain In Too Early Pasturing.

Farmers should not be in a hurry to turn their colts on to pastures. The cattle will travel over the entire pasture area, and by cutting up the sod with their hoofs while the ground is yet soft, and grazing off the first blades of grass they will greatly reduce the amount of feed which the pasture will yield if they are kept off a few weeks longer so that the grass may have opportunity to make a real start. Under average conditions it will by all means pay best to keep the cattle off the pasture until the sod has become firm and the grass has attained sufficient start to support them fully when they are turned out. Cattle should be turned on new grass the first time about the middle of the day, after they have already had a good fill of dry feed. They should be driven back to the feed lot each night for three or four nights, and given opportunity to eat some dry food each morning before going to the pasture.

All classes of stock will give better returns where a variety of food is supplied. A mixture of grain is usually better than feeding only one kind.

GRAIN GROWING NITROGEN

Growing Such Crops Will Help Your Soil.

Clovers, Peas and Vetches Store Up Nitrogen from the Air—Good Bacteria Will Work for You—Determining the Need of Chemical Fertilizers.

(Contributed by Ontario Department of Agriculture, Toronto.)

Nitrogen costs money when purchased in the form of nitrate of soda, chemical fertilizer dealer, usually about twenty cents a pound. Some of our farmers are spending from ten to forty dollars per acre a year for nitrogen to increase crop production. With five million pounds of nitrogen floating as a gas over every acre of land such expenditure may not always be justified. That nitrogen is highly valuable as a plant food is appreciated by comparatively few of our farmers. If those who do appreciate its value are willing to pay twenty cents a pound for it, and there are the men working on small areas with intensive culture crops, who don't those larger area farmers who have a few billion pounds of nitrogen floating above their farms wake up and get at least a small quantity into the soil of their fields?

The Fertilizing Value of Legumes.

Legume plants such as the clovers, peas and vetches, together with the bacteria that are parasitic on the roots of this class of plants, form a link between the nitrogen of the air and the plant food nitrogen of the soil. This link is an implement always available to the farmer. A ton of alfalfa or clover or vetch hay may contain as much as fifty pounds of nitrogen. The roots that go with the red clover or vetch plants that cover an acre may contain as much as one hundred and fifty pounds. The rents from wheat, corn or oat plants cover an acre may contain twenty-five pounds of nitrogen.

The Bacteria Work for Nothing.

The point is, a great quantity of nitrogen is collected by the bacteria which alone work on the clovers, peas, vetches and other legume plants. With one million dollars' worth of nitrogen over every acre of land would it not be good policy to make sufficient use of legume crops and their parasitic soil bacteria to at least provide the needs of the farm in crop production. The nitrogen accumulated by growing legume crops is taken largely from the air, while the small quantity accumulated by corn, oats or wheat roots is gathered from the soil.

All Gain and No Loss.

There is no loss of nitrogen in growing legumes but considerable gain. There is a distinct loss with all other classes of farm crops. Plan to use clovers, peas and vetches and thereby tap the fertility supply now roaring above your land for future use in the soil of your fields. If you can figure out a rotation to suit your own special needs and have legume crops growing two years out of four there will be little used to worry about the nitrogen supply.—L. Stevenson, Secretary Department of Agriculture, Toronto.

MADE BRAVE FIGHT

Handicapped Wolf Almost Succeeded in Escaping.

Running on Three Legs and Dragging Trap Which Had Been His Undoing, Animal Was Killed When Almost in Safety.

"In the summer of 1882," says a westerner, "my parents moved from Iowa to the new county of Hand in South Dakota. The railway had been completed as far as Pierre, but there were few stations, and at Ree Heights, where we got off the train, there was only a rough platform made of planks, and a box car in which the agent lived.

"The last of the buffalo had been killed or driven off and the prairie was covered with the skeletons of these animals.

"The county was alive with wolves and coyotes; they were nearly as common as domestic animals are now. On almost any morning from one to a dozen could be seen from the door of our little 'claim shanty.'

"My father bought six wolf traps about the first of December, and during that month we caught more than forty coyotes within a short distance of our home, many of them within a few yards of the house. One morning we had the novel experience of finding a full-grown coyote in one of the traps, caught by the tail.

"Another morning we came back and reported that the chain had been broken and one of the traps was gone. The tracks indicated that something larger than a coyote had been taken. When father had finished the chores that morning he mounted Roger, one of the two horses that we then owned, and, taking the shotgun and old Shep with him, started out on the trail, believing that it would not be hard to overtake a wolf carrying a trap.

"But that wolf, either from instinct or because he feared he would be followed, made direct for a range of hills a mile or so to the south.

"As soon as they were near enough old Shep took a hand in the chase. Shep was a big-black shepherd dog that had fought many a coyote, but he was too wise to risk a battle with the fierce-looking beast that was carrying the trap—for it was a big white buffalo wolf, an animal that could kill an ordinary dog in a few minutes.

"The wolf had to run on three legs, holding up one of his front feet and carrying the trap. Shep would run up and attack him from behind, and when the wolf turned to give battle the dog would retreat. They kept up this running fight for more than a mile.

"The wolf knew that a crisis had arrived and run for his life. With both horse and wolf running their level best, parallel with each other and about four or five rods apart, father fired the only load he had from his old single-barreled muzzle-loading shotgun, and the wolf fell, 14 BB shot having passed through his body. The race ended just as the next snow bank, which might have meant safety for him, was reached."

Hollow Bricks in England.

A new brick that has recently been introduced in England is nearly five times as large as an ordinary brick but in comparison is much less heavy and is easily handled. The lighter weight results from the hollowing out of the brick to provide air layers. By the shaping of the ends the existence of joints running all the way through with flags of the Signal Corps, and the high rafters strung with colored lights. A charming little reception room was furnished at one end of the long hall, and at the other card tables were conveniently placed for those who cared to play. In the centre of the floor a raised platform brightly lighted and artistically covered with red, white and blue bunting, provided a splendid place for Trencer's Orchestra of Kingston, and the music was greatly appreciated by the dancers.

A very striking feature of the evening was the attendance of the Boy Scouts, who were present for the purpose of fulfilling one of their best known tasks, that of "being useful." This they did with the greatest efficiency, even unto serving the very dainty supper at midnight. A number of guests from the Kingston Military circles were present and many other out-of-town guests.

USING ICE ON THE FARM

Helpful Advice as to Storing of a Good Supply.

Dairy Products Must Be Kept Cool—A Variety of Plans for Handling Ice—Good Drainage In the Ice House Necessary.

(Contributed by Ontario Department of Agriculture, Toronto.)

It is a very rare occurrence in Ontario that the winter weather is not cold enough to make plenty of ice on our lakes, rivers, small streams, and ponds. We can, therefore, feel pretty sure of a good crop of ice this winter.

Ice is the only other means of cooling on farms, except in the case of very large dairies where the use of a mechanical system may be warranted. The one chief obstacle to proper cooling of milk and cream by ice that many farmers meet is the lack of a convenient supply in their immediate vicinities. This may not be an insurmountable difficulty, however, as there is always the possibility of ice being shipped in during the winter and stored for use in the summer.

Dairy Products Must Be Kept Cool.

If the quality of our dairy products is ever to become supreme in the world it will be necessary for the producers of milk to get the animal heat out of the milk as quickly as possible after it is abstracted from the cows. This will mean more efficient methods of cooling than most farmers have to-day. Then would ice be required by all dairy farmers, and they would have to procure it either from nearby bodies of water, if present, or through some suitable organization shipping it in as carload lots before. The superior article selling at better prices would likely pay the producers to ship in ice if it were necessary. Many farmers now have a household refrigerator and a good cold storage plant for keeping the daily food for the table pure, sweet, and fresh, and never fail to store ice for this purpose alone whether needed for other purposes or not. They find by experience that this practice is worth while. If more milk is produced on the farm, so much greater the need for storing some ice.

The Problem Deserves Consideration.

The problem of storage should be considered carefully and plans decided upon well in advance of the harvesting of the ice, as it may be necessary to make repairs to the present storage house, or a new one may be needed. Construction work on the farm is more easily and cheaply done in good weather, so it is desirable to get the ice a-going ready for the next crop of ice before the wintry weather begins, or just as soon as the fall work will permit. It may be necessary to do some of the work right away, e.g., concrete work, and leave the rest until later, in all probability until the freeze-up drives rain and teams of the land.

Plans of Storage Vary.

The kind of storage for the ice crop will vary with the conditions on the farm, and the ideals and tastes of the farmer himself. One thing is certainly true, namely, that the storage need not be elaborate in construction and easily in order to be efficient. Many farmers have used with success very inexpensive and simple storages as a large bin made of old boards and planks and placed in a single wall lean-to on the shady side of a building, an old abandoned shed or any convenient enclosure well protected from the sun's direct rays. The form and style of the structure for the ice does not matter materially provided the following essential conditions are faithfully fulfilled. These conditions apply to any kind of ice storage house, and require special emphasis, as usually some of them are frequently overlooked. Note carefully what they are: Protection from sun's rays, plenty of sound material for a good conductor of heat about the ice on all sides, top and bottom, good circulation of air over top of ice, i.e., between the top of the ice and any roof that may be above it. In other words reinforced concrete or enclosed attic or loft condition is not wanted, as the conditions are such that a closed roof becomes very hot, and no heat will naturally pass down through the covering over the ice and melt it very fast.

Good Drainage a Necessity.

Another condition is good drainage, either natural or artificial, under the ice pit, and the water backing up or failing to get away rapidly from the ice melts it quickly. Another, air must be kept from getting at the bottom. Still another, cakes of ice should be packed in the house on a cold frosty day and no sawdust should be put between them, only ground ice or snow to start the walls, but small openings between cakes should be filled as well as possible with dry snow or fine pieces of ice. The idea of this is to get rid of the moisture and secure as far as possible a solid block condition of the ice. Do not freeze blocks together with water. Whenever any ice is removed from the storage for any reason, or whatever covering is used, should be at once put back over the ice. If these conditions are well provided for there will be very little use for ice metiage within the bin or storage.

Plans for more elaborate and costly forms of ice houses, with plans and specifications for small ice cold storages, may be secured free of charge by writing the Department of Physics, O. A. C., Guelph, or R. H. Graham, O. A. C., College, Guelph.

Many herbs, such as sage and thyme, may be easily grown in the home garden.

MILITARY BALL.

The first large Military Ball to be given by "B" Company, Frontenac Regiment and the Canadian Signal Corps, in Napanee this season, took place on Friday evening of last week, in the Armouries. Major C. P. Carr, Capt. F. J. Bradley, Capt. J. R. Waugh, Lieut. E. L. Fielding and Lieut. H. L. Babcock were in charge of the hall and the arrangements were most elaborate. The Ball room was never prettier than on Friday evening, when the balconies were swathed in flags, draped about battle shields, the large windows decorated with flags of the Signal Corps, and the high rafters strung with colored lights. A charming little reception room was furnished at one end of the long hall, and at the other card tables were conveniently placed for those who cared to play. In the centre of the floor a raised platform brightly lighted and artistically covered with red, white and blue bunting, provided a splendid place for Trencer's Orchestra of Kingston, and the music was greatly appreciated by the dancers.

Gold Dyes From Soot.

An exhibition is being held in London by the Knox guild of design and crafts, which the Times describes as "a demonstration of the beautiful results produced by ordinary methods of dyeing." Some woolen stuffs woven by members of the guild with primitive apparatus have been dyed with privet, bracken, gorse and other well known plants, and even with soot from the chimney, the last producing a beautiful old gold tint. There are also some fine specimens of leather work pottery and jewelry.

LOOKING TO SOUTH PACIFIC

White Men Planning Complete Possession of Fertile Islands of That Far-Away Ocean.

With Europe a seething mass of unrest and discontent and uncertainty, your Britisher is looking to the islands of the South Pacific already owned by the empire, as the next place to go and to exploit, to use the expression of a lot of people who do not know the meaning of the word. Already corporations are being formed to colonize the islands, and beautiful word pictures of the advantages of a residence upon them are being painted.

The truth is, for some years the white man has been gradually getting a foothold in the region. The delightful pictures which one sees of the natives, gives a little idea of what is really to be seen in the country. They are not the wild, naked people roaming at large, eating each other and the missionaries. Rubber plantations, coconut groves, phosphate mines and other industries are operated by Europeans. And schools and churches are encouraged on every hand, with the help of some of the automobile beard in the shade of the palms.

The white man will not reach the end of his road until there is no more country to be settled up, and there are still vast areas to be brought under his domain. In Africa, and upon the islands of the sea, he is setting his feet and pushing to be done, and the chances are that the next few years will see an exodus to these favored places whose beginning has already been made.—Columbus Dispatch.

That Decided Him.

George was in a despondent mood. "But, Mabel, dear," he said, "marriage is out of the question just now. You have to give forgotten Ma I'm a poor clerk on a meager salary."

"Oh, George, don't let poverty interfere with our happiness. We can live on one meal a day, if necessary."

"But you know nothing of household duties, sweetheart. Why, you can't even cook."

"Indeed, I can, love. I have kept it secret from you but the time has come for my confession. George, dear, I got a certificate from a domestic science school three months ago."

The young man paled. "My darling," he said, "come to my arms. It shall be as you wish—one meal a day will be more than enough."

SEEM AFRAID TO BE HAPPY

So Many People Apparently Fear to Count and Appreciate the Blessings That Are Theirs.

A well-meaning, if rather dour, gruteman once said to a mother whom he saw playing happily with her children: "Don't set too much store on your children, especially don't make idols of them, for fear they are taken from you as a punishment."

It was good to hear the spirited retort of the warm-hearted little woman. The remembrance of it is inspiring today, remarks London Answers.

"I'm going to love my children with all the love I am capable of whilst I have got them. If they are taken from me, which certainly won't be as a 'punishment,' I shall be glad to remember how very dearly I have loved them!"

She was not afraid to be happy.

A poor fellow whose life had been one long fight against grinding poverty was unexpectedly left a legacy which quite removed him from further want. The touch of the past, however, was still upon him. He was afraid to spend, afraid to raise his face to the sunshine; he was afraid to be happy. The pathos of it!

On the other hand, there are those who, with little or nothing to worry about, just grizzle and grouse, till you long to shake them—and shake them thoroughly—because they are afraid even to be thought happy.

Here is a sample of a visit to one of the "G. G." variety:

"What a nice bit of sunshine we're having just now?" you may perhaps remark.

"Ay, but how long will it last?"

"Well, it's shining now, anyway!" you retort, in natural exasperation at his pessimism.

"But it'll rain before night, see if it doesn't!" And so on ad lib., no matter what subject was broached.

Of course, for lots of us some things are pretty bad just now—it's inevitable, if one takes time to think. But among it all, there are bits of happiness if we will only allow ourselves to see them. The sunshine when it does appear, the unexpected laugh of a friend, a bit of luck after a hard day, the restoration to health of a dear one, the eager questionings of the children arising out of their beautiful "wonderings," a talk with, or a letter from a kindred spirit.

Cheerio! Don't you be afraid to be happy!

Peculiar Geological Formation.

There is located immediately west of Junction City a few miles south of Danville, Ky., a wonderful geological formation known as "Bald Blue Knob." This is a member of the chain that branches off from the Cumberland mountains and extends along the route of the Knoxville division of the Louisville & Nashville railway.

From its foot to its crest is about 200 feet and except on the large flat top, with a small knob in its center, it is covered with shrubbery and vegetation. The top, however, is absolutely barren. Not a spear of any kind has ever grown upon it.

The soil is as blue as indigo and this coloring has never been affected by the ravages of time. It is believed by many that this knob was at one time a volcano, and that the surface of the crest was belched forth from the bowels of the earth.

The "Bald Blue Knob" has been an object of wonder for many generations, and hundreds of visitors ascend its steep sides each year to view its crown of richest azure.

Milk and Meat Prevent Pellagra.

The most recent researches into pellagra, just published in the form of a report from the United States public health service, make it clear that deficiency of milk and fresh meat in the diet is the principal cause of the disease.

Dr. Joseph Goldberger, to whom the world owes most of its knowledge of pellagra, urges that more cows be introduced into those regions of our southern states in which pellagra is most prevalent, and that all-the-year-round fresh meat markets be established.

In an Awful State.

After refreshments at a card party the topic of conversation was the condition we found our flat in when we moved. My husband told a long comical story of how he spent his whole Saturday afternoon trying to get the kitchen floor clean. Every one laughed with the exception of one woman, who said: "We just moved from that flat." It is needless to say the color of my husband's face turned.—Exchange.

Eggs Miraculously Saved.

A young man at Meredith, N. H., making an evening call, in going through the hall opened the cellar door by mistake and stepped into space, bringing down a number of jars of preserved blueberries and landing in a jar containing 18 dozen eggs. He emerged scratched and covered with blueberries, but although he weighs 200 pounds not an egg was broken.

Corresponded With 535 Girls.

The mess sergeant at Camp Kelly flying field in Texas declares that he corresponded with 535 girls throughout the duration of the war. The sergeant kept a ledger, showing postage costs, retained copies of all letters and used carbon copies to help out.

No Sympathy Due.

"Don't you think Mr. Bilgins is suffering from exaggerated ego?"

"No," answered Miss Cayenne. "He doesn't suffer. He enjoys it."

ABOUT MARQUIS WHEAT

United States Official Tribute to a Canadian Product.

Says It Is the Leading Variety for Growing In the Northern Great Plains — Best All Around Common Wheat to Grow for Breadmaking.

(Contributed by Ontario Department of Agriculture, Toronto.)

Following is a digest of Bulletin No. 878 of the U. S. Department of Agriculture. Marquis wheat was originated by Mr. Charles Saunders, Dominion Cerealist, Ottawa:

That Marquis wheat is the leading variety of common wheat for growing in the Northern Great Plains is the conclusion reached by specialists of the United States Department of Agriculture as a result of varietal experiments with spring wheat conducted at 11 field stations in the northern half of the Great Plains area chiefly in co-operation with the state experiment stations. Details of the experiments, including discussions on the principal varieties, how and when they come to the region, and how to distinguish them, are contained in Department Bulletin 878, Varietal Experiments with Spring Wheat on the Northern Great Plains, issued by the department.

Introduction in the United States.

Marquis wheat was first introduced into the United States from Canada in 1912, but is now more widely grown than any other variety. It is short-strawed and early maturing, which characteristics sometimes enable it to escape rust and drought.

A demand for information on comparative yields of varieties and their resistance to disease was developed in the Great Plains area by severe losses which have occurred recently, due principally to drought and rust. Although crop yields have sometimes been low, land values have continued to increase in about the same proportion as in other sections. This has increased the cost of production and, with a return to lower prices for wheat, it is essential that the poorly adapted varieties be eliminated.

Hundreds of foreign and domestic varieties of wheat have been obtained by the department and tested. In preliminary nursery experiments many of them did not show themselves fitted for culture in the semi-arid sections. These varieties were rejected and only the more promising ones were selected to be grown in plot experiments.

The Question of Yield.

In Bulletin 878 the annual yields of the spring wheat varieties grown during the seven years, from 1913 to 1919, are shown for each station. A summary of the yields shows that, in general, the Marquis variety is the highest yielding common spring wheat. It has been included in all of the experiments each year. The better varieties of Durum and bread wheat outyielded Marquis at all stations but one. The Kubanka Durum wheat outyielded Marquis at eight of the 10 stations where it was grown.

Data on rust infection were obtained at seven stations. Marquis wheat shows an average rust infection of 17.7 per cent. in twenty observations. Most of the important commercial varieties of common spring wheat showed a higher percentage of rust infection than Marquis, while all varieties of Durum wheat showed less rust.

Milling Tests.

The leading varieties of spring wheat grown at the eleven stations were milled in an experimental mill and the flour baked into bread in order to determine their relative values for flour and bread-making. It was found that growing conditions and disease had much influence on the percentage of flour obtained. Marquis wheat yielding as low as 56.4 per cent. of flour from sections where it had been affected by rust, while under favorable conditions it produced as high as 75.8 per cent. of flour. The average yield of flour from 37 samples of this variety was 70.2 per cent. Several varieties of common wheat produced distinctly lower percentages of flour than Marquis. Preston (Velvet Chaff) and Haynes Bluestem produced about the same percentage as Marquis. Prelude was the only variety of common spring wheat which had a distinctly oilier flour yield than Marquis, the difference being 2.6 per cent. All varieties of Durum wheat, however, yielded a higher percentage than Marquis, except D-5, a red-kerneled Durum wheat which is low in milling value. Each wheat sample was analyzed for nitrogen and the crude protein content determined. Marquis wheat had an average protein content of 15.3 per cent., and other common spring wheats differed only slightly from it.

In concluding the experiments, flour made from each variety of wheat was baked in order to determine the expansion of strength of the dough, the quality of the gluten, and the resulting texture and lightness of the bread. The average loaf volume obtained from 37 samples of Marquis wheat was 2,342 cubic centimetres from 340 grams of flour. This was a greater volume than was obtained from any other variety of wheat except one. All varieties of Durum wheat have a smaller loaf volume than Marquis.

Every farmer should keep some sort of account system of his business. It should show the profit and loss of all of his operations.

Sometimes we can not prevent outbreaks of live stock disease on our farms, but we can and should always use every preventive measure and see that proper precautions are taken when the disease first makes its appearance.

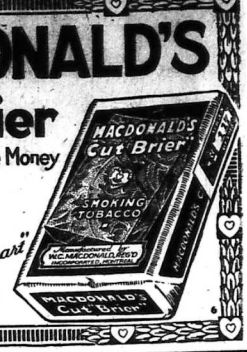
"The Tobacco with a heart"



The Humble Home "In the Rear"

A man, gaunt, hollow-eyed, lay on the bed in a little shack "in the rear." The closed window was a silent reproach to an unwholesome garbage heap within twenty feet of the front door. There, the man, his wife and two children existed, miserably.

How could a victim of tuberculosis possibly recover under such conditions?

Ah! the pitiful lack of money to provide for his "back." The dumb agony in his wife's eyes!

The Sanitarium came to the rescue. He was sent to the Muskoka Hospital for Consumptives, and the family provided for in healthy surroundings.

That was a year ago. It has taken time, but pure air, perfect rest, proper—and sufficient—food, have done their work.

It is expected that a few months will complete his recovery, and fit him for light work.

Contributions may be sent to Hon. W. A. Charlton, 222 College Street, Toronto.

ABOUT SOIL FOODS.

Determining the Need of Chemical Fertilizers.

The appearance of the growing leaves and tissues can frequently be taken as an indicator for the presence or absence of nitrogen in sufficient quantity to satisfy the maximum demands of plants. A yellowish tinge or a dull green is an indication of abundant nitrogen. Drouth and excessive moisture may also cause the yellowing or weakening in the coloration of foliage. Failure of flower on lands that at one time produced good yields may be taken as an indication of a shortage in the line of phosphorous. A decline in the wheat grade after years of wheat production can generally be attributed to a shortage or failure in the phosphorous supply.

How to Make Experimental Plots.

However, these generally observed conditions are not sufficiently accurate to be a definite guide, and should be supplemented by a miniature field test, using square rod areas with various chemical mixture applications. This is accomplished by simply staking off a representative area one rod wide and six rods long, and dividing it into six plots. This done apply before seeding on plot one, nitrogen; on plot two, phosphorous; on plot three, potash; on plot four, nitrogen and potash; on plot five, nitrogen, potash and phosphorous; plot six, potash and phosphorous. The adjoining soil will serve as a check plot for all areas. By watching the plots during the crop season and the following two years, a fairly definite conclusion relative to the needs of the field can be secured.

Every soil area should be studied by itself, since the requirements of one field may differ from the requirements of the field adjoining.—L. Kevenson, Secretary Department of Agriculture, Toronto.

Gestation Period of the Cow.

The gestation period of the cow is nine and one-third months, or two hundred and eighty days. Sometimes a breeder figures it as nine months to the day, and then worries because it seems to run over a couple of weeks and the calf is not born when supposed due. For example, a cow bred on January 1 would be due about October 1 and not October 9. A cow bred on February 1 would be due about November 8, not on November 1. The date of calving is found by counting forward the two hundred and eighty days from the date of service.

Wood for Fuel In Terms of Coal.

In heating value one standard cord of well seasoned hickory, oak, beech, birch, hard maple, ash, elm, sound cherry wood is approximately equal to one ton (2,000 pounds) of anthracite coal, according to estimates by the forest service, United States Department of Agriculture. However, a cord and a half of soft maple and two cords of cedar, poplar or basswood are required to give the same amount of heat.

One cord of mixed wood, well seasoned, equals in heating value at least one ton of average grade bituminous coal.

Timely Hints.

Store all harvesting tools and machinery.

Remove binder canvass and store in a dry place.

Make note of broken parts and order them.

Attend to the safety levers on cutting-box and silo fillers. Sharpen the knives and oil working parts.

QUESTIONS AND ANSWERS ON FORESTRY.

By the Canadian Forestry Association

Q. Is Canada supplying most of the oak used for interior finishing in our homes and public buildings?

A. By no means. We now import the greater part of our oak, ash and elm from the United States. Hickory is also an imported article. These woods grow on our best agricultural lands and were the first to be destroyed.

Q. How much of Canada's lumber cut is used annually for fuel?

A. Not more than one-sixth. The United States is our greatest market for forest products.

Q. Is Scotland planning to afforest her waste lands?

A. Yes, and is making excellent progress. Scotland has an acreage of

existing reserve of woodland is just 650,000 acres. During the next ten years 125,000 additional acres will be planted with timber trees. The British Isles are enormous wood consumers and yet hold the smallest percentage of area under timber of any old-world nation except Portugal. A great programme of forestry is now under way.

Q. Is it true that Canada faces a timber famine?

A. Not true in the sense of a bread or clothing famine. There could be a timber with a general decay of our industries and decrease in population even though the casual observer could see plenty of trees about the country. Timber can only be profitably cut when in relatively dense stands. A few scattered trees do not make a stand and such trees would make enormously expensive lumber if cut. The present danger is that our forests are growing steadily thinner, the burnt areas are rapidly extending and valuable species are disappearing. Canada needs constructive forest policies.

Q. How many forest fires, large and small, do we have in Canada in an average year?

A. Five thousand would be a fair estimate. Ontario alone had 1,269 forest fires this year, burning over 750,000 acres, and the Government spent $78,000 on fighting them. In the United States this year, more than 14,000 forest fires broke out in the pulpwood regions alone.

Q. What causes our forest fires; is there any means of preventing them?

A. Ninety forest fires in every hundred are started by settlers, railroads, campers, smokers, and other human elements, very few by lightning. These men require the timber areas to give them occupation or recreation, yet their personal carelessness is killing one of Canada's mightiest assets.

When the Landlord Raised the Rent

"I never do have any fun," complained a young girl petulantly, over "Come with me, and I'll cure your discontent," suggested the visiting nurse of the National Sanitarium Association.

They visited a humble little home. The mother was struggling to support the three children. The husband was fighting tuberculosis at the Muskoka Hospital for Consumptives.

Life was not rosy. It became tragic when the rent was doubled. Despair looked from her brown eyes. Three pairs of childish eyes watching her for something to make it right. A baby lips quiver. "Just there!" with a smile, and the babe smiled too. "I mustn't complain. He's getting better anyway. He writes it's wonderful up there—that saved his life." And the brown eyes were a prayer.

"I've just got to help," exclaimed an enthusiastic young person as she and the nurse walked down the street. "Contributions may be sent to Hon. W. A. Charlton 222 College Street, Toronto."

Constipation

It is a disease-producing malady, and if not corrected may result in serious complications. In good health the bowels should move freely at least once every day, carrying away the waste products from the Blood and Liver. If this function fails or is irregular, the work of removing the poisons falls on the skin and Kidneys, with the result of the latter organs becoming congested and clogged. The Blood becomes poisoned. Indigestion sets in, the Kidneys become deranged, and a severe if not fatal illness is brought on. DR. Bread Baking Prize Winners.

At the bread baking contest held on Dec. 1st, at the Gibbard Retail Store, ninety loaves were entered. Bread was sent in from many miles around, one loaf coming from a town over 170 miles away. The many contestants were all so good to look upon that it was with difficulty that the judges were able to select the three prize winning loaves. The first prize was won by Mrs. Ed. Kaylor, Napanee R.M.D.; second by Mrs. C. Wes. Conway, Napanee, and third by Mrs. Walter Russell, Napanee. The bread was turned over to the local Women's Institute, who sold it on the premises. The proceeds, $16.50, went into the treasury of that organization.

SELLING FARM PRODUCE

Standardization Is Necessary for the Best Results.

Graded Fruits or Vegetables Attract While Mixed Grades Repel—The Satisfied Consumer Will Come Again—Quality Pays.

(Contributed by Ontario Department of Agriculture, Toronto.)

Will the consumer pay for quality? Yes, and liberally if he understands what standardization means. Criticism is frequently directed at the farmer producer for the lack of attention given to grading and packing of the product of his farm. Fruits in different stages of ripeness, different sizes, shapes and colors are frequently seen in the same package. Chickens of various breeds, sizes, types and degree of plumpness are jumbled together in the same crate and form a marked contrast when placed beside a crate containing birds of the same sex, size, plumpness and color. To the well ordered mind uniformity always appeals, while mixtures and jumbles repel as so much junk. If a child goes into a candy store it will soon learn that mixtures are sold at a lower figure than standard confections. And so it goes through life — a mental attitude is developed by the great majority of consumers to regard those products that are not standardized as being less attractive and having a lower value. The percentage of particular consumers has increased much faster than the percentage of agricultural producers who standardize their products. In the old days the wormy apple, the misshapen potato and the old hen may not have lost their attractiveness, but times have changed, more people have more money to spend on foods than ever before. With the increase of the family income or wealth during the past twenty years the attitude of the younger generation towards the foods that they eat has changed very considerably. If we refer to the good old days when oatmeal was the standard breakfast food and citrus fruits were only seen at Christmas time, we will realize what present day attitude toward quality in foodstuffs means when compared with the past. With this advance in tastes for foods which may be largely flavor and of little value when considered from the standpoint of nourishment, the demands for foods that appeal to the eye and to the sense of taste have increased very greatly during the past five years.

People Will Pay for Quality.

Standardization of food products will put the rosy cheeked, clean, uniform, sound apples in one basket and it will put the runty, scabby, misshapen product in another. People are willing to pay for quality providing they have a guarantee that they will be handed a quality product in exchange for their money. How many householders have had the all too frequent experience of putting one-third of their purchase in the garbage can? Inferior materials should be directed into channels where they would be used to the best advantage instead of being a millstone or dead weight in occupying space, increasing carrying, costs in transportation and reducing the attractiveness of the superior portion of the commodity.

In seasons of food shortage mixed and lower grades of food products will usually sell and show a margin of profit, but when food products are abundant the more attractive grades sell most readily and create a want for more high-class produce, which demand frequently must be filled from the lower grade. This substitution of a low grade for a high or standard product kills the incentive to buy. Stung once, the intelligent purchaser consumer will hesitate to buy. They look, but do not buy.

Grading Best for Perishable Foods.

The amount of perishable food in the fruit, vegetable and poultry product classes that is now consumed while very large, is not as great as it would be under standardization. Experiences with graded products, poor quality and poor packing leave an impression on the mind of the average purchaser that will take some time to erase. When the perishable food product of Ontario is standardized and marketed in a way that will command the confidence of the consuming public an increased demand is bound to follow.

The Satisfied Consumer Is an Asset.

If all the food produce offered for sale could be standardized and marketed in such a way as to develop the market for future crops, much benefit would result. Satisfied consumers of this year's product will look to the same source again next year. If Consumers know or should know what they want, and if given a standardized packet of food product in exchange for their money will, if suited, go on patronizing the same producer. Salesmanship has been too frequently used to sell a consumer something that he did not want, material sold with the one idea of getting rid of it and no thought of the future.

If the farm end of the food products industry is to develop to the fullness it merits, all produce grown for sale will have to be marketed through co-operative marketing organizations. Standard, honesty prepared, packed and delivered produce is the only course to pursue in developing a worthwhile market for form produce in our Canadian cities or abroad. Any food producing community that is without a co-operative marketing organization should consider the establishment of such. Those districts that have such should consider expansion by amalgamating with similar organizations, standardized products, common honesty, any industry will make for success in producing and disposing of farm products.—L. Stetenson, Secretary, Department of Agriculture, Toronto.

The man was marrying a widow. His brother said to him on his wedding morn: "I could never bear to be a widow's second husband!"

The bridegroom smiled optimistically. "Well, for my part," he said, "I'd rather be a widow's second husband than her first."

MADE HIT WITH RECITATION

Prince's Speech Consisted of Verses From the Koran, but Audience Didn't Know It.

It is interesting to recall that during the recent European tour of Prince Feisal of the new Kingdom of Syria, his memory of the Koranic verses stood him in good stead. In London, at a dinner in the Guildhall, the prince, who was the guest of honor, and who knew little French and less English, was called upon to reply to the toast of his health. Beside him sat his friend and mentor, Colonel Lawrence, Oxford professor and oriental scholar, to whom he whispered as he rose to acknowledge the lord mayor's speech. Colonel Lawrence nodded his assent, and the prince addressed his audience in flowing Arabic periods, winning appreciation and applause.

When the guest of honor had resumed his seat, Colonel Lawrence, as his interpreter, rose to express in English the prince's sentiments of gratitude for his reception, and to voice his devotion to the principles of democracy and allied solidarity. It was not until many days had gone by that Colonel Lawrence allowed it to be known among his friends that what the prince had whispered to him was:

"I'll recite the verses from the Koran about the cow."

Thus did the diplomatic professor deceive the unwitting ears of his Guildhall friends.—Munsey's Magazine.

Country's Motive Energy.

The gauge of a nation's industrial might is the amount of motive energy which it can command for the manifold fields of production and the essential contributory activities. We have maintained our supremacy in manufactured output very largely because of the vast amount of power which we could call into service. Robert G. Skerrett wrote in the Scientific American. Modern nations expend far more energy than the combined muscular ability of their population and beasts of burden. The margin is covered by the employment of mechanical energy in the form of power. To accomplish the work done annually in the United States, would require the labor of 5,000,000,000 hard-working slaves. The use of power gives to each man, woman and child in this country the service equivalent of thirty servants.

The skipper was examining an ambitious gob who wanted to be a gunner's mate.

"How much does a six-pound shell weigh?" he asked.

"I don't know," the gob confessed.

"Well, what time does the twelve o'clock train leave?"

"Twelve o'clock."

"All right, then, how much does a six-pound shell weigh?"

"Ah," said the youthful master, a great light dawning on him, "twelve pounds."

Death of Mrs. John F. Walsh.

Death swift and sudden came to the home of Mr. John F. Walsh on last Sunday evening, and called to rest his dear wife, the constant and faithful companion of his life. A week or so previous to her death Mrs. Walsh had met with a painful accident by falling on the stairs of her home and suffering a severe strain of the ankle. No ill effects had appeared from the accident, and she was apparently convalescing and in her usual good health and spirits on the day death had called her. Sunday afternoon she made a great effort to go down stairs and spent the day in the companionship of her husband. That same evening an attack of heart weakness developed, no doubt from over exertion, and heart failure brought to an end the life of this most estimable and beloved woman.

The late Mrs. Walsh was born in Belleville, where her only sister, Mrs. Jos. Foltz, resides at present. With the exception of a few years she was a lifelong resident of Napanee. The funeral, a very large one, took place on Wednesday morning from her late residence, John St., to St. Patrick's Church, where Requiem High Mass was celebrated by the Pastor, Rev. Father O'Connor, and was largely attended by all classes and creeds. At the conclusion of the service the Rev. Father paid an eloquent and well deserved tribute to her memory. Mrs. Walsh possessed, in a high degree those qualities of mind and heart, as the Rev. Pastor pointed out, which made those who knew her best esteem her most. Her kindness of heart, patience and charity was unbounded. Mrs. Walsh did not permit her home duties to take up her time to the exclusion of other things that called for her co-operation for the betterment of social life. She always took an active interest in the women's organizations of the town, and especially during the trying times of the war. Her work with the Daughters of the Empire, as all the members can testify, was always helpful and much appreciated.

In the death of Mrs. John Walsh, an active, loyal and commanding member of St. Patrick's congregation has been removed, and the Women's Catholic League, lately established, and in which she had taken such a keen interest, will greatly miss her presence and influence.

Many spiritual and floral tributes were received from relatives and friends from far and near. We join in the heartfelt condolence that is offered to her devoted husband, now afflicted and lonely, and we pray the God of comfort and consolation to give him strength and courage to bear in a true Christian spirit this heavy human trial, and to await patiently that eternal union with her whose only motive in life was to do good to all.

OBITUARY.

Charles Ansen Anderson.

On Saturday, December 10th, at the Hotel Dieu, in Kingston, there passed away one of Napanee's most highly successful business men, in the person of Mr. C. A. Anderson.

Mr. Anderson had been ailing for some time, but his condition was not considered serious until a day or two before his death. When medical assistance was called it was even then the only opportunity lay in an operation. The operation was therefore decided on; but Mr. Anderson failed to rally from its effects, and finally succumbed on Saturday, the 10th.

Born in North Fredericksburgh, his early moved to Napanee, and entered the livery business. Then when the automobile began to take the place of the horse, he was one of the first to sense its possibilities and became the agent for the McLaughlin cars, and was considered one of the most successful distributors in Eastern Ontario.

For thirty-three years he had lived in Napanee, and during that time had earned the esteem and respect of the whole community.

The funeral was held from the home of his son, Harold Anderson, Dundas St., Mr. Terrill, of Grace Church, assisted by Rev. Father, of Trinity Church, officiating. The Masonic Order, of which Mr. Anderson had been a member for thirty years, turned out almost to the last member, and their service under the guidance of the Chaplain, was conducted over the grave in Riverside cemetery.

There survive him, his wife, Mrs. Anderson, formerly Miss Houston, one son, Harold, and a sister, Miss Lucy Anderson, all of Napanee.

Those who were chosen to bear the remains to their last resting place, were fellow business men and brother Masons, Messrs. F. L. VanLaven, A. MacGregor, J. W. Gerow, Jas. Daly, W. H. Boyle and W. H. Hunter.

An unusual interest in political affairs was shown here by nearly everybody for quite a time preceding the election held on the 6th inst. The issues held here in the interest of the candidates of both political parties were unusually well attended, and the addresses and statements made by the speakers received fair and earnest attention. On election day the electors also turned out with very few exceptions at both polls, and never was a report of the result of any election more eagerly and anxiously awaited as of this one. Thanks to the recent establishment of our telephone service, reliable returns were received the same evening.—A shooting match for turkeys was held here on the 3rd inst., and another one which fowls had to be substituted for turkeys, on the 6th inst. Both were very much enjoyed.—The young people are practicing for a concert to be held in C. Bain's hall on the 16th inst., which very likely also will be well patronized.

European Trip—Summer of 1921

MISS FLORENCE WITHROW Conductress

A Paper given by Mrs. M. C. Bogart before the I.O.D.E. on Armistice Day.

We sailed from Montreal on July 1st, on the good ship "Melita," of 14,000 tons. We found her a fine steady ship, and a very congenial company on board. With the exception of Miss Withrow, Miss Ritchie, and Mrs. McLaren, we did not know any one, but one by one, we grew acquainted with the members of our party, and found them very pleasant, charming people.

There were four parties on board, two American, and two Canadian; ours was the largest. On Sunday we had a splendid service in the dining salon. The Rev. Mr. Hanson, of the Presbyterian church, Montreal, gave a fine sermon. In the evening a song service was very much enjoyed. Dancing in the lounge room in the evening was a favorite pastime for the young people, and the older ones seemed to enjoy it, as well as the ball, the game, and I may say, the blind, as some of them were very oblivious to the charms of "only one girl."

We had two concerts going over. The Americans gave one the 4th of July, and we listened to some fervid oratory on the Declaration of Independence, but I must say they were very kind in their reference to Great Britain and Canada, and we enjoyed it very much.

The menu cards at dinner were all "A La American."

The proceeds from the concert was £38.

The Canadian concert was good too, as we had two of the head men of the Dumb Bells Company on board, going over for a short holiday. They were very generous with their songs, and what we don't know about where the dips go in the winter time, is not worth knowing. The proceeds from the concert was £41, which goes to the Seamen's Home in Liverpool.

We saw some graceful looking icebergs not far away, but since the Titanic disaster I have no love for icebergs, as we sailed a couple of days after she went down. After a wonderful voyage for perfect calmness we landed in Liverpool one day late, on account of the fog off the Banks of Newfoundland. Liverpool, as you know, has the longest docks in the world. They extend for seven or eight miles. It was without deep regret we left our little cabin home on board ship. We had lunch in Liverpool, and crossed over to Birkenhead, and took the train for Chester. At Liverpool our guide, Mr. Giddings, met us. It will say right here he was a splendid guide in many ways. A fine, genial, tall and muscular, and as a judge of liquid refreshments, could not be beaten; also quite a taste for feminine company.

Chester is one of the oldest towns in England, situated on the river Dee. You will remember the old song, the "Miller of the Dee who envied no man, and no man envied him, except the King of England." It has a stone wall two miles in circuit, and from twelve to forty feet high. From one of the lookouts on the wall Charles the First witnessed the defeat of his army on Marston Moor, near the city, by Cromwell's Ironsides. The wall is about four feet wide. We enjoyed a walk around this old wall this Sunday evening, looking at the stately homes of England, also the more modest homes of the working people, and no matter how humble the home is, you will always find some pretty flowers, either in the windows or garden, and quantities of ivy covering the shabby places. Here is one of the oldest cathedrals in England, called the baby cathedral. The interior is wonderful with its beautiful carvings and fine shafts of unique designs. Also many flag-stones have been deposited there for safe keeping, some quite recently from the late war. Well we must get a Cheshire cat, as this is the place where originated the saying, "grinning like a Cheshire cat." As we could not very well take a live one with us, we bought a silver one. Well we must hurry on to Warwick, not having time to visit the celebrated Rows, the shopping district. On reaching Warwick, grand old Warwick, the home of the King makers, as old Guy, of Warwick, was called. We were put up at the Woolpack hotel, and found, owing to our being a day late in landing, that an American party were ahead of us, so some of us were put in the annex, having our meals in the hotel. We liked this old fashioned hotel, having been there before. It was where the old time post boy and coaches were put up. It is a very interesting old town, with its old church, the burial place of Lord Leicester, and many other notables, and its fine hospitable, but the chief attraction is the castle. This wonderful historic castle, with the peacocks on the lawn, and its priceless treasures within. As we enter the castle the guide shows us the private chapel, with its priceless picture, the Annunciation of the Virgin, by Raphael; then on to the other rooms hung with tapestries and exquisite brocades, and the rare old masters, some of the finest in the world; one of the finest inlaid tables we have ever seen, valued at half a million dollars. The art treasures in this castle are worth millions of dollars, but the Earl and Countess have to rent it to a rich American, named Martin, as they have been so extravagant they cannot keep it up, and are not allowed to sell the art treasures. So appearances are sometimes deceptive regarding riches. We must visit the garden on the lawn were some pretty peacocks, with tail outspread, make a lovely toucher of color. The well-clipped hedges, cut in the form of birds and peacocks, were novel and interesting. In the glass conservatory we see the rare old vase, which is of white marble, and is about two thousand years old, and was brought from Hadrian's Villa, Italy. The work on it is very beautiful. It will hold 135 gallons. The castle is over one thousand years old, and has been the making of a great deal of English history.

Our next place to visit is Stafford-on-Avon, Shakespeare's home, where we spent a very happy week in 1914. Here in this fine old Holy Trinity Church is where the great Shakespeare is buried with his wife, Ann Hathaway, and favorite daughter, Susanne; Dr. Hall, and Thomas Nash. The interior of the church is full of interest, as here you will see the chained bible, an in oldest times. Also the beautiful stained glass Windows portraying "the seven ages of man," the babe, the smiling school boy, the youth, the lover, the soldier, the judge, and seventh age sans eyes, sans teeth, sans everything. Shakespeare's home is of great interest, with its small rooms with old fashioned furniture, and many personal things of Shakespeare. Stratford-on-Avon does not believe in modern architecture and adheres strictly to the old style. We pass Harvard House, where the great Harvard, who first started the well known American University lived, and quite close Marie Corelli, the well known novelist, lives in a large plain house with a beautiful garden in which she works a great deal.

A visit out through the pretty countryside to Ann Hathaway's cottage completed the visit. On our way back to Warwick we visited the fine old ruins of Kenilworth castle, which castle has immortalized. Here we see the place where Queen Elizabeth spent many days visiting her so called lover, Earl Leicester, about whom Sir Walter Scott has written such a stirring romance in "Kenilworth" and made Amy Robsart, his unknown wife, the heroine. It stands on a high elevation overlooking the surrounding and in its early grandeur must have cost millions of dollars to build, but alas, now a heap of ruins. Back to old Warwick with an evening spent in charming Leamington with its wonderful parks, in which we saw the finest variety of rare and beautiful trees we have ever seen anywhere. This is a suburb of Warwick about five miles away. A ride out and back in the moonlight. The evenings in England were lovely, and so many people were out enjoying the pleasant summer night. The city dwellers, with their roses trained in a variety of ways, and other flowers, make their homes so picturesque. We did not see any suffering in England, only everything more expensive. We left Warwick at two in the afternoon and reached London about five o'clock. We were put up at the great Western hotel, a huge affair. Waiters at every turn, and every luxury. We visited the picture galleries where are the nation's priceless treasures, in old masters, with their wonderfully rich coloring, after five and six hundred years are buried. Queen Elizabeth, in her magnificent monument, and her rival, Mary Queen of Scots, lie at peace not far from each other. Statesmen and poets are all here. The grand old Abbey is full of beauty and interest, and none more affecting than we find near the entrance, the enclosure where the unknown soldier is buried. The spot was covered with beautiful wreaths—and some flags, the Union Jack among others. We all stood in silent sympathy at the nation's memorial to a brave soldier. In Whitehall street, by Downing street, is a monument to the brave heroes, and at its base are dozens of fresh wreaths, and many people are there looking at these pathetic tokens of love. I watched one man going around making a prayer and, crossing himself wherever he came to a name he knew. Another monument to Edith Cavell shows Queen England mourns her martyred dead. A place of very great interest to us was the Parliament mentions, where you will see the Magna Charter, designed by King John, giving to England her liberties. It was signed by King John at Runnymede in 1215, and is the keystone of British liberties. A guide was explaining it to some English school boys one afternoon when I was in. The illuminated books are a revelation in book art. We lingered over these cases a long time. The Egyptian room was to us of great interest, having seen in Athens many of the places from which these treasures were taken, especially the Elgin marbles. Here, surrounded in her highly decorated sarcophagus, made us realize that Egypt knew more about decorative art than we western people have ever dreamed of. The National Art Gallery was visited and many were the famous pictures we saw. Here old masters, and more modern artists, Turner, with his shadowy paintings; and Whistler, with his lovely picture of his mother, which we see often in print. The Tate gallery, with its beautiful pictures and exquisite china, are things to be remembered. A visit to the old Tower of London, with its historic surroundings, made one think they were living in the middle ages. Its great quantity of armor, its heroes mounted on horses, also covered with glistening armour, made one think of the knights of old where they threw down their glove and fought for their lady love. The crown jewels are kept in a glass enclosure guarded by an iron railing, and guarded by men in uniform. Also the spot where Henry the Eighth cut off the heads of his wives when he had grown tired of them. One afternoon we motored out to Windsor Castle, the home of the House of Windsor, as the King is now called no more German names. The hour for closing was past when we reached Windsor, as it is twenty miles from London. Our guide told the man in charge we were Canadians and with the aid of a good sized tip we were taken through the historic castle. As it was our third visit it seemed quite familiar. The tapestries on the walls, and the priceless pictures on the walls, by Raphael, Reubens, Rembrant, Van Dyke, and many other noted artists, are very fine. It touched one to see the dining room and guest bedrooms where many Kings and Queens have dined and slept, also our own noble King and Queen. It is a grand old castle with its beautiful gardens and long avenues of trees. From the terrace you can plainly see Eaton College, England's training school for her future statesmen.

We left England at seven o'clock for Holland. Reached Harwich about ten and crossed to the Hook. It was very calm and we slept well in our comfortable staterooms, and reached Holland about six o'clock in the morning. A two hours' train ride brought us to the Hague, one of the cleanest cities I have ever seen. We all enjoyed our late breakfast and thought we had never eaten such good food as we had at this splendid hotel. And our fine large rooms, with latest conveniences and fine furnishings of everything up-to-date, made us want to linger. We were rather shocked to find on the toilet doors "damens and herrins," but we grew accustomed to foreign languages, and we often found out they were not swearing.

We visited the Peace Palace, a noble palace of white marble with very chaste decorations. One room was fitted up by the Japanese, and others by different nations, which made it very interesting showing the different tastes in decoration. One afternoon we spent at Holland's fashionable watering place, Scaveningen, rather difficult to pronounce. There were many people there and the sandy beach was packed for miles. It was a gay and pretty scene. The Queen's palace was plain without any beautiful within. Pictures, tapestries and fine china, with a lovely rose garden at the back. The museums and art galleries are crowded, and here you will find the Dutch art different from other galleries, as here you see it so. More domestic and national. Rembrant chose interiors and animated and natural in his famous pictures, for instance, "Night Watch," the "School of Anatomy," the famous men in their wide collars, a fair idea of the country we are interested in it. The country was so beautifully green, and after England, with its eighty-four days of continual drought, was a pleasant change. As Holland is lower than the North they have a system of dykes to keep out, and let in, the water, and have to plan by which they water their land, and almost every field has a windmill, of course brought to us by the thrifty, prosperous country the most prosperous in Europe to-day, with its splendid farms and fine herds of Holstein cattle, we did not wonder at their pride in their country, or at the woman going, who, on taking us through the mews-um, told us with much pride how the Hollanders, in 1625, under Admiral Van Tromp, swept the English from the seas.

Our next port of call was Amsterdam where we visited the old cathedral and drive through the shipping district, a perfect sea of masts with their tall masts, making it almost a forest. Amsterdam is the home of the diamond cutting business. The finest stones are brought here, cut and polished, and made into things of beauty.

Our next stop is Antwerp, which we heard so much of in the late war. We saw where the outer forts had been destroyed, and other evidences of occupation by the Germans. We saw the old Gothic cathedral, where Reuben's masterpiece, "The Descent from the Cross" is one of their greatest treasures. Also the "Head of Christ," a small picture, but rich in coloring. A visit to the Plantin Printing Works proved interesting, one of the first and largest in the world. Here we see the old style hand presses and many things of interest. The court, with the ivy covering the old building. From here we go to Brussels, called the little Paris, but still a large city, and very beautiful. The Germans made it their headquarters, and the whole city was mined. Their magnificent new court hall was used as headquarters for the officers and they drove their autos right over the beautiful marble floors and mutilated it as much as they could. The Hall de Jus-tice, with its beautifully gilded exterior, and its finely carved and decorated interior. From the Palace of the King, Albert the Good, we drive to the world famous

11% Promised

11% PAID

A few months ago we offered our Clients the 8% Preferred Stock of the King Edward Construction Co., Ltd., with a bonus of 50% of Common Stock. We then stated that the Common Stock would, as an early date, go on a 10% basis.

This promise has been fulfilled, and the King Edward Construction Co., Ltd., has declared its first dividend at the rate of 10% per annum on the Common Stock.

Those who took our advice and bought Preferred Stock with a bonus of Common, now have an investment yielding 11%.

We are offering the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, with a bonus of 25% of Common. This should ultimately be even a better investment than the Common Stock of the King Edward Construction Co., Ltd., as The Mount Royal Hotel Company has a much greater potential earning power.

EUROPEAN TRIP

(Continued from Page 2.)

Fair which was being held next our hotel, and how some of our party got more benefit than others. As their rooms were located just opposite, the gaily lighted and decorated wheels were most beautiful and attracted many people.

From here we went to the War Area, which was of great interest. We spent the first night at Lille, which was very much shattered. This was a large manufacturing town called the Manchester of France, and was four years in the hands of the enemy. We take the Mennin Road and beside the road we saw many tanks which were almost submerged in the Flanders mud, recalling the wonderful exploits of the British Tank Corps. Lille is called the monument of the British regular army, which died in its tracks to stop the rush of the first German hordes.

Epyres, one of the martyr cities, is a complete mass of ruins, the magnificent 13 century cloth hall and grand old cathedral are ruined beyond repair, and are to be left as an example of German vandelism. The Yser canal runs through the town. We had a very good luncheon served here and wandered about the ruined city for some hours. It witnessed the first introduction of gas by the enemy against the Canadians, April 15, 1915. Its little low corrugated iron station and some other little temporary houses are all there is left of this once flourishing city.

Poperinghe is one of the best known roads to the British soldier in all France. Mount Kemmel, Messines, Ploegsteert, Armentiers are all familiar names to us, and when passing through these ruined places it must be a dream that I was really there where our brave boys fought so gallantly. We stayed all night at Arras in a very comfortable hotel, although our guide told us we should have a rotten time in the war area. So it was much better than we expected. Arras is another shattered town. It is in the heart of the coal mining district. Before the war was city of a hundred thousand, and now not ten thousand; its finest buildings smashed to pieces.

Next is Vimy Ridge, from which place our Governor General takes his title. It was a great strategical point. It was in the early morning of April the 9th, 1917, in the face of three thousand enemy guns the Prussian Guards, the Canadians in a shower of sleet drove back the Germans, thereby breaking the enemy's grip on Arras. Here on top the ridge is the famous German dug out, an old stone quarry pit that they fitted up with electric lights, wireless and other comforts for 4,000 soldiers. Here is a large cemetery for twenty thousand British and Canadian soldiers (mostly Germans also) the British with white crosses, the Germans by themselves with black crosses. They are spending a great deal of time and money keeping up the cemeteries in Belgium and France. On the road we came to the monument erected to the Canadian Officers and men. It stands about twenty feet high, surmounted by a large cross. Not far from the monument I saw a lonely soldier's grave. I suppose he had fallen by the way side. Here we saw the wonderful dugouts called the Labyrinth, which took twenty-one days to take. This is called the Black country, as every foot of it was fought over time and again. We stopped at many of the cemeteries in Belgium and France, and found it everywhere the same, planting flowers and putting in permanent headstones (white marble), and everywhere they carry out, every time we approach one of these cemeteries our hearts are filled with sadness, which we see the row on row of crosses, be neath which our brave boys lie in Flanders field, and will never see the poppies grow again, and that they gave their lives for us and what they thought to be right. It touches one's heart, but after life's fitful fever they sleep well.

Lens is another shattered town, is very pitiful to see the many beautiful homes and fine buildings so completely ruined. Also wonderful are the magnificent grain growing over the war area. We have never seen finer grain in our lives. Some of it was measured and was seven feet high, and of the 28,000 acres devastated it has all been re-claimed but 29,000. The Belgians are getting right to work and as far as we could ing the land goes, by next year it will be all under cultivation again. They are building small houses of corrugated iron and seem to go at it in such a grave spirit. They have piled up the wire and other debris of war behside the roads, and are using powerful machinery to level up the fields. It was a wonderful three days' trip and gives one some idea of the horrors of war, with its ruined homes, broken bridges, barren trees and broken families. It makes one pray that war will never come to our fair land.

After the above we took the train for Paris, reaching there in the late afternoon. We were put up at the Hotel Louvre, a fashionable hotel in the heart of Paris, next the famous Louvre Art Gallery, which we visited twice. We lingered long with the equally famous Monalisa, whom you will remember was stolen and returned after some years. Also with many other well known works of the old masters. Here you will see the Venus de Milos, and many pieces of statuary of which you have read and heard. She looks as lovely as when I saw her first time, and now we have the time to practice the French we learned years ago, and many were the amusing mistakes we made on the long suffering French. I could read it very well, but it is a different matter to speaking it. Fortunately they speak and understand English. Well here is a story they tell. An American asked a Frenchman if he could speak American. He said he spoke English but understood American.

We spent a delightful day at Malle, had lunch at Malmaison in an outdoor cafe; visited Marie Antionette's cottage, where she spent her honeymoon, played at dairying, a very picturesque place. Visited the famous Palace, wandered through the celebrated hall of mirrors reaching from floor to ceiling. This is the place where the Peace Treaty was discussed, and saw the table upon which the Germans had to place their signature. This old Palace has seen much French history. Antionette, Josephine, Eugene and the humiliation of 1871, when the French had to submit and Emperor William of Prussia was crowned Emperor of Germany. It must have been a glorious revenge when Germany had to submit to more humiliating terms in 1919. I wish I had time to describe its magnificent parks and fountains. We visited Napoleon's tomb in the Invalides, where the sun falling on it through the beautiful colored windows, gives it wondrous beauty. In the court at the back we saw many captured German guns and airplanes, the famous 75. We visited the celebrated shops of Paris, and many of the ladies bought beautiful dresses and hats. I thought the stores beautiful and the elevators the finest I have ever seen. I said to some of the ladies, "Did you notice the elevators?" No, they had not noticed. They were made of plate glass and the most artistic brass fittings; not a bit of wood to be seen. From all sides you could see all over the street. Paris is a beautiful city, with its broad streets and fine parks; it is considered the most beautiful in the world. The cathedral Notre Dame, where Napoleon crowned himself and Josephine is a noble building. The windows are glorious, like immense jewels. Another place of great interest was the circular cinematograph, where the pictures of all nations taking part in the war was shown. The King of England, with the Royal family, and war generals, America, Japan, Italy, France. It was a study in modern History. One could easily spend a month in this fascinating Paris.

One afternoon we must go to the magnificent Arch de Triumph, that Napoleon had built in 1806 to commemorate his triumphant battles, and there underneath its beautiful arch lies the unknown soldier of France, the highest honor they could confer on him, and in silent reverence we stand and pay tribute to brave France, whom, as they say, was bled white to keep back the German hordes. It was covered with immortelles and fleur de lis flags, a noble tribute.

One day was spent out at the famous Fort of Verdun, which you will remember kept back the Germans with the loss of a million and a half soldiers. Here is the famous sword trench, where they were buried alive. There were many Americans in Paris, and at our hotel we saw the latest fashions, some pretty extreme ones too. We visited the Louvre Picture House and saw the play, "The Damnation of Faust", a strange and fascinating play, but would have enjoyed it better could we have understood the words, which were of course, in French. At our hotel I saw the Legion of Honor cross for the first time. The manager had been the recipient of the Legion of Honor Cross, the Croix D'Guerre, and another soldier cross. I was glad to see it and the ribbon was worn with pride. It was an all day journey across France. We enjoyed seeing the farming country where we saw many women working in the fields. They live in small communities and cultivate their land carefully, but different from what we do, more by hand, not so much by machinery and with single horses. We reached Basle on the border of Switzerland, and here is a chance to exercise ones patience, as there are more than a hundred people waiting to show their passports and have their luggage examined, which on a hot day is no joke. However, they did not pay much attention to our pictures or age. On reaching our hotel at Basle, it was so cool and pleasant, we forgot all about our hot dusty ride. Our dinner was served in the pretty garden and we all did justice to its many courses and nicely served. Switzerland, beautiful Switzerland, how can I tell of its charm of mountain and valley.

We left Basle at nine o'clock, and reached Lucerne at eleven o'clock. We were put up at the Hotel de'l Europe facing Lake Lucerne, with Mount Rigi towering five thousand feet above us across the lake. Lucerne is one of the favorite resorts of the winter sports, and Switzerland is the play ground of Europe. There are many beautiful Palace hotels which we had a lake, and many people there this year, the first since the war broke out. One day we went up Mount Rigi by the Funicutar, which is run by a cable, and as we slowly ascend the mountain we see the lovely valleys with their well kept farms and pretty chalets, all so green. It was a day never to be forgotten. Along the way up the mountain are small stations, they would come with pretty little baskets of berries and cherries and other fruits. It was so refreshing and we all treated ourselves and had a jolly time. On reaching the highest point we found a beautiful hotel with luncheon all prepared for our party, in a large dining room overlooking the valley. It had immense windows from which we had a clear view of the snow capped mountains. Other days we visited the shops where you will find the most exquisite Swiss embroideries and all kinds of carved wooden pottery. The Swiss people do a great deal of this in the winter time up in the mountain homes, and are expert workmen. You feel like buying everything you see, but remember a place to put it compels you to go slow. Here is the famous Lion of Lucerne carved in the solid rock to commemorate the death of 600 Swiss Soldiers who defended the Tuileries at the Invalides Inn. It is the work of the Danish artist, Rhose, Scealden, and is a fine piece of work. The cool lovely walk by the lake shore with its fine trees shading it, is a favorite resort, where you will see people of every nation. Like the beach walk at Atlantic city, it is a place of so many attractions we were loath to leave it, especially as here came the parting of the ways, the greater part going into Italy, where we had been twice before, and as it is very warm in Italy in an August, we had made our plans to stay in Switzerland. We were a little sorry at six Judge Campbell, Mr. Calhoun, Mrs. Wilt and son, Colin, Miss Ritchie, and ourselves.

We started for Saterlaken on a bright clear morning, had a pleasant ride through the country seeing the well kept farms and beautiful mountains. The sun had gone under when we reached Saterlaken, arriving it a rather blue look. We thought we would take a motor ride out to some celebrated falls, and enjoyed the ride through many small Swiss villages, but did not think the view worth the money it cost to get there. The shops and casino were very fine and well worth visiting.

Montreaux was our next objective, and on our way down at a way side station a charming Swiss gentleman came in our car and was very courteous in translating for us to the conductor. He was very much taken with one member of our party. He was evidently a man position and made himself very agreeable, inviting this lady to bring her party to his Palace Hotel, of which he was the President. We were put up at the Metripole Swiss, which we liked very much. All these hotels face the lake and have beautiful gardens, where you can walk out and enjoy the lovely view. We visited the Castle of Chillon, which Byron has made famous in his Prisoners of Chillon. It is really sacred ground, as we wandered through it one afternoon, and saw the post to which Bonnivard was chained for seven long years, for taking up arms to free his country from tyranny and oppression and when Switzerland became free he was liberated, a real true story, an historical fact. It is a fine old castle on the side of the lake. Switzerland is the oldest republic in the world dating from 1291. They have twenty-two Cantons in Switzerland, which have a local form of Government.

On our return from Chillon we went, on the gentleman's invitation, to the Palace Hotel, and it was truly a palace; the finest we had ever seen them. Gold's people, so honest and honorable in their dealings with people.

Our next start was for Paris, an all day's journey through Switzerland and a great part of France. Another day in Paris, visiting the art galleries and shops, then a night ride in the finest sleeping cars it has ever been my good fortune to be in. The boat ride from Calais to Dover was about an hour and a half duration, and perfectly calm, but it is not always so.

Then dear old London. We went to our old hotel, the "Kennelworth", and found everything the same as in 1914. One would think it was just a couple of weeks instead of seven long

Would not be Without Zutoo Tablets At Any Cost

Mr. A. O. Norton, the millionaire Jack Manufacturer, of Boston, who recently died, was a great "booster" for Zutoo Tablets.

He suffered from headaches from childhood and when he found Zutoo Tablets stopped these headaches in a few minutes and left no bad effect, he began recommending them to his family and friends. In an unsolicited letter, Mr. Norton says in closing:

"My family use them when ever needed and certainly feel grateful, as I have frequently given them to friends who were suffering from Headache and they never failed to give quick relief. I always carry Zutoo Tablets in my grip on the road and WOULD NOT BE WITHOUT THEM AT ANY COST."

BICKNELL'S CORNERS.

The lovely weather we are having will make the winter a lot shorter, and will be a great help to the farmers who are short of feed.—The election is over and the men can get at work again, with a complete new Government. It would not be fair to let some men have all the cream and the farmers the skim milk. — Mr. Percy Scott sneint one day in Napanee —Mr. A. Boulton and Mrs. R. Blakely spent Tuesday in town, disposing of some poultry.—Mr. Will Dunn is raining very slowly.—Some of the farmers have bought a carload of grain from Richardson, at Kingston. —Mr. Percy Wilson spent Saturday in Kingston and attended the market. —Mr. and Mrs. Courtland Snider spent one day this week at her home. —Don't forget the school concert and Box at Camden East Hall on Monday the 19th.

LOCAL POLICE CLAIM CREDIT FOR ARREST.

KINGSTON FORCE RESENTS CREDIT GOING TO PROVINCIAL SLEUTHS

Kingston, Dec. 14.—The capture of three young bandits, who have been terrorizing Kingston and vicinity since last June, and for which the Provincial Police Department at Toronto is claiming the credit, is claimed as largely the work of the Kingston police force. It was a local constable who landed on the clue and arrested the Upton brothers and Frederick Bryant, aged 18.

Chief of Police Robinson says that the clean-up will be one of the biggest things in police circles in Eastern Ontario, for the mystery of the murder of Constable Beard at Napanee on August 29th, the shooting of Police Constable Cotter on September 16th, a few miles outside of Kingston, and the shooting of Charles Donoghue, grain merchant here, December 2rd, may be solved.

It is rumored that one of the young men already has tacitly confessed to the shooting of Constable Cotter. The prisoners may be arraigned to-morrow morning in Police Court.—The Globe, Toronto.

IN MEMORIAM.

In sad but loving memory of Edmond L. Lewis, who died Dec. 14th, 1913.

Eight years have passed since that sad day,
God called the one we loved away;
He was the best that God could send,
A loving father, a faithful friend,
Taken on, dear father, and from thy rest,
We miss him most who loved him best;
In silence he suffered, in patience he bore,
Till God called him home to suffer no more.
Life was desired, but God He saw
Eternal rest was best for thee.

LEE—McFARLANE.

A very pleasant event took place on Wednesday afternoon, at the home of Mr. and Mrs. Arch. Lee, of Yarker, when their youngest daughter, Miss Vera Helen Lee, was united in marriage to Mr. Cecil McFarlane. The ceremony was performed by Rev. J. W. Dean, pastor of the contracting parties, in the midst of a goodly number of the bride's nearest relatives. The groom was ably supported by Mr. C. W. Wallace, while the bride was graciously attended by her only sister, Mrs. C. W. Wallace, of Camden. The bride was becomingly gowned in a brown Duchess satin dress. After the ceremony a dainty lunch was served. The wedding party motored to the station in time to take the west bound train at 4.30 p.m., for Toronto, where the happy young couple will spend their honeymoon. They were escorted to the station by a large crowd of their admirers, old and young, who gave them a fine send off with many well wishes mixed with much rice and loud acclaims.

A Prime Dressing for Wounds. — In some factories and workshops carbolic acid is kept for use in cauterizing wounds and cuts sustained by the workmen. Far better to keep on hand a bottle of Dr. Thomas' Eclectric Oil. It is just as quick in action and does not scar the skin or burn the flesh.

The remains of the late Mrs. W. E. Boyes, of Montreal, were brought to Napanee Tuesday afternoon, and the funeral took place on the arrival of the train, to Riverside cemetery. Mrs. Boyes was a daughter of the late Garrett Vanalstine, Palace Road. Miss Eunice Vanalstine is a sister of the deceased.

LETTER TO THE EDITOR.

To the Editor:—

Dear Sir,—In your issue of November 23rd last appeared a notice stating that I had, on October 27th, united in marriage, George Wilson and Miss Rosie Bongard, of Kingston, at Bath Church. I wish to state that the publication of the notice was not authorized by me, and that the alleged marriage did not take place.

Bath, Dec. 8th, 1921.

You couldn't please the boy more than by giving him a Gillett, Autocrat or Ever Ready Safety Razor for Xmas. Sold at Wallace's.

TO MY FRIENDS AND SUPPORTERS IN THE RECENT CAMPAIGN.

I wish to express my appreciation to the Ladies and Gentlemen who so valiantly worked against such tremendous odds in the interest of the Conservative Party and myself in the past election.

I also feel proud of the dignified manner in which my supporters ignored the slanderous lies which were circulated broadcast by some of the unscrupulous workers on the opposition side. I had much rather suffer an honorable defeat than be elected by such underhand and questionable methods.

DIRECT HELP FOR THE FARMER.

There are probably more people requiring financial assistance this year than any year for some time past. The banks are doing their best to meet the requirements, but the heavy demands upon them make it necessary to adhere as rigidedly as possible to the short date loan.

A loan for a few months, is of little use to the farmer in most cases. When they borrow money for the purpose of buying cattle, machinery, seed, fertilizer, in fact nearly everything connected with the farm they require that part at least, of the money needed to pay back this loan shall be earned by that which was purchased with the money borrowed. This takes in most cases in the neighborhood of a year.

The Ontario Government at the last session passed two Bills, which when put into operation, should greatly assist the farmers in financing their business.

The Government have an agricultural expert here to help farmers, Mr. C. C. Main. He understands these systems by which financial assistance is available to the farmers through this Department, and he is anxious to help. It would appear that it is now up to the farmer to help himself. We would suggest that he get in touch with Mr. C. C. Main at Napanee, for detailed information on this subject.

FELLOWS.

Hello! Fellows is still alive, after the election.—Mrs. Delbert Snyder is improving, after being seriously burned on the arm and hand, when their home took fire from a lamp. — Master Bruce Dawson has returned home, after undergoing treatment for his throat at Kingston.—Mr. Cecil Denyes spent a few days in Peterborough and Millbrook, recently. — Mr. Nathan Shannon is spending a few days at Mr. Fred Smith's.—Miss Carmelita Frisken spent the week end at her home in Napanee.—A number attended the variety show at Robert Shellington's.—Mr. and Mrs. Robert Henderson spent a day recently, the guest of Mr. Frank Smith.—Mr. and Mrs. Fenton Reid and family spent Sunday at Mr. James McFarlane's, Jr.—A number from here attended the tenneering at Morven, and report a good time. — Miss Louise Bonny spent the week end at Mr. Freemantle's.—We are glad to see Mrs. Chas. Parrott again, after his serious illness.—Mr. and Mrs. Arthur Vanalsyke and family spent Sunday at Mr. T. Freemantle's.—Mr. and Mrs. Sheldon Parks and son, Willie, visited at Mr. Herbert Smith's, recently.—The Sunday School scholars are very busy practicing for their Christmas entertainment, to be held on Friday evening, Dec. 23rd.

ENTERPRISE EAST.

The farmers of this vicinity have once more settled down to work, after the excitement over the elections, and judging from the expressions we hear over the results, it should act as a great stimulant to many of them. The vote was the largest ever polled, as everyone took a keen interest in the campaign, which was ably contested by both parties concerned.—Many of our young men, who have been employed on the C. P. R., layoff steel have returned to their homes, as the work is nearly completed.—The entertainment given in Jackson's Hall, on Saturday evening, by the Tierney Group, was largely attended, many being unable to gain entrance. None who were present envied the doorkeeper his job, as he certainly had a busy night.—Messrs. Vincent Dillon and Edward Kenrys spent Sunday at Erinsville.—Edward Foster has returned from Trenton, after spending a few days with his parents.—Messrs. Thos. Perrault and James Tallon attended the U. F. O. Committee meeting in Kingston, on Saturday.—Mr. Charles Clair spent Sunday at Mr. Henry Byrnes'.—Messrs. Thomas Dunn and A. C. Kenny are the guests of Mr. and Mrs. Harold Dunn.—Messrs. Patrick Laverk and Patrick Sagriff were the guests of Mr. and Mrs. Samuel Lyons on Sunday.

ARDEN

The regular monthly meeting of the W. M. S. was held at the home of the President, Mrs. B. F. Detlor. The meeting was opened by singing a hymn, followed by prayer led by Mrs. J. Hayes. Roll call was responded to by those present. An interesting report was read on foreign missionary work. Then a display of goods which was left from their bazaar. A piece of music, entitled "Let the Lower Lights be Burning" was sung by Miss Gertie Hughes, Mrs. Ed. Barker presiding at the organ. The meeting closed by singing a hymn, followed by all repeating the Lord's Prayer.—The election is a thing of the past.—Mr. Ed. Barker has taken over the rural telephone. There will be a new line to Horse Shoe and to Harlowe.—Mr. and Mrs. W. McGregor at Mr. C. W. Snider's, on Sunday.—Mr. and Mrs. Snider at Mrs. D. Cox's, recently.—Mr. and Mrs. S. Barker at Mr. E. Scott's.—The community was shocked when the news came of the two men being drowned in Beaver Lake. The friends have the sympathy of all.

AIR TRIP THRILL.

DESCENT ON A SANDBANK. — PASSENGERS AND PILOT IN PERIL.—SAVED IN THE NICK OF TIME FROM RISING TIDE.

The following is an account of the Giro Aviation Co.'s only mishap during their three years' business career in civilian aviation, in England. This Co. is owned and operated by the Giroux Brothers, Major A. P. and Lt. S. N. Giroux, who spent their early boyhood in Napanee, and served in the R. F. C. and R. A. F. during the war. The Giroux Brothers' parents, Mr. and Mrs. Albert Giroux, reside in Brockville, Ont., Can.

The Giroux Brothers, who are the sole proprietors of the Giro Aviation Co., own and have registered with the Imperial Air Ministry eight three-passenger carrying aeroplanes, which they have in service at their Southport Aerodrome, for short joy-flights and long distance passenger and goods carrying. During the summer of 1921 the Giro Aviation Co. inaugurated a daily schedule of Aero Service, Southport to Blackpool and return, the distance between these two summer resorts being forty miles by land, but by a short cut over the sea this distance is cut down to a minimum of twelve miles. The time usually taken on this trip is nine minutes each way.

A thrilling adventure, which might have been planned to provide a startling incident for an American cinema drama, befell a party of three on their return flight to Southport after an evening visit to Blackpool by aeroplane. Making a forced landing on a sand bank about two miles out to sea off Lytham, they were overtaken by the rising tide. After saturating some of their garments with petrol and burning it in a vain effort to attract help from the shore, they were eventually rescued in the nick of time before the swirling tide swept them away. The heroism of the pilot, who swam for three-quarters of an hour, battling with the tide, was responsible for their rescue.

The airman succeeded in reaching a hopper which was at anchor in the Ribble estuary, a dinghy was put off, and the two passengers of the three-seater aeroplane were got in the boat when the rising water was almost up to their necks. In another ten minutes they would have been carried away and in all probability drowned. All three spent the night on the hopper.

The three persons concerned in this amazing drama, which took place on Wednesday night, were:—

Captain W. P. Gibbons, M.C., a wealthy Southport resident, living at the Gordon Hotel.

Mr. T. J. Davies, residing at Southport, a well known business man, member of the firm of Davies Lord Limited, rubber manufacturers, of Southport, Manchester, and Preston.

Lieut. S. N. Giroux, a French Canadian, who was attached to the R. A. F. during the war, managing director of the Giro Aviation Company, Hesketh Park Aerodrome, Southport, an accomplished pilot, who was in charge of the machine.

Capt. Gibbons had an appointment to keep in Blackpool on Wednesday night, and being extremely fond of flying—it is no uncommon thing, we understand, for him to spend £10 in a week on flights in the Giro Company's fine machines—he decided to make the trip to Blackpool by aeroplane. Accompanied by his friend, Mr. Davies, he approached the Giro Company at their Hesketh Park Aerodrome, and an "Airco 6" three-seater biplane was quickly placed at his disposal.

They left Southport shortly after eight o'clock, and seven minutes later were alighting at the aerodrome on the sands at South Shore. At twenty minutes to nine the machine rose, for the return flight, and all three occupants fully expected to be back in Southport a few minutes later. But the millionth chance intervened.

The aeroplane rose gracefully, and soared to an altitude of 2,500 feet when at St. Annes. Suddenly the engine began to mis-fire, and the pilot decided to make a descent before taking to the open sea for the return to Southport. Turning inshore and facing the breeze, he skilfully planed down, selecting a large bank, which was high and dry above the tide, for the landing. When he struck the bank, however, he found that the sand was too soft for a satisfactory landing, and the machine was so much damaged as to put all idea of rising again from it out of the question. It had been Lieut. Giroux's intention to leave one of his passengers on the bank, and fetch him after he had flown the other to Southport. Thus relieved of some of its weight, the machine would have done this in a few minutes, despite the misfiring.

Marooned on a Sand Bank.

The damage sustained in landing made further flight impossible. The three men were marooned on a sand bank about two miles from the shore. Worse still, they quickly realized that the tide was rapidly rising. Action had to be prompt.

Lieut. Giroux, with the quick resource which characterises the expert pilot, essentially a man of iron nerve and cool brain, at once began to act. Removing his pilot's tunic, he saturated it with petrol and lighting it used it as a flare to try and attract notice from the shore. The two passengers followed suit with their overcoats, and in this way a continuous flare was kept up for some time, until all the matches were used. As Mr. Davies said on Thursday, when all three laughed over the adventure, and he was lighting a cigarette with a match from a well-filled box, "Matches were worth £5 a box last night." One can well believe it. But unless one has experienced anything of the kind, it is hard to realize the consternation of finding the last match spent under such circumstances as those in which the members of this flying party found themselves.

By this time the water was washing over the sand bank, and the peril of the situation was becoming imminent. Something had to be done, and Mr. Giroux rose to the occasion. He had already burnt most of his clothes as flares, and where he decided to make a desperate bid for freedom by swimming, he had little to hamper him in the way of garments. He is an unusually strong swimmer, and plunging into the water he struck out for the coast, some two miles away. In the case of Capt. Gibbon swimming was out of the question owing to wounds received in the war, and his friend, Mr. Davies, remained with him on the bank.

Lieut. Giroux soon found the tide carrying him far out of his course. For three-quarters of an hour he struggled with the swiftly flowing tide and the swirling currents, and he was in an exhausted state when he was seen by those on board Hopper No. 7 in the mouth of the Ribble, and they succeeded in getting him on board. His first thought was for those left on the sand bank in dire danger of being carried away by the tide.

A Last Minute Rescue.

A dinghy was put out, and in this Lieut. Giroux and members of the hopper's crew of about seven, went to the rescue of his passengers. It was a long pull against the tide, and they only reached the marooned men just in time.

"In another ten minutes", said Mr. Davies, relating the story of the adventure the next day, "we should most certainly have been carried off our feet."

"And, if it had not been for Lieut. Giroux", put in Capt. Gibbons, "we should neither of us be here to-day. If he had not made a swim for it and risked his life we should probably have all gone under."

On their return to the hopper it was late at night, and Lieut. Giroux had scarcely any clothes. The three gratefully accepted the invitation of the captain of the dredger to spend the night on board. They were made very comfortable, and had a good breakfast before they were put ashore at Lytham on Thursday morning.

A telephone message was sent to the Hesketh Park Aerodrome, and Lieut. Giroux's brother, Major A. P. Giroux, M.E., late R. A. F., who is aeronautical adviser to the Giro Aviation Company, was soon on the road in Capt. Gibbons' motor car, with clothes. He was not long in arriving at Lytham, where the party were now quartered at the Clifton Arms Hotel, and later in the day all four drove to Blackpool, where they were interviewed by a "Gazette and Herald" man, to whom they related the strange story of their perilous adventure. They made light of it, as men who are still young do when they have safely passed through danger.

"But I can assure you," said Capt. Gibbons in the midst of his laughter, "it was a near thing, and if it had not been for Lieut. Giroux, who was a real hero, we should most certainly not be in Blackpool to-day. We are very grateful to him, and we are most grateful, too, to the captain, chief engineer, and crew of the hopper, who did everything possible to make us comfortable."

The chief engineer of the hopper is Mr. Robert Halsall, but not one of the members of the party knew the name of the captain. Before they left the hopper they made out a substantial cheque for division among the members of the crew.

All four members of the party have served with the Forces, Mr. Davies being a veteran of the South African war.

How rare is such a mishap may be judged from the fact that the Giro Company have made many thousands of passenger flights, and no personal injury of any description has ever been suffered. Lieut. Giroux has been flying since 1915, and is a most successful and efficient pilot. Such a mishap as occurred on Wednesday night is, as we have described it, the millionth chance. Certainly both Capt. Gibbons and Mr. Davies have just nothing of their enthusiasm for flying through it.

"We would fly anywhere with Lieut. Giroux as pilot," they said, "and we hope to make many more trips with him."

Saluing the Aeroplane.

It was not until Thursday afternoon that the aeroplane was dragged ashore, and brought to Lytham Pier. After spending the morning in Blackpool, the aviation party drove to Lytham in the afternoon in Captain Gibbons' car, making their headquarters at the Clifton Arms Hotel. The Giroux brothers had given up all hope of salving the machine. Thousands of Lytham holiday makers watched the operations, which were photographed by the "Gazette and Herald" and filmed by the Parkstone Film Company. The proceedings were superintended by Major and Lieut. Giroux, and Capt. Gibbons and Mr. Davies were interested spectators at the salving of the machine.

The aeroplane, the value of which was £950, was, of course, considerably damaged, the long immersion in the salt water having wrought havoc with the engine, which cost about £400. The machine was insured.

The Giro Aviation Co., which flew from Blackpool during the latter part of last season, using the beach aerodrome at South Shore, claim to have carried over 6,000 passengers without accident during the past three years at Blackpool, Southport, New Brighton, Rhyl, and Prestatyn.—Blackpool Gazette & Herald.

DOUBLE DROWNING IN BEAVER LAKE.

Kenneth Hughes, aged eighteen years, son of Mr. and Mrs. Wesley Hughes, R.M.D., Tamworth, and a young man named Peterson, aged twenty years, who resided at Arden, lost their lives when they broke through the ice while skating on Beaver Lake on Thursday afternoon. Leslie LeVeck, aged sixteen years, who recently came to live in that locality, also broke through the ice, but was able to get out of the water. He skated home and gave the alarm.

The accident occurred on Thursday afternoon at 2.30 o'clock. The place where the young men were drowned is about two and one-half miles north of the Village of Tamworth. It was thought that the most of the ice was firm enough to carry skaters, but the party skated on a weak place. When the three plunged into the icy water, LeVeck was fortunate to get to safety, while his two companions sank in thirty feet of water. After getting out of the hole, LeVeck made his way to his home and gave the alarm. When he arrived he was so overcome that it was some minutes before he was able to speak.

A search party was organized and at 4.30 o'clock the two bodies were recovered.

Mr. and Mrs. Hughes also lost a son in the Great War. An inquest was held in the village on Thursday night and the verdict was "accidental death".

Muscular Rheumatism Subdued. — When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Eclectric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

PAINS SO BAD STAYED IN BED

Young Mrs. Beecroft Had Miserable Time Until She Took Lydia E. Pinkham's Vegetable Compound.

Hamilton, Ont.—"I have suffered for three years from a female trouble and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pains in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the Hamilton Spectator and I took it. Now I have no pain and am quite regular unless I overwork or stay on my feet from early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Compound to several friends."—Mrs. EMILY BEECROFT, 339 Victoria Ave. N., Hamilton, Ontario.

For forty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It is made from native roots and herbs and contains no narcotics or harmful drugs.

For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years experience is at your service.

CAMDEN EAST

The Comedy-Drama, "Diamonds and Hearts", given by the A. T. F. A. in the Parish Hall here last Thursday evening, drew a large crowd and provided a couple of hours innocent amusement for all present. Some of those who heard it, spoke of it as one of the best plays of the kind they had ever heard and hoped the young people would repeat the performance at a later date as they wanted an opportunity of hearing it again. In the play there are eleven characters. Those taking part were, Lillian Robinson, Alice McDonald, Dora Blakely, Agnes Huff, Bella Quinn, Aileen Joyce, Clarence Drew, John Kay, Harold Huff, James Robinson and Arthur Hinch. The Bicknell's Corner Orchestra furnished the musical part of the programme, and were heartily applauded. Regarding the play itself it is certainly a "comedy-drama", the comic portions particularly in evidence. "Bernice Holsted" took her part well, in spite of an "affection of the heart", as did also her sister, "Amy", and their young lady visitor, "Inez Gray". The plot laid by these three jolly girls to fool young Doctor Burns is quite amusing, but quite unsuccessful as the wily Doctor is equal to the occasion. Dwight Bradley's determination, by hook or crook, to win the heart of Bernice and the account of the lost diamonds, in which his stepmother, Mrs. Holstead, figures is also interesting, as is Dwight's despair when his proposal of marriage to Bernice is dramatically rejected, and further plotting, on his part, foiled by the inimitable Sammy, the Darky bell boy, and the comical farmer, Abraham Barnes", "a diamond in the rough". The part taken by Abraham and his sister, "Hannah Mary" is very funny and the darkey adds much to the merriment. The Attorney and the Sheriff also take their parts well. Altogether they form a strong amateur aggregation and can well entertain any audience who agree with the sentiment of the couplet which says, "A little nonsense now and then, is relished by the best of men".

Toronto Nurse Cured of Muscular Rheumatism

Miss Pearl Rennicks, Camden St., Toronto, says: "It is the greatest pleasure of my life to be able to give a testimonial in favor of DR. HENDERSON'S HERB TABLETS, for they have done wonders for me. I was nursing in one of the hospitals when I was taken with muscular rheumatism and had to go home. For three months I was unable to move one of my arms or even a finger and the pain that I suffered was something dreadful. I tried different kinds of treatments and remedies, without any results whatever. I was advised to try Dr. Henderson's Herb Tablets and after using one box and part of another I was completely recovered from the trouble.

If you are suffering with Rheumatism, Constipation, Eczema, Kidney Liver and Nervous Complaints get a box at once and see the results.
